The Employer accepts its responsibility to insure equal opportunity in all aspects of employment for all qualified persons regardless of race, creed, religion, color, national origin, age, disability, reliance on public assistance, sex, marital status, sexual orientation/affectional preference, or any other class or group distinction, as set forth by state or federal anti-discrimination laws, or in Board policy.

Section B. IFO Responsibility. The IFO accepts its responsibility as exclusive bargaining representative, and agrees to represent all faculty members in the bargaining unit without discrimination as to race, creed, religion, color, national origin, age, disability, reliance on public assistance, sex, marital status, sexual orientation/affectional preference, or any other class or group distinction, as set forth by state or federal anti-discrimination laws, or in Board policy.

Section C. Affirmative Action Plan.

Subd. 1. The Employer shall have an Affirmative Action Plan that is uniform in application throughout the Minnesota state universities. The IFO shall have the right to meet and confer on the provisions and procedures of the Plan. The employer and the IFO are both firmly committed to affirmative action.

Subd. 2. Americans With Disabilities Act. Whenever the employer or President/designee determines to take actions within the faculty bargaining unit which are necessary for the reasonable accommodation of any qualified disabled individual to effectuate compliance with the Americans with Disabilities Act, or other applicable law prohibiting discrimination on the basis of disability, he/she shall first discuss the action with the affected department/unit. In these decisions, all participants shall adhere to the rules pertaining to confidentiality.

Subd. 3. Processing Allegations of Discrimination and Final Jurisdiction. The IFO recognizes the employer's obligation to take timely and appropriate action with regard to allegations and findings of discrimination. This includes the employer's obligation to establish procedures for investigation of discrimination complaints. The IFO shall have the right to meet and confer on the procedures established by the employer. The employer recognizes the IFO's obligation to fully represent bargaining unit employees when asked by employees to do so. The parties recognize that final jurisdiction for resolving claims of discrimination is vested in various state and federal agencies and the courts.

Subd. 4. Voluntary Mediation of Disputes. The IFO and the Employer agree to offer a voluntary mediation option for resolution of allegations of discrimination.

Section D. Association Membership. There shall be no discrimination by the Employer or the Administration because of membership or non-membership in the IFO, or because of activities on behalf of the IFO, nor shall any attempts be made to discourage or encourage membership in the IFO.

ARTICLE 3 Recognition

Section B. Prohibition. The Employer agrees not to use any mechanical or electronic listening or recording devices except with the faculty member's express consent, and to inform the IFO if that consent is given; provided, however, that nothing herein shall be construed to preclude the recording and/or transcription by court reporter of formal proceedings, including arbitration, where a record or minutes are customarily maintained. The IFO President and the Chancellor shall confer on the need for faculty to serve on System-level committees, after which the IFO shall appoint the faculty. By mutual agreement between the IFO President and the Chancellor, the Chancellor in his/her discretion may appoint an agreed-upon number of additional faculty members to serve ex officio as resource persons based on professional expertise.

Faculty members shall not have access to the personnel files of other faculty members except as authorized in Section C below. This Section shall not be construed to prohibit access to materials provided as part of an application for promotion, tenure, or retention.

Section D. Right to Copies. Upon written request of the faculty member, the Employer shall provide to the faculty member copies of contents of his/her official and Dean's personnel file, except as limited in Section B hereof, provided that the cost of providing such copies is borne by the faculty member.

However, pro rata reductions in this rate of compensation may be implemented by the President/designee when there is less than full student enrollment in a self-supporting course, workshop, seminar, or institute.

Subd. 2. Metropolitan State University Resident Faculty Instruction. Overload compensation for teaching courses shall be granted to resident faculty consistent with the provisions of Subd. 1. above. A resident faculty member who accepts other overload assignments, including, but not limited to, theory seminars and faculty designed independent studies, with prior approval of the President/designee, shall be compensated at the rate established for community faculty in Article 10, Section J, Subd. 3.c. With the consent of the President/designee, a course or alternative teaching strategy may be considered overload: (1) if the course or alternative teaching strategy is above and beyond the teaching responsibilities described in Article 10, Workload, Section A., Subd. 1.e.; or 2. if the President/designee finds it appropriate.

Subd. 3. Non-instructional Activities. For non-instructional activities, overload compensation shall be computed on the basis of the faculty member's base duty day rate for a specified number of duty days. The nature of the assignment and the number of days shall be subject to mutual agreement between the faculty member and the President/designee.

Section C. Application. This Article shall apply to Article 10, Section A, Subd. 1., and to Article 13, Section A, only where the regularly scheduled and assigned classroom teaching workload of a teaching faculty member exceeds fourteen (14) semester credit hours per academic semester or twenty-four (24) semester credit hours per academic year. Examples of activities excluded from overload pay include but are not limited to the following: internship, independent studies, student teacher supervision, graduate thesis supervision, tutoring, studios and related kinds of individualized instruction, the pyramiding of multi-level courses, and substitution for an absent faculty member on a short-term basis.

Section D. Limitation. Normally, total workload including overload shall not exceed sixteen (16) credits per semester and total overload shall not exceed five (5) credits per academic year.

Section E. Information. Annually, upon request, the Employer shall provide to the Association the names of faculty members teaching overload, the number of credits of overload taught, the amount paid to each faculty member for overload, and the courses taught.

ARTICLE 14

Insurance

Section A. State Employee Group Insurance Program. During the life of this Agreement, the Employer agrees to offer a Group Insurance Program that includes health, dental, life, and disability coverages equivalent to existing coverages, subject to the provisions of this Article.

All insurance eligible employees will be provided with a Summary Plan Description describing these coverages. Such Summary Plan Description shall be provided no less than biennially and prior to the beginning of the insurance year. New insurance eligible employee shall receive a Summary Plan Description within thirty (30) days of their date of eligibility.

Section B. Eligibility for Group Participation. This Section describes eligibility to participate in the Group Insurance Program.

Subd. 1. Faculty Members-Basic Eligibility. A faculty member may participate in the Group Insurance Program if he/she is employed on the basis of at least fifty percent (50%) of a full-time work assignment for a regular academic year. If an insurance eligible faculty member's last scheduled day of work (excluding termination for cause) is at the end of the academic year or later, coverage will cease at the completion of the payroll period in which the succeeding academic year commences. If an insurance eligible faculty member is terminated for cause or his/her last scheduled day of work is before the end of the academic year, coverage will cease at the end of the payroll period in which the separation or termination date occurs.

Subd. 2. Faculty Members-Special Eligibility. The following faculty members are also eligible to participate in the Group Insurance Program:

- a. **Faculty Members with Work-related Injury/Disability.** A faculty member who was off the State payroll due to a work-related injury or a work-related disability may continue to participate in the Group Insurance Program as long as such a faculty member receives workers' compensation payments or while the workers' compensation claim is pending.
- b. **Totally Disabled Faculty Members.** Consistent with Minnesota Statutes 62A.148, certain totally disabled faculty members may continue to participate in the Group Insurance Program.
- c. **Early Retirement.** A faculty member who retires from State service, is not eligible for regular (non-

disability) Medicare coverage, has five (5) or more years of allowable pension service, and is immediately eligible to receive a retirement benefit under Chapter 354B or an annuity under a State retirement program may continue to participate in the health and dental coverages offered through the Group Insurance Program at his/her own expense.

Consistent with Minnesota Statutes 43A.27, Subd. 3., a retired faculty member who receives a retirement benefit under Chapter 354B or an annuity under a State retirement program may continue to participate in the health and dental coverages offered through the Group Insurance Program at his/her own expense. A spouse or same sex domestic partner of a deceased retired faculty member may continue health and dental coverages through the Group Insurance Program provided the spouse or same sex domestic partner was dependent under the retired member's coverage at the time of the retiree's death and continues to make the required premium payments. Retiree coverage must be coordinated with Medicare.

- d. Sabbatical Leave. A faculty member eligible to participate in the Group Insurance Program immediately prior to taking a sabbatical leave continues that eligibility during the sabbatical leave.

Subd. 3. Dependents. Eligible dependents for purposes of this Article are as follows:

- a. Spouse and Same Sex Domestic Partner. The spouse or same sex domestic partner of an eligible faculty member (if not legally separated). For the purposes of health insurance coverage, if that spouse or same sex domestic partner works full-time for an organization employing more than one hundred (100) people and elects to receive either credits or cash: (1) in place of health insurance or health coverage, or (2) in addition to a health plan with a seven hundred and fifty dollar (\$750) or greater deductible through his/her employing organization, he/she is not eligible to be a covered dependent for purposes of this Article. If both spouses or same sex domestic partners work for the State or another organization participating in the State's Group Insurance Program, neither spouse or same sex domestic partner may be covered as a dependent by the other unless one spouse or same sex domestic partner is not eligible for a full Employer Contribution as defined in Subd. 3.a. Same sex domestic partnership is defined in Appendix D.
- b. Children and Grandchildren. An eligible faculty member's unmarried dependent children and unmarried dependent grandchildren: (1) through age eighteen (18); or (2) through age twenty-four (24) if the child or grandchild is a full-time student at an accredited educational institution; or (3) a child or grandchild, regardless of age or marital status who is incapable of self-sustaining employment by reason of mental retardation, mental illness or physical disability and if chiefly dependent on the faculty member for support. The handicapped dependent shall be eligible for coverage as long as she/he continues to be handicapped and dependent, unless coverage terminates under the contract.

"Dependent Child" includes a faculty member's: (1) biological child, (2) child legally adopted by or placed for adoption with the faculty member, (3) foster child, and (4) stepchild. To be considered a dependent

child, a foster child must be dependent on the faculty member for his/her principal support and maintenance and be placed by the court in the custody of the faculty member. To be considered a dependent child, a stepchild must maintain residence with the faculty member and be dependent upon the faculty member for his/her principal support and maintenance.

“Dependent Grandchild” includes a faculty member’s: (1) grandchild placed in the legal custody of the faculty member, (2) grandchild legally adopted by the faculty member or placed for adoption with the faculty member, or (3) grandchild who is the dependent child of the faculty member’s unmarried dependent child. Under (1) and (3) above, the grandchild must be dependent upon the faculty member for principal support and maintenance and live with the faculty member.

If both spouses or same sex domestic partners work for the State or another organization participating in the State’s Group Insurance Program, either spouse or same sex domestic partner, but not both, may cover their eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried faculty members/employees who share legal responsibility for their eligible dependent children or grandchildren.

Subd. 4. Continuation of Coverage. Consistent with state and federal laws, certain faculty members, former faculty members, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time. As of the date of this Agreement, state and federal laws allow certain group coverages to be continued if they would otherwise terminate due to:

- a. Termination of employment (except for gross misconduct);
- b. Layoff;
- c. Reduction of hours to an ineligible status;
- d. Dependent child becoming ineligible due to change in age, student status, marital status, or financial support (in the case of a foster child or stepchild);
- e. Death of faculty member;
- f. Divorce, legal separation, or termination of same sex domestic partnership;
- g. Covered employee’s entitlement to or enrollment in Medicare.

Section C. Eligibility for Employer Contribution. This Section describes eligibility for an Employer contribution toward the cost of coverage.

Subd. 1. Full Employer Contribution - Basic Eligibility. Faculty members covered by this

Agreement and appointed for at least seventy-five percent (75%) of the full-time work assignment load for a regular academic year receive the full Employer contribution. The seventy-five percent (75%) minimum requirement can be satisfied by: (1) a one hundred sixty-eight (168) duty-day contract at seventy-five percent (75%) load; (2) a contract for seventy-five percent (75%) of the 168 duty-days at full load; (3) some equivalent combination.

A faculty member initially hired during the academic year on a tenured appointment or a probationary appointment may receive the full Employer contribution if the appointment is for minimum of a seventy-five percent (75%) load for the duration of that appointment.

Subd. 2. Special Eligibility. The following faculty members also receive an Employer contribution:

- a. Faculty Members on Layoff. An eligible tenured faculty member who receives an Employer contribution, who has three (3) or more years of continuous service, and who has been laid off pursuant to the provisions of Article 23 remains eligible for an Employer contribution and all other benefits provided under this Article for twelve (12) consecutive months from the date of layoff.
- b. Work-Related Injury/Disability. A faculty member who receives an Employer contribution and who is off the State payroll due to a work-related injury or a work-related disability remains eligible for an Employer contribution as long as such faculty member receives workers' compensation payments. If such faculty member ceases to receive workers' compensation payments for the injury or disability and is granted a disability leave under Article 17, he/she shall be eligible for an Employer contribution during that leave.
- c. Sabbatical Leave. A faculty member eligible for an Employer contribution immediately prior to taking a sabbatical leave continues to receive the Employer contribution during the sabbatical leave.
- d. Faculty members participating in phased retirement shall be eligible for Employer-paid benefits in accordance with Minnesota Statutes 354.66 at the same rate as if they were employed full-time.
- e. Faculty members participating in the annuitant employment program (AEP) shall be eligible for Employer-paid benefits in accordance with Minnesota Statutes §§136F and 354B.445 at the same rate as if they were employed full-time.

Subd. 3. Maintaining Eligibility for Employer Contribution.

- a. General. A faculty member who is eligible for the Employer contribution maintains that eligibility as long as the faculty member meets the Employer determination eligibility requirements and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to faculty members who receive an Employer contribution while on layoff as described in Section C, Subd. 2.a., or while eligible for workers' compensation payments as

described in Section C, Subd. 2.b.

- b. Unpaid Leave of Absence. If a faculty member is on an unpaid leave of absence, then sick leave cannot be used for the purpose of maintaining eligibility for an Employer contribution by keeping the faculty member on a State payroll for one working day per pay period.
- c. A faculty member on an approved Family Medical Leave Act (FMLA) leave or on a Voluntary Reduction in Hours as provided elsewhere in this Agreement maintains eligibility.

Section D. Amount of Employer Contribution. For faculty members eligible for an Employer contribution as described in Section C, the amount of the Employer contribution will be determined as follows beginning on January 2, 2002. The Employer contribution amounts and rules in effect on June 30, 2001, will continue through January 1, 2002.

Subd. 1. Contribution Formula-Health Coverage.

