

# MASTER AGREEMENT

## ARTICLE 1 PARTIES

This Agreement is entered into by and between the Board of Trustees, Minnesota State Colleges and Universities (MnSCU), hereinafter called the Board, and the Minnesota State University Association of Administrative and Service Faculty (ASF) affiliated with Minnesota Teamsters Local 320, hereinafter called the Association.

## ARTICLE 2 NON-DISCRIMINATION

**Section A. Employer and Association Responsibility.** The parties are firmly committed to affirmative action and as such accept their responsibility to ensure equal opportunity in all aspects of employment for all qualified persons regardless of race, creed, religion, color, national origin, age, disability, reliance on public assistance, sex, marital status, sexual orientation, veteran status, membership or non-membership in the Association, or any other class or group distinction, as set forth by State or Federal anti-discrimination laws.

**Section B. Jurisdiction.** The parties recognize that jurisdiction for the enforcement of the provisions of Section A hereof is vested solely in various State and Federal agencies and the courts, and, therefore, complaints regarding such matters shall not be subject to the grievance procedure in this agreement. This does not preclude the use of any administrative procedure adopted by the employer.

## ARTICLE 3 RECOGNITION

**Section A. Recognition.** Pursuant to the Minnesota Public Employment Labor Relations Act of 1971, as amended, the Employer recognizes the Association as the exclusive representative in the appropriate unit as described in the decisions of the Bureau of Mediation Services in the cases 75-PR-642-A, dated September 29, 1975; 80-PR-1257-A, dated June 16, 1980; and 83-PR-1220-A, dated September 9, 1983.

**Section B. Exclusive Right.** The employer will not meet and negotiate relative to those terms and conditions of employment subject to negotiations with any ASF Member groups or organizations composed of ASF Members covered by this Agreement except through the Association.

## **Section C. Unit Determinations**

Subd. 1. The President or his/her designee shall, in a timely manner, send to the designated local association representative or his/her designee, the position description, organization chart and other supporting documentation for all new unclassified supervisory and professional positions which have not been assigned to an existing bargaining unit or which are proposed for assignment to a different bargaining unit. This includes positions to be placed in excluded management and confidential units. Additionally, the President/designee will present a report summarizing new classified positions on a timely basis to the Campus Association. If the local association representative requests a meeting with the university administration within ten (10) working days of mailing or delivery of the data, a meeting shall be held within ten (10) days, unless another date is mutually agreed to.

Subd. 2. If the parties cannot agree to the appropriate unit for the position, the President shall make an initial determination as to unit placement and shall submit it to the Chancellor or his/her designee. The Chancellor or his/her designee shall notify the Association's President or his/her designee and shall arrange a meeting if desired.

Subd. 3. If the parties are unable to agree as to unit placement of the position, the Chancellor or his/her designee shall make a determination as to unit placement of the position and shall send the position request for temporary assignment to the Minnesota Management & Budget for submittal to the Minnesota Bureau of Mediation Services.

Subd. 4. Managerial and confidential positions upon which the parties have agreed or not raised objections shall be placed in those units. Non-managerial, or non-confidential positions upon which the parties have agreed or not raised objections shall be assigned to the agreed upon unit, and the Chancellor or his/her designees shall send such positions to the Minnesota Management & Budget for submittal to the Minnesota Bureau of Mediation Services.

Subd. 5. Positions which have gone through the process contained in the Subdivisions 1-3 above, and which remain in dispute, may be challenged by the Association filing the proper petition with the Minnesota Bureau of Mediation Services.

Subd. 6. The parties may agree to hold informal discussions with the Minnesota Bureau of Mediation Services concerning the appropriate assignment of any position in dispute. In such cases, the Minnesota Bureau of Mediation Services will be asked to issue an advisory opinion which the parties may use in the form of guidance, but which shall not be binding on any of the parties.

Subd. 7. The Unit Determination Criteria as agreed to by the parties involved and issued by the Minnesota Bureau of mediation services are contained in Appendix A to this Agreement.

Subd. 8. This Section shall be non-grievable and non-arbitrable except for failure to provide the data noted in Subdivision 1 above.

**Section A. Policy.** It shall be the policy of the Minnesota State Colleges and Universities to maintain and encourage full freedom, within the law, of inquiry, teaching, and research. The Employer shall not discriminate against an ASF Member for engaging in political activities or holding or voicing political views, so long as the exercise of this right does not interfere with his/her responsibility as an ASF Member.

**Section B. Prohibition.** The Employer agrees not to use any mechanical or electronic listening or recording devices except with the ASF Member express consent; provided, however, that nothing herein shall be construed to preclude the recording of formal proceedings where a record or minutes is customarily maintained.

**Section C. ASF Member Obligation.** In the exercise of academic freedom the ASF Member, while engaged in classroom teaching activities, may, without limitation, discuss his/her own subject in the classroom; he/she may not, however, claim as his/her right the privilege of persistently discussing in the classroom matter which has no relation to the subject. In extramural utterances, the ASF Member has an obligation to not represent himself/herself as an institutional spokesperson unless so designated by the President.

**Section D. Research and Publication.** An ASF Member is entitled to full freedom in research activities and in the publication of results, so long as such activities do not interfere with the performance of his/her job duties. The Association may establish a committee of a reasonable number to be mutually agreed upon by the Chancellor, or his/her designee, and the Association to meet and confer with the Chancellor or his/her designee for the purpose of discussing matters of mutual concern, including those matters necessary to the implementation of this Agreement which are systemwide in nature. Such meetings will be held at the request of either party at least three (3) times each fiscal year unless waived by the Association. The Chancellor or his/her designee(s) shall provide the facilities and set the time for such conferences upon request of the Association. A written agenda shall be submitted by the Association to the Chancellor at least ten (10) calendar days in advance of the scheduled meeting date. ### **Section C. Access to Information**

Subd. 1. The Employer agrees to provide the Association with information pertaining to the Employer's budget, both present and proposed, and other statistical/financial information necessary for the negotiation and implementation of this Agreement.

The Employer shall update this list on a monthly basis. Alternatively, the Employer may provide this information in an electronic format.

Subd. 3. The Employer shall also furnish the Campus Association President notification of announcements of unclassified, non-teaching vacancies and new non-teaching positions at the time such vacancies and positions are announced for the recruitment purposes.

Subd 4. This provision shall not be construed to require the Employer to compile information and statistics in the form requested which are not already compiled in that form, unless mutually agreeable. Reasonable costs incurred in compiling such data and information may be charged by the Employer to the Association.

**Section D. Use of Facilities.** Upon request to the university President or his/her designee, the campus Association shall be permitted to meet at the university if appropriate facilities are available. All requests must be submitted in accordance with the campus facility usage procedure. Any additional costs incurred by the Employer because of the Campus Association's use of its facilities may be charged to the Campus Association.

**Section E. Bulletin Boards.** The university President or his/her designee shall furnish adequate bulletin board space in convenient locations on the campus for the exclusive use of the Association for the purpose of meeting notices and other relevant announcements.

Subd. 1. The Employer and the Association agree that the conduct of Association business shall be governed as follows:

- (a) Duly authorized representatives of the Association shall be free to transact official Association business necessary to the performance of Association responsibilities to ASF bargaining unit members, including grievance representation activities. Such business may be conducted at the university at reasonable times so long as it does not interfere with the normal functioning of the university.
- (b) Association representatives who are appointed to serve on System level committees or committees established by the university President or his/her designee shall be released to perform such service. Use of the above noted time to perform Association business shall be governed by the principle that such time shall not be unreasonable.

Subd. 2. Association President and Designees. Upon request of the Association, the Association President and his/her designee(s) shall be granted up to one (1) FTE release time from his/her assigned workload for each year of the contract. The Association shall reimburse the Employer at the amount of ~~\$3,234 per month of full time employment~~ the member's monthly base salary prorated for the amount of release time granted. The Association and the Employer may meet and confer to discuss additional FTE release for the Association if circumstances warrant. The number of individuals granted release time shall not exceed four (4). ASF Members granted release time under this Subdivision shall remain on the State payroll at the regular salary and lose no benefits.

~~Effective July 1, 2003, the rate of reimbursement noted above shall change yearly by the percentage change in the salary compensation of the bargaining unit.~~

Subd. 3. Professional Development. Upon completion of two (2) consecutive terms as Association President, an ASF Member may have the opportunity to take a paid professional development leave of up to six (6) months, if the professional development activity is mutually agreed to by the President and the ASF Member. The application for Professional Development Leave must be submitted within three (3) months of completion of the second term. The starting date of the leave must be agreed upon by the President and ASF Member. Upon

completion of the leave, a recipient of this benefit is expected to provide service for a period of time equal to the length of the Professional Development Leave. An individual who takes this professional development leave shall not accrue vacation but shall accrue sick leave at one-half (1/2) the applicable rate for the duration of the leave.

Subd. 4. Association Meetings. Authorized ASF Board members, not to exceed three (3) from each campus, shall be released one (1) day with pay per meeting for up to three (3) Association Board meetings per year.

## **ARTICLE 8 MANAGEMENT RIGHTS**

**Section A. Inherent Rights.** Except as expressly delegated in this Agreement, the Employer reserves all management rights and management functions as provided by law to the state of Minnesota.

**Section B. Management Rights.** Except as expressly delegated in this Agreement, the parties agree that management rights include but are not limited to the following: establishment of educational policies of the universities; administration of the universities; selection, direction, assignment, transfer, evaluation and promotion of ASF Members; establishment of class schedules, the exercise of such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, the organizational structure, and the number of personnel.

**Section C. Management Responsibilities.** The parties also recognize the right and obligation of the Employer to efficiently manage and conduct the operation of the System within its legal limitations and with its primary obligation to provide educational opportunities. The foregoing enumeration of Employer rights and duties shall not be deemed to exclude other inherent management rights and functions not expressly reserved herein, and all management rights and functions not expressly delegated in this Agreement are reserved to the Employer.

## **ARTICLE 9 AGREEMENT AGAINST STRIKES AND LOCKOUTS**

**Section A. Lock-Outs.** No lock-out of ASF Members shall be instituted by the Employer during the term of this Agreement.

**Section B. Strikes.** During the life of this Agreement, no strike of any kind, as defined in Minnesota Statutes 179A.19, shall be engaged in, sanctioned, or supported by the Association, its officers, or agents, unless the Employer refuses to accept binding arbitration when requested to do so pursuant to P.E.L.R.A., or unless the Employer refuses to comply with a valid arbitration decision pursuant to P.E.L.R.A. In the event the Employer alleges that any ASF Member or ASF Members are engaged in a strike, the Association will, upon written notification, immediately notify such ASF Member or ASF Members in writing of the allegation and the implications of a strike.

## **ARTICLE 10 APPOINTMENTS**

**Section A. Appointments.** There shall be the following types of ASF Member appointments:

Subd. 1. Fixed-Term. A fixed-term appointment is an appointment for a limited period of time. A fixed-term appointment terminates at the end of the appointment period and does not imply that any future employment will be offered.

- (a) Fixed-term appointments may be used to fill vacancies created by leaves of absence, to fill positions when the President determines that normal recruitment and selection procedures cannot be implemented due to time constraints (an emergency fill), to meet peak work demands, to fill positions that involve head or assistant coaching responsibilities, to fill positions during departmental or university restructuring, to fill positions that may be eliminated in the near future, or for special projects. For all fixed-term positions, the Employer will communicate to the Association in writing the basis for the fixed-term position prior to or, at a minimum, contemporaneously with the fixed-term appointment.
- (b) Normally, a fixed-term appointment shall not exceed twelve (12) months in duration. However, the President may extend such an appointment to a maximum of twelve (12) additional months when such action is deemed to be in the best interest of the university. Fixed-term appointments involving head or assistant coaching responsibilities shall not be subject to the limitations set forth in this paragraph.
- (c) Fixed-term appointments may be extended for up to an additional twelve (12) months (for a total of 36 months) upon:
  - (1) sixty (60) calendar days written notice to the Association detailing the Employer's explanation of the necessity for the additional appointment period; and
  - (2) the agreement of Association.

