

# MSUAASF Master Agreement

## ARTICLE 1 PARTIES

This Agreement is entered into by and between the Board of Trustees, Minnesota State Colleges and Universities (MnSCU), hereinafter called the Board, and the Minnesota State University Association of Administrative and Service Faculty (ASF) affiliated with Minnesota Teamsters Local 320, hereinafter called the Association.

## ARTICLE 2 NON-DISCRIMINATION

**Section A. Employer and Association Responsibility.** The parties are firmly committed to affirmative action and as such accept their responsibility to ensure equal opportunity in all aspects of employment for all qualified persons regardless of race, creed, religion, color, national origin, age, disability, reliance on public assistance, sex, marital status, sexual orientation, veteran status, membership or non-membership in the Association, or any other class or group distinction, as set forth by State or Federal anti-discrimination laws.

**Section B. Jurisdiction.** The parties recognize that jurisdiction for the enforcement of the provisions of Section A hereof is vested solely in various State and Federal agencies and the courts, and, therefore, complaints regarding such matters shall not be subject to the grievance procedure in this agreement. This does not preclude the use of any administrative procedure adopted by the employer.

## ARTICLE 3 RECOGNITION

**Section A. Recognition.** Pursuant to the Minnesota Public Employment Labor Relations Act of 1971, as amended, the Employer recognizes the Association as the exclusive representative in the appropriate unit as described in the decisions of the Bureau of Mediation Services in the cases 75-PR-642-A, dated September 29, 1975; 80-PR-1257-A, dated June 16, 1980; and 83-PR-1220-A, dated September 9, 1983.

**Section B. Exclusive Right.** The Employer will not meet and negotiate relative to those terms and

conditions of employment subject to negotiations with any ASF Member groups or organizations composed of ASF Members covered by this Agreement except through the Association.

### **Section C. Unit Determinations.**

Subd. 1. The President or his/her designee shall, in a timely manner, send to the designated local association representative or his/her designee, the position description, organization chart, and other supporting documentation for all new classified and unclassified supervisory and professional positions which have not been assigned to an existing bargaining unit or which are proposed for assignment to a different bargaining unit. This includes positions to be placed in excluded management and confidential units. If the local association representative requests a meeting with the university Administration within 10 working days of mailing or delivery of the data, a meeting shall be held within 10 working days, unless another date is mutually agreed to.

Subd. 2. If the parties cannot agree to the appropriate unit for the position, the President shall make an initial determination as to unit placement and shall submit it to the Chancellor or his/her designee. The Chancellor or his/her designee shall notify the Association's President or his/her designee and shall arrange a meeting if desired.

Subd. 3. If the parties are unable to agree as to unit placement of the position, the Chancellor or his/her designee shall make a determination as to unit placement of the position and shall send the position request for temporary assignment to the Minnesota Department of Employee Relations for submittal to the Minnesota Bureau of Mediation Services.

Subd. 4. Managerial and confidential positions upon which the parties have agreed or not raised objections shall be placed in those units. Non-managerial, or non-confidential positions upon which the parties have agreed or not raised objections shall be assigned to the agreed upon unit, and the Chancellor or his/her designees shall send such positions to the Minnesota Department of Employee Relations for submittal to the Minnesota Bureau of Mediation Services.

Subd. 5. Positions which have gone through the process contained in the Subdivisions 1-3 above, and which remain in dispute, may be challenged by the Association filing the proper petition with the Minnesota Bureau of Mediation Services.

Subd. 6. The parties may agree to hold informal discussions with the Minnesota Bureau of Mediation Services concerning the appropriate assignment of any position in dispute. In such cases, the Minnesota Bureau of Mediation Services will be asked to issue an advisory opinion which the parties may use in the form of guidance, but which shall not be binding on any of the parties.

Subd. 7. The Unit Determination Criteria as agreed to by the parties involved and issued by the

Minnesota Bureau of Mediation Services are contained in Appendix F to this Agreement.

Subd. 8. This section shall be non-grievable and non-arbitrable except for failure to provide the data noted in Subdivision 1 above.

## **ARTICLE 4 ACADEMIC FREEDOM**

**Section A. Policy.** It shall be the policy of the Minnesota State Colleges and Universities to maintain and encourage full freedom, within the law, of inquiry, teaching, and research. The Employer shall not discriminate against an ASF Member for engaging in political activities or holding or voicing political views, so long as the exercise of this right does not interfere with his/her responsibility as an ASF Member.

**Section B. Prohibition.** The Employer agrees not to use any mechanical or electronic listening or recording devices except with the ASF Member's express consent; provided however, that nothing herein shall be construed to preclude the recording of formal proceedings where a record or minutes is customarily maintained.

**Section C. ASF Member Obligation.** In the exercise of academic freedom the ASF Member, while engaged in classroom teaching activities, may, without limitation, discuss his/her own subject in the classroom; he/she may not, however, claim as his/her right the privilege of persistently discussing in the classroom matter which has no relation to the subject. In extramural utterances, the ASF Member has an obligation to not represent himself/herself as an institutional spokesperson unless so designated by the President.

**Section D. Research and Publication.** An ASF Member is entitled to full freedom in research activities and in the publication of results, so long as such activities do not interfere with the performance of his/her job duties. Research conducted at the direction of the University may only be published upon written permission of the President.

## **ARTICLE 5 DEFINITIONS**

**Section A. Service.** Whenever a written notice or a written response is required to be given under the terms of this Agreement, such notice or response shall be made by personal service or service by certified mail. When service is by certified mail, it shall be deemed complete upon mailing. When a written notice or a written response is to be sent to an ASF Member, it shall be sufficient service if mailed to the last known home address of the ASF Member contained in the official personnel file. Personal service shall be deemed complete when the notice or response is handed to or received by the party to whom directed.