- a. Faculty Member Coverage. For faculty member health coverage, the Employer contributes an amount equal to one hundred percent (100%) of the faculty member premium of the Minnesota Advantage Health Plan (Advantage).
- b. Dependent Coverage. For dependent health coverage, the Employer contributes an amount equal to one hundred percent (100%) of the dependent premium of Advantage.
- c. Benefit Level One Health Care Network Determination. Issues regarding the health care networks for the 2003 insurance year shall be established in accordance with the following procedures:
 - 1. At least twelve (12) weeks prior to the open enrollment period for the 2003 insurance year, the Employer shall meet and confer with the Joint Labor/Management Committee on Health Plans in an attempt to reach agreement on the Benefit Level One health care networks.
 - 2. If no agreement is reached within five (5) working days, the Employer and the Joint Labor/Management Committee on behalf of all of the exclusive representatives shall submit a list of providers/provider groups in dispute to a mutually agreed-upon neutral expert in health care delivery systems for final and binding resolution. The only providers/provider groups that may be submitted for resolution by this process are those in which, since the list for the 2002 insurance year was negotiated, Benefit Level One access has changed, or those that are intended to address specific problems caused by a reduction in Benefit Level One access.

Absent agreement on a neutral expert, the parties shall select an arbitrator from a list of five (5) arbitrators supplied by the Bureau of Mediation Services. The parties shall flip a coin to determine who strikes first. One-half (.50) of the fees and expenses of the neutral shall be paid

by the Employer and one-half (.50) by the exclusive representatives. The parties shall select a neutral within five (5) working days after no agreement is reached, and a hearing shall be held within fourteen (14) working days of the selection of the neutral.

3. The decision of the neutral shall be issued within two (2) working days after the hearing.

Subd. 2. Contribution Formula-Dental Coverage.

- a. Faculty Member Coverage. For faculty member dental coverage, the Employer contributes an amount equal to the lesser of one hundred percent (100%) of the faculty member premium of the State Dental Plan, or the actual faculty member premium of the dental plan chosen by the faculty member.
- b. Dependent Coverage. For dependent dental coverage, the Employer contributes an amount equal to the lesser of fifty (50) percent of the dependent premium of the State Dental Plan, or the actual dependent premium of the dental plan chosen by the faculty member.

Subd. 3. Contribution Formula-Basic Life Coverage. For faculty members' basic life coverage and accidental death and dismemberment coverage, the Employer contributes one hundred percent (100%) of the cost.

Section E. Coverage Changes and Effective Dates.

Subd. 1. When Coverage May be Chosen. All faculty members must make their choice of employee health and dental plans and choice of dependent coverage (if applicable) within sixty (60) calendar days of the date of initial appointment to an insurance eligible position. When health and dental coverage are elected, the employee will automatically be enrolled in basic life coverage. Employees eligible for a partial employer contribution may elect health and dental coverage within sixty (60) calendar days of initial employment or during an open enrollment period. Employees who become eligible for a full employer contribution must make their choice of employee health and dental plans and dependent coverage within sixty (60) calendar days of becoming eligible. If employees do not choose a health plan administrator and primary care clinic within this sixty (60) day timeframe, they will be enrolled in a Benefit Level One clinic that meets established access standards in the health plan with the largest number of Benefit Level One clinics in the county of the employee's residence at the beginning of the insurance year. If faculty members do not choose a dental plan within this sixty (60) day timeframe, they will be enrolled in the State Dental Plan.

A faculty member may change his/her health or dental plan if the faculty member changes to a new permanent work or residence location, and the faculty member's current plan is no longer available. If the faculty member has family coverage and if the new residence location is outside of the current plan's service area, the employee shall be permitted to switch to a new plan administrator and new Benefit Level

within thirty (30) days of the residence location change. The election change must be due to and correspond with the change in status. A faculty member who receives notification of a work location change between the end of an open enrollment period and the beginning of the next insurance year may change his/her health or dental plan within thirty (30) days of the date of the relocation under the same provisions accorded during the last open enrollment period.

A faculty member and a retired faculty member may add dependent health or dental coverage following the birth of a child or dependent grandchild, or following the adoption of a child without regard to the thirty (30) day enrollment period.

In addition, a faculty member and a retired faculty member may add dependent or dental coverage within thirty (30) days of the following events:

1. If a faculty member or a retiree becomes married, the faculty member or retiree may add his/her spouse or same sex domestic partner and any dependent children/grandchildren.
2. If the faculty member's spouse or same sex domestic partner loses group health or dental coverage, the faculty member may add his/her spouse or same sex domestic partner and any dependent children/grandchildren.
3. If the retiree's spouse or same sex domestic partner involuntarily loses group health or dental coverage, the retiree may add his/her spouse or same sex domestic partner and any dependent children/grandchildren. (Spouse's/same sex domestic partner's loss of coverage due to his/her retirement would be considered involuntary.)

Subd. 2. When Coverage May Be Canceled.

1. Dependent coverage. An employee may cancel dependent health or dependent dental coverage outside the open enrollment only in the case of certain life events that are consistent with the request cancel coverage. The request to cancel coverage must be made within sixty (60) days of the event. Life events include, but are not limited to:
 - Loss of dependent status of a sole dependent;
 - Death of a sole dependent;
 - Divorce;
 - Change in employment condition of an employee or spouse or same sex domestic partner; and
 - A significant change of spousal insurance coverage (cost of coverage is not a significant change).

Dependent health or dependent dental coverage may also be canceled during the open enrollment period that applies to each type of plan for any reason.

Medical coverage termination will take effect on the first of the month following the end of the pay period coinciding with or next following the date of the application to cancel coverage, or the loss of eligible employee or dependent status. All other benefit coverage terminations will take effect on the first day of the month following the end of the pay period coinciding with or next following the date of the application to cancel coverage, or the loss of eligible employee or dependent status.

2. Employee Coverage. A part-time employee may also cancel employee coverage within sixty (60) days of when one of these same life events occurred.

Subd. 3. Initial Effective Date. The initial effective date of coverage under the Group Insurance Program is the first day of the first payroll period beginning on or after the twenty-eighth (28) calendar day following the faculty member's first day of employment, reemployment, rehire, or reinstatement with the State. A faculty member must be actively at work on the initial effective date of coverage, except that a faculty member who is on paid leave on the date State-paid life insurance benefits increase is also entitled to the increased life insurance coverage. In no event shall a faculty member's dependent's coverage become effective before the faculty member's coverage.

Subd. 4. Delay in Coverage Effective Date.

- a. Basic Life. If a faculty member is not actively at work on the initial effective date of coverage, coverage will be delayed until the first day of the pay period coinciding with or next following the faculty member's return to work. The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, a faculty member is on an unpaid leave of absence or layoff.
- b. If a faculty member is not actively at work on the initial effective date of coverage due to a reason other than hospitalization or medical disability of the faculty member's or dependent, medical and dental coverage will be delayed until the first day of the pay period coinciding with or next following the faculty member's return to work.

The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, a faculty member is on an unpaid leave of absence or layoff.

- c. Optional Life and Disability Coverages. In order for coverage to become effective, the faculty member must be in active payroll status and not using sick leave on the first day of the pay period coinciding with or next following approval by the insurance company. If it is an open enrollment period, coverage may be applied for but will not become effective until the first day of the pay period coinciding with or next following the faculty member's return to work.

Subd. 5. Open Enrollment.

- a. **Frequency and Duration.** There shall be an open enrollment period for health coverage in each year of this Agreement, and for dental coverage in the first year of this Agreement. Open enrollment periods shall last a minimum of fourteen (14) calendar days in the first year of the Agreement and thirty (30) calendar days in the second year of the Agreement. Open enrollment changes become effective on January 2, 2002, in the first year of this Agreement, January 1, 2003 in the second year of this Agreement.
- b. **Eligibility to Participate.** A faculty member eligible to participate in the Group Insurance Program, as described in Section B., Subd. 1. and Section B., Subd. 2., may participate in open enrollment. In addition, a person in the following categories may, as allowed in Section E., Subd. 5.a. above, make certain changes: (1) a former employee or dependent on continuation coverage, as described in Section B., Subd. 4., may change plans or add coverage for health and/or dental plans on the same basis as active employees; and (2) an early retiree, prior to becoming eligible for Medicare, may change health and/or dental plans as agreed to for active employees, but may not add dependent coverage.
- c. **Materials for Faculty Member Choice.** Each year prior to open enrollment the Appointing Authority will give eligible faculty members the information necessary to make open enrollment selections. Employees will be provided a statement of their current coverage each year of the contract.

Subd. 6. Coverage Selection Prior to Retirement. A faculty member who retires and is entitled to receive an annuity under a State retirement program may change his/her health or dental plan during the sixty (60) calendar day period immediately preceding the date of retirement. The faculty member may not add dependent coverage during this period. The change takes effect on the first day of the first pay period beginning after the date of retirement.

Section F. Basic Coverages.

Subd. 1. Faculty Member and Family Health Coverage.

- a. **Minnesota Advantage Health Plan (Advantage).** The health coverage portion of the State Employee Group Insurance Program is provided through the Minnesota Advantage Health Plan (Advantage), a self-insured health plan offering three (3) Benefit Level options. Provider networks and claim administration are provided by multiple plan administrators. Coverage offered through Advantage is determined by Section F, Subd. 1, paragraph b below.
- b. **Coverage under the Minnesota Advantage Health Plan (Advantage).** From July 1, 2001 through January 1, 2002, health coverage under the SEGIP will continue at the level in effect on June 30, 2001. Effective January 2, 2002, Advantage will cover eligible services subject to the copayments, deductibles and coinsurance coverage limits stated. Services provided through Advantage are subject to the managed care procedures and principles, including standards of medical necessity and appropriate practice of the plan administrators. Coverage details are provided

in the Advantage Summary of Benefits.

4. **Benefit Options.** Employees must elect a plan administrator and primary care clinic. Those elections will determine the Benefit Level through Advantage. Enrolled dependents must elect a primary care clinic that is available through the plan administrator chosen by the employee.

I. **Plan Administrator.** Employees must elect a plan administrator during their initial enrollment in Advantage and may change their plan administrator election only during the annual open enrollment and when permitted under Section E. Dependents must be enrolled through the same plan administrator as the employee.

II. **Benefit Level.** The primary care clinics available through each plan administrator are assigned a Benefit Level. The Benefit Levels are outlined in the benefit chart below. Primary care clinics may be in different Benefit Levels for different plan administrators. Family members may be enrolled in clinics that are in different Benefit Levels. Employees and their dependents may change to clinics in different Benefit Levels during the annual open enrollment. Employees and their dependents may also elect to move to a clinic in a different Benefit Level within the same plan administrator up to two (2) additional times during the plan year. Unless the individual has a referral from his/her primary care clinic, there are no benefits for services received from providers in Benefit Levels that are different from that of the primary care clinic in which the individual has enrolled.

III. **Primary Care Clinic.** Employees and each of their covered dependents must individually elect a primary care clinic within the network of providers offered by the plan administrator chosen by the employee. Employees and their dependents may elect to change clinics within their clinic's Benefit Level as often as the plan administrator permits and as outlined above.

The parties shall flip a coin to determine who strikes first. One-half (1/2) of the fees and expenses of the neutral shall be paid by the Employer and one-half (1/2) by the Exclusive Representatives. The parties shall select a neutral within five (5) working days after no agreement is reached, and a hearing shall be held within fourteen (14) working days of the selection of the neutral.

3. The decision of the neutral shall be issued within two (2) working days after the hearing.
- d. **Coordination with Workers' Compensation.** When an employee has incurred an on-the-job injury or an on-the-job disability and has filed a claim for workers' compensation, medical costs connected with the injury or disability shall be paid by the employee's health plan, pursuant to M.S. 176.191, Subdivision 3.
- e. **Health Promotion and Health Education.** Both parties to this Agreement recognize the value and importance of health promotion and health education programs. Such programs can assist employees and their dependents to maintain and enhance their health, and to make appropriate use of the health care system. To work toward these goals:

1. Develop programs. The Employer will develop and implement health promotion and health education programs, subject to the availability of resources. Each Appointment Authority will develop a health promotion and health education program consistent with the Department of Employee Relations policy. Upon request of any exclusive representative in an agency, the Appointing Authority shall jointly meet and confer with the exclusive representative(s) and may include other interested exclusive representatives. Agenda items shall include but are not limited to smoking cessation, weight loss, stress management, health education/self-care, and education on related benefits provided through the State Health Plan and HMO plans.

2. Health Plan specification. The Employer will require health plans participating in the Group Insurance Program to develop and implement health promotion and health education programs for State employees and their dependents.
3. Employee participation. The Employer will assist employees' participation in health promotion and health education programs. Health promotion and health education programs that have been endorsed by the Employer (Department of Employee Relations) will be considered to be non-assigned job-related training pursuant to Administrative Procedure 21. Approval for this training is at the discretion of the Appointing Authority and is contingent upon meeting staffing needs in the employee's absence and the availability of funds. Employees are eligible for release time, tuition reimbursement, or a pro rata combination of both. Employees may be reimbursed for up to one hundred (100) percent of tuition or registration costs upon successful completion of the program. Employees may be granted release time, including the travel time, in lieu of reimbursement.
4. Health Promotion Incentives. The Joint Labor/Management Committee on Health Plans shall develop a program which provides incentives for employees who participate in a health promotion program. The health promotion program shall emphasize the adoption and maintenance of more healthy lifestyle behaviors and shall encourage wiser usage of the health care system.