- ~~(e)~~(d) If the position is being used to fill a leave of absence pursuant to Article 19, Section A, or to replace an individual on an acting or interim appointment in a higher range within the bargaining unit under Article 12, Section I, Subd. 2. (a) a fixed-term appointment may extend beyond ~~twenty-four (24)~~ thirty-six (36) months, but shall be limited by the length of the leave granted or the duration of the acting or interim appointment.
- ~~(d)~~ (e) If there is a need to terminate the appointment prior to the appointment end date, the ASF member will be given forty-five (45) calendar days notice of such termination.
- ~~(e)~~ (f) Current or future ASF Members in a probationary, permanent, or externally funded position who are assigned coaching duties will not be involuntarily converted to fixed term status. For positions involving head or assistant coaching responsibilities, ASF Members may only be assigned fixed term assignments under this subdivision if the coaching duties are at least fifteen percent (15%) of the position duties.

Subd. 2. Externally Funded.

- (a) ~~An Externally funded appointments are is an appointment made to a position at least 25% financed by monies from a source of funding outside of the institution Employer's control which, for purposes of this subdivision, includes, but is not limited to, external grants, funding between MnSCU institutions, and funding based upon voluntary revenue sources (e.g. child care fees, athletic ticket sales, etc.) which may terminate such funding in a manner beyond the control of the Employer.~~ Such appointments are not subject to the two (2) year limitation in Subd. 1.
- (b) Positions filled by an externally funded appointment do not become probationary when a portion of the funding is supplied from state money or state generated revenue. An externally funded appointment terminates when the external funding ceases, unless the university determines to continue the position when external funding ceases. An externally funded appointment does not imply that any future employment will be offered. Any ASF Member hired on an externally funded appointment who subsequently becomes fully funded by state appropriated monies in the same position shall be converted to a fixed term or a probationary appointment. The probationary period for ASF Member(s) moved from externally funded positions to probationary status as a result of this subdivision shall be governed by Subd. 3c.
- (c) Any ASF Member hired on probationary status shall not be involuntarily

changed to externally funded status.

- (d) **Non-Renewal and Personnel Reduction.** Any ASF Member with an externally funded appointment with four (4) years or less of service may be non-renewed at the end of his/her appointment. Such non-renewal shall not require just cause, but shall require ninety (90) calendar days advance written notice. The decision of the president to non-renew an externally funded ASF Member shall not be subject to the arbitration step of the grievance procedure. Notwithstanding the provisions of Article 22, ASF members with externally funded appointments with more than four (4) years of service shall receive written notice of personnel reduction one hundred eighty (180) calendar days in advance of termination. For purposes of this paragraph, a personnel reduction shall not include the elimination of externally funded positions due to cessation or reduction of external funding.
- (e) **Discipline.** Any ASF Member with an externally funded appointment shall be subject to discipline only in accordance with the “just cause” provisions set forth in Article 23.

Subd. 3. Intermittent.

- (a) **Definition.** An intermittent appointment means the employee will work an irregular and uncertain schedule which alternatively begins, ceases, and begins again as the needs of the Employer require.
- (b) **Maximum Work Days.** An intermittent employee shall not work more than seventy-five (75) days in a fiscal year.
- (c) **Benefits.** During the period of an intermittent appointment, an employee shall not accrue vacation, sick leave, or other benefits provided in this Agreement, unless otherwise required by law. Intermittent employees shall receive holiday pay if the holiday falls within an intermittent employee’s period of work.
- (d) **Discipline.** Intermittent employees shall be subject to discipline only in accordance with the “just cause” provisions set forth in Article 23.
- (e) **Elimination and Non-rehire.** The cessation of an intermittent employee’s period of appointment shall not require just cause. The decision to not rehire an intermittent employee shall not require just cause.
- (f) **Sunset.** This subdivision will sunset on June 30, 2013, unless otherwise agreed to by the parties.

Subd. 4. Probationary.

- (a) Definition. A probationary appointment means that the individual holding such an appointment is being evaluated for purposes of determining whether or not he/she will be offered an appointment with permanent status.
- (b) Length. The total period of probationary service, prior to the acquisition of permanent status, shall be four (4) consecutive appointment years of service within a university. For purposes of this Article, an appointment year is defined as service during a period starting from July 1 through June 30 annually that is at least one-half time (.5 FTE) for nine (9) to twelve (12) months.
- (c) Computation. The event that an ASF Member is on a fixed-term or externally funded appointment, and is appointed to a probationary position within the bargaining unit at the same university, the ASF Member involved shall receive one (1) appointment year of credit toward permanent status for each appointment year of service up to a maximum of three (3), but in such case shall serve a minimum of one (1) appointment year of probationary status in that position. For an externally funded ASF Member whose position becomes fully funded by state appropriated monies as specified in Article 10 § A, Subd. 2(b), the one (1) appointment year probationary period in that same position may be waived at the discretion of the President/designee. Such discretion is not subject to the grievance procedure. Notwithstanding the above, prior service in the classified service, if such service is in the ASF Member's current position, shall be counted toward completing the probationary period up to a maximum of three (3) appointment years.

Probationary ASF Members who are assigned to a different position within the bargaining unit shall complete their probationary period in the new position or serve a one (1) year probationary period, whichever is greater.

- (d) Dismissal. Dismissal shall only be for just cause.
- (e) Non-Renewal. A probationary ASF Member may be non-renewed at the end of his/her appointment year. Such a non-renewal shall not require just cause. Non-renewal prior to the completion of the probationary period shall require a three (3) month written notice by April 1 to be effective on June 30 for ASF Members in the first appointment year of probation. If the ASF Member's first appointment is less than nine (9) months, written notice of non-renewal shall be given by May 31 to be effective on June 30. If notice of non-renewal is given during the second, third, or fourth year, written notice shall be given by January 31 to be effective on June 30.

Nothing contained herein modifies the computation of service applied to probation under (b) and (c) above. The decision of the President to non-renew a probationary ASF Member shall not be subject to the arbitration step of the grievance procedure. A probationary ASF Member who is in the final appointment year and has passed the January 31 notice date without receiving a notice of non-renewal remains on a probationary appointment through June 30 of that year. The Campus Association President shall receive notice of non-renewal of any ASF Member in the local unit.

- (f) Evaluation. Probationary ASF Members shall be provided an annual written performance evaluation based on job performance as established by each campus. Job performance deficiencies noted in this evaluation are to be addressed in a plan for performance improvement developed by the supervisor after consultation with the ASF Member.
- (g) Special Probation Permanent ASF Members who have been assigned to a different position within the bargaining unit (except if assigned to an interim/acting position) after they have attained permanent status shall be subject to a probationary period of three hundred ninety five (395) calendar days beginning on the first day of the appointment in the new position. If an ASF Member does not successfully complete this special probationary period, he/she shall be provided thirty (30) calendar days advance notice as described below, and then be returned to his/her immediately preceding status, without access to the grievance procedure. The advance notice may be provided up to the end of the three hundred sixty fifth (365<sup>th</sup>) calendar day of this special probationary period.

Subd. 5. Permanent Status. An appointment with permanent status is an appointment granted by the Employer upon successful completion of the probationary period specified in Subd. 3 above. Appointments with permanent status are for an indefinite time period and individuals holding such appointments continue in employment status within the university, but not in any particular position, unless terminated under the provisions of either Article 23, Dismissal, Suspension, and Disciplinary Demotion, or Article 22, Layoff.

Subd. 6. Position Requirements. All ASF position appointments of greater than six (6) months duration require minimum qualifications of a Bachelor's degree/appropriate professional certification, or an equivalent combination of education and experience. The six (6) month period may be extended by an additional six (6) months if the Employer notifies the campus Association in writing that the Employer has experienced a failed search with respect to the affected position. ASF Members employed prior to July 1, 1999, shall not be discharged or demoted based upon this provision.

**Section B. Current ASF Members.** ASF Members whose initial appointment with a university in a position in the bargaining unit commenced prior to March 5, 1976, shall be subject to the following provisions:

Subd. 1. ASF Members Automatically Granted Permanent Status. Any ASF Member who has been granted administrative tenure either prior or subsequently to June 30, 1971, under Minnesota State University Board Rules and Regulations in effect prior to June 30, 1971, shall automatically be granted permanent status within the university but not in any particular administrative position. ASF Members who have earned tenure in an academic program shall automatically be granted permanent status as defined in Subd. 4 above.

Subd. 2. ASF Members With Academic Tenure. ASF Members who have earned tenure in an academic program shall retain their tenure in that program and in their highest academic rank and not in any administrative position. An ASF Member may elect to return to a position in that academic program in which he/she holds tenure if said ASF Member is eligible to claim a position pursuant to the contract provisions of the Agreement covering ASF Members in that academic program. If, however, such reassignment requires the termination of an ASF Member in the academic program who has less seniority, the effective date of the ASF Member's reassignment shall be deferred until a vacancy exists or until the end of the next subsequent academic year, whichever is earlier. In the interim period prior to reassignment, the Employer may assign the ASF Member to another administrative position at the university at a comparable salary level. An ASF Member who has earned or earns tenure may also hold permanent status under the provisions of this Article.

**Section C. Notification of Appointment.** Each ASF member will be notified in writing at the beginning of each fiscal year of his/her salary, salary range, title, type of appointment, starting and ending dates of the appointment, full or part-time status (if part-time, percentage of full-time will be shown), probationary months worked, if any, payment option, soft money designation, and any other relevant special conditions of employment, if any, such as "live-in" requirements and applicable rental charges for residence hall staff. The format of the appointment document shall be the same for each university, and shall include a statement that the appointment is subject to the provisions of this Agreement.

**Section D. Notice of Change of Appointment.** Any change of terms and conditions of an existing appointment not sufficient to constitute layoff is not effective until thirty (30) days after notification to the affected ASF member.

## **ARTICLE 11 WORKLOAD**

**Section A. Base Pay Rates.** The following base pay rates will apply:

Subd. 1. FLSA Exempt ASF Members. The salary ranges, and annual base salaries set within those ranges, are for the full fiscal year (July 1- June 30), and shall not be added to or subtracted from to reflect fluctuations in the number of work days (260, 261, 262) in a given year. Any appointment of less than twelve (12) months shall have the base salary prorated based on the FTE of the appointment, as determined by that portion of the actual duty days worked in a given fiscal year (e.g., 260, 261, or 262 as appropriate). Any other appointment of less than full time shall have the base salary pro-rated based on the FTE of the appointment, as defined in Article 11, Section D.

Subd. 2. FLSA Non-Exempt ASF Members. The salaries indicated on the salary schedule are based on full time employment for a forty (40)-hour work week over twelve (12) months. Any appointment of less than twelve (12) months shall have the base salary pro-rated based on the FTE of the appointment, as determined by the portion of the actual duty days worked in a given fiscal year (e.g., 260, 261, or 262 as appropriate). Any other appointment of less than full time shall have the base salary pro-rated based on the FTE of the appointment, as defined in Article 11, Section D. Variations in an ASF Members actual hours worked will be compensated as provided in the Fair Labor Standards Act (FLSA) and this Article.

**Section B. Work Schedule.** The Employer and the Association endorse the principle that non-traditional working patterns may provide the best means for the discharge of professional responsibilities. In such context, the Employer agrees that schedule adjustments as approved by the President or his/her designee shall be made to adjust for unique requirements of the ASF Member's assignment. Additionally, the Employer and the Association agree to the following concepts regarding schedule adjustments:

Subd. 1. ASF Members hold professional positions within the Association, and are responsible for accomplishing the necessary work reasonably expected of the positions.

Subd. 2. The Association and the Employer agree that programs, departments and service areas of the universities need to operate for determined hours and to provide determined services to the clientele of the universities.

Subd. 3. Work Schedules for FLSA Exempt ASF Members.

- (a) Within each program, department or service area, ASF Members as assigned may work in excess of their normal bi-weekly work period to meet peak work demands. These peak demands may be considered as annual recurring requirements of the position, or periodic normal requirements of the position. The Employer agrees that ASF Members shall be permitted to schedule flexible work schedules to offset these peak work periods.

- (b) It is also understood by the Association and the Employer that the flexible work schedules will be implemented following the peak work periods and approved in advance by the appropriate manager or supervisor. The Employer agrees that administrators, managers and supervisors shall make a reasonable attempt to honor requests for these applications, dependent upon staffing and project needs. Such requests, where honored, must be completed within the biennium.
- (c) The Association and the Employer agree that the time management understanding outlined herein does not entitle any ASF Member to an hour for hour offset for time worked in excess of their normal bi-weekly work period.
- (d) The Association and the Employer agree that the application of these procedures shall be on a request by request basis and shall not result in the establishment of formal or informal compensatory time banks.