- (a) Have entered into a committed interdependent relationship with each other;
- (b) Are jointly responsible for each other's basic common welfare;
- (c) Share a common residence and intend to do so indefinitely;
- (d) Are not related by blood or adoption such that would prohibit marriage in Minnesota, are neither married nor registered in another domestic partnership; and
- (e) Are legally competent and qualified to enter into a contract.

Subd. 2. "Joint responsibility" means that each partner agrees to provide for the other partner's basic living expenses if the partner is unable to provide for himself or herself.

Subd. 3. "Basic common welfare" includes food, shelter, and health care.

Subd. 4. "Share a common residence" means that two (2) people share the same place to live.

It is not necessary that the legal right to possess the common residence be in both of their names. Two (2) people may have a common residence even if one (1) or both persons has an additional place to live. Domestic partners do not cease to live together if one (1) partner leaves the common residence but intends to return, including, but not limited to, periods of time left for long-term or short-term medical care, education, sabbaticals, or employment.

Subd. 5. Whenever the word “spouse” appears in this Agreement such provisions shall also be applicable to an ASF Member’s domestic partner.

## **ARTICLE 6 PERSONNEL FILES**

**Section A. Personnel Files.** Each university shall maintain at the university one (1) official personnel file for each ASF Member. Such files shall contain copies of personnel transactions, official correspondence with the ASF Member, evaluation reports prepared by the university as well as other similar materials. Unsigned letters or statements relating to an ASF Member shall not be placed in his/her personnel file. Only those persons whose job responsibilities require it and who are designated by the President shall have access to an ASF Member's personnel file.

**Section B. Review.** Consistent with law, each ASF Member shall have access to his/her personnel file. Such access shall be during normal business hours under university supervision. Any letters of recommendation solicited in connection with an ASF Member's employment, not accessible under law, shall not be available to that ASF Member. An ASF Member shall have the right to place in his/her file such material as he/she determines may have a bearing on his/her position as an ASF Member including statements in response to any items placed in his/her file.

**Section C. Exclusive Representative.** Representatives of the Association, or other persons, having written authorization from the ASF Member concerned, may examine, under university supervision, the official file of that ASF Member, except for the limitation provided in Section B hereof.

**Section D. Rights to Copies.** Upon written request of the ASF Member, the Employer shall provide to the ASF Member copies of the contents of his/her personnel file, except as limited in Section B hereof, provided that the reasonable cost of providing such copies is borne by the ASF Member. Copies of ASF Member evaluations and/or negative material relating to the ASF Member shall be furnished to the ASF Member at the time of their placement in his/her personnel file.

**Section E. Expiration.** On an annual basis an ASF Member may request that materials be removed from his/her file, and, with the approval of the President, this will be done. Annually, the ASF Member may have data removed from his/her file which is more than four (4) years old, except that which is required by law to be kept or that which pertains to disciplinary matters of an on-going nature.

**ARTICLE 7**  
**ASSOCIATION RIGHTS**

**Section A. Dues Checkoff.**

Subd. 1. Dues. The Employer agrees to cooperate with the Department of Finance and the Association in facilitating the deduction of membership dues established by the Association from the salary of each ASF Member who has authorized such deduction in writing. The aggregate deductions of all ASF Members shall be remitted together with an itemized statement to the Association Treasurer, or designee, no later than fifteen (15) calendar days following the end of each payroll period.

Subd. 2. Fair Share. In accordance with Minnesota Statutes Section 179A.06, Subd. 3, the Association may require the Employer to check off a fair share fee for each member of the unit who is not a member of the Association.

Subd. 3. Indemnification. The Association agrees to indemnify and hold the Employer harmless against any and all claims, suits, order or judgments brought or issued against the Employer by an ASF Member as a result of any action taken in accordance with the provisions of this Section.

**Section B. Meet and Confer**

Subd. 1. MnSCU. The Association may establish a committee of a reasonable number to be mutually agreed upon by the Chancellor, or his/her designee, and the Association to meet and confer with the Chancellor or his/her designee for the purpose of discussing matters of mutual concern, including those matters necessary to the implementation of this Agreement which are systemwide in nature. Such meetings will be held at the request of either party at least three (3) times each fiscal year unless waived by the Association. The Chancellor or his/her designee(s) shall provide the facilities and set the time for such conferences upon request of the Association. A written agenda shall be submitted by the Association to the Chancellor at least ten (10) calendar days in advance of the scheduled meeting date. At the discretion of the Chancellor, additional matters for discussion may be placed on the agenda upon advance notice to the Association.

Subd. 2. University. Each Campus Association may establish a committee of a reasonable number to be mutually agreed upon by the President, or his/her designee, and the Campus Association to meet and confer with the university President or his/her designee(s) for the purpose of discussing local issues of mutual concern or interest. Such meetings will be held at the request of either party or at least monthly at mutually acceptable times and locations. The requesting party shall submit a proposed agenda to the other party at least seven (7) calendar days in advance of the scheduled

meeting date. Additional items for discussion may be added to the agenda by either party and such additions shall be promptly communicated to the other party prior to the meetings.

The Campus Association shall be provided copies and supporting documents on any proposed policies and procedures pertaining to ASF members or the unit, and shall have the right to make policy recommendations including, but not limited to, the following areas: curriculum, evaluation of students, graduation requirements, admissions policies, budget planning and allocations, programs and program development, anticipated annual staffing plans, long-range planning, campus or System reorganization which directly affects the terms and conditions of employment of any ASF member(s), development of campus facilities, and procedures for the selection of personnel. Any unit reduction due to layoff (Article 22) or subcontracting (Article 12) is subject to meet and confer. Policy decisions subject to meet and confer shall not be implemented prior to being brought to meet and confer. Failure of the Association to meet and confer or to respond shall not prevent the Administration from implementing decisions.