Subd. 2. Faculty Member and Family Dental Coverage.

a. Coverage Options. Eligible faculty members may select coverage under any one of the dental plans offered by the Employer, including health maintenance organization plans, the State Dental Plan, or other dental plans. Coverage offered through health maintenance organization plans is subject to change during the life of this Agreement upon action of the health maintenance organization and approval of the Employer after consultation with the Joint Labor/Management Committee on Health Plans. However, actuarial reductions in the level of HMO coverages effective during the term of this Agreement, including increases in copayments, require approval of the Joint Labor/Management Committee on Health Plans. Coverage offered through the State Dental Plan is determined by Section F., Subd. 2.b.

b. Coverage Under the State Dental Plan. The State Dental Plan will provide the following coverage:

1. Copayments. Effective January 2, 2002, the State Dental Plan will cover allowable charges for the following services subject to the copayments and coverage limits stated. Higher out-of-pocket costs apply to services obtained from dental care providers not in the State Dental Plan network. Services provided through the State Dental Plan are subject to the State Dental Plan's managed care procedures and principles, including standards of dental necessity and appropriate practice. The plan shall cover general cleaning two (2) times per plan year and special cleanings (root or deep cleaning) as prescribed by the dentist.

- c. Children/Grandchildren. A faculty member may purchase life insurance in the amount of ten thousand dollars (\$10,000) as a package for all eligible children/grandchildren (as defined in Section B., Subd. 3., of this Article). Child/grandchild coverage requires evidence of insurability if application is made after the first sixty (60) calendar days of employment. Child/grandchild coverage commences fourteen (14) calendar days after birth.
- d. Accelerated Life. The additional employee, spouse or same sex domestic partner and child life insurance policies will include an accelerated benefits agreement providing for payment of benefits prior to death if the insured has a terminal condition.

The employee's post-retirement death benefit shall be effective as of the date of the employee's retirement or the employee age sixty-five (65), whichever is later. Employees who retire prior to age sixty-five (65) must be immediately eligible to receive a state retirement annuity and must continue their optional employee life insurance to age sixty-five (65) in order to remain eligible for the employee post-retirement death benefit.

An employee who has carried optional spouse or same sex domestic partner life insurance for five (5) consecutive years immediately preceding the date of the employee's retirement or spouse age sixty-five (65), whichever is later, shall receive a post retirement paid-up life insurance policy in an amount equal to fifteen percent (15%) of the smallest amount of optional spouse life insurance in force during that five (5) year period. The employee must continue the full amount of optional spouse life insurance to the date of the employee's retirement or spouse or same sex domestic partner age sixty-five (65),_ whichever is later, in order to remain eligible for the spouse or same sex domestic partner post-retirement death benefit.

Each policy remains separate and distinct, and amounts may not be combined for the purpose of increasing the amount of a single policy.

Subd. 2. Disability Coverage.

- a. Short-term Disability Coverage. A faculty member may purchase short-term disability coverage that provides benefits of from three hundred dollars (\$300) to five thousand dollars (\$5,000) per month, up to two-thirds (2/3) of a faculty member's salary, for up to one hundred eighty (180) calendar days during total disability due to a non-occupational accident or a non-occupational sickness. Benefits are paid from the first day of a disabling injury or from the eighth day of a disabling sickness. Coverage applied for within sixty (60) calendar days of hire or becoming insurance eligible does not require evidence of insurability.
- b. Long-term Disability Coverage. New employees may enroll in long-term disability insurance within sixty (60) days of employment or insurance eligibility. The terms are the same as for employees who wish to add/increase during the annual open enrollment. During open enrollment only, a faculty member may purchase long-term disability coverage that provides benefits of from three hundred dollars (\$300) to five thousand dollars (\$5,000) per month, based on the faculty member's salary, commencing on the one hundred eighty-one (181st) day of total disability, and not subject to evidence of insurability but with a limited pre-existing condition exclusion. Employees should be aware that other wage replacement benefits, as described in the certificate of coverage (i.e., Social Security Disability, Minnesota State Retirement Disability, etc.), may result in a reduction of the monthly benefit levels purchased. In any event, the minimum is the greater of three hundred dollars (\$300) or fifteen percent (15%) of the amount purchased. The minimum benefit will not be reduced by any other wage replacement benefit. In the event that the faculty member becomes totally disabled before age seventy (70), the premiums on this benefit shall be waived.

Subd. 3. Accidental Death and Dismemberment Coverage. A faculty member may purchase accidental death and dismemberment coverage that provides principal sum benefits in amounts ranging from five thousand dollars (\$5,000) to one hundred thousand dollars (\$100,000). Payment is made only for accidental bodily injury or death and may vary, depending upon the extent of dismemberment. A faculty member may also purchase from five thousand dollars (\$5,000) to twenty-five thousand dollars (\$25,000) in coverage for his/her spouse or same sex domestic partner, but not in excess of the amount carried by the faculty member.

Subd. 4. Continuation of Optional Coverages During Unpaid Leave or Layoff. An employee who takes an unpaid leave of absence or who is laid off may discontinue premium payments on optional policies during the period of leave or layoff. If the employee returns within one (1) year, the employee shall be permitted to pick up all optionals held prior to the leave or layoff. For purposes of reinstating such optional coverages, the following limitations shall be applicable.

For the first twenty-four (24) months of short-term and/or long-term disability coverage after such a period of leave or layoff during which short-term or long-term disability coverage was discontinued, any such disability coverage shall exclude coverage for pre-existing conditions. For disability purposes, a pre-existing condition is defined as any disability which is caused by, or results from, any injury, sickness or pregnancy which occurred, was diagnosed, or for which medical care was received during the period of leave or layoff. In addition, any pre-existing condition limitations that would have been in effect under the policy but for the discontinuance of coverage shall continue to apply as provided in the policy.

The limitations set forth above do not apply to leaves that qualify under the Family Medical Leave Act (FMLA).

Faculty members electing phased retirement shall be eligible for Employer-paid insurance benefits as if the faculty member were employed full-time. Employee contributions necessary to maintain benefits as if the faculty member were employed full-time shall be the responsibility of the employee.

Upon completion of phased retirement, a faculty member who participates in phased retirement shall be eligible for the separation incentive in Article 16, Section D, if the age and service requirements are met.

Computation of the separation incentive shall be based on the percentage decline contained therein, and the faculty member shall not under any circumstances be eligible for designation at one hundred percent (100%) of salary.

A faculty member requesting participation in the Annuitant Employment Program shall submit his/her request to the President by October 1 for participation that begins fall semester of the following academic year, or by January 15 for participation that begins spring semester of the following academic year. These notification deadlines may be waived by the President. The length of the annuitant employment period and the work schedule for the faculty member shall be mutually agreed to by the faculty member and the President. In no event shall the length of time for annuitant employment exceed the number of years mutually agreed to or the workload of the faculty member be less than point thirty-three (.33) FTE or greater than point sixty-seven (.67) FTE. Except as otherwise provided for by statute, faculty members electing annuitant employment shall maintain their seniority and shall be entitled to all rights and benefits, including voting rights, of similarly situated part-time faculty members.

Subd. 3. Benefits. Faculty members electing annuitant employment shall be eligible for Employer-paid health and dental insurance benefits as if the faculty member was employed full-time. Employee contributions necessary to maintain benefits as if the faculty member was employed full-time shall be the responsibility of the employee.

Computation of the separation incentive shall be based on the percentage decline contain therein, and the faculty member shall not under any circumstances be eligible for designation at one hundred percent (100%) of salary.

Subd. 4. Expectations. Faculty members participating in the annuitant employment program are expected to perform the full range of faculty duties, on a pro rata basis. They are subject to the professional development plans required under Article 22.

Pursuant to Minnesota Statutes § 136.80, 136.81, and 356.24, in FY 2002 and FY 2003 the Employer shall deduct from the salary of each full-time faculty member a sum equal to five percent (5%) of the annual salary paid after the first six thousand dollars (\$6,000), up to a maximum of two thousand two hundred dollars (\$2,200) for FY 2002 and up to a maximum of two thousand two hundred and fifty dollars (\$2,250) in FY 2003 to be paid into the state university supplemental retirement account of the retirement fund. The Employer shall make a contribution in an amount equal to the deductions made from the faculty member's salary. Deductions shall begin in the faculty member's third year of full-time employment in the System.

ARTICLE 16 Severance Pay

Section A. Eligibility. Severance pay shall be granted to faculty members in accordance with the following provisions.

Subd. 1. All faculty members who have accrued twenty (20) years of service in the Minnesota State Universities shall receive severance pay upon separation from the Minnesota State Universities.

Subd. 2. Probationary and tenured faculty members who have fewer than twenty (20) years of service in the Minnesota State Universities shall receive severance pay upon mandatory retirement, death, permanent layoff, or receipt of separation incentive. Faculty members on non-tenure track or fixed-term appointment, other than those funded by monies from an outside jurisdiction or agency which may terminate such funding in a manner beyond the control of the Employer, who have at least ten (10) years of service in the Minnesota State Universities shall receive severance pay upon mandatory retirement, death, or discontinuance of employment. Fixed-term faculty members in positions funded by monies from an outside jurisdiction or agency which may terminate such funding in a manner beyond the control of the Employer may, after ten (10) years of service in the State Universities, receive severance pay upon mandatory retirement, death, or discontinuance of employment to the extent the funding source permits. In the event of death, such benefits shall be made to the beneficiary designated by the faculty member under a State retirement program.

Subd. 3. Faculty members who separate from the Minnesota State Universities after ten (10) years of service and whose combined years of service and age equal sixty-eight (68) shall also receive severance pay.

Section B. Computation. Severance pay shall be computed at forty percent (40%) of the faculty member's regularly accumulated but unused sick leave balance multiplied by the faculty member's regular daily rate of pay at the time of separation. Effective fiscal year 1996, severance pay for faculty with twenty-five (25) or more years of service shall be computed at forty-five percent (45%), with an increase of one percent (1%) per year for each additional year of service beyond twenty-five (25) years to a maximum percentage of fifty percent (50%). The base for computing severance pay shall not exceed one hundred twenty-five (125) days. Should the faculty member have less than one hundred twenty-five (125) days of regular sick leave accumulated, the difference may be transferred from lapsed sick leave for purposes of calculation of severance pay. These monies shall be paid in a lump sum upon separation.

Section C. Reappointment. In the event a faculty member who has received severance pay is subsequently reappointed to the Minnesota State Universities, future severance pay for that individual shall be computed upon the difference between the amount of accumulated sick leave restored to the faculty member's credit at the time of reemployment and the amount of unused sick leave at the time of the faculty member's subsequent eligibility.

Section D. Separation Incentive.

Subd. 1. Eligibility. In addition to the above a faculty member who has served at least fifteen (15) years in the Minnesota State Universities and is at least fifty-five (55) years of age shall be eligible for early separation.

Subd. 2. Sunset. Faculty members hired after June 30, 1996 shall not be eligible for this early separation incentive.

Subd. 3. Individual Eligibility.

- a. An eligible faculty member who elects early separation through resignation or early retirement by October 1, to be effective the beginning of the subsequent academic year, or a date mutually agreed upon by the faculty member and the Administration, **except those faculty qualifying under paragraph b. below**, shall receive compensation equal to his/her base salary minus ten percent (10%) of his/her base salary for each year beyond age fifty-five (55). The faculty member shall receive the compensation in two (2) equal annual payments, the first at the beginning of the ensuing fiscal year and the second in the following fiscal year. If the separation payment is less than ten thousand dollars (\$10,000), it will be paid to the faculty member in a lump sum. In no circumstance shall a faculty member eligible for an early separation payment receive such payment in any one fiscal year which would result in compensation in excess of one hundred percent (100%) of total salary,

exclusive of overload and summer sessions. In the event a faculty member who is otherwise eligible for the separation incentive described in this Section, and has provided the advanced notice of his/her intention to retire as provided in this Section, dies before his/her separation date, the incentive payment shall be made to his/her estate.

- b. If a faculty member is older than age fifty-five (55) when s/he completes the fifteen (15) years of service requirement, the faculty member shall receive the full benefit of one year's base salary if s/he:
 - 1) applies within one hundred and eighty (180) days of meeting the age and service requirement, and
 - 2) the separation will occur no later than one hundred and eighty-one (181) days following the date of application for the benefit. Any faculty member eligible under this subdivision who does not elect early retirement during this window but chooses to apply later will be compensated under the schedule set forth in paragraph a.

Subd. 4. Institutional Designation. After meeting and conferring with the Association, the President may designate departments or programs in which faculty members choosing the incentive shall receive compensation equal to their full base salary. The President's designation will be based on reasons that are in the best interest of the university. Payments will be made in a manner consistent with Subdivision 3.

Subd. 5. Maintenance of Benefits. The separated faculty member shall have the right to continue, at the Employer's expense, health insurance benefits for one (1) year after separation.

Subd. 6. Persons choosing early separation shall have eligibility for early retirement payments determined in accordance with appropriate statutes and regulations.

Section E. Postretirement Health Care .

Subd. 1. The employer shall arrange for the creation of a tax-free postretirement health care trust in accordance with Minnesota Statutes, Sections 352.98 and 356.24. This program will be administered through the Minnesota State Retirement System.

The employer shall establish within the trust an individual account for each faculty member. Funds contributed to a faculty member's individual account for or by a faculty member, and earnings thereon, shall be immediately vested and shall be held in trust to reimburse the faculty member and his or her dependents for postretirement health care expenses, and shall not be used for any other purpose. If a faculty member dies prior to exhausting the accumulated savings in his or her account, the faculty member's dependents shall be eligible for reimbursement of their postretirement health care expenses until the account is exhausted. If the faculty member and all his or her dependents die prior to exhausting the account, the remainder of the account shall be passed on to the faculty member's beneficiaries or, if none, his or her estate. A faculty member shall direct the investment of funds within his or her individual account. The employer shall establish a range of investment options through which the faculty member may invest his or her postretirement savings account accumulations.

Subd. 2. The parties to this Agreement shall enter into a Letter of Understanding which stipulates the method of funding the post-retirement health care expense accounts prescribed in Subdivision 1 above.

ARTICLE 17

Paid Leaves of Absence

Section A. Sick Leave.

Subd. 1. Fifteen (15) duty days of sick leave shall be credited to all new full-time faculty members at the time of their employment to cover possible disability during the subsequent fifteen (15) months of employment. Beginning with the sixteenth (16th) month of employment, each faculty member will be credited with one (1) additional day of sick leave for each succeeding month or portion thereof of employment completed within the regular academic year, but not to exceed four and one half (4.5) days per semester, as applicable, plus one and one-half (1.5) days for each single summer session and three (3) days for each double summer session employed. Sick leave earned in accordance with this Subdivision will be accrued on a bi-weekly basis.