Subd. 4. Work Schedules for FLSA Non-Exempt ASF Members.

- (a) The normal work period for full time FLSA non-exempt ASF Members shall be forty (40) hours of work during seven (7) consecutive days. A university may use other work schedules permitted by the FLSA, and shall notify the affected ASF Members when those other work periods are in effect. Hours worked in excess of the maximum number of hours permitted in each applicable work period are overtime hours. All paid vacation time, paid holidays, paid sick leave, paid compensatory time off, and other paid leaves of absence shall not be considered "time worked" for overtime compensation purposes. All overtime work requires prior approval by the supervisor.
- (b) **Balancing Hours Within a Work Period.** By mutual agreement, an FLSA nonexempt ASF Member and the immediate supervisor may adjust hours during a work period.

**Section C. Fair Labor Standards Act.** No provision of this Agreement shall abridge, violate or diminish rights of ASF Members as guaranteed by the Fair Labor Standards Act.

**Section D. Part-Time Scheduling.** Subject to Section B of this Article, the Employer and the Association endorse the principle that less than full time equivalent ("FTE") positions shall, within reason, be expected to work a biweekly work period that equates to an eighty (80) hour work period multiplied by the position's FTE. (e.g. 80 hours @.75 = 60 hrs).

It is further understood by both parties that ASF Members assigned to less than a FTE position may be required, during the peak work periods, to exceed their normal biweekly

work period. FLSA nonexempt ASF Members who work a part-time schedule will earn overtime for hours worked in excess of forty (40) in a work week.

The Employer agrees to review any ASF position that is less than one (1) FTE if the Association can demonstrate that the position has regularly been required to work a work period that substantially exceeds the normal work period as defined above, and adjust the FTE of the respective position as deemed appropriate by the Employer.

### **Section E. Compensatory Time for FLSA Non-Exempt ASF Members.**

Subd. 1. Eligibility for Compensatory Time. Only ASF Members who are non-exempt under the FLSA are eligible to accrue compensatory time in lieu of cash overtime.

Subd. 2. Accrual of Compensatory Time. By mutual agreement between the eligible ASF Member and that individual's supervisor, overtime hours worked may be accrued as compensatory time in lieu of cash overtime. Overtime hours worked that are accrued as compensatory time will be credited at the rate of time and one half. In the absence of an agreement to credit overtime hours worked as compensatory time, the overtime hours shall be compensated in cash at a rate of time and one half of the individual's regular rate of pay.

Subd. 3. Limit on Accrual of Compensatory Time. The maximum amount of hours that may be accrued as compensatory time at any given time is two hundred and forty (240) hours. All overtime hours worked over this maximum will be compensated in cash.

Subd. 4. Scheduling Compensatory Time. An eligible ASF Member, who has accrued compensatory time and requested use of this compensatory time, shall be permitted to use such time off within a reasonable period after making the request, if such request does not unduly disrupt the operations of the university. Nonetheless, the university may require an ASF Member to use accrued compensatory time by providing reasonable advance notice to the ASF Member prior to the scheduled time off.

Subd. 5. Liquidation of Compensatory Time.

- (a) Payments for all or a portion of an ASF Member's compensatory time may be made at any time and shall be paid at the regular rate earned by the ASF Member at the time the employee receives such payment.
- (b) Upon termination of employment, the individual shall be paid for unused compensatory time at a rate of compensation as provided in 29 C.F.R.. 553.27(b).

- (c) If for any other reason (including, but not limited to, movement to a FLSA exempt position or layoff) an ASF Member becomes ineligible for compensatory time under this collective bargaining agreement, the ASF Member's unused compensatory time shall be paid at the regular rate earned by the employee in the individual's last ASF FLSA non-exempt position. Further, if an eligible ASF Member moves for any reason to the jurisdiction of another Appointing Authority, the ASF Member's unused compensatory time shall be paid at the last rate earned by the employee at the sending university.

## **ARTICLE 12 SALARIES**

### **Section A. Assignment to Salary Range.**

Subd. 1. Process. Subject to meet and confer, the Employer will have a process for the assignment of positions to salary ranges. The process will use the following instruments: MSUAASF Position Description form, Position Analysis Questionnaire, Administrative Procedures for MSUAASF Position Allocation, and the MSUAASF Position Allocation Matrix. The Employer will provide a copy of these documents to the Campus Association President, and a copy will be available in each human resources office. The documents referred to in this Subdivision are not part of the collective bargaining agreement, and are not negotiable or grievable.

Subd. 2. Evaluation Committee. A local evaluation committee will be established by the President and it shall include a Campus Association representative.

Subd. 3. Range Assignments. Positions are assigned to salary ranges A through E. Such assignments shall continue for the duration of this Agreement unless changed pursuant to Subd. 4 of this Section.

Subd. 4. Position Evaluations. Positions created during the term of this Agreement will be evaluated for the purpose of assignment to salary range. An ASF Member or supervisor may request to have a position reevaluated if such a request is based upon substantive changes in the position and such request shall be acted upon unless the position has been evaluated in the previous twelve (12) month period, in which case endorsement of the request by the President's designee will be required before a reevaluation is undertaken. All requests for reevaluation shall be in writing. The Employer agrees that an opportunity to appear before the evaluation committee will be provided to the ASF Member. The Campus Association President and the ASF Member shall be notified of the results of the campus recommendation. Except as provided in Article 12, Section G. Subd. 5, the effective date of the reassignment to a different salary range shall be the date the Human Resources Director or designee receives a formal written request for reevaluation of the position, with all appropriate agreed upon documentation.

Subd. 5. Position Description. The Employer agrees to provide each ASF Member a copy of his/her position description and position analysis questionnaire, and all such position descriptions and position analysis questionnaires shall be available to the Campus Association President upon request. The format of position descriptions and position analysis questionnaires shall be uniform for all ASF Members in the bargaining unit and shall be made available upon request to all ASF Members through the human resources office.

Subd. 6. Discretion. The ultimate authority of assignment to ranges is reserved to the discretion of the Employer.

Subd. 1. FY 2012 Compensation

- (a) The salary for FY 2012 is reflected in the table in Section B, Subd. 1 above.
- (b) All ASF members employed in the unit during FY 2011 shall remain on the same step in the same salary range in FY 2012.
- (c) All ASF members employed during FY 2012 shall receive a one-time lump-sum payment, less applicable deductions, equal to \$400 prorated by FY FTE.

Subd. 2. FY 2013 Compensation

- (a) Except for those individuals at Step 20, ASF Members who were employed in fiscal year 2012 and return in fiscal year 2013 shall remain at the same range and have their salary advanced by one step effective July 1, 2012 as set forth on the salary schedule in Section B, Subd. 2 above.
- (b) Effective July 1, 2012, an ASF Member whose salary on June 30, 2012 was at Step 20 shall receive a one-time, lump-sum payment, less applicable deductions, equal to \$2,000 prorated by FY 2013 FTE.

~~The salary for the life of the Agreement is reflected in the table above.~~

**Section D. Exclusions.** Medical Directors and Health Service Physicians shall have their initial salary set without reference to the ranges stated above. On July 1, 2012, ASF Members under this section shall receive a 4.9% increase to their base salary in effect on June 30, 2012.

**Section E. Duration of Salary Increases.** Any salary increases provided in this Agreement shall be limited to the duration of this Agreement, and if a successor Agreement is not in effect on ~~July 1, 2011~~ July 1, 2013, ASF Members shall be compensated pursuant to the effective salary as of ~~June 30, 2011~~ June 30, 2013, until such time as a successor Agreement is in effect.

**Section F. New ASF Members.** Step placement for new ASF Members shall be consistent with equity and experience. If market is a factor in determining salary placement, and the salary exceeds the midpoint of the appropriate range, the salary must be approved by the Chancellor's Office.

**Section G. Salaries on Promotion or Reassignment or Downgrade or Demotion or Reevaluation to a Lower.**

Subd. 1. Promotion. A promotion occurs when a current ASF Member is selected to fill a vacant position in a higher salary range. Compensation will be determined at the time of the new appointment.

Subd. 2. Reassignment. A reassignment occurs when, as a result of increased levels of responsibility within a given job, that job is reevaluated in accordance with the procedures set out in Section A and reassigned to a higher salary range. The ASF Member will be compensated at a salary which is, at a minimum, the nearest higher salary in the new range plus one (1) additional step.

Subd. 3. Downgrade. A downgrade occurs when an ASF Member voluntarily accepts a position in lower salary range. The ASF Member shall have his/her salary reduced to the maximum of the new range, or if his/her salary is within the new range, to the step which is nearest to but not greater than his/her current salary.

Subd. 4. Demotion. When a demotion occurs pursuant to Article 23, the ASF Member shall receive a salary within the range to which the individual is demoted. In no event shall the ASF Member receive an increase in salary as a result of the demotion.

Subd. 5. Reevaluation to a Lower Range.

- (a) When a filled position is reevaluated in accordance with the procedures set out in Section A, and reassigned to a lower salary range, the ASF Member in that position will remain at the same range and step for two (2) years, after which the ASF Member, if in the same position and assigned the same responsibilities, will have his/her base salary reduced: 1) to the maximum step of the new range, for those who are above the maximum of the new range, or 2) to the step in the new range which is nearest to but not greater than his/her current base salary, if his/her salary is within the new range.
- (b) A range reassignment for a disciplinary purpose is subject to the provisions of Article 23 and not this subdivision.
- (c) An ASF Member whose current position range reassignment grandparenting resulting from the 1992 Salary Equity Study will not be subject to this subdivision.

**Section H. Exceptional Achievement Incentive Program.** The purpose of this program is to provide ASF Members with an incentive to attain high achievement in a number of

areas. It will provide recognition to the career ASF Member who consistently demonstrates exceptional achievement as defined in Subds. 2 and 3 of this Section. The Exceptional Achievement Incentive Program shall be based on the principles of demonstrated consistent high performance and achievement. For each year of the agreement, no more than ten percent (10%) of the eligible ASF Members at each university may have plans approved under this program.

Subd. 1. To be eligible for this program an ASF Member must have been employed for a minimum of five (5) consecutive years with a Minnesota State University. Of these five years, the two (2) most recent years must be in the ASF Member's current externally funded, probationary or permanent position. The remaining three (3) years must be either: a) in any position (excluding undergraduate and graduate student employment) within the university in which the individual is currently employed, or b) in any ASF position at any Minnesota State University.

Subd. 2. An eligible ASF Member is expected to demonstrate exceptional achievement under Subd. 3(a) of this Section, as well as in a minimum of two (2) additional areas identified in Subd. 3. The ASF Member and his/her supervisor will develop a mutually agreed upon plan. This plan may be initiated by either the ASF Member or the Employer. Once the plan has been mutually agreed to by the ASF Member and his/her supervisor it shall be submitted to the appropriate Vice President. If the Vice President recommends approval of the plan, he/she shall convene a meeting of all the Vice Presidents on his/her campus within a reasonable period of time. If the Vice Presidents recommend approval of the plan it shall be submitted to the President whose decision shall be final. If the ASF Member's Vice President, the group of campus Vice Presidents or the President rejects a plan he/she/they shall provide a written statement of the reasons for the rejection to the ASF Member within two (2) weeks of their decision. The decision to approve or not approve a plan shall not be grievable.

Subd. 3. Criteria. The criteria to be used shall be:

(a) Demonstrated ability to effectively perform job responsibilities.

High achievement in performing one's current responsibilities is a necessary condition of an exceptional achievement incentive plan. A pattern of consistent high achievement on performance evaluations may be considered appropriate documentation.

(b) Scholarly activity, creative achievement or research.

Evidence of an ASF Member's continuing contribution to his/her profession is necessary for the completion of this criteria. The fundamental principle is high achievement as demonstrated by professional recognition by peers at a state, regional or national level. This

involves appropriate dissemination of new knowledge, scholarly and artistic work as well as applied research.

- (c) Evidence of continuing preparation, study.

ASF Members can demonstrate continuing professional growth in a number of ways such as: completion of a degree or certificate program; evidence of active participation as a presenter in state, regional or national professional meetings; post graduate seminars; participation in workshops and training sessions; and additional graduate coursework. Such continuing preparation and study should be relevant to the individual's position responsibilities or continued professional growth.