### **Section C. Access to Information.**

Subd. 1. The Employer agrees to provide the Association with information pertaining to the Employer's budget, both present and proposed, and other statistical/financial information necessary for the negotiation and implementation of this Agreement.

Subd. 2. Within sixty (60) calendar days from the execution of this Agreement, the Employer will forward to the Teamster's office and the Association President a list of all MSUAASF members in the unit, separated by campus, which shall contain the following information: name; address; campus; range; funding source; step; salary; type and length of appointment; date of hire; employee identification number; percent of full-time; job title; and, date of class entry. The Employer shall update this list on a monthly basis.

Subd. 3. The Employer shall also furnish the Campus Association President notification of announcements of unclassified, non-teaching vacancies and new non-teaching positions at the time such vacancies and positions are announced for recruitment purposes.

Subd. 4. This provision shall not be construed to require the Employer to compile information and statistics in the form requested which are not already compiled in that form, unless mutually agreeable. Reasonable costs incurred in compiling such data and information may be charged by the Employer to the Association.

**Section D. Use of Facilities.** Upon request to the university President or his/her designee, the Campus Association shall be permitted to meet at the university if appropriate facilities are available. All requests must be submitted in accordance with the campus facility usage procedure. Any additional costs incurred by the Employer because of the Campus Association's use of its facilities may be charged to the Campus

Association.

**Section E. Bulletin Boards.** The university President or his/her designee shall furnish adequate bulletin board space in convenient locations on the campus for the exclusive use of the Association for the purpose of meeting notices and other relevant announcements.

**Section F. ASF Member Mail.** The Association shall be permitted the right to use university mail distribution services for on-campus mailing to ASF Members. "Distribution service" shall include electronic mail for both on-campus and inter-campus mailing.

**Section G. Association Release Time.**

Subd. 1. The Employer and the Association agree that the conduct of Association business shall be governed as follows:

- (a) Duly authorized representatives of the Association shall be free to transact official Association business necessary to the performance of Association responsibilities to ASF bargaining unit members, including grievance representation activities. Such business may be conducted at the university at reasonable times so long as it does not interfere with the normal functioning of the university.
- (b) Association representatives who are appointed to serve on System level committees or committees established by the university President or his/her designee shall be released to perform such service. Use of the above noted time to perform Association business shall be governed by the principle that such time shall not be unreasonable.

Subd. 2. Association President and Designees. Upon request of the Association, the Association President and his/her designee(s) shall be granted up to one (1) FTE release time from his/her assigned workload for each year of the contract. The Association shall reimburse the Employer at the amount of \$3108 per month of full time employment prorated for the amount of release time granted. The Association and the Employer may meet and confer to discuss additional FTE release for the Association if circumstances warrant. The number of individuals granted release time shall not exceed four (4). ASF Members granted release time under this Subdivision shall remain on the state payroll at the regular salary and lose no benefits.

Effective July 1, 2001, the rate of reimbursement noted above shall change yearly by the percentage change in the salary compensation of the bargaining unit.

Subd. 3. Professional Development. Upon completion of two (2) consecutive terms as Association President, an ASF Member may have the opportunity to take a paid professional development

leave of up to six (6) months, if the professional development activity is mutually agreed to by the President and the ASF Member. The application for Professional Development Leave must be submitted within three (3) months of completion of the second term. The starting date of the leave must be agreed upon by the President and the ASF Member. **Upon completion of the leave, a recipient of this benefit is expected to provide service for a period of time equal to the length of the Professional Development Leave.**

Subd. 4. Association Meetings. Authorized ASF Board members, not to exceed three from each campus, shall be released one (1) day with pay per meeting for up to three (3) Association Board meetings per year.

**Section H. Board of Trustees Meetings.** The Association President and each Campus Association President shall be sent advance notices and agendas of the Board of Trustees meetings and shall also be provided copies of the minutes.

## **ARTICLE 8 MANAGEMENT RIGHTS**

**Section A. Inherent Rights.** Except as expressly delegated in this Agreement, the Employer reserves all management rights and management functions as provided by law to the state of Minnesota.

**Section B. Management Rights.** Except as expressly delegated in this Agreement, the parties agree that management rights include but are not limited to the following: establishment of educational policies of the universities; administration of the universities; selection, direction, assignment, transfer, evaluation and promotion of ASF Members; establishment of class schedules; the exercise of such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, the organizational structure, and the number of personnel.

**Section C. Management Responsibilities.** The parties also recognize the right and obligation of the Employer to efficiently manage and conduct the operation of the System within its legal limitations and with its primary obligation to provide educational opportunities. The foregoing enumeration of Employer rights and duties shall not be deemed to exclude other inherent management rights and functions not expressly reserved herein, and all management rights and functions not expressly delegated in this Agreement are reserved to the Employer.

## **ARTICLE 9 AGREEMENT AGAINST STRIKES AND LOCKOUTS**

**Section A. Lock-Outs.** No lock-out of ASF Members shall be instituted by the Employer during the

term of this Agreement.

**Section B. Strikes.** During the life of this Agreement, no strike of any kind, as defined in Minnesota Statutes 179A.19, shall be engaged in, sanctioned, or supported by the Association, its officers, or agents, unless the Employer refuses to accept binding arbitration when requested to do so pursuant to P.E.L.R.A., or unless the Employer refuses to comply with a valid arbitration decision pursuant P.E.L.R.A. In the event the Employer alleges that any ASF Member or ASF Members are engaged in a strike, the Association will, upon written notification, immediately notify such ASF Member or ASF Members in writing of the allegation and the implications of a strike.

## **ARTICLE 10 APPOINTMENTS**

**Section A. Appointments.** There shall be the following types of ASF Member appointments:

Subd. 1. Fixed-Term. A fixed-term appointment is an appointment for a limited period of time. A fixed-term appointment terminates at the end of the appointment period and does not imply that any future employment will be offered.