Subd. 2. Unused sick leave may accumulate to a total of one hundred twenty-five (125) days. Sick leave earned over the maximum will be considered lapsed but shall be recorded to the faculty member's credit. In the event that a faculty member with an illness exhausts his/her current accumulated sick leave, and has lapsed sick leave recorded to his/her credit, additional sick leave shall be granted by the President/designee upon valid medical documentation, to the extent required by the employee's illness, but not to exceed the total amount of his/her lapsed sick leave.

Subd. 3. Faculty members on a full-time fixed-term appointment as provided for in Article 21, Section E, shall be credited upon initial employment with one (1) day of sick leave for each month of service.

Subd. 4. Individuals commencing employment on less than a full-time basis shall be given sick leave credit as described in this Section at the commencement of employment on a pro rata basis. Such part-time faculty members shall accumulate sick leave on the basis of one (1) day for each month employed pro rata multiplied by the fraction of the time employed. Use of sick leave for such faculty members shall be deducted on a pro rata basis according to the fraction of the time employed at the time of leave. Sick leave earned in accordance with this Subdivision will be accrued on a biweekly basis.

Subd. 5. Sick leave shall be granted by the President/designee for absences made necessary by reason of illness or disability, including temporary disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery therefrom; by exposure to contagious disease which may endanger the individual or the public health; or by illness or temporary disability caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery therefrom in the immediate family of the faculty member,

making it necessary that the faculty member be absent from his/her duties. In the case of absence for illness of members of the immediate family, the term “immediate family” shall be defined to include the spouse, brothers, sisters, children, step children, foster children, grandchildren, ward, grandparents, parents or parents of the spouse. **These provisions shall include an individual who regularly resides in the employee’s household.** A faculty member may use up to three (3) days of sick leave to arrange for the nursing care of the faculty member’s parents or parents of the spouse.

Subd. 6. Any faculty member reemployed within one (1) year at the same or any other university within the System shall have unused accumulated sick leave reinstated and posted to the employee’s credit in the records of the employing university, provided such sick leave was accrued in accordance with the provisions of this Agreement, and provided such sick leave has not been used in the calculation of severance pay. In the event such sick leave was used in the calculation of severance pay, the faculty member shall have sixty percent (60%) of the unused accumulated sick leave reinstated and posted to the faculty member’s credit.

Subd. 7. All unused sick leave earned prior to ratification of this Agreement shall remain in full force and effect, and shall be credited fully to each faculty member’s sick leave accumulation.

Subd. 8. Faculty members with appointments for periods other than one hundred sixty-eight (168) duty days shall have the number of days of sick leave per year to be accrued calculated in accordance with the following formula:

Total Sick Leave Accrued	=	# of Duty Days 168	x 9 x	Percentage of a normal workload
-------------------------------------	----------	-------------------------------	--------------	--

Subd. 9. The IFO and MnSCU may develop a sick leave incentive program through establishment of a joint committee, but any final agreement on the Employer's part is subject to the approval of the M.S. 43A statutory employer.

Section B. Bereavement Leave. The use of a reasonable period of leave, up to five (5) days per occurrence, shall be granted in case of a death in the immediate family as defined in Section A., Subd. 5. Bereavement leave shall not be deducted from sick leave in the case of relatives of the faculty member or the spouse's parents. Bereavement leave shall be deducted from sick leave in the case of other relatives of the spouse. Additional time may be allowed by the President/designee depending upon circumstances.

Section C. Military Leave of Absence. Faculty members who are members of the state or federal armed services are entitled to leave of absence with pay as defined in Minnesota Statutes.

Section D. Court-Related Leaves of Absence with Pay. Faculty members shall be granted a leave of absence with pay for:

Subd. 1. Service upon a jury.

Subd. 2. Appearance before a court, legislative committee, or other judicial or quasi-judicial body in response to subpoena or other direction by proper authority. If the faculty member is the plaintiff, the faculty member shall reimburse the university for expenses incurred for a substitute, not to exceed the faculty member's salary for the work days missed.

Subd. 3. Attendance in court in connection with a faculty member's official duty, such attendance including the time required in going to the court and returning to the faculty member's place of work.

Section E. Emergency/Personal Leave. A faculty member may be granted up to three (3) days (non-cumulative) of emergency or personal leave per fiscal year for situations not covered by other provisions of this Agreement that arise necessitating the absence of the faculty member from the campus. Whenever possible, the faculty member shall apply for prior approval of the leave by the President/designee.

Section F. Accrued Benefits. A faculty member while on leave shall retain all rights and accumulated benefits. Such benefits shall continue to accrue for the period of time that a faculty member is on leave pursuant to this Article. Full-time faculty members who are granted sabbatical leaves shall accrue full sick leave benefits, notwithstanding the reduction in salary provided in Article 19, Section C., Subd. 4. Part-time faculty who are granted sabbatical leaves shall accrue sick leave on a pro rata basis.

Section G. Paid Leave of Absence. The President may grant a faculty member a paid leave of absence up to one (1) year in length for the purpose of retraining or further training to meet the programmatic needs of the university.

ARTICLE 18
Leaves Without Pay

Section A. Leaves.

Subd. 1. General Leaves. A faculty member may request a leave of absence for valid reasons for an initial period not to exceed two (2) years. A request for leave shall be made as early as practicable and shall include a statement as to the purpose for which the leave is requested, including its value to the faculty member and the university. The President shall consider the effect of such a leave upon the university, and a request shall not be arbitrarily denied. General leave of absence beyond two (2) consecutive years may be granted at the discretion of the President. However, the faculty member shall cease to accrue seniority beyond the second year.

Subd. 2. Educational Leave. The President may grant an educational leave, unpaid, partially paid or fully paid, at the request of the faculty member when the purpose of the leave is to work toward certification or an advanced degree, if this request is made in a reasonable time in advance of the leave. Such requests shall not be unreasonably denied. Upon return to the university, the faculty member shall be entitled to credit for years of seniority accumulated during and prior to the leave. Normally, an educational leave will not extend beyond two (2) years, but may be extended by the President. However, the faculty member shall cease to accrue seniority beyond the third year.

Subd. 3. Administrative Leave. Faculty members who accept an administrative assignment within the Minnesota state universities shall take an administrative leave for the duration of the assignment. A faculty member on administrative leave shall cease to accrue seniority beyond the second year. A faculty member accepting this appointment shall not participate in any aspect of faculty or departmental governance and may take no action that affects his/her own terms and conditions of employment as a faculty member. Normally, faculty members returning to the unit shall notify the President of their intention by March 1 of the preceding academic year. Faculty members shall be returned to the unit in accordance with Article 29, Section B, Subd. 1., and shall be returned to the salary schedule at a step comparable to that which the faculty member would have held had he/she remained in his/her faculty assignment.

Subd. 4. Extended Leaves. Extended leaves of absence of at least three (3) but not more than five (5) years may be granted in accordance with Minnesota Statutes § 136F.43. Notwithstanding any other Section of this Agreement, retention and accrual of all rights and benefits for faculty on extended leave shall be governed by Minnesota Statutes § 136F.43. Faculty members shall be returned to the unit in accordance with Article 29, Section B, Subd. 1, and shall be returned to the salary schedule at the step at which they were placed when they left the unit, with accommodation for general increases in the indicated step. If the faculty member's service to the university in the year he/she left the unit qualified him/her for an increase in the succeeding year, then he/she shall be entitled to that increase upon his/her return to the unit. Seniority shall not accrue during the years faculty members are on extended leave.

Section B. Parental Leave. Upon request, a parental leave of absence without pay shall be granted to birth or adoptive parents. The leave shall commence on the date requested by the faculty member, and shall continue for a period of up to nine (9) months. Parental leave may be extended for an additional nine (9) months upon application to and approval by the Administration.

While on unpaid leave that qualifies under the Family Medical Leave Act of 1993, the Employer contribution for health and dental insurance will continue to be paid to the extent provided for under the Act.

Section C. Maintenance of Benefits. While on unpaid leave, the faculty member shall have the right to continue, to the extent permitted by law, any or all benefits, provided any direct cost resulting therefrom is reimbursed to the Employer by the faculty member.

Section D. Accrued Benefits. A faculty member while on leave shall retain all rights and accumulated benefits. A faculty member on leave pursuant to Section A, Subd. 2., of this Article, or a tenured faculty member on general or extended leave of absence for purposes judged by the President to be of benefit to the institution, such as service or employment in the area of his/her expertise, shall for purposes of layoff be entitled to credit for years of seniority accumulated during the leave, and shall be entitled to continuation of insurance benefits, unless provided through outside employment during the leave.

ARTICLE 19

Professional Improvement

Section A. Professional Improvement Funds.

Subd. 1. Professional improvement funds shall mean support funds for improving professional competence.

Subd. 2. All faculty except adjunct faculty shall be eligible for professional improvement funds.

Subd. 3. The funds distributed shall be no less than four hundred thousand dollars (\$400,000) in FY 2002 and four hundred thousand dollars (\$400,000) in FY 2003. All funds shall be distributed to the universities on the basis of the number of FTE faculty at each institution. Within thirty (30) days thereafter, a report shall be provided to the IFO indicating the amount allocated to each university.

Subd. 4. The President, after meeting and conferring with the Association, shall establish procedures and criteria for the application and awarding of these funds to individual faculty members. Awards shall be made by the President.

Section B. Professional Study and Travel.

Subd. 1. The IFO and MnSCU recognize the need for faculty development relating to their university's mission. Therefore, each department/unit will be allocated professional study and travel funds at the rate of not less than one thousand one hundred dollars (\$1,100) in FY 2002 and one thousand one hundred dollars (\$1,100) in FY 2003 per each full-time equivalent faculty in the department as of the beginning of each academic year as determined in Subd. 2. below. Funding for faculty, excluding adjuncts, hired during the year will be allocated on a pro-rata basis at the time of hire.

Subd. 2. In determining the number of full-time equivalent faculty members, those on paid leaves of absence, sabbatical, reassigned time and those on phased retirement shall be counted as full-time, but their replacements, if any, shall not. Those faculty members on paid leaves of absence, sabbatical, reassigned time or on phased retirement shall be eligible to receive such professional study and travel monies. This provision shall include faculty members whose positions are financed from external sources, even though funding for this purpose is not provided by the external source. Professional study and travel funds shall be available to all faculty members at the time of hire.

Subd. 3. Funds provided by this Section shall be limited to paying the cost of travel, housing, meals and registration associated with participation in professional conferences, workshops, and similar meetings and courses. In addition, such funds may be used for the cost of professional memberships, professional books and journals, online services including electronic subscriptions, and software. The department shall, through a democratic process, determine an equitable procedure for distribution of funds. The department may carry over any portion of its allocation from the first to the second year of the biennium, and from one biennium to the next.

Section C. Sabbatical Leave. The purpose of a sabbatical leave is to enhance professional development, support department/unit goals, and/or meet the instructional, service, or research priorities of the university.

Subd. 1. The President/designee may grant a sabbatical leave to an eligible faculty member who proposes to undertake a scholarly research project, additional study, or other endeavor related to the purpose described above. At the beginning of each academic year, the President, after meeting and conferring with the Association, will establish a schedule for application, consideration and announcement of the sabbatical leaves.

Subd. 2. In order to be eligible for sabbatical leave, a faculty member must have completed at least seven (7) years of service at the university, or have at least six (6) years of service since the conclusion of such faculty member's previous sabbatical leave. Service at Akita counts towards satisfaction of years of service in this subdivision. The granting of sabbatical leave shall be contingent upon the President's determination that funds are available for this purpose and that staffing requirements of the university can be met. Where sabbatical leave is denied, reasons therefor shall be communicated to the faculty member in writing. However, the faculty member shall be granted a sabbatical, upon request, after completion of ten (10) years of service, or ten (10) years following the conclusion of the faculty member's last sabbatical

leave. Such eligibility is subject to presentation of a satisfactory plan in accordance with Subd. 3. below. Should more than twenty-five percent (25%) of the faculty on an FTE basis of any particular department or program be eligible for and request such a leave, the President/designee shall grant such leave to twenty-five percent (25%) on an FTE basis, and delay the granting of leave to other faculty until the following year.

The granting of such sabbaticals shall be based upon years of seniority since the last sabbatical or the years of seniority at the university if the faculty member has never been granted a sabbatical leave; in case of a tie, the faculty member with the longer continuous service with the university shall have priority. Leaves taken for reasons of professional improvement directly relating to the faculty member's university responsibilities shall be counted as time served towards eligibility for sabbatical leave up to a maximum of two (2) years.

Subd. 3. The faculty member's proposal for sabbatical leave shall include a written plan consistent with the purpose outlined above and an indication of the term(s) that the faculty member intends to be on leave. Sabbatical plans are subject to approval by the President/designee. Except for those ten (10) year sabbaticals described in Subd. 2. above, the President's decision is not grievable. The plan must include a signed agreement to submit a written report of the results of the sabbatical to the faculty member's immediate supervisor upon conclusion of the sabbatical leave. The faculty member shall agree in writing to return to the university for at least one (1) year of service after the conclusion of the sabbatical. In the event the faculty member fails to follow the intent of his/her plan or to return to the university for one (1) year of service after the conclusion of the sabbatical the faculty member shall refund to the university such funds awarded during that sabbatical period.

Subd. 4. Sabbatical leaves may be granted for one (1) semester, at full base salary, or for a full academic year at two-thirds (.667) of base salary. Faculty members who are granted a second full-year sabbatical leave shall receive eighty percent (80%) of base salary. Subsequent full-year sabbaticals shall be funded at ninety percent (90%) of base salary. For part-time faculty members, the amount of sabbatical pay shall be adjusted pro rata.

Subd. 5. Faculty members on sabbatical leave may accept scholarships, fellowships, grants, or employment during the sabbatical leave, provided such scholarships, fellowships, grants, or employment afford experience which serves the purpose of the sabbatical leave.

Subd. 6. A faculty member shall be eligible for continued group insurance benefits as provided by law during the course of the leave.