- (d) Contribution to student growth and development.

ASF Members can demonstrate high achievement in this area through evidence of advising excellence, unusual success in recruitment, retention or placement of students; counseling excellence; residential life programming excellence; facilitation of student groups and student leadership, student research projects or internships; comments from alumni; or involvement in department, center or extra-departmental student activities.

- (e) Service to the university or community.

Service to the university can be demonstrated through service on departmental, division, or university committees; service on search committees, service for professional organizations, or with specific projects on the university's behalf; unusual success in fundraising, conducting workshops, developing and maintaining effective working relationships with teaching faculty; teaching courses not part of position responsibilities; and assisting with cultural diversity. Normally service to the external community is understood to be service consistent with, or growing out of, one's professional expertise yet beyond the expectations of one's position responsibilities. This can include administrative leadership. Effective communication to the public through various media is an important form of community service.

Subd 4. Salary Adjustment. Upon the successful completion of the approved Exceptional Performance Incentive Plan, or accomplishment of interim annual goals, as described in the approved plan the ASF Member will receive a lump-sum payment of up to five percent (5%) of the ASF Member's base salary in effect at the time of the payment. This lump-sum payment shall not be added to base. ASF Members at the top of the salary schedule will be eligible for a lump-sum payment.

## **Section I. Additional Assignments and Compensation.**

Subd. 1. For additionally assigned responsibilities not reasonably covered by the ASF Member's position description which the ASF Member performs for six (6) weeks or longer, vacation exempted, appropriate additional compensation shall be provided. At a minimum, appropriate compensation will be five (5) percent of base salary.

Subd. 2. Acting or Interim Appointment.

- (a) An ASF Member who is assigned on an acting or interim basis to a position in a higher range in the bargaining unit shall be compensated at a salary which, at a minimum, is the nearest higher salary in the new salary range, plus one (1) step. An ASF Member who is assigned on an acting or interim basis to a position in a higher range will have the right to return to his/her former position at the same range and step as if the ASF Member had been continuously employed in the former position.

Any acting or interim appointment with an expected duration greater than one (1) year shall be subject to meet and confer with the local Association.

- (b) An ASF Member who is assigned on an acting or interim basis to a position as a MnSCU Administrator will have the right to return to his/her former position at the same range and step in the ASF bargaining unit at the university where he/she is employed. The ASF Member shall neither lose nor continue to accrue benefits provided to ASF Members in this bargaining unit during the period of any acting or interim appointment as a MnSCU Administrator.

Subd. 3. When any additional assignments involve classroom teaching, compensation shall, at a minimum, be at the rate of one thousand, one hundred dollars (\$1,100) per credit hour or the negotiated adjunct faculty pay rate, whichever is greater.

Subd. 4. Honorarium. An ASF Member who performs an assigned special project for the university and/or MnSCU may be awarded an honorarium at the President's or Chancellor's discretion. For purposes of this provision, the special project must normally be outside the scope of the ASF Member's responsibilities. Honorarium any individual ASF Member shall not exceed one thousand dollars (\$1000) per fiscal year.

Subd. 5. Special Initiative Award. At the discretion of the President/designee, any ASF Member may be issued a Special Initiative Award of up to five thousand dollars (\$5,000), subject to the following conditions.

- (a) Each University shall have a Special Initiative Award Committee which shall be comprised of two (2) Campus Association representatives and three (3) Administrative representatives. After a local meet and confer, each University may implement additional written guidelines, including but not limited to procedures and deadlines, for the functioning of this committee.
- (b) An ASF Member, or a group of ASF Members, seeking consideration for a Special Initiative Award will submit a written proposal that has been approved by the individual's or individuals' supervisor(s) to the University Special Initiative Award Committee. The proposal must specifically delineate goals for a special initiative that is of benefit to the University, its mission, and/or the MnSCU system, including a timeline and an assessment plan.
- (c) The committee may accept or reject the proposal, or make suggestions on how to improve the proposal to make it acceptable. Proposals deemed acceptable by the committee will be forwarded to the President/designee, with a recommended initial minimum dollar amount for the award. The President/designee may accept, reject or modify the proposal and/or the committee's recommendation. Written approval of the President/designee must be received prior to beginning work on the initiative.
- (d) In compliance with the assessment plan, the ASF Member(s) will provide a written report to the committee upon completion of the initiative. The committee will review the written report, document the work completed on the initiative and goal achievement, and prepare a written final recommendation to the President/designee for the amount of the award based on work completed and results achieved. The President/designee may accept or modify the committee's recommendations on the amount of the award from the recommended initial minimum up to, but not to exceed, the five thousand dollar (\$5,000) maximum. This payment will be in the form of a one-time lump sum payment, and it will not be added to or considered as part of the ASF Member's base salary.
- (e) For FLSA non-exempt ASF Members, the project approval of the President/designee will be in the form of the maximum number of hours that may be devoted to the project. These hours will be paid consistent with Article 11 as they are worked. These hours will be in lieu of a lump sum payment.

**Section J. Consolidated Positions.** During FY ~~2008~~ 2012 and FY ~~2009~~ 2013 if as a result of a university's permanent elimination of an ASF unit position, a current Range E ASF Member is assigned additional responsibilities that were formerly assigned to the permanently eliminated position, and such additional responsibilities are not reasonably covered by the current ASF Member's position description, the university may elect to

provide appropriate additional compensation. Appropriate additional compensation provided pursuant to this Section shall not be limited by the salary schedules set forth in this Article, but shall not annually exceed ten percent (10%) of the ASF Member's base salary. The university's decision concerning additional compensation in these circumstances shall be grievable only through Step III of the grievance procedure. Should the ASF Member be relieved of the additional responsibilities described herein, or other comparable responsibilities, the salary enhancement described in this Section shall end.

**Section K. Discretionary Function.** The discretionary function of the Employer as provided in this Article shall not be the subject of the grievance procedure.

**Section L. Salary Market Adjustments.** After meeting and conferring with the Campus Association, the President/designee may certify to the Campus Association in writing that specified positions are paid below prevailing market rates based on salary surveys by third party professional organizations, such as Minnesota Department of Economic Security, Minnesota Management and Budget, College and University Professional Association for Human Resources (CUPA-HR), or comparable organizations or agencies which are mutually agreed upon between the MnSCU Office of the Chancellor and ASF. The President/designee, on an annual basis, may adjust the salaries for incumbent ASF Members in such positions up to fifteen (15) percent above each incumbent's normal base salary. Such adjustment(s) shall be paid as a one-time lump-sum payment within the fiscal year on a date to be determined by the President/designee, and shall not constitute a permanent increase to the ASF Member's base salary. Receipt of an annual adjustment pursuant to this Section shall not be understood to create an expectation for any future annual payments.

**Section M. Pre-Tax Expense Accounts.** The Employer agrees to provide eligible ASF Members with the option to participate in pre-tax expense account programs as permitted by law, regulation, and programmatic requirements as defined in the State of Minnesota Pre-Tax Benefits Open Enrollment materials. Current accounts include Health/Dental Premiums, Medical Expense Accounts, Dependent Care Expense Accounts, and Parking/Transit Expense Plans.

**Section N. Supplemental Retirement.** Pursuant to Minn. ## **ARTICLE 13 INSURANCE**

**Section A. State Employee Group Insurance Program (SEGIP).** During the life of the Agreement, the Employer agrees to offer a Group Insurance Program that includes health, dental, life, and disability coverages equivalent to existing coverages, subject to the provisions of this Article.

All insurance eligible employees will be provided with a Summary Plan Description (SPD) called "Your Employee Benefits". Such SPD shall be provided no less than biennially and prior to the beginning of the insurance year. New insurance eligible employees shall receive a SPD within thirty (30) days of their date of eligibility.

**Section B. Eligibility for Group Participation.** This section describes eligibility to participate in the Group Insurance Program.

1. ASF Members - Basic Eligibility An ASF Member may participate in the Group Insurance Program if he/she is employed on the basis of at least fifty percent (50) of a nine (9) month or more appointment as defined in Article 11, Workload. An ASF Member hired on a fixed term or externally funded appointment during a fiscal year at fifty (50) percent time or greater should also be eligible for coverage if the president expects the appointment to continue beyond the current fiscal year at fifty (50) percent time or greater.
2. ASF Members -Special Eligibility. The following ASF Members are also eligible to participate in the Group Insurance Program:

- a. ASF Members with a Work-related Injury/Disability. A spouse of a deceased retired ASF Member may continue health and dental coverages through the Group Insurance Program provided the spouse was a dependent under the retired ASF Member's coverage at the time of the retiree's death and continues to make the required premium payment. Retiree coverage must be coordinated with Medicare.
3. Dependents. Eligible dependents for the purposes of this Article are as follows:
- a. Spouse. The spouse of an eligible ASF Member (if ~~not~~ legally ~~separated~~ married under Minnesota law). For the purposes of health insurance coverage, if that spouse works full-time for an organization employing more than one hundred (100) people and elects to receive either credits or cash (1) in place of health insurance or health coverage or (2) in addition to a health plan with a seven hundred and fifty dollar (\$750) or greater deductible through his/her employing organization, he/she is not eligible to be a covered dependent for the purposes of this Article. If both spouses work for the State or another organization participating in the State's Group Insurance Program, neither spouse may be covered as a dependent by the other unless one spouse is not eligible for a full Employer Contribution as defined in Section C(1).

The handicapped dependent shall be eligible to continue coverage as long as she/she continues to be handicapped and dependent, unless coverage terminates under the contract. Children or grandchildren who become handicapped after they are no longer eligible dependents under (1) and (2) above may not be considered eligible dependents unless they are continuing coverage as a dependent through the employee's prior Employer.~~

~~"Dependent Child" includes an ASF Member's: (1) biological child, (2) child legally adopted by or placed for adoption with the ASF Member, (3) foster child, and (4) step child. To be considered a dependent child, a foster child must be dependent on the ASF Member for his/her principal support and maintenance and be placed by the court in the custody of the ASF Member. (3) Coverage Under Only One Plan: For purposes of (a) and (b) above, if the employee's adult child (age 18 to 26) works for the State or another organization participating in the State's Group Insurance Program, the child may not be covered as a dependent by the employee unless the child is not eligible for a full Employer Contribution as defined in Section 3A.

State's Group Insurance Program, either spouse, but not both, may cover the eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried employees who share legal responsibility for their eligible dependent children or grandchildren.

4. Continuation Coverage. Consistent with state and federal laws, certain ASF Members, former ASF Members, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time.   - c. Sabbatical leave. An ASF Member eligible for an Employer Contribution immediately prior to taking a sabbatical leave continues to receive the Employer Contribution during the sabbatical leave.
4. Maintaining Eligibility for Employer Contribution.
  - a. General. An ASF Member who receives a full Employer Contribution

maintains that eligibility as long as the ASF Member meets the Employer Contribution eligibility requirements, and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to ASF Members who receive an Employer Contribution while on layoff as described in Section C(3)(a), or while eligible for workers' compensation payments as described in Section C(3)(b).

- b. Unpaid Leave of Absence. If an ASF Member is on an unpaid leave of absence, then vacation leave, compensatory time or sick leave cannot be used for the purpose of maintaining eligibility for an Employer Contribution by keeping the ASF Member on a State payroll for one (1) working day per pay period.
- c. Academic Year Employment. If an ASF Member is employed on the basis of an academic year and such employment contemplates absences from the MnSCU payroll during the summer months or vacation periods scheduled by the Employer which occur during the regular school year, the ASF Member shall nonetheless remain eligible for an Employer Contribution, provided that the ASF Member appears on the regular payroll for at least one (1) working day in the payroll period immediately preceding such absences.
- d. An ASF Member who is on an approved FMLA leave or on salary savings leave as provided elsewhere in this agreement maintains eligibility for an Employer Contribution.

**Section D. Amount of Employer Contribution.** For ASF Members eligible for an Employer Contribution as described in Section C, the amount of the Employer Contribution will be determined as follows beginning on January 1, ~~2010~~2012. The Employer Contribution amounts and rules in effect on June 30, ~~2009~~2011 will continue through December 31, ~~2009~~2011.