- (a) Fixed-term appointments may be used to fill vacancies created by leaves of absence, to fill positions when the President determines that normal recruitment and selection procedures cannot be implemented due to time constraints (an emergency fill), to meet peak work demands, to fill positions that involve head or assistant coaching responsibilities or for special projects.
- (b) Normally, a fixed-term appointment shall not exceed twelve (12) months in duration. However, the President may extend such an appointment to a maximum of twelve (12) additional months when such action is deemed to be in the best interest of the university. Fixed-term appointments involving head or assistant coaching responsibilities shall not be subject to the limitations set forth in this paragraph.
- (c) If the position is being used to fill a leave of absence which has been extended pursuant to Article 19, Section A, Subd. 2, a fixed-term appointment may extend beyond twenty-four months, but shall be limited by the length of the leave granted.
- (d) If there is a need to terminate the appointment prior to the appointment end date, the ASF member will be given 45 calendar days notice of such termination.
- (e) Current or future ASF Members in a probationary, permanent, or externally funded position who are assigned coaching duties will not be involuntarily converted to fixed term

status. During FY 2002 and FY 2003 the Employer may provide a one-step increase upon voluntary conversion. For positions involving head or assistant coaching responsibilities, ASF Members may only be assigned fixed term assignments under this subdivision if the coaching duties are at least fifteen percent (15%) of the position duties.

Subd. 2. Externally Funded.

- (a) An externally funded appointment is an appointment made to a position financed by monies from a source of funding external to the institution which may terminate such funding in a manner beyond the control of the Employer. Such appointments are not subject to the two (2)-year limitation in Subd. 1.
- (b) Positions filled by an externally funded appointment do not become probationary when a portion of the funding is supplied from state money or state generated revenue. An externally funded appointment terminates when the external funding ceases, unless the university determines to continue the position when external funding ceases. An externally funded appointment does not imply that any future employment will be offered. Any ASF Member hired on an externally funded appointment who subsequently becomes fully funded by state appropriated monies in the same position shall be converted to a fixed term or a probationary appointment. The probationary period for ASF Member(s) moved from externally funded positions to probationary status as a result of this subdivision shall be governed by Subd. 3c.
- (c) Any ASF Member hired on probationary status shall not be involuntarily changed to externally funded status if some portion of the funding of that position is shifted to monies from a funding source external to the institution which may terminate such funding in a manner beyond the control of the university Employer.
- (d) Non-Renewal and Layoff. Any ASF Member with an externally funded appointment with five years or less of service may be non-renewed at the end of his/her appointment. Such non-renewal shall not require just cause. The decision of the president to non-renew an externally funded ASF Member shall not be subject to the arbitration step of the grievance procedure. Notwithstanding the provisions of Article 22, ASF members with externally funded appointments with more than five years of service shall receive written notice of layoff four months in advance of termination. For purposes of this paragraph, a layoff shall not include the elimination of externally funded positions due to cessation or reduction of external funding.
- (e) Discipline. Any ASF Member with an externally funded appointment shall be subject to discipline only in accordance with the “just cause” provisions set forth in Article 23, Section A.

Subd. 3. Probationary.

- (a) Definition. A probationary appointment means that the individual holding such an appointment is being evaluated for purposes of determining whether or not he/she will be offered an appointment with permanent status.
- (b) Length. The total period of probationary service, prior to the acquisition of permanent status, shall be five (5) years of continuous service. For purposes of this Article, an appointment of at least one-half time (.5) for nine (9) to twelve (12) months shall be considered to be a year of service. "Appointment Year" under Subdivision 3 is deemed to be the period of employment between July 1 and June 30 annually. For purposes of this Article, "continuous service" shall commence on the first duty day an ASF Member begins employment service with a state university and shall be interrupted only by separation because of resignation or dismissal.
- (c) Computation. The probationary period shall include all probationary service in a position within the bargaining unit within the ASF Member's particular university. However, in the event that an ASF Member is on a fixed-term or externally funded appointment, and is reassigned to a probationary position within the bargaining unit, the ASF Member involved shall receive one (1) year of credit toward permanent status for each year of service up to a maximum of four (4), but in such case shall serve a minimum of one (1) year probationary status in that position. Notwithstanding the above, prior service in the classified service or in externally funded positions, if such service is in the ASF Member's current position, shall be counted toward completing the probationary period up to a maximum of four (4) years.

ASF Members who have been assigned to a different position within the bargaining unit (except if assigned to an interim/acting position) after they have attained permanent status shall serve a probationary period of one (1) year in the new position. Probationary ASF members who are assigned to a different position within the bargaining unit shall complete their probationary period in the new position or serve a one (1) year probationary period, whichever is greater. If an ASF member does not successfully complete this probationary period, he/she shall be returned to his/her immediately preceding status, without access to the grievance procedure.

- (d) Dismissal. Dismissal shall only be for just cause.
- (e) Non-Renewal. A probationary ASF Member may be non-renewed at the end of his/her appointment year. Such a non-renewal shall not require just cause. Non-renewal prior to the completion of the probationary period shall require a three (3) month written notice by April 1 to be effective on June 30 for ASF Members in the first year of probation. If the ASF Member's first appointment year is less than nine (9) months, written notice of

non-renewal shall be given by May 31 to be effective on June 30. If notice of non-renewal is given during the second, third and fourth year of appointment, written notice shall be given by December 31 to be effective on June 30. A probationary ASF Member who is not to receive an appointment with permanent status after completing the probationary period, shall receive written notice by June 30 to be effective the following June 30. Nothing contained herein modifies the computation of service applied to probation under (b) and (c) above. The decision of the President to non-renew a probationary ASF Member shall not be subject to the arbitration step of the grievance procedure.