Subd. 7. In those cases where the Administration has denied sabbatical leaves for budgetary or staffing considerations, or where replacements for sabbaticals were not provided, the Administration shall provide a summary of such actions at a meet and confer.

ARTICLE 20
Departments and Department Chairpersons

Section A. Departments.

Subd. 1. The President may, after meeting and conferring, designate or redefine various academic departments and programs consistent with the university's mission and scope of academic activity. Departments or programs defined as of the date of execution of this Agreement shall continue to exist unless the President, after meeting and conferring with the Association, redefines departments or programs based upon the needs of the university. Redefinition of departments or programs shall occur no more than once each year, and shall be announced by and effective with the posting of seniority rosters on March 1. Such actions shall not be subject to the provisions of the grievance procedure.

Subd. 2. Each faculty member shall be a member of at least one (1) department/ administrative unit. In departments where the Administration has decided not to have a chair, the department faculty may elect and propose annually a person to carry out any procedures required by this Agreement.

Subd. 3. Department faculty shall establish, annually or more frequently as appropriate, through a democratic process and in a manner consistent with university procedures and the provisions of this Agreement, departmental policies, procedures, and teaching and other work schedules. The department shall make every effort to ensure that teaching and other work schedules meet departmental, college and university objectives. The administration may develop guidelines to aid in this effort. The department may establish appropriate committees as needed. The department may make recommendations, forwarded through the department chair, on its own behalf concerning such matters as personnel actions, budgetary matters, teaching assignments, the departmental curriculum, classroom and equivalent duty schedules, etc. Individual faculty members within departments may also make recommendations on these same matters. All departmental recommendations must be reviewed and approved by the department's faculty, and forwarded to the administration by the chair with a statement verifying that the requirement has been met.

Subd. 4. Departmental faculty and chairs shall base their personnel recommendations on the five criteria contained in Article 22, Section B. In accordance with Article 5, Section Q, recommendations for a personnel action must be signed and dated by the person or persons making them. The department may conduct a vote on any personnel matter and forward it to the appropriate supervisor, but the vote shall not constitute a recommendation.

Subd. 5. All faculty members, other than fixed-term faculty in the first year of such status, who have at least three-fourths (3/4) time FTE appointments in the department during the current academic year, are eligible to vote in matters pertaining to the chair and to make recommendations in personnel matters and curriculum matters. All faculty members who have at least one-half (.5) time appointments in the

department during the current term are eligible to vote in all other matters pertaining to the business of the department. The Academic Vice President shall arbitrate disputes which may arise concerning voting eligibility in any department. This decision shall not be subject to the grievance procedure.

Subd. 6. Departmental actions may not add to, subtract from, or modify in any way the terms of the Agreement, and are not effective until filed with the immediate supervisor.

Section B. Duties of Department Chairpersons .

Subd. 1. The chair provides academic and administrative coordination, and fosters an environment which enhances individual and departmental growth and development.

Subd. 2. The department chair coordinates the activities of the department through a process of regular consultation with all the members of the department and the President/designee.

The chair provides coordination within a department with respect to departmental rights and functions as described in Section A of this Article. (See Appendix E.)

Subd. 3. The chair forwards recommendations of the department to the appropriate administrative personnel, and is expected to submit his or her own reactions or recommendations to the President/designee on such matters as tenure, promotion and nonrenewal, whether or not such chair recommendations coincide with others made. Copies of such reactions and recommendations shall be made available to the department members, except for those concerning personnel matters. Recommendations and/or reactions pertaining to personnel actions shall be in accordance with the provisions of the appropriate Article(s) in this Agreement and a copy shall be given to the affected faculty members.

Section C. Department Chair Reassigned Time and Compensation.

Subd. 1. All chairs of departments of five (5) or more FTE members shall be offered appointments of at least one hundred ninety-six (196) duty days; however, a chairperson may decline any portion of the schedule beyond one hundred sixty-eight (168) days, subject to concurrence by the President/designee that the department will be able to function effectively. Chairs of smaller departments may be offered appointments of longer than one hundred sixty-eight (168) duty days in duration if in the discretion of the President/designee the duties of such chairs require extended appointments. The one hundred ninety-six (196) duty days of the extended appointment shall consist of the one hundred sixty-eight (168) academic duty day schedule plus twenty eight (28) additional duty days which shall be mutually agreed upon by the chair, the Association, and President/designee.

Subd. 2. During the regular academic year, chairpersons shall have reassigned time according to the listed schedule below to carry out the duties of the chair as described in Section B of this article.

Reassigned time may be averaged during the course of the academic year in order to meet the requirements of the listed schedule.

FTE	Reassigned Time
1- 4 FTE Members	by arrangement
5- 15 FTE Members	at least 1/3 time
16-24 FTE Members	at least 1/2 time
25 or more	at least 2/3 time

At Metropolitan State University, alternative arrangements shall be made by the President/ designee for chairs with substantial numbers of community faculty and scheduled alternative teaching strategies and shall be subject to local meet and confer. Arrangements shall be subject to approval by the President/designee after consultation with the chair.

Subd. 3. Chairs on more than nine- (9) month appointments shall not have a teaching load which exceeds one course of not more than four (4) credits in one (1) summer session.

Section D. Department Chair Selection.

Subd. 1. Search. When a chair is to be selected, the President/designee shall consult with the department faculty regarding departmental, college, and university objectives. After consultation with the department faculty the President/designee, shall determine whether the new chair is to be chosen from within the university or whether the search shall include candidates from outside the university. In either case, an election shall be held by the faculty of the department for the purpose of selecting the nominee.

Subd. 2. Nomination.

- a. The name of the candidate receiving the majority vote in a secret ballot election shall be submitted to the President/designee as the department’s nominee for the position of chair.
- b. Within ten (10) working days of the receipt of such nomination, the President/designee shall either appoint the nominee or notify the members of the department in writing that he/she declines to appoint the nominee, and upon request of the department shall hold a meeting with the department faculty to discuss the reasons therefor.
- c. If the President/designee declines to appoint the nominee, the department faculty shall conduct a second election and the department shall submit the name of a different nominee to the President/designee.

- d. Within ten (10) working days of receipt of the name of the second nominee, the President/designee shall appoint the nominee, except that the President retains the right to decline to appoint the nominee if he/she has reason to believe that state or federal anti-discrimination laws were violated, and subsequently appoint an interim chair, for a period not exceeding one (1) academic year, without election. The President shall explain his/her reasons for believing that the laws were violated at a meet and confer before appointing an interim chair.

Subd. 3. Temporary Vacancies. For temporary vacancies (such as when a chair is on leave or during the interim period when an election is being conducted), the President/designee may, after consultation with the faculty members of the department, appoint an interim chair for a period not to exceed nine (9) months unless a longer period is mutually agreed upon by the President and the department, in which case the appointment may be for a period not to exceed fifteen (15) months.

Section E. Department Recall.

Subd. 1. Upon presentation to the President/designee of a petition signed by a majority of the department members eligible to vote, excluding the chair, to recall the chair of that department, the President/designee shall within ten (10) working days give to all members of the department written notice setting forth the time, date (during an academic year), place and purpose of a meeting to consider the recall petition. The President/designee shall preside at the meeting.

Subd. 2. A two-thirds (2/3) vote by secret ballot of all department members who are eligible to vote shall be required to recommend that the President/designee declare a vacancy to exist in the departmental chair. Upon receipt of such a recommendation, together with a written record of the minutes of such a departmental meeting and a record by number of the votes cast, the President/designee shall meet with the department members and the chairperson and discuss the matter. If the President rejects the recall recommendation, he/she shall, after discussions with the department and within ten (10) days, call for another vote upon the recall, the results of which shall be binding. The effective date of recall shall be immediate, except that in the case of a first-year chairperson the President shall set an effective date of recall which shall not be later than the end of the academic year in which the recall action was taken. The President's/designee's action to implement the department action to recall a chairperson, or the effective date of such a recall in the case of a first-year chairperson, shall not be subject to the grievance procedure.

Section F. Removal. The President may, after he/she or his/her designee has held a meeting with the department faculty, declare a vacancy to exist in the position of chairperson. Such action shall not be subject to the grievance procedure.

Section G. Vacancies. In filling vacancies due to the resignation, recall or removal of the chair, the selection shall be made in accordance with the provisions of Section D hereof.

Section H. Term.

Subd. 1. The term of a chairperson shall be three (3) years.

Subd. 2. At the end of each completed term, the office of chair shall be considered vacant.

Subd. 3. No faculty member may serve more than three (3) consecutive terms as chair.

Section I. Directors and other Coordinating Assignments.

Subd. 1. During the spring semester of each year prior to April 15, the President/designee shall submit to the Association a list of all directors or similar positions for which reassigned time and/or remuneration is provided. The list shall include the position description, length of term, and the compensation (monetary and/or reassigned time). A meet and confer shall be held after the receipt of the list but prior to the end of spring semester to exchange views and concerns with regard to directorships. This exchange shall include but not be limited to additions, modifications, discontinuations, procedures and changes in compensation relating to the directorship or similar position.

Subd. 2. During the regular academic year, directors of academic programs shall be granted reassigned time and/or compensation in accordance with Article 12, Section B., Subd. 3., commensurate with their activities.

ARTICLE 21

Appointment of Faculty

Section A. Notice of any vacancies in the Minnesota State Universities shall be made known to the faculty by means of posting on bulletin boards designated for such purposes, shall be included in the university/President's newsletter and shall be sent to the IFO simultaneously with any other publication of the vacancies. Notification to faculty who are not successful applicants shall be sent prior to the announcement of the name of the successful applicant.

When new faculty positions are created or faculty vacancies exist, such positions shall be advertised in accordance with the above paragraph. Prior to making an appointment, the President/designee shall involve the department in evaluating academic credentials of the candidates and in making recommendations to the President/designees concerning the candidates for the vacancies. When a faculty vacancy exists because of resignation, retirement, death or transfer, the President/designee shall consult with the affected department or program.

Section B. Appointment Date. All full-time faculty members whose appointments are effective after the beginning of the academic year shall, for the purpose of reappointment, promotion, or completion of

probationary period, be considered as having begun service at the beginning of that academic year. This provision shall apply to all current and future probationary and tenured faculty members and shall not apply in the calculation of seniority.

Section C. Information. Prior to being offered a probationary or fixed-term faculty position, a person shall be provided a copy of the MnSCU/IFO Agreement, as well as information concerning rank and step placement. Adjunct and community faculty members shall be provided a copy of the Agreement after being hired. Information concerning insurance benefits and effective dates shall also be provided.

Section D. Initial Assignment to Rank. Qualifications for initial assignment to faculty rank are to be as follows:

Professor: Earned doctorate or other appropriate degree, plus ten (10) years of collegiate-level teaching or related experience.

Associate Professor: Earned doctorate or other appropriate degree, plus seven (7) years of collegiate-level teaching or related experience.

Assistant Professor: Earned doctorate or other appropriate degree.

Instructor: Appropriate preparation.

Normally, no faculty member may be assigned to a rank more than one (1) level below that for which he/she is qualified. In each instance, the President shall establish what constitutes appropriate experience and appropriate degrees for the purpose of assignment to rank.

Section E. Appointment. Appointments shall be one of the following seven (7) types:

Subd. 1. Fixed-Term Appointments.

- a. Definition. A fixed-term appointment is an appointment for a limited period of time and is to be used only when the position to be filled is clearly of a temporary nature or when a permanent position needs to be filled for a temporary period. Positions extending beyond four (4) years shall not be considered “temporary.”
- b. Length. Normally, a fixed-term appointment shall not exceed twelve (12) months in duration. The President shall provide a written explanation to the local Faculty Association when a fixed term appointment exceeds twelve months. The President may offer appointments up to a maximum of four (4) years when such an action is deemed to be in the best interests of the university. Fixed-term employment terminates at the end of the appointment period and carries no implication for future employment.

c. Exceptions.

1. After meeting and conferring the President may appoint a faculty member to serve in a fixed-term capacity for more than four consecutive years as a replacement for faculty members on leave or temporarily reassigned from teaching duties, or for other reasons that are in the best interest of the university. This exception includes assignments to teach similar courses for different positions in the department/unit.
2. Where positions are financed from external sources and the financing extends beyond an initial three- (3) year period, persons holding such positions will have employment for the subsequent year unless notified by March 15 of the year of employment if the position is being terminated due to budget reductions. If a person holding such a position is terminated based on a performance evaluation, notification shall be given no later than the last day of the academic year, and the following year shall be the terminal year of the appointment. For purposes of this agreement, funding for Akita shall be considered as funding from an external source.
3. Visiting Professor. Nothing in this Section shall preclude the Administration from designating a faculty member on a fixed-term appointment as a Visiting Professor.

Subd. 2. Non-Tenure Track Appointments.

- a. Definition. A non-tenure track appointment is a continuing appointment initially offered prior to July 1, 1989 which does not possess the right of tenure.
- b. No additional non-tenure track appointments shall be made.
- c. A faculty member holding a non-tenure track appointment will have employment unless notice of non-renewal is given by August 1 preceding their final academic year either in accordance with Article 25, Section E or as a result of a position being terminated due to budget reductions or internal reallocations. A non-renewal resulting from budget reductions or internal reallocations shall not be subject to the grievance procedure.
- d. Service in an existing non-tenure track appointment shall not lead to tenure in that appointment.

Subd. 3. Adjunct Appointments.

- a. The administration and the IFO recognize that circumstances may dictate that faculty tasks cannot be accomplished within the workload of permanent faculty, including overload. When the President/designee determines that such conditions exist he/she may authorize adjunct appointments in accordance with the following principles:
 1. To meet temporary staffing needs due to enrollment increases for which normal full funding is

not provided.

2. To meet temporary staffing needs when faculty are reassigned to other duties or who are on sabbatical or on other leaves of absence.
 3. To teach courses requiring special expertise and/or to meet special programmatic needs of departments where such expertise and needs cannot otherwise be provided by the faculty within the department.
- b. **Duration.** The appointment terminates at the end of the stated period and carries no implication of future employment.
 - c. **Qualifications.** An adjunct will have a master's degree, specialized licensure or other special preparation or experience.
 - d. **Assignment/Workload.** An adjunct faculty member shall not teach more than ten (10) credits in any one (1) academic year.
 - e. **Hiring Procedure.** **The President/designee shall consult with the department concerning the need for hiring adjuncts. The department shall be responsible for evaluating the academic credentials of the candidates and making recommendations to the President.**

Subd. 4. Community Faculty Appointments. See Article 10, Section J.