#### **Section E. Coverage Changes and Effective Dates.**

1. When Coverage May Be Chosen
  - a. Newly Hired Employees. All ASF Members hired to an insurance eligible position must make their benefit elections by their initial effective date of coverage as defined in this Article, Section E3. Insurance eligible, ASF Members will automatically be enrolled in basic life coverage. If employees eligible for a full Employer contribution do not choose a health plan administrator and a primary care clinic by their initial effective date, they will be enrolled in a Benefit Level Two clinic (or Level One, if available) that meets established access standards in the health plan with the largest number of Benefit Level One and Two clinics in the county of the employee's residence at the beginning of the insurance year.
  - b. Eligibility Changes. Employees who become eligible for a full Employer Contribution must make their benefit elections within thirty (30) calendar days of becoming eligible. If employees do not choose a health plan administrator and a primary care clinic within this thirty (30) day timeframe, they will be enrolled in a Benefit Level Two clinic (or Level One, if available) that meets established access standards in the health plan with the largest number of Benefit Level One and Two clinics in the county of the employee's residence at the beginning of the insurance year.

If employees who become eligible for a partial Employer Contribution choose to enroll in insurance, they must do so within thirty (30) days of becoming eligible or during open enrollment.

An ASF Member may change his/her health or dental plan if the ASF Member changes to a new permanent work or residence location and the

ASF Member's current plan is no longer available. If the employee has family coverage and if the new residence location is outside of the current plan's service area, the employee shall be permitted to switch to a new plan administrator and new Benefit Level within thirty (30) days of the residence location change. The election change must be due to and correspond with the change in status. An ASF Member who receives notification of a work location change between the end of an open enrollment period and the beginning of the next insurance year, may change his/her health or dental plan within thirty (30) days of the date of the relocation under the same provisions accorded during the last open enrollment period. An employee or retiree may also change health or dental plans in any other situation in which the Employer is required by the applicable federal or state law to allow a plan change.

2. When Coverage May be Changed or Canceled.

- a. Changes Due to a Life Event. After the initial enrollment period and outside of any open enrollment period, an employee may elect to change health or dental coverage (including adding or canceling coverage) and any applicable employee contributions in the following situations (as long as allowed under the applicable provisions, regulations, and rules of the federal and state law in effect at the beginning of the plan year).

The request to change coverage must be consistent with a change in status that qualifies as a life event, and does not include changing health or dental plans, which may only be done under the terms of Section E.I above. Any election to add coverage must be made within thirty (30) days following the event, and any election to cancel coverage must be made within sixty (60) days following the event. (An employee and a retired employee may add dependent health or dental coverage following the birth of a child or dependent grandchild, or following the adoption of a child, without regard to the thirty (30) day limit.) These life events for both employees and retirees are:

- (1) A change in legal marital status, including marriage, death of a spouse, divorce, legal separation and annulment;
- (2) A change in number of dependents including birth, death, adoption, and placement for adoption.
- (3) A change in employment status of the employee, or the employee's or retiree's spouse, or dependent, including termination or commencement of employment, a strike or lockout, a commencement of or return from an unpaid leave of absence, a change in worksite, and a change in working conditions (including changing between part-time and full-time or hourly and salary) of

the employee, the employee's or retiree's spouse or dependent which results in a change in the benefits they receive under a cafeteria plan or a health or dental plan.

- (4) A dependent ceasing to satisfy eligibility requirements for coverage due to attainment of age, ~~student status, marital status, or other similar circumstances~~ or otherwise no longer meets the eligibility requirements under Section B(3).
  - (5) A change in place of residence of the employee, retiree or their spouse, or dependent.
  - (6) Significant cost or coverage changes (including coverage curtailment and the addition of a benefit package).
  - (7) Family Medical Leave Act (FMLA) leave.
  - (8) Judgments, decrees or orders.
  - (9) A change in coverage of a spouse, or dependent under another Employer's plan.
  - (10) Open enrollment under the plan of another Employer.
  - (11) Health Insurance Portability and Accountability Act (HIPAA) special enrollment rights for new dependents and in the case of loss of other Insurance coverage.
  - (12) A COBRA-qualifying event.
  - (13) Loss of coverage under the group health plan of a governmental or educational institution (a State's children's health insurance program, medical care program of an Indian tribal government, State health benefits risk pool, or foreign government group health plan).
  - (14) Entitlement to Medicare or Medicaid.
  - (15) Any other situations in which the group health or dental plan is required by the applicable federal or state law to allow a change in coverage.
- b. Canceling Dependent Coverage During Open Enrollment. In addition to the above situations, dependent health or dependent dental coverage may also be canceled for any reason during the open enrollment period that applies to each type of plan (as long as allowed under the applicable

provision, regulations and rules of the federal and state law in effect at the beginning of the plan year).

- c. Canceling Employee Coverage. A part-time employee may also cancel employee coverage within sixty (60) days of when one of the life events set forth above occurs.
- d. Effective Date of Benefit Termination. Medical, dental and life coverage termination will take effect on the first of the month following the loss of eligible employee or dependent status. Disability benefit coverage terminations will take effect on the day following loss of eligible employee or dependent status.

3. Effective Date of Coverage.

- a. Initial Effective Date. The initial effective date of coverage under the Group Insurance Program is the thirty-fifth (35th) day following the ASF Member's first day of employment, re-employment re-hire, or reinstatement with the State. The initial effective date of coverage for an employee whose eligibility has changed is the date of the change. An ASF Member must be actively at work on the initial effective date of coverage, except that an ASF Member who is on paid leave on the date State-paid life insurance benefits increase is also entitled to the increased life insurance coverage. In no event shall an ASF Member's dependent's coverage become effective before the ASF Member's coverage.

If an employee is not actively at work due to employee or dependent health status or medical disability, medical and dental coverage will still take effect. (Life and disability coverage will be delayed until the employee returns to work.)

b. Delay in Coverage Effective Date.

- (1) Basic Life. If an employee is not actively at work on the initial effective date of coverage, coverage will be effective on the first day of the employee's return to work. The effective date of a change in coverage is not delayed in the event that, on the date the coverage would be effective, an employee is on an unpaid leave of absence or layoff.
- (2) Medical and Dental. If an employee is not actively at work on the initial effective date of coverage due to a reason other than hospitalization or medical disability of the employee or dependent, medical and dental coverage will be effective on the first day of the employee's return to work.

The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, an ASF Member is on an unpaid leave of absence or layoff.

- (3) Optional Life and Disability Coverages. In order for coverage to become effective, the ASF Member must be in active payroll status and not using sick leave on the first day following approval by the insurance company. If it is an open enrollment period, coverage may be applied for but will not become effective until the first day of the ASF Member's return to work.

4. Open Enrollment.

- a. Frequency and Duration. There shall be an open enrollment period for health coverage in each year of this Agreement, and for dental coverage in the first year of this Agreement. Each year of the Agreement, all employees shall have the option to complete a Health Assessment. Open enrollment periods shall commence on a mutually acceptable date and last a minimum of fourteen (14) calendar days in each year of the Agreement. Open enrollment changes become effective on January 1, of each year of this Agreement. Subject to a timely contract settlement, the Employer shall make open enrollment materials available to employees at least fourteen (14) days prior to the start of the open enrollment period.
  - b. Eligibility to Participate. An ASF Member eligible to participate in the State Employee Group Insurance Program, as described in Section B(1) and B(2), may participate in open enrollment. In addition, a person in the following categories may, as allowed in Section E. 4(a) above, make certain changes: (1) former ASF Member or dependent on continuation coverage, as described in Section B(4), may change plans or add coverage for health and/or dental plans on the same basis as active employees; and (2) an early retiree, prior to becoming eligible for Medicare, may change health and/or dental plans as agreed to for active employees, but may not add dependent coverage.
  - c. Materials for ASF Member Choice. Each year prior to open enrollment, the Appointing Authority will give eligible employees the information necessary to make open enrollment selections. ASF Members will be provided a statement of their current coverage each year of the contract.
5. Coverage Selection Prior to Retirement. An ASF Member who retires and is eligible to continue insurance coverage as a retiree may change his/her health or dental plan during the sixty (60) calendar day period immediately preceding the date of retirement. The ASF Member may not add dependent coverage during this period.

The change takes effect on the first day of the month following the date of retirement.

## **Section F. Basic Coverages.**

### **1. Employee and Family Health Coverage.**

- a. Minnesota Advantage Health Plan (Advantage). The health coverage portion of the State Employee Group Insurance Program is provided through the Minnesota Advantage Health Plan (Advantage), a self-insured health plan offering four (4) Benefit Level options. Provider networks and claim administration are provided by multiple plan administrators. Coverage offered through Advantage is determined by Section F.(I)(b).
- b. Coverage Under the Minnesota Advantage Health Plan. From July 1, ~~2009~~2011 through December 31, ~~2009~~2012, health coverage under the SEGIP will continue at the level in effect on June 30, ~~2009~~2011. Effective January 1, ~~2010~~2013, Advantage will cover eligible services subject to the co-payments, deductibles and coinsurance coverage limits stated. Services provided through Advantage are subject to the managed care procedures and principles, including standards of medical necessity and appropriate practice, of the plan administrators. Coverage details are provided in the Advantage Summary of Benefits.
  - (1) Benefit Options. Employees must elect a plan administrator and primary care clinic. Those elections will determine the Benefit Level through Advantage. Enrolled dependents must elect a primary care clinic that is available through the plan administrator chosen by the employee.
    - (a) Plan Administrator. Employees must elect a plan administrator during their initial enrollment in Advantage and may change their plan administrator election only during the annual open enrollment and when permitted under Section E. Dependents must be enrolled through the same plan administrator as the employee.
    - (b) Benefit Level. The primary care clinics available through each plan administrator are assigned a benefit Level. The Benefit Levels are outlined in the benefit chart below. Primary care clinics may be in different Benefit Levels for different plan administrators. Family members may be enrolled in clinics that are in different Benefits Levels. Employees and their dependent may change to clinics in different Benefit Levels during the annual open enrollment.

Employees and their dependents may also elect to move to a clinic in a different Benefit Level within the same plan administrator up to two (2) additional times during the plan year. Unless the individual has a referral from his/her primary care clinic, there are no benefits for services received from providers in Benefit Levels that are different from that of the primary care clinic in which the individual has enrolled.

- (c) Primary Care Clinic. Employees and each of their covered dependents must individually elect a primary care clinic within the network of providers offered by the plan administrator chosen by the employee. Employees and their dependents may elect to change clinics within their clinic's Benefit Level as often as the plan administrator permits and as outlined above.

Funds provided by this section shall be limited to paying the cost of travel, housing, meals, registration, and related expenses associated with participating in development activities which promote the goals and mission of an ASF member's department, program or university, such as professional conferences, workshops, similar meetings, courses, and other related professional development activities. Consistent with the foregoing, the funds may be used to pay for professional memberships, fees for professional licensure required for the ASF Member's current position, books, journals, ~~electronic~~-subscriptions and software. Books, journals, subscriptions, or software that are purchased in electronic form must be stored on a state-owned device. The unit may carry over any portion of its allocation from the first to the second year of the biennium, and from one biennium to the next.

### **Section B. Professional Improvement Fund.**

Subd. 1. Beginning in FY 2009, a total of one hundred thousand dollars (\$100,000) in each Fiscal Year will be allocated to the state universities according to the number of full-time equivalent ASF members in the bargaining unit at each university. Any unused funds shall be carried over into the second (2nd) year of this agreement. ASF members may apply for Professional Improvement Funds without regard to the source of funding of their positions. The provisions of this subdivision shall continue until a successor agreement is in effect.

Subd. 2. These funds shall be grants for the purpose of professional improvement, ASF Member development, staff training and similar kinds of development programs for ASF members. All ASF members shall be eligible to receive grants from these funds upon application submitted to and approved by the President or his/her designee. The President shall approve such applications if he/she deems the proposed professional improvement or development activities to be in the best interest of the university in improving the job-related skills and competence of the ASF member. The President shall determine the exact amount of each such grant on the basis of availability of funds and the application therefore. Within thirty (30) days of completion of the professional improvement or development activity, the ASF member must submit a written report to the appropriate supervisor outlining the activity completed and analyzing the impact on job-related skills and competence. Each campus shall develop a form for the report which shall be discussed at meet and confer.