- (f) Evaluation. Probationary ASF Members shall be provided an annual, written performance evaluation based on job performance as established by each campus. Job performance deficiencies noted in this evaluation are to be addressed in a plan for performance improvement developed by the supervisor after consultation with the ASF Member.

Subd. 4. Permanent Status. An appointment with permanent status is an appointment granted by the Employer upon successful completion of the probationary period specified in Subd. 3 above. Appointments with permanent status are for an indefinite time period and individuals holding such appointments continue in employment status within the university, but not in any particular position, unless terminated under the provisions of either Article 23, Dismissal, Suspension, and Disciplinary Demotion, or Article 22, Layoff.

Subd. 5. Position Requirements. All MSUAASF position appointments of greater than six (6) months duration require minimum qualifications of a Bachelor's degree/appropriate professional certification, or an equivalent combination of education and experience. The six month period may be extended by an additional six (6) months if the Employer notifies the Campus Association in writing that the Employer has experienced a failed search with respect to the affected position. ASF Members employed prior to July 1, 1999, shall not be discharged or demoted based upon this provision.

**Section B. Current ASF Members.** ASF Members whose initial appointment with a university in a position in the bargaining unit commenced prior to March 5, 1976, shall be subject to the following provisions:

Subd. 1. ASF Members Automatically Granted Permanent Status. Any ASF Member who has been granted administrative tenure either prior or subsequently to June 30, 1971, under Minnesota State University Board Rules and Regulations in effect prior to June 30, 1971, shall automatically be granted permanent status within the university but not in any particular administrative position. ASF Members who have earned tenure in an academic program shall automatically be granted permanent status as defined in Subd. 4 above.

Subd. 2. ASF Members With Academic Tenure. ASF Members who have earned tenure in an

academic program shall retain their tenure in that program and in their highest academic rank and not in any administrative position. An ASF Member may elect to return to a position in that academic program in which he/she holds tenure if said ASF Member is eligible to claim a position pursuant to the contract provisions of the Agreement covering ASF Members in that academic program. If, however, such reassignment requires the termination of an ASF Member in the academic program who has less seniority, the effective date of the ASF Member's reassignment shall be deferred until a vacancy exists or until the end of the next subsequent academic year, whichever is earlier. In the interim period prior to reassignment, the Employer may assign the ASF Member to another administrative position at the university at a comparable salary level. An ASF Member who has earned or earns tenure may also hold permanent status under the provisions of this Article.

**Section C. Notification of Appointment.** Each ASF member will be notified in writing at the beginning of each fiscal year of his/her salary, salary range, title, type of appointment, starting and ending dates of the appointment, full or part-time status (if part-time, percentage of full-time will be shown), probationary months worked, if any, payment option, soft money designation, and any other relevant special conditions of employment, if any, such as “live-in” requirements and applicable rental charges for residence hall staff. The format of the appointment document shall be the same for each university, and shall include a statement that the appointment is subject to the provisions of this Agreement.

**Section D. Notice of Change of Appointment.** Any change of terms and conditions of an existing appointment not sufficient to constitute layoff is not effective until 30 days after notification to the affected ASF member.

## **ARTICLE 11 WORKLOAD**

**Section A. Duty Days.** For purpose of determining ASF Member benefits and salary, the annual duty days for a full-time twelve (12) month appointment shall be calculated at 261 days, inclusive of all paid holidays and paid leave days without reference to 260 or 262 duty days. Any appointment of less than twelve (12) months, or less than full time, shall be figured as a fraction of 261 days.

**Section B. Work Schedule.** The Employer and the Association endorse the principle that non-traditional working patterns may provide the best means for the discharge of professional responsibilities. In such context, the Employer agrees that schedule adjustments as approved by the President or his/her designee shall be made to adjust for unique requirements of the ASF Member's assignment. Additionally, the Employer and the Association agree to the following concepts regarding schedule adjustments:

Subd. 1. ASF Members hold professional positions within the Association, and are responsible for accomplishing the necessary work reasonably expected of the positions.

Subd. 2. The Association and the Employer agree that programs, departments and service areas of the universities need to operate for determined hours and to provide determined services to the clientele of the universities.

Subd. 3. Work Schedules for FLSA Exempt ASF Members.

- (a) Within each program, department or service area, ASF Members as assigned may work in excess of their normal bi-weekly work period to meet peak work demands. These peak demands may be considered as annual reoccurring requirements of the position, or periodic normal requirements of the position. The Employer agrees that ASF Members shall be permitted to schedule flexible work schedules to offset these peak work periods.
- (b) It is also understood by the Association and the Employer that the flexible work schedules will be implemented following the peak work periods and approved in advance by the appropriate manager or supervisor. The Employer agrees that administrators, managers and supervisors shall make a reasonable attempt to honor requests for these applications, dependent upon staffing and project needs. Such requests, where honored must be completed within the biennium.
- (c) The Association and the Employer agree that the time management understanding outlined herein does not entitle any ASF Member to an hour for hour offset for time worked in excess of their normal bi-weekly work period.
- (d) The Association and the Employer agree that the application of these procedures shall be on a request by request basis and shall not result in the establishment of formal or informal compensatory time banks.

Subd. 4. Work Schedules for FLSA Non-Exempt ASF Members.

- (a) The normal work period for full time FLSA non-exempt ASF Members shall be forty (40) hours of work during seven (7) consecutive days. A university may use other work schedules permitted by the FLSA, and shall notify the affected ASF Members when those other work periods are in effect. Hours worked in excess of the maximum number of hours permitted in each applicable work period are overtime hours. All paid vacation time, paid holidays, paid sick leave, paid compensatory time off, and other paid leaves of absence shall not be considered "time worked" for overtime compensation purposes. All overtime work requires prior approval by the supervisor.
- (b) Balancing Hours Within a Work Period. By mutual agreement, an FLSA non-exempt ASF Member and the immediate supervisor may adjust hours during a work period.