Subd. 5. Athletic Appointments. See Article 10, Section G.

Subd. 6. Probationary Appointments.

- a. **Definition.** A probationary appointment is for a stated term and is designed to lead to tenure. During such term the appointee is being evaluated in accordance with Article 22 for purposes of determining whether an appointment with tenure shall be offered in accordance with Article 25 not later than the end of the stated term. Probationary appointments may be for one (1) year or other stated periods and may be terminated prior to the end of the stated term subject to the conditions in Articles 24 and 25.
- b. **Length.** The total period of probationary service prior to the acquisition of tenure shall not be less than one (1) year in the university and shall not exceed five (5) years of full-time equivalent service. For those persons who, because of prior part-time service, reach four (4) FTE years of service during the academic year, the probationary period shall end at completion of that academic year.
- c. **Computation.** The probationary period shall include all tenured, probationary, non-tenure track, except as provided in Subd. 6.b., and fixed-term employment served within the previous twelve

(12) years in the faculty member's university together with such previous higher education service in other institutions up to a maximum of four (4) years if approved in writing by the President at the time of initial employment. If the service which will be counted is from a higher education institution outside the Minnesota state universities, the prospective faculty member will be advised of his/her right to have a probationary period of five (5) years in length, and that accepting a shortened probationary period at the time of hire is a waiver of that right. Faculty members accepting shortened probationary periods shall sign a waiver of the right to the full five (5) years. Where a shortened probationary period is accepted, notice of such acceptance shall be conveyed to the department and to the Association. The computed probationary period shall include a probationary appointment immediately prior to the granting of tenure. For individuals who were previously tenured in any university in the System and whose rehiring rights have expired after layoff, appointment to a position after retraining shall include a probationary period not to exceed two (2) years. Notice of termination of appointments will be given in accordance with the relevant provisions of Articles 23 and 25. However, fixed-term employment financed by monies received from an outside jurisdiction or agency which may terminate such funding in a manner beyond the control of the Employer shall not be counted in computation of the probationary period, except as otherwise approved in writing by the President.

Subd. 7. Tenured Appointments.

- a. Definition. An appointment with tenure is an appointment granted by the Employer upon successful completion of the probationary period specified in Subd. 6.c. hereof. Appointment beyond the completion of the specified probationary period because of an arbitrator's award or because of clerical error shall not carry with it the award of tenure. Faculty members who hold tenure at the time of execution of this Agreement shall be deemed to have tenure under this Agreement. Tenured appointments are for an indefinite period of time and individuals holding such appointments are automatically reappointed annually unless terminated under the provisions of either Article 24 or Article 23.

Tenured faculty on less than full-time appointments shall automatically be reappointed to a position of at least one-half (.50) FTE but less than full-time each year unless terminated under the provisions of either Article 24 or Article 23. Changes in workload for a tenured part-time faculty member shall not constitute a retrenchment so long as that workload remains at one-half (.50) FTE or above.

Tenured full-time faculty who are appointed to a part-time position by mutual agreement of the faculty member and the President/designee shall be considered to hold tenure in that position and shall retain tenure as full-time employees upon return to full-time employment.

- b. Except for faculty members who, by virtue of prior service credited in accordance with Subd. 6.c. above, are eligible for consideration earlier, and further except for faculty members who are eligible for consideration under the terms of Subd. 6.b., a faculty member shall normally be

considered for tenure during the fifth year of continuous FTE service in a tenure-earning position. The Dean or immediate supervisor shall notify all probationary faculty who are beginning their fifth year of FTE service that they shall be considered for tenure in accordance with Article 25. Other probationary faculty members who believe they are eligible for consideration for tenure shall inform the Dean or immediate supervisor in writing in accordance with timelines to be established under Article 22 and Article 25 and shall send a copy of the letter to the department chairperson, so that appropriate action will be taken. If such consideration is during the fifth year of FTE service or during the final year of a shortened probationary period, the procedures for consideration for tenure outlined in Article 25 below shall be in lieu of any other established procedures for consideration of non-renewal of probationary employment.

- c. The decision to deny tenure shall be made by the President and shall not be made for arbitrary or capricious reasons.

The committee shall commence within 40 days of exception of the agreement and shall complete its work no later than 12 months after that date.

ARTICLE 22 Professional Development and Evaluation

As the primary professionals in the teaching/learning process of the university, faculty place continuous emphasis on the development and improvement of their professional competence and productivity. Professional growth occurs in areas such as effective teaching, scholarly or

creative activity, and active involvement in the university community and professional organizations. Faculty scholarship and current knowledge of the discipline, together with a desire to improve pedagogy, are instrumental to good teaching.

Section A. Purpose. The purpose of professional development is to provide for continuing improvement in teaching, in other student interactions, in the quality of scholarly activity and other service to the university and community. The purpose of evaluation is to provide faculty with information which will contribute to their professional development. This process contributes to various personnel activities and supports the interest of each faculty member to achieve continuing professional growth and to pursue the highest possible level of academic excellence.

Section B. Criteria. The criteria shall include:

1. Demonstrated ability to teach effectively and/or perform effectively in other current assignments.
2. Scholarly or creative achievement or research.
3. Evidence of continuing preparation and study.
4. Contribution to student growth and development.
5. Service to the university and community

Section D. Procedure. After the local Association has been provided an opportunity to meet and confer concerning implementation of this procedure, the President shall set a schedule for the evaluation process.

Subd. 1. Professional Development Plans (PDP). Each faculty member shall, after consultation with their immediate supervisor, prepare a professional development plan (PDP) for the period to be covered by the evaluation. The PDP shall include specific objectives, methods, and expected achievements in respect to the criteria in Section B. Faculty members may place different emphases on the various criteria so long as such emphases are consistent with department goals and university policy. For faculty with teaching assignments, the PDP shall include a process for student assessment.

When the plan is completed, the faculty member shall provide a copy of the plan to the department members through the department chairperson. Department members are encouraged to provide written comments on the plan to assist the faculty member in his/her professional development and, if applicable, provide guidance with respect to promotion and/or tenure. These written comments will be forwarded to the faculty member. The appropriate Dean, his/her administrative designee, or other appropriate supervisor shall comment on the plan. These written comments shall provide information to assist the faculty member in his/her professional development and, if applicable, provide guidance with respect to personnel decisions. Before commenting, the Dean, his/her administrative designee, or other appropriate supervisor may consult with the department chairperson and with other members of the department to determine how the plan relates to departmental goals and objectives. The faculty member shall have an opportunity to respond to these comments. Copies of the plan together with

comments added shall be maintained as part of the faculty member's official personnel file.

Subd. 2. Schedule for Evaluation. Subject to the provisions of Article 25, the President/designee shall establish a schedule for evaluation, consisting of time tables for: preparation of professional development plans, annual progress reports, the periodic evaluation and recommendations regarding non-renewal, tenure, and promotion. The local association shall be afforded the opportunity to meet and confer prior to implementation of this schedule. First year probationary faculty shall complete their plan by the end of fall semester, and shall complete their progress report by the end of the spring semester. Probationary faculty in their second year shall submit their PDP within fifteen (15) working days after completion of the evaluation process of their first year. The Akita schedule shall be appropriate to its academic year.

Subd. 3. Progress Reports. At the end of the evaluation period, the faculty member shall prepare a report and send it to the Dean, together with appropriate documentation describing progress made in respect to achieving his/her objectives as specified in his/her professional development plan. A copy of the report shall be sent to the department members through the department chairperson. Department members are encouraged to provide written comments on the report to assist the faculty member in his/her professional development and, if applicable, provide guidance with respect to promotion and/or tenure. These written comments will be forwarded to the faculty members. The faculty member will then meet with the Dean to discuss achievements made during the evaluation period. A written summary of the Dean's assessment of the faculty member's accomplishments in respect to his/her plan, as they relate to the criteria in Section B, together with suggestions to guide future professional development activities, and any upcoming application for tenure and/or promotion, shall then be sent to the faculty member and placed in the faculty member's official personnel file. If the faculty member fails to meet the deadline, the Dean shall inform the faculty member in writing that he/she has ten (10) days to comply.

Section E. Post-Tenure Review. For the purpose of maintaining and improving effectiveness, tenured faculty members shall be evaluated and shall submit progress reports as described in this Article. **The Dean shall submit written comments in response to summary reports submitted by faculty members in accordance with this Article.**

ARTICLE 23

Retrenchment

Section A. Retrenchment. A retrenchment is the layoff of tenured or probationary faculty members due to System or university budget reductions, budget reallocations, expenditure freezes, or unfunded increases in operating costs, resulting from action by either the Legislature, the Governor, or MnSCU, or program changes, or enrollment shifts, or legislative mandate.

The President shall meet and confer with the Association, in accordance with the provisions of Article 6, at the time the President first considers retrenchment. In connection with such duty to meet and confer, the President shall give the reason(s) for considering retrenchment and shall provide information of anticipated attrition, and statistics and financial data having a bearing on any such retrenchment. The President shall consult with the Chancellor before the issuance of layoff notices.

Section B. Retrenchment Procedure .

Subd. 1. Attrition. Whenever possible, attrition due to retirement, resignation, early separation, or death should be used to avoid the necessity for layoff.

Subd. 2. Retraining. Retraining of present faculty shall be considered by the President to avoid the necessity for layoff.

Subd. 3. Layoff. Upon determination by the President that attrition and retraining will not accomplish the reduction, then layoffs may be instituted. After meeting and conferring with the Association pursuant to Section A above, the President shall determine the particular department or program in which personnel reductions ought to be made. Such reductions shall then be accomplished in the following order.

- a. Adjunct, community faculty, fixed term, and non-tenure track, without priority, based upon programmatic needs.
- b. Probationary
- c. Tenured faculty in the affected department shall be laid off in inverse order as described in Article 29 hereof. However, in departments or programs where positions are financed by monies from an outside jurisdiction or agency and are occupied by fixed-term or probationary faculty, such faculty may continue to hold such positions in reduced departments or programs unless there are tenured faculty members qualified to fill such positions as determined by the President.

A tenured faculty member who has at least twenty (20) years of service within the Minnesota State Universities, shall remain available for assignment and shall not be laid off. For those tenured faculty with at least twenty (20) years of service who have received notice that their positions is being eliminated, the following options will be provided.

1. The President/designee may reassign the faculty member to other appropriate duties within the university.
 2. If the President/designee determines reassignment is not available without retraining, within six months of initial notice, the faculty member and the President/designee shall develop a mutually agreed upon retraining program, to be paid by the university, which meets the programmatic needs of the university. The completed plan will include timelines for completion of retraining. The President will review the approved plan with the receiving department, and in accordance with Article 20, the department's role is limited to that of providing recommendations only.
 3. If the President /designee and the faculty member cannot develop a mutually agreeable retraining plan, the faculty member's employment will terminate three (3) years from the date of initial notice. During this period, appropriate duties will be assigned by the Employer. At the end of this period, the faculty member will receive the maximum benefits contained in Article 16, Article 16, Section D., Subd. 2. if not otherwise qualified. With this option, there shall be no layoff or recall rights.
- d. If two (2) or more faculty members have equal seniority, then those with greater length of tenured service shall have priority for retention.

Should faculty members still be equal in seniority, then those with greater length of total service in the university shall have priority in retention. Beyond this, the decision of which person to retain will be made on the basis of programmatic needs of the university as determined by the President.

Subd. 4. Advanced Notice. Notice of layoff under the provisions of this Article for non-tenured faculty members shall be furnished in accordance with Article 25. Tenured faculty members to be laid off under the provisions of this Article shall be provided notice of layoff no later than the twentieth (20th) class day of the fall term to be effective on the last day of the next spring term. Meet and confer to discuss layoffs shall be scheduled prior to the date of the layoff notice.

Subd. 5. Sabbatical Leave. If a faculty member had been scheduled for a sabbatical leave he/she shall not be deprived of his/her sabbatical leave because he/she is subject to being laid off.

Subd. 6. Retraining.

- a. The President will consider and may approve a training leave, in accordance with Article 17, Section H, for a faculty member who has received a notice of layoff. The retraining leave would occur during the faculty member's terminal year and provide the faculty member with an opportunity to become qualified for a position in a related or allied discipline. The President's decision shall not be grievable.

- b. As an alternative, but not in addition to the retraining leave, the President may offer a sabbatical leave to a faculty member for the purpose of retraining in a field for which employment is available at the faculty member's university. This sabbatical would occur during the faculty member's terminal year. The President's decision to offer or not to offer the sabbatical leave shall not be grievable.

Section C. Catastrophic Retrenchment. If a retrenchment within a university involves layoff notice being given to more than fifteen percent (15%) of the tenured faculty in an academic year such tenured faculty shall be entitled to reemployment rights for three (3) years with the State Universities following the same procedure used for recall in Section G.

Section D. Rights. Tenured faculty members laid off in accordance with this Article shall have reassignment rights or, as a result of Section C above, recall rights for three (3) years following the effective date of their layoff.

Subd. 1. Retrenchment List. A current list of faculty members who possess reassignment and recall rights, under Section C, will be maintained by the MnSCU office. Each university will notify the System office whenever a tenured faculty member is given notice of retrenchment. The System office will send an updated list to each of the universities whenever it receives such notice.

Subd. 2. Notices of Vacancies. All tenured faculty members who have received a notice of retrenchment shall notify the System office of up to three academic areas in which they may be qualified to serve. The choice of areas shall be from the list contained in Appendix B of this Agreement. Subsequently, they shall receive copies of all vacancy notices for faculty positions, in departments or programs in those academic areas, which will be included in the IFO unit when filled unless they request in writing not to receive them. This notification of academic areas can be updated annually, with the possibility of adding one area, within fifteen (15) days of the anniversary of his/her notice of retrenchment.