### **Section C. Sabbatical Leave.**

Subd. 1. The President may grant a sabbatical leave to any ASF member who proposes to undertake additional study or other endeavors that will enhance the ASF member's contribution to the university.

Subd. 2. In order to be eligible for sabbatical leave, an ASF member must have completed at least six (6) consecutive years of service of at least half (.5) time for at least nine (9) months within each appointment year at the university since the ASF member's initial date of employment or the expiration of such ASF member's last previous sabbatical leave.

Subd. 3. The ASF member's application for sabbatical leave shall include a written plan consistent with the purposes outlined in Subd. 1 above with the dates of the requested leave. An ASF member who staffs a single-person department, program, or service area should work with his/her immediate supervisor to develop a plan for staffing coverage during sabbatical leave.

Subd. 4. Each university shall set deadlines for ASF Members to submit sabbatical applications and to inform the ASF member if the sabbatical application has been approved or not. The President/designee may waive the application and decision deadlines in unique circumstances. Where sabbatical leave is approved, the ASF member shall be notified in writing. Where sabbatical leave is denied, reasons therefore shall be communicated to the ASF member in writing. Each university will inform the Campus Association President of all local sabbatical approvals and denials.

Subd. 5. The ASF member shall agree in writing to return to the university for at least one (1) year of service after completion of the sabbatical leave. In the event the ASF member fails to substantially fulfill the plan upon which he/she was granted a sabbatical leave, or fails to return to the university for one (1) year of

service, the ASF member shall refund to the university such funds awarded during that sabbatical period, except in the cases where a payoff prevents the ASF member from returning. Within thirty (30) days of return from a sabbatical, the ASF member must submit a written report to the appropriate supervisor indicating what he/she accomplished on the sabbatical and how the accomplishment related to the written plan.

Subd. 6. Sabbatical leaves may be granted for four (4) months at a full base salary, or for any longer period up to twelve (12) consecutive months, at two-thirds (2/3) pay. ASF members who are granted a second sabbatical, if it lasts twelve (12) months shall be funded at ninety (90) percent of base salary. For part-time ASF members, the amount of sabbatical pay shall be adjusted prorata. ASF members on a sabbatical shall not accrue vacation leave, but shall accrue sick leave at one-half (1/2) the applicable rate.

Subd. 7. ASF members on sabbatical leave may accept scholarships, fellowships, grants or employment during the sabbatical leave, consistent with the plan of such leave.

Subd. 8. The number of full-time, twelve (12) month sabbatical leaves in any one (1) year at each university shall not exceed five percent (5%) of the number of ASF members appointed at one half (1/2) FTE or more under the Agreement at the university. This maximum may be prorated among several ASF members and among two-thirds (2/3), ninety (90) percent, and full-pay sabbaticals contingent upon the President's determination that funds are available for this purpose and that staffing requirements of the university can be met.

Subd. 9. An ASF member shall be eligible for continued group insurance benefits as provided by law during the course of the leave.

Subd. 10. If another ASF member is assigned responsibilities of a person on sabbatical leave, in lieu of hiring a replacement, he/she will be compensated for the additional responsibilities under the terms of Article 12, Section I. Subd. 1, unless the ASF Member is released from other duties commensurately, or under the terms of Article 12, Section I, Subd. 2, if applicable.

**Section D. Retraining Leave.** The President may grant an ASF member a paid leave of absence of up to one (1) year in length for the purpose of retraining or further training to meet the programmatic needs of the university. An individual who takes this retraining leave shall not accrue vacation but shall accrue sick leave at one-half (1/2) the applicable rate for the duration of the leave.

**Section E. Tuition Waiver.**

Subd. 1. ASF members shall be entitled to enrollment, on a space available basis, in courses at any MnSCU state university without payment of tuition or fees,

except laboratory fees and special course fees. Such enrollment shall not exceed twenty-seven (27) semester credit hours per fiscal year. For purposes of this section, a year begins the first day of fall semester and concludes the day before the beginning of the succeeding fall semester.

Subd. 2. The ASF member's spouse or dependent children shall be eligible to share this right within the limits established above, with waiver of tuition only. Eligible dependent is defined as a child (biological, adopted, step-child, or legal ward) of up to twenty-five (25) years of age.

Subd. 3. In the event of the death of the ASF member, the ASF member's spouse or dependent children shall be eligible for this right within the limits established above, for the following five (5) years, with waiver of tuition only.

**Section F. Tuition Reimbursement.** Consistent with the State's Administrative Procedure 21, at the discretion of the President/designee, an ASF Member may receive tuition reimbursement. The discretionary function of the Employer as provided in this Section shall not be subject to the grievance procedure.

## **ARTICLE 16 SEVERANCE PAY AND HEALTH CARE SAVINGS PLAN**

**Section A. Eligibility.** Severance pay shall be granted to ASF Members in accordance with the following provisions:

Subd. 1. All ASF Members who have accrued twenty (20) years of service in MnSCU or any of its predecessor systems shall receive severance pay upon separation.

Subd. 2. Permanent and probationary ASF Members who have fewer than twenty (20) years of service in MnSCU shall receive severance pay upon death, layoff that results in separation from service, or receipt of separation incentive. ASF Members on externally funded appointments with more than five (5) years of continuous service shall receive severance pay upon death. Externally funded ASF Members who have fifteen (15) or more years of service in MnSCU shall also receive severance pay upon personnel reduction that results in separation from service or receipt of separation incentive.

Subd. 3. ASF Members who separate from the Minnesota State Universities after ten (10) years of service in MnSCU or any of its predecessor systems, and who combined years of service and age equals sixty-eight (68) shall also receive severance pay.

**Section B. Computation.**

Subd. 1. Severance pay shall be computed upon forty-five (45) percent of the ASF Member's regular accumulated but unused sick leave balance based on the ASF Member's then current rate of pay. The percentage multiplier shall be increased by one (1) percent for each year of service over twenty five (25) years to a maximum of fifty (50) percent.

Subd. 2. The base for computing severance pay shall not exceed one thousand (1,000) hours, nor shall said base include "lapsed" sick leave hours as provided by this Agreement. However, should the ASF Member have less than one thousand (1,000) hours of regular sick leave accumulated, the difference may be transferred from lapsed sick leave for purposes of calculation of severance pay.

Subd. 3. Calculation of an ASF Member's hourly rate for purposes of computing severance pay shall be based upon a base of two thousand eighty-eight (2,088) working hours per year. Appointment periods of less than one (1) year in duration shall be prorated on this base.

**Section C. Health Care Savings Plan.** As provided in this Agreement, eligible ASF Members will participate in the health care savings plan (HCSP) established under Minn. Stat. Ch. 352.98, and as administered by the Plan Administrator. The Employer is responsible only for transferring funds, as specified in this agreement, to the Plan Administrator.

Subd. 1. All ASF Members who receive severance pay as defined in Section A of this article must participate in the health care savings plan.

Subd. 2. All severance pay as defined in Section B of this article shall be transferred to the severed employee's health care savings plan account. At the time of separation, if an ASF Member has an approved exception to participation in the health care savings plan account from the plan administrator, then the ASF Member shall receive this payment in one lump sum payment of cash.

Subd. 3. Employee Contribution. Effective June 30, 2006, for all externally funded, probationary, or permanent ASF Members who have served five (5) consecutive appointment years, so long as the ASF Member has sufficient earnings in the pay period to take the deduction, the Employer shall deduct five percent (5%) per pay period from the individual's annual salary of the first six thousand dollars (\$6,000) earned, and this amount will be transferred to the individual's health care savings plan account. Deductions will begin in the first full pay period of the next Fiscal Year after the individual has met the service requirement. For purposes of this section, appointment year is defined as MSUAASF service during a period starting from July 1 through June 30 annually that is at least one-half time (.5 FTE) for nine to twelve (9 to 12) months.

Subd. 4. Vacation Separation Payment to Retirees. For purposes of this Subdivision, a retiree is defined as an ASF Member who separates from MnSCU

and: 1) has five (5) or more years of allowable pension service, and 2) is immediately eligible to receive a retirement benefit under Minn. Stat. Chapter 354B or an annuity under a State retirement program. A retiree shall receive the vacation separation payment in cash for up to the first one hundred twenty (120) hours of accumulated but unused vacation leave. Payment for hours in excess of one hundred twenty (120) hours (not to exceed the limit provided in Article 18 B, Subd. 4) will be transferred to the individual's health care savings plan account.

Subd. 5. Employer Contribution. Effective January 1, 2007, and each successive year thereafter, the Employer will make a lump-sum contribution of three hundred dollars (\$300) to each insurance eligible ASF Member's HSCP account through the payroll on the first full payroll period to occur in the calendar year. To be eligible for this contribution, the ASF Member must be actively employed, in payroll status or on an FMLA or USERRA eligible leave and insurance eligible on the day before the payroll period cited above for payment.

**Section D. Reappointment.** In the event an ASF Member who has received severance pay is subsequently reappointed to a state university, future severance pay for the ASF Member shall be computed upon his/her unused sick leave balance accumulated since the reappointment.

**Section E. Separation Incentive.**

Subd. 1. Eligibility. Any permanent ASF Member who has served at least fifteen (15) years in the Minnesota State Universities and is at least fifty-five (55) years of age but less than sixty five (65) shall be eligible to apply for separation incentive.

- (a) During FY 2008 and FY 2009 ASF Members who give notice of retirement shall be informed by the Employer within twenty (20) days of such notice whether the retiring employee will receive the separation incentive benefit pursuant to this Section. If the Employer notifies the employee that he/she will not receive the benefit, the employee shall have fifteen (15) days to notify the Employer that he/she is rescinding the retirement notice.
- (b) Effective July 1, 1996, an ASF Member may apply for a separation incentive. The President will determine whether or not a separation incentive is appropriate for that employee's position. This decision is not subject to the grievance process.
- (c) A permanent ASF Member older than age fifty-five (55) when he/she completes the fifteen (15) years of service requirement will also be eligible to apply to receive the full benefit of one year's base salary if he/she: 1) applies within one hundred and eighty (180) days of meeting the age and service requirement, and 2) the separation will occur no later

than one hundred and eight-one (181) days following the date of application for the benefit. Any ASF Member eligible under this paragraph who does not elect early retirement during this window but chooses to apply later will be compensated under the schedule of Article 16, Section E. Subd. 2.

Subd. 2. Payment. An ASF Member qualifying for separation through resignation or early retirement except those qualifying under the provisions of Subd. 1(c) above shall receive payment equal to his/her base salary minus ten (10) percent of his/her base salary for each year beyond age fifty-five (55). The ASF Member shall receive this amount in two equal payments; the first payment will be made at the time of the ASF Member's separation from employment and the second payment will be made before the earlier of the following dates: a) 18 months after the date of separation, or b) the end of the fiscal year following the fiscal year in which the separation occurred. However, if the separation payment is less than ten thousand dollars (\$10,000), it will be paid in one lump sum cash payment at the time of separation from employment. No employee shall receive more than one-hundred (100) percent of total compensation in a single fiscal year.

Subd. 3. Benefit Contribution Payment. For any ASF Member who separates under this Section, the Employer will deposit in the ASF Member's Health Care Savings Plan account upon separation an amount equivalent to the Employer's expense of health insurance benefits for one (1) year.

Subd. 4. Early Separation. Persons choosing early separation shall have eligibility for early retirement payments determined in accordance with appropriate statutes and regulations.

## **ARTICLE 17 HOLIDAYS**

### **Section A. Designated Holidays.**

Subd. 1. The following days shall be designated as paid holidays when they occur during an ASF Member's appointment period.

New Year's Day  
Martin Luther King Day

Christmas Day

\*The President may, after meeting and conferring with the Campus Association, designate alternate days for the observance of these holidays.

Subd. 2. Following a meet and confer with the Campus Association to review the academic calendar and the designated holiday schedule, the President may implement a procedure for observance of specific holidays which may not be designated in the institution's academic calendar. This may include the designation of alternative days for observance of Veterans' Day and Presidents' Day.

**Section B. Holidays Falling on Weekends.** When any of the above holidays fall on a Saturday, the preceding day shall be a holiday. When any of the above holidays fall on a Sunday, the following Monday shall be a holiday. If mutually agreed to by the President and the Campus Association, in cases where there are two (2) consecutive holidays, one of which falls on a weekend day, the work day preceding the first holiday, or work day following the second holiday, shall be a holiday.