**Section C. Fair Labor Standards Act.** No provision of this Agreement shall abridge, violate or diminish rights of ASF Members as guaranteed by the Fair Labor Standards Act.

**Section D. Part-Time Scheduling.** Subject to section B of this Article, the Employer and the Association endorse the principle that less than full time equivalent (“FTE”) positions shall, within reason, be expected to work a biweekly work period that equates to an eighty (80) hour work period multiplied by the position’s FTE. (e.g. 80 hours @.75 = 60 hrs).

It is further understood by both parties that ASF Members assigned to less than a FTE position may be required, during the peak work periods, to exceed their normal biweekly work period. FLSA non-exempt ASF Members who work a part-time schedule will earn overtime for hours worked in excess of forty (40) in a work period.

The Employer agrees to review any ASF less than FTE position if, the Association can demonstrate that the position has regularly been required to work a work period that substantially exceeds the normal work period as defined above, and adjust the FTE of the respective position as deemed appropriate by the Employer.

**Section E. Compensatory Time for FLSA Non-Exempt ASF Members.**

Subd. 1. Eligibility for Compensatory Time. Only ASF Members who are non-exempt under the FLSA are eligible to accrue compensatory time in lieu of cash overtime.

Subd. 2. Accrual of Compensatory Time. By mutual agreement between the eligible ASF Member and that individual’s supervisor, overtime hours worked may be accrued as compensatory time in lieu of cash overtime. Overtime hours worked that are accrued as compensatory time will be credited at the rate of time and one half. In the absence of an agreement to credit overtime hours worked as compensatory time, the overtime hours shall be compensated in cash at a rate of 1.5 times the individual’s regular rate of pay.

Subd. 3. Limit on Accrual of Compensatory Time. The maximum amount of hours that may be accrued as compensatory time at any given time is two hundred and forty (240) hours. All overtime hours worked over this maximum will be compensated in cash.

Subd. 4. Scheduling Compensatory Time. An eligible ASF Member, who has accrued compensatory time and requested use of this compensatory time, shall be permitted to use such time off within a reasonable period after making the request, if such request does not unduly disrupt the operations of the university. Nonetheless, the university may require an ASF Member to use accrued compensatory time by providing reasonable advance notice to the ASF Member prior to the scheduled time off.

Subd. 5. Liquidation of Compensatory Time.

- (a) Payments for all or a portion of an ASF Member's compensatory time may be made at anytime and shall be paid at the regular rate earned by the ASF Member at the time the employee receives such payment.
- (b) Upon termination of employment, the individual shall be paid for unused compensatory time at a rate of compensation as provided in 29 C.F.R. § 553.27(b).
- (c) If for any other reason (including, but not limited to, movement to a FLSA exempt position or layoff) an ASF Member becomes ineligible for compensatory time under his collective bargaining agreement, the ASF Member's unused compensatory time shall be paid at the regular rate earned by the employee in the individual's last ASF FLSA non-exempt position. Further, if an eligible ASF Member moves for any reason to the jurisdiction of another Appointing Authority, the ASF Member's unused compensatory time shall be paid at the last rate earned by the employee at the sending university.

**ARTICLE 12**  
**SALARIES**

**Section A. Assignment to Salary Range.**

Subd. 1. Process. For purposes of assignment of positions to salary ranges, the Employer agrees to continue to use the following instruments: MSUAASF/Excluded Staff Position Description form; Position Analysis Questionnaire; Administrative Procedures for MSUAASF /Excluded Staff Position Evaluations; and the System MSUAASF benchmarks. The Employer will provide three (3) copies of each of these to the Campus Association President, and a copy will be available in each human resources office.

Subd. 2. Evaluation Committee. A local evaluation committee will be established by the President and it shall include a Campus Association representative.

They are not part of the collective bargaining agreement, and are not negotiable or grievable. Positions created during the term of this Agreement will be evaluated for the purpose of assignment to salary range. An ASF Member or supervisor may request to have a position reevaluated if such a request is based upon changes in the position and such request shall be acted upon unless the position has been evaluated in the previous twelve (12) month period, in

which case endorsement of the request by the President's designee will be required before a reevaluation is undertaken. All requests for reevaluation shall be in writing. The Employer agrees that an opportunity to appear before the evaluation committee will be provided to the ASF Member. The Employer further agrees that an opportunity shall be provided to each ASF Member and to the Campus Association President to discuss the evaluation of the position with the Human Resources Director. The Campus Association President and the ASF Member shall be notified of the results of the campus recommendation. The effective date of the reassignment to a different salary range shall be the date the appropriate Vice President receives a formal written request for reevaluation of the position, with all appropriate agreed upon documentation.

Subd. 5. Position Description. The Employer agrees to provide each ASF Member a copy of his/her position description and position analysis questionnaire, and all such position descriptions and position analysis questionnaires shall be available to the Campus Association President upon request. The format of position descriptions and position analysis questionnaires shall be uniform for all ASF Members in the bargaining unit and shall be made available upon request to all ASF Members through the human resources office.

**Section E. Duration of Salary Increases.** Any salary increases provided in this Agreement shall be limited to the duration of this Agreement, and if a successor Agreement is not in effect on July 1, 2003. ASF Members shall be compensated pursuant to the effective salary as of June 30, 2003, until such time as a successor Agreement is in effect.

**Section F. New ASF Members.** Step placement for new ASF Members shall be consistent with equity and experience. If market is a factor in determining salary placement, and the salary exceeds the midpoint of the appropriate range, the salary must be approved by the Chancellor's Office.