Included with the initial mailing of vacancy notices will be a letter describing the reassignment process and a form to use to notify the System office of a faculty member's desire to exercise his/her right of consideration for a specific position

Vacancy notices for probationary positions in chosen academic areas shall be sent at least three (3) weeks prior to disseminating them within the MnSCU or in local or national publications. Vacancy notices of fixed-term and adjunct positions shall be sent by the university no later than the same day that they are disseminated within the MnSCU and before such notices are disseminated in local or national publications.

In addition, faculty members with reassignment rights shall be mailed vacancy notices by the university for faculty positions in the IFO unit outside of their chosen academic areas at the time that they are

disseminated within the MnSCU.

Section E. Reassignment. Tenured faculty members notified of layoff in accordance with this Article may exercise their reassignment rights within the Minnesota State Universities as follows.

1. The faculty member shall have three (3) calendar weeks from the date the notice of vacancy was mailed to contact the university and indicate his/her interest in the position and to forward the application materials requested in the notice to the Academic Vice President or designee of the university involved. When the credentials of the faculty member have been received, the Vice President or designee shall meet with the department where the vacancy exists and insure that the department is aware of and understands all the provisions of this Section prior to considering reassignment requests.
2. The department involved shall make telephone contact with the faculty member and invite him/her to visit the campus for an informational interview. At the time of the visit, he/she shall also be afforded an interview with the President or appropriate Vice President. The university shall be responsible for travel and related expenses from the faculty member's place of residence if it is within the State of Minnesota or within fifty miles of the Minnesota border.

The faculty member will be responsible for travel and related expenses from a place of residence beyond fifty (50) miles from the Minnesota border. The department shall make a written recommendation to the President concerning the credentials of the candidate. If the recommendation from the department is negative, the faculty member shall be afforded a telephone call with the President before the President determines whether he/she is qualified to fill the vacancy.

3. After consulting with the department, the President shall determine whether the faculty member is qualified to fill the vacant position. In evaluating the faculty member, neither the President nor the department will compare him/her with any actual, hypothetical, or ideal applicant, and will take no notice of applications and credentials of other candidates until a decision has been reached regarding the faculty member seeking reassignment.
4. The faculty member must be awarded the position if he/she has sufficient ability, i.e., is competent to perform the duties of the position as described in the notice of vacancy.
5. If the vacant position is temporary or less than full-time, the qualified faculty member may accept or refuse the position without in any way altering or affecting his/her rights as established in this Article.
6. If the President determines that a faculty member seeking reassignment does not possess sufficient ability to fill the position, he/she shall send the faculty member a written statement identifying the qualifications stated in the notice of vacancy that he/she does not possess. The

System office shall be informed so that the notice of vacancy can be mailed and the search resumed in accordance with the procedures of Article 21, Section A.

7. If two (2) or more faculty members are deemed qualified for reassignment, the vacant position shall be awarded to the faculty member with greater seniority. If two or more faculty members have equal seniority, the vacant position will be awarded to the one with the greater length of tenured service in the Minnesota State University. If two (2) or more faculty members have equal seniority and tenured service, the vacant position will be awarded to the one with greater length of total service in the Minnesota State Universities. If two (2) or more faculty members have equal seniority and equal length of tenured and total service, the President shall determine which faculty member shall be awarded the vacant position.
8. If no faculty member on the reassignment list responds to the notice of vacancy during the three (3) week open period, the university may resume the search in accordance with the procedures of Article 21, Section A.
9. **Persons offered reemployment must accept such offer within fifteen (15) calendar days after such offer, such acceptance to take effect on a date specified by the President which will not require a faculty member to be at work earlier than the beginning of the academic semester, following the date such offer was made or thirty (30) days, whichever is later. Such a faculty member shall retain all accrued seniority in the Minnesota State Universities, including credit for time in layoff status, but shall for purposes of this Article begin a new accumulation of seniority within the new department or program if in another state university.**
10. Persons who decline such offers of reemployment waive all rights of reassignment as established in this Article and shall have their names removed from the reassignment list.
11. All reassignment rights established herein shall expire at the conclusion of three (3) years (thirty-six (36) months) from the effective date of the faculty member's layoff or upon reassignment to a full-time tenured position in the bargaining unit.

Section F. Recall. Tenured faculty members laid-off in accordance with this Article shall have all recall rights and rehiring preference in the same or similar position in the same department or program from which the faculty member was laid off. The following provisions shall apply.

1. When a vacant position is filled, laid-off faculty members who are eligible for the position shall be offered reemployment in inverse order of their layoff from the System. In the event that two (2) or more faculty members were laid off at the same time, then that person with the greater seniority shall have priority for recall. If the vacant position is temporary or less than full-time, the laid-off faculty who are eligible shall be offered the position, but their accepting or declining the offer shall not jeopardize their recall rights as established in this Article.

2. Persons offered reemployment must accept such offer within fifteen (15) days after such offer, such acceptance to take effect on a date specified by the President which will not require a faculty member to be at work earlier than the beginning of the academic semester, following the date such offer was made or thirty (30) days, whichever is later.
3. Persons who decline such offers of reemployment waive all rights of recall as established in this Article and shall have their names removed from the recall list.
4. All recall rights established herein shall expire at the conclusion of three (3) years (thirty-six (36) months) from the effective date of the faculty member's layoff.

Section G. Recalled/Reassigned Faculty.

1. Faculty members who are recalled/reassigned in accordance with this Article and return to employment in the System shall be reemployed at their former academic rank with no reduction in their former salary schedule position.

In addition, they shall retain all unused sick leave accumulation not used in the calculation of severance pay at the time of their layoff as well as their previously earned tenure rights and sabbatical leave rights. If the position to which a faculty member is recalled is within the same seniority unit from which he/she was laid-off, then all previous seniority credit will be restored.

2. A list of all faculty members laid-off within the prior three (3) year period shall be maintained by the Employer and distributed to each university and the IFO.
3. Laid-off faculty shall be considered to be in an unrequested leave category. After twelve (12) months of Employer paid insurance benefits expire (Article 14, Section C., Subd. 2. (a), the laid-off employee shall have the right to continue at his/her own expense his/her full insurance benefits at the group rate for an additional thirty (30) months.

Section H. Outplacement Service. The MnSCU after consulting with the IFO, shall select an out placement consultant and provide such services to faculty members who are given notice of layoff and who request the service.

Section I. Grievance Procedure. A layoff due to retrenchment shall not be considered a non-renewal of appointment or a dismissal for cause, and the President's decision to retrench shall not be subject to the grievance procedure.

ARTICLE 24
Faculty Rights in Disciplinary and Investigative Action

Section A. Disciplinary Action. Disciplinary action may be taken only for just cause. If disciplinary action is grieved, the burden to prove just cause as defined in Article 5, Section T, rests with the Employer. Nothing in this Article shall preclude the President or other appropriate supervisor from attempting to resolve problems with a faculty member in confidence. Unless the President or other appropriate supervisor determines that extenuating circumstances exist, disciplinary action shall be progressive, beginning with oral reprimand, proceeding to written reprimand, then to suspension, and finally to dismissal. All disciplinary action is subject to the grievance procedure.

Subd. 1. Oral Reprimand. An oral reprimand may be issued by the immediate supervisor. An oral reprimand shall be clearly designated as such. A faculty member shall be entitled to have a representative present, and shall be apprised of this right prior to the time of the reprimand. A written record that an oral reprimand was given shall be kept in the personnel file.

Subd. 2. Written Reprimand. The President, Vice President, or immediate supervisor may issue a written reprimand. A copy shall be provided to the President when issued by the Vice President or immediate supervisor, and shall be placed in the official personnel file. A written reprimand shall be clearly designated as such.

Subd. 3. Suspension.

- a. In the event that the President believes just cause exists for a suspension, he/she shall give written notice of the proposed action to the affected faculty member and the IFO specifying the reasons, with the approval of the faculty member. Suspensions shall be structured in such a manner that the faculty member's presence in, or absence from, the classroom does not disrupt the instructional process.
- b. Suspension without pay shall be limited to a thirty day period.

Subd. 4. Dismissal.

- a. In the event that the President believes just cause exists for dismissal, he/she shall give written notice of the proposed action to the affected faculty member and the IFO. Further, the President shall furnish the faculty member the reasons and shall (with approval of the faculty member) forward such reasons to the IFO.
- b. Service of written notice of dismissal shall be in accordance with Article 5, Section A.

Section B. Investigative Suspension. The President or authorized designee may suspend a faculty member with pay while an investigation which may lead to disciplinary action is conducted. Such

suspension shall not exceed thirty days unless agreed to by the IFO and the President.

ARTICLE 25
Tenure, Promotions, and Non-Renewal

Section A. Criteria.

Subd. 1. Tenure. The decision to award tenure shall be based on the principle of a demonstrated cumulative record of positive performance and professionally competent achievement consistent with the goals of the institution over the duration of the probationary period on the criteria outlined in Article 22. Annual evaluations that are minimally satisfactory and are used, in part, in the tenure decision, may result in the denial of tenure.

Subd. 2. Promotion. The decision to promote shall be based on a demonstrated cumulative requisite record of professional performance and high achievement appropriate to the relevant rank.

Section B. Tenure. The following procedures shall constitute the process of consideration for tenure.

Subd. 1. Progress reports completed in accordance with Article 22, Section D, along with all required forms and documents, and all information provided by the faculty member being considered for tenure shall be sent to the immediate supervisor by January 31. If a faculty member does not comply by that date, h/she shall lose protection provided in Subd. 11. below. Failure of any faculty member to provide any required materials shall not prevent the process from continuing if the review is during the final year of the probationary period.

Subd. 2. The faculty member's department (appropriate college at Metro State) and chair shall forward recommendations regarding tenure to the immediate supervisor.[See Art. 20, Sec. A, Subd. 4.] The faculty member is entitled to attach comments to the recommendations. Copies of the recommendations shall be sent to the faculty member by the chair (dean of the college at Metro State). Failure of the department (college at Metro State) and/or chair to make a recommendation to the immediate supervisor shall not prevent the process of review from continuing.

Subd. 3. The immediate supervisor shall provide a written assessment in accordance with Article 22, Section D, and subsequently shall provide a written recommendation regarding tenure to the supervising Vice President. The recommendation of the immediate supervisor shall be sent to the faculty member in accordance with Article 5, Section A. The faculty member is entitled to attach comments to the recommendation.

Subd. 4. After receiving the materials specified in Section B. Subd. 2. and 3. above, the supervising Vice President shall prepare a written recommendation regarding tenure. Notice of a negative recommendation shall be sent to the faculty member in accordance with Article 5, Section A. Upon request, the faculty member shall be given the opportunity to meet with the supervising Vice President to

discuss the recommendation. The faculty member is entitled to attach comments to the recommendation. Such comments must be provided to the supervising Vice President by May 1.

Subd. 5. The supervising Vice President shall forward a written recommendation, along with any comments from the faculty member, to the President.

Subd. 6. Should a recommendation for denial of tenure be made by the department (college at Metro State), the chair, the immediate supervisor or the Vice President, the President shall invite the faculty member to meet to discuss the recommendations before a decision is made. The faculty member may choose to be accompanied by an Association Representative.

Subd. 7. The President, after considering the recommendations and the faculty member's comments, shall decide whether or not to grant tenure and shall notify the faculty member of the decision by June 15 in accordance with Article 5, Section A.

Subd. 8. The President's written notice of denial of tenure shall include reasons for denial.

Subd. 9. In cases of denial of tenure **in the fifth (5th) year or during the final year of a shortened probationary period**, the faculty member's appointment expires at the end of the subsequent academic year.

Subd. 10. A probationary faculty member who has been given notice of denial of tenure shall, upon request, be granted an interview with the President by January 15 of the terminal year in order to discuss his/her employment status. Any change in the decision shall be communicated to the faculty member in writing within fifteen (15) days.

Subd. 11. During the fifth (5th) year of a probationary period or during the last year of a shortened probationary period, faculty members who are denied tenure without evaluation in compliance with Article 22 during the academic year in which notice of denial is given shall have the decision rescinded and shall obtain an additional year of employment during which they shall re-apply for tenure. If tenure is subsequently awarded, it will be retroactive to the year following the year in which the tenure was denied due to the lack of evaluation in accordance with Article 22. The Administration may not intentionally avoid conducting an evaluation in order to extend the probationary period. In the event that a faculty member undergoes two successive tenure reviews wherein the Arbitrator reverses the decision on alleged violations of Subd. 3. through Subd. 9. above, the arbitrator is free to fashion the appropriate remedy, which may in certain cases be an award of tenure.

Subd. 12. If a faculty member voluntarily withdraws from the established tenure review process, the review shall conclude at that point. If this is in the last year of the probationary period, the faculty member's appointment will terminate at the end of the subsequent year.

Section C. Promotion. The criteria to be used in the promotion process shall include those described in

Article 22, Section B. The following shall constitute the process for consideration for promotion.

Subd. 1. A faculty member seeking promotion shall give notice of intent to the immediate supervisor by November 15. The faculty member completes an application for promotion and sends a copy, along with supporting documentation, to the department/unit through the chair. The recommendation of the department/unit and of the chair [See Article 20, Section A., Subd. 4.], with all documentation, shall be sent to the immediate supervisor by January 31, with copies sent to the faculty member by the chair.

Subd. 2. A copy of the immediate supervisor's proposed recommendation shall be given to the faculty member. After receipt of this recommendation, the faculty member shall be given the opportunity to meet with the immediate supervisor. The faculty member may submit written comments to the Vice President regarding the immediate supervisor's recommendations.

Subd. 3. The supervising Vice President's recommendation shall be sent to the President by May 1. A copy of the Vice President's recommendations shall be sent to the faculty member. Upon receipt of the Vice President's recommendation, the faculty member may request an interview with the President before the President decides on the request for promotion. The President's decision shall be conveyed to the faculty member in writing by June 15.

Subd. 4. The President's decision to grant or to deny promotion shall not be arbitrary or capricious. Processing of any subsequent applications for promotion shall take into account the areas of deficiency upon which promotion was denied.