**Section C. Changes in Legal Holidays.** Additional holidays established by State law shall be added as holidays under this Agreement.

**Section D. Work on a Designated Holiday.** Any ASF Member assigned by the university to work on a designated holiday shall be given a separate duty day off. This alternative day shall be mutually agreed to by the member and the Employer. The Employer may offer a day's pay of compensation in lieu of time off.

**ARTICLE 18**  
**PAID LEAVES OF ABSENCE**

**Section A. Accrued Benefits.** An ASF member on a paid leave shall retain all rights and accumulated benefits, except for any utilized in conjunction with the leave. Benefits shall continue to accrue while an ASF member is on leave pursuant to this Article.

Subd. 1. Accrual.

- (a) All ASF Members holding twelve (12) month appointments at a state university shall accrue, on a biweekly basis, vacation leave with pay at the following pay period rates:

A leave of absence without pay granted in accordance with Article 19 shall not interrupt "continuous service", however, an ASF Member shall not accrue additional continuous service while on such unpaid leave status.
- (c) Less than Twelve (12) Month ASF Members. With the approval of the President, ASF Members with less than twelve (12) month appointments may elect either the academic term vacation schedule or the vacation schedule as provided in Subd. 1. hereof as appropriately prorated. ASF Members with appointments of fewer than six (6) months in duration shall not accrue vacation.
- (d) Part-time ASF Members. Part-time ASF Members who work less than the normal eighty (80) hours per payroll period shall have their vacation accruals prorated according to the portion of time employed each payroll period in accordance with the proration table listed below.

**HOURS OF VACATION ACCRUED DURING EACH  
PAY PERIOD BASED ON LENGTH OF SERVICE**

Subd 2. Unused Vacation. ASF Members may accumulate unused vacation to any amount provided that once during each fiscal year each ASF Member's accumulation must be reduced to two hundred and seventy-two (272) hours or less, unless the President determines that the ASF Member is unable to utilize vacation leave because of the requirements of his/her assignment or because of physical incapacity. This reduction must be accomplished on or before last day of the fiscal year. If this reduction is not accomplished on or before the last day of the fiscal year, the ASF Member's accumulation shall automatically be reduced to two hundred and seventy-two (272) hours effective on the last day of the fiscal year, and the amount of accumulation over two hundred and seventy-two (272) hours will transfer to the ASF Member's bank of lapsed sick leave (See Article 18, section C, Subd.2). Vacation leave accrued during the pay period that includes the last day of a fiscal year, will be credited to each ASF Member's balance after deductions are made for vacation used and/or reduced pursuant this Subdivision.

Subd 3. Vacation Balance Transfer. An ASF member who accepts a vacation eligible appointment at another MnSCU institution, without a break in service, may request to transfer all or a portion of their accrued vacation, up to two hundred and seventy two (272) hours. Such transfer requests must be agreed to by the receiving university administration and shall not be subject to the grievance procedure of Article 25. Vacation balances that are not approved for transfer shall be liquidated in cash. The sum of the transferred and/or liquidated vacation shall not exceed two hundred and seventy-two (272) hours.

Subd. 4. Utilization. The President or his/her designee shall grant an ASF Member's vacation at a time requested by the ASF Member insofar as the staffing needs of the university permit. ASF Members may not take vacation leave until they have been employed a sufficient length of time to have earned the number of hours taken.

Subd. 5. Separation Payment. An ASF Member shall be compensated at the final rate of pay for all unused, accumulated vacation, leave time upon separation from state service, or movement to a vacation ineligible position. An employee on an unpaid leave of absence of more than one (1) year for a purpose other than accepting an unclassified position in state civil service, or an employee on layoff that results in separation from service, may elect to be compensated at the final rate of pay for unused accumulated vacation leave. This accumulated vacation payout shall not exceed two hundred and seventy-two (272) hours, except in the case of the ASF Member's death. Calculation of an ASF Member's hourly rate for purposes of computing vacation separation payment shall be based upon a base of two thousand eighty-eight (2,088) working hours per year. Appointment periods of less than one (1) year in duration shall be prorated on this basis. Except as provided in Article 16 § C, Subd. 4 which pertains to the separation payment to retirees, the separation payment will be made in cash.

Subd. 6. Reinstatement. Any ASF Member reemployed within two (2) years at the same or any other university within the System, who is otherwise eligible to accrue vacation, shall accrue vacation according to the length of service the ASF Member had attained at the time of separation.

### **Section C. Sick Leave.**

Subd. 1. Accrual.

- (a) Newly hired full-time probationary appointments.
  1. No prior state service. One-hundred twenty (120) hours of sick leave shall be credited to all new full-time probationary ASF Members with no prior State of Minnesota service at the time of their employment. This is provided to cover possible disability during the first thirty (30) pay periods of employment. Beginning with the thirty first (31st) pay period of employment, each ASF Member will be credited with four (4) additional hours of sick leave for each succeeding pay period of service. This provision shall also apply to individuals with prior ASF service with a break in service of greater than two (2) years.
  2. Other state service outside ASF, with no break in service. All new probationary ASF Members who begin ASF service with no break in State of Minnesota service shall be credited with one-hundred twenty (120) hours of sick leave minus all hours of sick leave earned (whether or not used) in prior State of Minnesota service at the time of their ASF employment. In no case shall this result in a negative balance. Each ASF Member will be credited with four (4) additional hours of sick leave for each pay period of service that follows the number of full payroll periods represented by the initial credit of sick leave. Each four (4) hours of sick leave initially credited shall represent one full payroll period. Additionally such ASF

Member's current sick leave balance shall be transferred and credited fully to the ASF Member's sick leave accumulation.

3. Other state service outside ASF with a break in service of no greater than two (2) years. One hundred twenty (120) hours of sick leave shall be credited to all new full-time probationary ASF Members with prior non-ASF State of Minnesota service who join MnSCU after a break in service at the time of their employment. This is provided to cover possible disability during the first thirty (30) pay periods of employment. Beginning with the thirty-first (31<sup>st</sup>) pay period of employment each ASF Member will be credited with four (4) additional hours of sick leave for each succeeding pay period of service. Such ASF Member's prior sick leave balance, if any, shall not be transferred to the MnSCU institution.
4. Prior ASF service with a break in service of no greater than two (2) years. Such ASF Member shall be credited with one hundred twenty (120) hours of sick leave minus all hours of sick leave earned (whether or not used) during their prior ASF service at the time they are re-employed. In no case shall this result in a negative balance. Each ASF Member will be credited with four (4) additional hours of sick leave for each pay period of service that follows the number of full payroll periods represented by the initial credit of sick leave. Each four (4) hours of sick leave initially credited shall represent one full payroll period.
  - (b) Fixed-term Appointment. ASF Members appointed to a fixed-term appointment as provided in Article 10, Section A, Subd. 1, shall be credited upon initial appointment with one (1) day of sick leave for each month of anticipated service. For purposes of this paragraph, if an ASF Member is initially hired to work one or more days during a calendar month, then that shall be deemed to be a month of anticipated service.
  - (c) Externally Funded Appointments. ASF Members appointed to an externally funded appointment as provided in Article 10, Section A, Subd. 2, shall be credited upon initial appointment with one (1) day of sick leave for each month of anticipated service during the first appointment year, and will be credited with four (4) additional hours of sick leave for each succeeding pay period of service. For purposes of this paragraph, "Appointment Year" is defined as the period of employment between July 1 and June 30 annually, inclusive of both dates. For purposes of this paragraph, if an ASF Member is initially hired to work one or more days during a calendar month, then that shall be deemed to be a month of anticipated service.
  - (d) Part-time Appointments. Individuals commencing employment on less than a full-time basis shall be given sick leave credit as described in this Section on a prorated basis at the start of employment. Such part-time ASF Members shall accumulate sick leave in accordance with the accrual

table below. In the use of sick leave, such ASF Members shall be charged on a pro rata basis according to the fraction of the time employed at the time of leave.

**HOURS OF SICK LEAVE ACCRUED DURING EACH PAYROLL PERIOD**

<b>HOURS WORKED</b>	<b>HOURS ACCRUED</b>
0.00-9.49	0.00
9.50-19.49	.75
19.50-29.49	1.00
29.50-39.49	1.50
39.50-49.49	2.00
49.50-59.49	2.50
59.50-69.49	3.00
69.50-79.49	3.50
79.50+	4.00

- (e) Reinstatement. Any ASF Member reemployed within two (2) years at any MnSCU university will have reinstated in the records of the employing university all unused sick leave accumulations that were accrued in accordance with the provisions of this Agreement and that were not used in the payment of severance under Article 16.
- (f) All sick leave earned prior to the effective date of this Agreement shall remain in full force and effect and shall be credited fully to each ASF Member's sick leave accumulation.

Subd. 2. Accrual Limits. Unused sick leave may be accumulated to a total of one thousand (1,000) hours. Sick leave earned over the maximum will be considered lapsed but shall be recorded to credit. In the event that an ASF Member with an illness exhausts his/her current accumulated sick leave, and has lapsed sick leave recorded to his/her credit, additional sick leave shall be granted by the university President upon valid medical documentation, to the extent required by the ASF Member's illness, but not to exceed the total amount of his/her lapsed sick leave.

Subd. 3. Utilization. Sick leave shall be granted by the President or his/her designee for absences made necessary by reason of illness or disability, including temporary disabilities, by exposure to contagious disease which may endanger the individual or the public health, or by illness in the immediate family of the ASF Member, making it necessary that the ASF Member be absent from his/her duties. In the case of absence for illness of members of the immediate family, the term "immediate family" shall be defined to include the spouse or the parent, stepparent, child, step-child, grandchild, brother, sister, grandparent, or ward of the ASF Member or ASF Member's spouse, or other residents of the ASF Member's household. An ASF Member who is the father may use five (5) days of sick leave coincident with the birth of his child.

Subd. 4. Sick Leave Incentive Program. MSUAASF and MnSCU may develop a sick leave incentive program through the establishment of a joint committee.

**Section D. Worker's Compensation.** In the event an ASF Member is absent from work as a result of a compensable injury incurred in the service of a Minnesota State University under the provisions of the Worker's Compensation Act, Minnesota Statutes Section 176.001et. seq., the ASF Member shall receive compensation in an amount equal to the difference between the ASF Member's regular pay and the benefits paid under the Worker's Compensation Act to the extent that the ASF Member has accrued vacation or sick leave. Such additional payments to an ASF Member shall be charged against the accrued vacation or sick leave of such ASF Member. In no event shall the combined weekly or monthly compensation paid an ASF Member exceed the normal compensation of the ASF member.

**Section E. Bereavement Leave.** The use of a reasonable period of bereavement leave, up to five (5) days per occurrence, shall be granted in case of death in the immediate family. The term "immediate family" is defined in Section C, Subd.3 of this Article. Leave of longer than five (5) days may be granted by the President. All other bereavement leave in case of death of other relatives of the ASF Member or their spouse shall be deducted from sick leave.

**Section F. Adoption Leave.** Up to thirty (30) days leave per occurrence shall be granted by the President for absences made necessary by an ASF Member's adoption of a child. Adoption leave shall be deducted from sick leave.

**Section G. Military Leave.** ASF Members who are members of the State or Federal armed services are entitled to leave of absence with pay of (fifteen) 15 working days per calendar year as defined in Minnesota Statutes Sections 190 through 192.

**Section H. Court Related Leaves.** ASF Members shall be granted a leave of absence with pay for:

Subd. 1. Service on a jury or waiting in a jury pool.

Subd. 2. Appearance before a court, legislative committee, or other judicial or quasi-judicial body in response to subpoena or other direction by proper authority for purposes other than those created by the ASF Member or the ASF Member organization. However, court leave is not available in any civil litigation where the ASF Member is appearing as a plaintiff or defendant, or in criminal litigation where the ASF Member is appearing as a defendant. Additionally, except as provided in Subdivision 3 below, court leave is not available when an ASF Member is serving as an expert witness.

**Section A. Procedure.** Elimination means the abolition or FTE reduction of a position held by an ASF Member as provide in this Article. Elimination shall be accomplished by either: i) the personnel reduction of a fixed term, externally funded, or probationary ASF Member, or ii) the layoff a permanent ASF Member. A layoff of a permanent ASF Member is the reduction of FTE from .75 FTE or greater to less than .75 FTE, or from .74 to .50 FTE to less than .50 FTE, or separation from service. For purposes of this Article the non-renewal or dismissal of an ASF Member will not be deemed to be a

personnel reduction or layoff. In the event of a personnel reduction or layoff of ASF Members, the following provisions shall apply.