**Section G. Salaries on Promotion or Reassignment or Downgrade or Demotion.**

Subd. 1. Promotion. A promotion occurs when a current ASF Member is selected to fill a vacant position in a higher salary range. Compensation will be determined at the time of the new appointment.

Subd. 2. Reassignment. A reassignment occurs when, as a result of increased levels of responsibility within a given job, that job is reevaluated in accordance with the procedures set out in Section A and reassigned to a higher salary range. The ASF Member will be compensated at a salary which is, at a minimum, the nearest higher salary in the new range plus one (1) additional step.

Subd. 3. Downgrade. A downgrade occurs when an ASF Member voluntarily accepts a position in lower salary range. The ASF Member shall have his/her salary reduced to the maximum of the new range, or if his/her salary is within the new range, to the step which is nearest to but not greater than his/her current salary.

Subd. 4. Demotion. When a demotion occurs pursuant to Article 23, the ASF Member shall receive a salary within the range to which the individual is demoted. In no event shall the ASF Member receive an increase in salary as a result of the demotion.

**Section H. Exceptional Achievement Incentive Program.** The purpose of this program is to provide ASF Members with an incentive to attain high achievement in a number of areas. It will provide recognition to the career ASF Member who consistently demonstrates exceptional performance in their current positions as well as scholarly activity, continuing preparation, student growth, and service to the university and/or community. The Exceptional Achievement Incentive Program shall be based on the principles of demonstrated consistent high performance and achievement.

Subd. 1. To be eligible for this program an ASF Member must have been employed at his/her university for ten (10) years and in essentially the same position for seven (7) years. Each year of the agreement no more than ten percent (10%) of the eligible ASF Members may have plans approved under this program.

Subd. 2. An eligible ASF Member is expected to demonstrate exceptional achievement under criteria "a" Demonstrated Ability to Effectively Perform Responsibilities, as well as in a minimum of two additional areas. A mutually agreed upon plan between the ASF Member and his/her supervisor is the first step in this process. Once the plan has been mutually agreed to by the ASF Member and his/her supervisor it shall be submitted to the appropriate Vice President. If the Vice President recommends approval of the plan, he/she shall convene a meeting of all the Vice Presidents on his/her campus within a reasonable period of time. If the Vice Presidents recommend approval of the plan it shall be submitted to the President whose decision shall be final. If the ASF Member's Vice President, the group of campus Vice Presidents or the President rejects a plan he/she/they shall provide a written statement of the reasons for the rejection to the ASF Member within two (2) weeks of their decision. The decision to approve or not approve a plan shall not be grievable.

Subd. 3. Criteria. The criteria to be used shall be:

- (a) Demonstrated ability to effectively perform job responsibilities.

High achievement in performing one's current responsibilities is a necessary condition of an exceptional achievement incentive plan. A pattern of consistent high achievement on performance evaluations may be considered appropriate documentation.

- (b) Scholarly activity, creative achievement or research.

Evidence of an ASF Members continuing contribution to his/her profession is necessary for the completion of this criteria. The fundamental principle is high achievement as demonstrated by professional recognition by peers at a state, regional or national level. This involves appropriate dissemination of new knowledge, scholarly and artistic work as well as applied research.

- (c) Evidence of continuing preparation, study.

ASF Members can demonstrate continuing professional growth in a number of ways such as: completion of a degree or certificate program; evidence of active participation as a presenter in state, regional or national professional meetings; post graduate seminars; participation in workshops and training sessions; and additional graduate coursework. Such continuing preparation and study should be relevant to the individual's position responsibilities or continued professional growth.

- (d) Contribution to student growth and development.

ASF Members can demonstrate high achievement in this area through evidence of advising excellence, unusual success in recruitment, retention or placement of students; counseling excellence; residential life programming excellence; facilitation of student groups and student

leadership, student research projects or internships; comments from alumni; or involvement in department, center or extra-departmental student activities.

(e) Service to the university or community.

Service to the university can be demonstrated through service on departmental, division, or university committees; service on search committees, service for professional organizations, or with specific projects on the university's behalf; unusual success in fundraising, conducting workshops, developing and maintaining effective working relationships with teaching faculty; teaching courses not part of position responsibilities; and assisting with cultural diversity. Normally service to the external community is understood to be service consistent with, or growing out of, one's professional expertise yet beyond the expectations of one's position responsibilities. This can include administrative leadership. Effective communication to the public through various media is an important form of community service.

Subd 4. Salary Adjustment. Upon the successful completion of the approved Exceptional Performance Incentive Plan the ASF Member will receive a lump-sum payment equal to a five percent (5%) increase. This lump-sum payment shall not be added to base salary and can continue to be paid annually on a lump sum basis as long as the approved project continues to be performed. ASF Members at the top of the salary schedule will be eligible for a lump-sum payment.

## **Section I. Additional Assignments.**

Subd. 1. For additionally assigned responsibilities not reasonably covered by the ASF Member's position description which the ASF Member performs for six (6) weeks or longer, vacation exempted, appropriate additional compensation shall be provided.

Subd. 2. Acting Appointment. An ASF Member who is assigned on an acting basis to a position in a higher range in the bargaining unit shall be compensated at a salary which, at a minimum, is the nearest higher salary in the new salary range, plus one step.

Any acting appointment with an expected duration greater than one year shall be subject to meet and confer with the local Association.

Subd. 3. When any additional assignments involve classroom teaching, compensation shall, at a minimum, be at the rate of \$1,000 per credit hour or the negotiated adjunct faculty pay rate, whichever is greater.

Subd. 4. Honorarium. An ASF Member who performs an assigned special project for the university and/or MnSCU may be awarded an honorarium at the President's or Chancellor's discretion. For purposes of this provision, the special project must normally be outside the scope

of the ASF Member's responsibilities. Honoraria to any individual ASF Member shall not exceed \$800 per fiscal year.