Subd. 5. A faculty member who is not promoted may, upon request, meet with the President or designee to discuss the President's decision. The faculty member may request, and shall be furnished, written indication of deficiencies and guidance concerning appropriate action to overcome such deficiencies.

Subd. 6. Failure of the department/unit or chair to make a recommendation to the immediate supervisor by January 31 shall not preclude the president from making a promotion decision.

Subd. 7. Length of service in rank and at the university may be a factor in consideration for promotion. Normally, three (3) years in rank, with two (2) evaluations conducted in accordance with Article 22, will be a minimum prerequisite for consideration for promotion. (See Article 22). All full-time faculty whose appointments are effective after the beginning of the academic year shall be considered as having begun service at the beginning of that academic year. Faculty members who do not receive a full evaluation under Article 22 shall not be denied consideration for promotion.

Subd. 8. All promotions shall take effect on the first duty day of the subsequent year as indicated in the appointment form.

Subd. 9. An instructor shall be promoted to Assistant Professor upon being granted tenure.

Section D. Non-Renewal of Probationary Faculty. A recommendation for non-renewal of a probationary faculty member may be made by the appropriate department, immediate supervisor or Vice President.

Subd. 1. Should a recommendation for non-renewal be made, the President shall invite the faculty member to meet with him/her to discuss the recommendation before his/her decision is made. The faculty member may be accompanied by an IFO representative.

Subd. 2. Notice of non-renewal of probationary faculty shall be as follows.

- a. For first year faculty, the notice of non-renewal shall be given no later than November 1 of the second academic year of their appointment. Following notice of non-renewal, the faculty member shall have employment through the remainder of his/her second academic year.
- b. For all other faculty, the notice of non-renewal shall be given no later than August 1. Following notice of non-renewal, the faculty member shall have employment through the subsequent academic year.
- c. Service of written notice shall be in accordance with Article 5, Section A.
- d. Written notice shall include reasons for the non-renewal.

Subd. 3. A probationary faculty member who has been given notice of non-renewal shall, upon request, be granted an interview with the President by January 15 of the terminal year in order to discuss his/her employment status. Any change in the decision to non-renew shall be communicated to the faculty member within fifteen (15) days.

Subd. 4. The probationary faculty member who is non-renewed shall have access to the full grievance procedure for any violation of Subds. 2 and 3 above and shall have access through the President's level of the grievance procedure for any other violations of this Subdivision.

Subd. 5. Probationary faculty members who are non-renewed without evaluation in compliance with Article 22 during the academic year in which the notice of non-renewal is given shall have their non-renewal rescinded and obtain an additional year of employment during which an appropriate evaluation shall be conducted.

The additional year of employment shall not automatically confer tenure upon faculty members nor shall it be construed as authorizing the Administration to intentionally avoid conducting an evaluation to thereby extend the probationary period. Faculty members who fail to submit their Progress Report in accordance with Article 22, Section D., Subd. 3. shall lose the protection provided by this Subdivision.

Section E. Non-Renewal of Non-Tenure Track Faculty. Non-renewal of non-tenure track faculty

ARTICLE 28

Grievance Procedure

The IFO and the Employer agree that they will use their best efforts to encourage an informal and prompt settlement of any complaint that exists with respect to the interpretation and/or application of this Agreement or Employer policies and practices related to terms and conditions of employment. However, in the event such complaint arises between the Employer and the IFO or faculty member which cannot be settled informally, a grievance procedure is described herein.

No determination shall be made by the Employer in the grievance procedure which diminishes, amends, or otherwise modifies the provisions of this Agreement.

DEFINITIONS.

Grievance. “Grievance” means a dispute or disagreement as to the interpretation or application of any term or terms of any contract required under Minnesota Statutes § 179A.21, Subd. 1.

Grievant. A “Grievant” is a unit member or a group of unit members, Association, or IFO making the complaint. A grievance filed by the Association which alleges a violation may be initiated at Step 2 of the grievance procedure. A grievance filed by the IFO which alleges a violation may be initiated at Step 3 of the grievance procedure.

Days. “Days” means calendar days, excluding Saturday, Sunday, and legal holidays as defined by Minnesota Statutes.

Service. “Service” means personal service or by first class mail.

Reduced to Writing. “Reduced to Writing” means a concise statement outlining the nature of the grievance, the provision(s) of the contract in dispute, and the relief requested. A grievance shall be filed on the form supplied by the Employer (Appendix A).

Answer. “Answer” means a concise response outlining the Employer’s position on the grievance.

Informal Step.

Whenever any employee has a grievance, he/she or they may meet on an informal basis with the appropriate Dean (or equivalent) or other university designee in an attempt to resolve the grievance.

Step I.

In the event satisfactory resolution is not achieved through informal discussion, the grievant, within thirty (30) days following the act or omission giving rise to the grievance or the date on which the grievant reasonably should have known of such act of omission if that date is later, shall complete and forward to the Academic Vice President the written signed grievance form (Appendix A) which shall be signed by the Association grievance representative.

If the grievant, exclusive representative, or Academic Vice President requests a meeting, the parties shall within seven (7) days of receipt of the grievance arrange a meeting and endeavor to mutually resolve the grievance. The Academic Vice President shall then respond to the grievance in writing within ten (10) days of the meeting of the parties. If the exclusive representative, employee(s), or Academic Vice President does not request a meeting at Step I, the Academic Vice President shall respond to the grievance in writing within ten (10) days of the receipt of the grievance at Step I.

Step II.

If the grievance is still unresolved after the response of the Academic Vice President or designee, it may be presented to the President/designee by the exclusive representative or the employee(s) or his/her designee within ten (10) days after the receipt of the Step I response. If the grievant, exclusive representative, or President requests a meeting, the parties shall within seven (7) days of receipt of the grievance arrange a meeting and endeavor to mutually resolve the grievance. The President shall respond to the grievance in writing within ten (10) days of the meeting of the parties. When the exclusive representative, employee(s), or President do not request a meeting at Step II, the President shall respond to the grievance in writing within ten (10) days of receipt of the grievance at Step II.

Step III.

If the grievance is still unresolved at Step II and the local Association or employee(s) desire to appeal, it shall be referred by the IFO, in writing, to the Chancellor within twenty (20) days after the response at Step II. The Chancellor or his/her designee and the IFO representative shall within ten (10) days of the receipt of the grievance arrange a meeting at a time mutually agreeable to the parties. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the Chancellor or his/her designee, and the IFO representative. If no settlement is reached, the Chancellor or his/her designee shall give a written response to the IFO within ten (10) days following the meeting.

Step IV.

If the grievance is still unresolved after the response of the Chancellor or his/her designee, the exclusive representative may, within fifteen (15) days, request arbitration by serving a written notice on the other party of its intention to proceed with arbitration.

The Chancellor or his/her designee and the IFO representative shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. Expedited arbitration, as defined by the American Arbitration Association, may be used if agreed to by both parties.

The arbitration proceeding shall be conducted by an arbitrator to be selected by lot from a permanent panel of five (5) arbitrators. The members of the permanent panel shall be selected by the following

method: the IFO and the Chancellor's designee shall each submit a list of five (5) arbitrators until agreement is reached on a permanent panel. Vacancies on the panel that arise during the term of this agreement shall be filled by mutual agreement or by each party submitting lists of three (3) arbitrators, until a replacement is agreed upon.

Arbitrator selection shall be made from the permanent panel as follows: the panel member's names shall be listed in alphabetical order and numbered one (1) to five (5). As it becomes necessary to schedule arbitrations and select arbitrators, the parties will first select arbitrator one (1), then arbitrator two (2), and so forth until the list is exhausted; at that time the parties will resume selection from the beginning of the alphabetical list. If the arbitrator selected is not available, the parties will move to use the next arbitrator on the alphabetical list.

Each party shall be responsible for equally compensating the arbitrator for his/her fee and necessary expenses.

The arbitrator shall not have the power to add to, subtract from, or modify in any way the terms of the existing Agreement.

The decision of the arbitrator shall be final and binding on all parties to the dispute unless the decision violates any provision of the laws of Minnesota or rules or regulations promulgated thereunder, or municipal charters or ordinances or resolutions enacted pursuant thereto, or which causes a penalty to be incurred thereunder. The decision shall be issued to the parties by the arbitrator, and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

All grievances shall be processed during the normal workday whenever possible, and employees shall not lose wages due to their necessary participation. For purposes of this paragraph, employees entitled to wages during their necessary participation in a grievance proceeding are as follows:

- a. The number of employees equal to the number of persons participating in the grievance proceeding on behalf of the public employer; or
- b. If the number of persons participating on behalf of the public employer is less than three (3), three (3) employees may still participate in the proceedings without loss of wages.

The parties, by mutual written agreement, may waive any step and extend any time limits in a grievance procedure. If timely filed at Step 1, grievances filed during the months of May through August, may, at the choice of the Faculty Association, be held in abeyance and shall be scheduled for a meeting within fourteen (14) calendar days of the start of the fall calendar. Mutual written agreement may be established by a computer message requesting, and a written computer message or other writing confirming, the waiver or the extension. However, failure to adhere to the time limits may result in a forfeit of the grievance, or, in the case of the Employer, require mandatory alleviation of the grievance as outlined in the last statement by the exclusive representative or employee.

The provisions of this grievance procedure shall be severable, and if any provision or paragraph thereof or application of any provision or paragraph under any circumstance is held invalid, it shall not affect any other provision or paragraph of this grievance procedure or the application of any provision or paragraph thereof under different circumstances. Within thirty (30) days after the execution of the Agreement, the IFO shall furnish to the Employer a list of all persons authorized to act as grievance representatives and shall update the list as needed.

The Employer will furnish the names of the Employer's designees to deal with grievances at each step of the grievance procedure. No member of the bargaining unit shall be an Employer designee for any step in the grievance procedure.

ARTICLE 29

Seniority

Section A. Definitions.

Subd. 1. Seniority. Seniority shall be defined as full-time equivalent years of continuous service at the university in which the faculty member has served. This definition shall not reduce seniority accrued as of the effective date of this Agreement to members of the bargaining unit.

Subd. 2. Full-Time Equivalent Year. A full-time equivalent year in a quarter based system shall consist of three (3) quarters of continuous service for a full-time faculty member while one (1) quarter and two (2) quarters of continuous service in an academic year shall result in one-third (.33) and two-thirds (.66) of a full-time equivalent year respectively. A full-time equivalent year in a semester based system shall consist of two (2) semesters of continuous service for a full-time faculty member, while one (1) semester of service in an academic year shall result in one half (.5) of a full-time equivalent year. Faculty with less than a full-time appointment for any quarter or semester, as applicable, shall receive the appropriate fraction. No additional full-time equivalent years shall be accrued for any assignment beyond the regular academic year.

Subd. 3. Continuous Service. Continuous service shall commence on the first duty day an individual begins employment service with a State university and shall be interrupted only by separation because of resignation, non-renewal or dismissal for just cause. A leave of absence pursuant to Article 17 or 18 shall not interrupt continuous service except where expressly limited in Article 18.

Section B. Application.

Subd. 1. For purposes of layoff (see Article 23), "seniority" may be exercised only in the department or program in which the faculty member is serving at the time of retrenchment or in any department or program in which the faculty member has served at least three (3) full academic years.

In the event a faculty member is laid off and meets the three (3) years of service requirement provided herein in more than one department or program, in the university in which he/she is serving, he/she shall be entitled to be assigned to such department or program as determined by the President. If two (2) or more faculty members have equal seniority, then those with greater length of tenured service, shall have priority for retention. Should faculty members still equal in seniority, then those with greater length of total service in the university shall have priority in retention.

Beyond this the decision of which person to retain will be made on the basis of programmatic needs of the university as determined by the President.

Faculty members returning from non-bargaining unit positions to the bargaining unit shall have their seniority restored to a level earned at the time they left the appropriate unit. Such seniority shall include employment service rendered prior to March 9, 1976, if such employment service qualified as seniority pursuant to the Minnesota State University Board Rules and Regulations which were in effect March 9, 1976.

Subd. 2. In the event a faculty member is reassigned or permanently transferred to another university, he/she shall carry all accumulated rights and benefits to his/her new university with the exception that there shall be no carryover of seniority for the purpose of calculation of layoff priority (see Article 23). However, the seniority accumulated by a faculty member at a given university shall be maintained at that university as long as the faculty member is either employed within the System, or takes leave pursuant to Articles 17 and 18, or possesses recall/reassignment rights pursuant to Article 23.

Section C. Seniority Roster. A seniority roster shall be posted and sent to the Association by the President/designee on or before November 1 and March 1 of each year. The roster shall be published in a uniform, systemwide format and shall provide the following information:

1. Names of tenured faculty member(s),
2. Names of other faculty members, by type of appointment (probationary, fixed-term, non-tenure track),
3. Full or part-time (if part-time, percentage),
4. Date of initial employment,
5. Date of tenure (if applicable),
6. Years of seniority (if applicable).

In addition to seniority in the current assignment, the roster shall indicate other departments or

programs in which the faculty member is credited with three (3) full academic years of continuous service. Disputes concerning the accuracy of the information must be filed with the President's designee within twenty (20) calendar days of publication of the roster. Time limits shall not apply to the correction of clerical errors. Should there be no satisfactory resolution within twenty (20) calendar days of the alleged inaccuracy, the faculty member shall have the right to file a grievance in accordance with the provisions of Article 28.

Section D. Priorities. For the purpose of clarifying and resolving conflicting claiming rights to vacant positions within the Minnesota State University System, the following is a list of claiming right categories in decreasing order of priority:

Priority 1: Retrenchment based assignment to retain a faculty member within a university pursuant to Article 29, Section B., Subd. 1.

Priority 2: Recall rights, using the procedures established in Article 23, Section G.

Priority 3: Reassignment rights, using the procedures established in Article 23, Sections D & E.

Priority 4: Prior consideration to eligible fixed-term or non-tenure track faculty members for a probationary vacancy as established in Article 21, Section E., Subd. 4.b.

Priority 5: Prior consideration to eligible head coaches in accordance with Article 10, Section G., Subd. 6.b.