Subd. 1. Meet and Confer. The President or his/her designee shall meet and confer with the Campus Association in accordance with the provisions of Article 7, Association Rights, Section B, Subd. 2, regarding circumstances which will lead to the personnel reduction or layoffs of members of this bargaining unit. In connection with such duty to meet and confer, available information, statistics, or financial data related to any proposed personnel reduction or layoff, including any anticipated reassignment of duties, shall be made available to the Campus Association at least ten (10) duty days prior to the meeting unless the Association agrees otherwise.

Subd. 2. Advance Notice of Personnel Reduction and Layoff. Written notice of personnel reduction under the provisions of this Article shall be furnished to probationary ASF Members at least ninety (90) calendar days in advance of termination during the first two (2) years of employment, and at least one hundred and eighty (180) calendar days in advance of termination thereafter. ASF Members with permanent status shall receive at least two hundred and seventy (270) calendar days advance notice of layoff. Article 10, Section A, Subd. 2 (d) addresses the notice requirements of externally funded ASF Members, and the rights for those ASF Members are defined solely therein. The Campus Association President shall receive notice of personnel reduction or layoff of any ASF Member in the local unit.

Subd. 3. Order of Personnel Reduction and Layoff. After meeting and conferring with the Campus Association and pursuant to Subd. 1 hereof, the President shall determine the particular department, program or service area in which eliminations are to be made and the specific position or positions to be eliminated. Eliminations shall then be accomplished in the following order:

- (a) If the position(s) identified for elimination are occupied by fixed-term, externally funded or probationary ASF Members, no further action is necessary except to provide required notice to affected employees.
- (b) If the position or positions identified for elimination are occupied by ASF Members with permanent status, and there are fixed-term, externally funded or probationary status ASF Members in the particular department, program or service area occupying positions in the same or lower salary range as the position(s) to be eliminated, that the permanent status ASF Members are qualified to fill, as determined by the President, the fixed-term, externally funded or probationary ASF Member shall be provided the required notice and the permanent status ASF Member reassigned to the position occupied by such ASF Member. The decision of which fixed term, externally funded or probationary ASF Member to retain will be

made on the basis of the programmatic needs of the university as determined by the President/designee.

- (c) If there are not sufficient numbers of fixed-term, externally funded or probationary ASF Members in the particular department, program or service area to achieve the number of eliminations necessary, notice of layoff shall be given to the least senior permanent status ASF Member in the same or lower salary range as the position to be eliminated. The ASF Member whose position is to be eliminated will then be reassigned to the position vacated by the least senior permanent status ASF Member, if he or she is qualified as determined by the President. If more than one position is to be eliminated, notice shall be given in inverse order of seniority, and reassignment to resulting vacancies shall be made as indicated above. When such reassignment results in placement in a position in a lower range, it shall be treated as a downgrade under Article 12, Section G.
- (d) If a permanent status ASF Member whose position is being eliminated has thirty-six (36) FTE months in another department, program or service area at a state university, he/she may choose, at the time the decision is made to eliminate the position, to exercise his/her right to move to that department in his/her current institution. Notice within that department will be given consistent with (b) and (c) above.
- (e) An ASF Member who has received notice of layoff or is scheduled to be reassigned as a result of his/her position being eliminated, may, during the period between notice and actual layoff, accept, in lieu of layoff or reassignment, a comparable vacancy within the bargaining unit at that university, provided the President has determined that such vacancy is to be filled and that the ASF Member is qualified.
- (f) A permanent status ASF Member may elect to accept a layoff that results in separation from service in lieu of exercising the reassignment right under this Article. The ASF Member must notify the President/designee in writing of the acceptance of layoff within fifteen (15) calendar days from the date the individual was informed that he/she would be reassigned. The ASF Member will be eligible for an Employer contribution toward insurance to the extent provided in Article 13. For purposes of this Section, a full-time ASF Member on a nine (9) to twelve (12)

month appointment or a part time ASF Members on a seventy five percent (75%) time or greater appointment for twelve (12) months shall be considered to have accrued one (1) year of seniority. For other part time ASF Member and for first year full time ASF Members whose FTE is less than seventy five (75) percent (75%), the number of months of seniority will be credited based on the FTE of the individual's appointment. If an ASF Member has an assignment in more than one department, program or service area, all seniority will be credited in the one in which the ASF Member is assigned the greatest percentage of time. If the assignment is split equally between more than one department, program or service area, then the President/designee will designate that one in which all seniority will be credited prior to the issuance of the subsequent seniority roster.

If two (2) or more ASF Members have equal seniority, then those with greater length of service in permanent status shall have priority for retention. Should ASF Members still be equal in seniority, then the decision of which person to retain will be made on the basis of ASF Member competence and programmatic needs of the university as determined by the President.

A seniority roster shall be posed by the President or his/her designee on or before November 1 of each year, and a copy of such rosters shall be furnished to the Campus Association President. Grievances concerning the accuracy of the roster must be filed within thirty (30) calendar days of publication of the roster and must be limited to changes made and shown on the most recent roster.

ASF Members on leave status at the time of posting of the seniority roster shall have thirty (30) calendar days after the end of such leave within which to file a grievance. The format of the seniority roster shall be the same for each university. The rosters shall contain all relevant information necessary to implement this Article, including a notification of any department, program or service area in which the ASF Member has served at least thirty-six (36) FTE months.

In lieu of a suspension without pay, the Employer may, at its discretion, require an ASF Member to use accumulated vacation in an amount equal to the length of a suspension up to five (5) days. For purposes of progressive discipline, the required use of vacation in lieu of suspension shall be treated as an unpaid suspension of an equivalent length. To establish just cause in a disciplinary action, the Employer must show that: 1) the ASF Member engaged in misconduct and/or unsatisfactory performance, 2) the ASF Member was provided adequate process, and 3) the level of discipline was appropriate for the offense.

If either party desires a transcript record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. However, any party ordering a copy of the record shall pay for such copy.

Subd. 1. Other Forms of Alternative Dispute Resolution. (ADR) By mutual agreement between the Association and the Chancellor/designee, a grievance may be submitted for mediation before the Bureau of Mediation Services at any time prior to the arbitration hearing. Additionally, by mutual agreement between the Association and the Chancellor/designee, the parties may use any other form of ADR to resolve a grievance prior to the arbitration hearing. Expense for the ADR practitioner's service, if any, and the proceedings shall be borne equally by the Employer and the Association; however, each party shall be responsible for compensating its own representatives and witnesses. If either party cancels an ADR proceeding or asks for a last minute postponement that leads to the ADR practitioner's making a charge, then the party initiating the cancellation or the postponement shall pay this charge.

**Section E. Arbitrator's Authority.** General Authority. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall consider and decide only the specific issue or issues submitted to him/her in writing by the parties to this Agreement and shall have no authority to make a decision on any matter not so submitted to him/her. The arbitrator shall be without power to make decisions contrary to, inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation and application of the expressed terms of this Agreement and to the facts of the grievance presented.

**Section F. Time Limits.** If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not presented to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last response. If the Employer does not answer within the specified time limits, the union may elect to treat the grievance as denied at that step and timely present the grievance at the next step. By mutual written agreement between the Employer and the Association, the parties may waive Steps I and/or II. The time limit in each step may be extended by mutual written agreement of the Employer and the Association. In computing any period of time prescribed or allowed by this grievance procedure, the date of the act or event, or default for which the designated time

begins to run shall not be included. The last day of the period shall be included, unless it is a Saturday, a Sunday or a legal holiday, in which even the period runs until the end of the next day, which is not a Saturday, a Sunday or legal holiday.

**Section G. General Provision.** All ASF Members of the appropriate unit are free to present grievances in accordance with this Article. In this regard, it is understood that the grievant has the right to be his/her own representative in the processing of a grievance, and the Association shall not interfere with that right.

**Section H. Grievance Processing.** Whenever practicable, the processing of grievances shall be handled during the university's regular work day. ASF Members who are required to participate in the processing of such grievances shall not be subject to a loss of wages for doing so; however, the number of ASF Members who may participate without loss of wages shall be limited to a maximum of three (3), inclusive of ASF Members who are representatives and/or officers of the Association.

**Section I. Reprisals.** The Employer shall engage in no reprisals or recriminations based upon the filing and pursuit of a grievance, or upon acting as a witness or advocate for a grievant.

**Section J. Scope.** Subject to Article 2 of this Agreement, nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a Charge of Discrimination, including, but not limited to, those charges of Discrimination brought under the Title VII of the Civil Rights Act, the Americans with Disability Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

## **ARTICLE 26 SAVINGS CLAUSE**

**Section A. Conformance to Law.** If any of the provisions of the Agreement are found by a court or other authority having jurisdiction to be in conflict with or contravene any Federal law or statute, State law or statute, executive order, or any rule and regulation promulgated pursuant to one of the above, such provisions shall be considered null and void and shall not be binding on the parties hereto; in such event, the remaining provisions of this Agreement shall remain in full force and effect. In the event that any provision of this Agreement is thus found to be invalid, either party shall have the right to reopen negotiations on that provision only.

**Section B. Limit on Invalidity.** If any provision or portion of this Agreement is prevented from being put into effect because of applicable legislative actions, executive order or regulation dealing with wage and price controls, then only such specific provisions or portions specified in such decision shall be invalid, the remainder of this Agreement continuing in full force and effect for the term of the Agreement. However, any provision of this Agreement so prevented from being put into effect shall become effective at such time, in such amounts, and for such periods, retroactively and

prospectively, as is permitted by law at any time during the life of this Agreement or any extension thereof.

## **ARTICLE 27 COMPLETE AGREEMENT AND WAIVER**

**Section A. Complete Agreement.** The Employer and the Association acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the applicable area of collective bargaining, and that the understandings are set forth in this Agreement, and shall constitute the sole Agreement between the parties for the duration thereof.

**Section B. Modification and Repeal.** The Employer agrees to modify or repeal the Governing Rules, Internal Rules, Operating Policies, Administrative Procedures and university constitutions which are in conflict with or are superseded by this Agreement.

## **ARTICLE 28 DURATION**

**Section A. Effective Dates.** Except as otherwise provided herein, this Agreement shall become effective upon signing and shall remain in full force and effect through the 30th day of June 2013.

**Section B. Legislative Action.** In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, or the granting of appropriations, that provision shall become effective only if such legislative action is taken. Should any legislative action be required pursuant to this Section, the Employer and the Association agree to cooperate in any effort to secure legislative approval.

**Section C. Renewal and Reopening.** This Agreement shall automatically renew itself from biennium to biennium thereafter unless, not later than July 1st of each even-numbered year prior to the expiration of the then current term of Agreement, either party shall serve written notice on the other of its desire to terminate, modify, or amend this Agreement.

Positions in this category also are accountable for determining overall objectives, priorities, and policies within a program area. Higher level positions in this category handle significant and involved relationships with governmental leadership. Incumbents of these positions have the authority to exercise discretionary powers on a regular basis," and
2. The position creates or formulates, influences or manages policy or directs the enterprise, and
3. The position is responsible for making key operating decisions high up in the enterprise on an on-going basis, or specifically delegates them to others responsible to the position, and

**Assignment of Duties from Another Unit**

Employees of the unit represented by IFO or by MSUAASF, administrator and excluded professional unit, or the excluded, may be assigned duties that would normally be assigned to

employees in another unit. If the non-primary unit assigned duties exceed forty-nine percent (49%) of the position duties, then the position shall be reviewed by the two units involved and the Chancellor's Office representative to determine whether duties should be removed or percentages assigned reduced, or whether it should be placed in another unit.

As position duties get close to the forty-nine percent (49%) limit, a position will be re-evaluated to make sure that the position is assigned to the appropriate bargaining unit.

Every position must specifically state at least fifty-one percent (51%) of the duties that would place the position within a single bargaining unit.

**No Waiver**

None of the parties to this Agreement have in any way waived the right to request unit clarification or other action from the Minnesota Bureau of Mediation Services on any single position or positions to which the agreed-upon criteria is applied.
