

System Policy 3.32 Faculty Qualifications

Part 1. Purpose

To ensure that qualified individuals perform faculty work in the colleges and universities of Minnesota State.

Part 2. Definitions

Credential evaluation

The process for evaluating an individual's education and experiences in accordance with established minimum qualifications.

Faculty member and faculty work

Individuals who teach credit-based courses, engage in research, and/or provide a variety of academic services for the direct learning benefit of students.

Higher Learning Commission (HLC)

An independent corporation that is one of the institutional accreditors in the United States. HLC accredits degree-granting post-secondary educational institutions in the North Central region (including Minnesota) and is recognized as an accreditor by the United States Secretary of Education.

Minimum qualifications

The minimum requirements used in credential evaluations.

Part 3. Policy Statement

An individual offered employment as a faculty member or any individual assigned to perform faculty work shall meet established minimum qualifications. Minimum qualifications established for faculty work will meet the guidelines and assumed practices set forth by HLC.

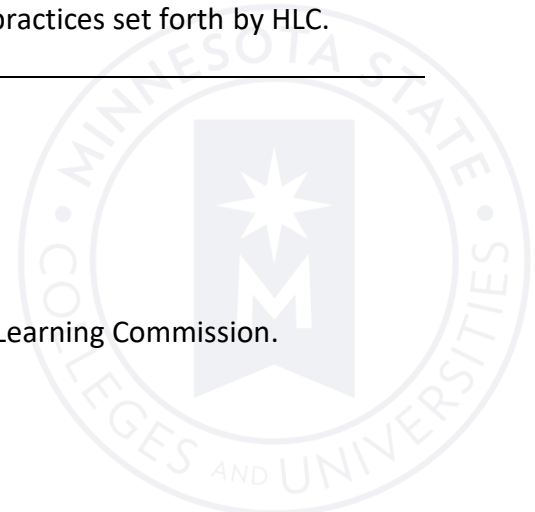

Date of Adoption: 12/07/05

Date of Implementation: 07/01/06

Date of Last Review: 03/22/23