**Section J. Consolidated Positions.** During FY 2002 and FY 2003, if as a result of a university's permanent elimination of an ASF unit position, a current ASF member is assigned additional responsibilities that were formerly assigned to the permanently eliminated position, and such additional responsibilities are not reasonably covered by the current ASF Member's position description, the university may elect to provide appropriate additional compensation. Appropriate additional compensation provided pursuant to this Section shall not be limited by the salary schedules set forth in this Article, but shall not annually exceed ten percent (10%) of the ASF Member's base salary. The university's decision concerning additional compensation in these circumstances shall be grievable only through Step III of the grievance procedure. Should the ASF Member be relieved of the additional responsibilities described herein, or other comparable responsibilities, or if the affected ASF member's position is reevaluated for reassignment, the salary enhancement described in this Section shall end.

**Section K. Discretionary Function.** The discretionary function of the Employer as provided in this Article shall not be the subject of the grievance procedure.

**Section L. Assignment to Akita Campus.** ASF Members assigned to the Akita campus of MnSCU will have compensation and benefits as determined by a separate letter of agreement in Appendix D.

**Section M. Pre-Tax Expense Accounts.** The Employer agrees to provide eligible ASF Members with the option to participate in pre-tax expense account programs as permitted by law, regulation, and programmatic requirements as defined in the State of Minnesota Pre-Tax Benefits Open Enrollment materials. Current accounts include Health/Dental Premiums, Medical Expense Accounts, Dependent Care Expense Accounts, and Parking/Transit Expense Plans.

**Section N. Supplemental Retirement.** Pursuant to Minn. Statutes 136.80, 136.81, and 356.24, in FY 2002 the Employer shall deduct from the salary of each full time ASF Member a sum equal to five (5) percent of the annual salary paid after the first \$6,000 up to a maximum deduction of \$2,000 and during FY 2003 a maximum deduction of \$2,100 to be paid into the state university supplemental retirement account of the retirement fund. The Employer shall make a contribution in an amount equal to the deductions made from the ASF Member's salary. Deductions shall begin in the ASF Member's third year of full time employment in the System.

**Section O. Early Notice Incentive.** ASF Members who elect to retire with at least fifteen (15) years of service in the Minnesota State Universities and who are at least age fifty-five (55) shall have their salary increased by five (5) percent in the final year of employment. The ASF Member must submit a written letter of retirement by October 15 of the fiscal year at the end of which retirement will occur.

**Section P. Payment Option.** An ASF Member with an appointment of at least nine (9) months in duration

may elect, at the beginning of his/her appointment period to have his/her salary paid over a twelve (12) month period.

**Section Q. Subcontracting.** In the event the Employer determines to subcontract out work being performed by ASF Members that may result in a reduction of ASF positions or appointment levels, the Association will be notified in advance and afforded the opportunity to meet and confer on this matter.

**Section R. Moving Expenses.** At the Employer's discretion, moving expenses may be reimbursed in accordance with applicable state regulations.

## **ARTICLE 13 INSURANCE**

**Section A. State Employee Group Insurance Program.** During the life of the Agreement, the Employer agrees to offer a Group Insurance Program that includes health, dental, life, and disability coverages equivalent to existing coverages, subject to the provisions of this Article.

All insurance eligible employees will be provided with a Summary Plan Description (SPD) called "Your Employee Benefits". Such SPD shall be provided no less than biennially and prior to the beginning of the insurance year. New insurance eligible employees shall receive a SPD within thirty (30) days of their date of eligibility.

**Section B. Eligibility for Group Participation.** This section describes eligibility to participate in the Group Insurance Program.

1. ASF Members - Basic Eligibility. An ASF Member may participate in the Group Insurance Program if he/she is employed on the basis of at least fifty percent (50%) of a nine (9) month or more appointment as defined in Article 11, Workload. An ASF Member hired on a temporary appointment during a fiscal year at fifty (50) percent time or greater should also be eligible for coverage if the president expects the appointment to continue beyond the current fiscal year at fifty (50) percent time or greater.
2. ASF Members - Special Eligibility. The following ASF Members are also eligible to participate in the Group Insurance Program:
  - (a) ASF Members with a Work-related Injury/Disability. - (c) Retired ASF Members. An ASF Member who retires from MnSCU, is not eligible for regular (non-disability) Medicare coverage, has five (5) or more years of allowable pension service, and is immediately eligible to receive a retirement benefit under Chapter 354B or an annuity under a State retirement program, may continue to participate in the health and dental coverages offered through the Group Insurance Program at his/her own expense.

For the purposes of health insurance coverage, if that spouse or same sex domestic partner works full-time for an organization employing more than 100 people and elects to receive either credits or cash (1) in place of health insurance or health coverage or (2) in addition to a health plan with a seven hundred and fifty dollar (\$750) or greater deductible through his/her employing organization, he/she is not eligible to be a covered dependent for the purposes of this Article. If both spouses or same sex domestic partners work for the State or another organization participating in the State's Group Insurance Program, neither spouse or same sex domestic partner may be covered as a dependent by the other unless one spouse or same sex domestic partner is not eligible for a full Employer Contribution as defined in Section C(1). The handicapped dependent shall be eligible to continue

coverage as long as she/he continues to be handicapped and dependent, unless coverage terminates under the contract. Children or grandchildren who become handicapped after they are no longer eligible dependents under (1) and (2) above may not be considered eligible dependents unless they are continuing coverage as a dependent through the employee's prior Employer.

"Dependent Child" includes an ASF Member's: (1) biological child, (2) child legally adopted by or placed for adoption with the ASF Member, (3) foster child, and (4) step-child. If both spouses or same sex domestic partners work for the State or another organization participating in the State's Group Insurance Program, either spouse or same sex domestic partner, but not both, may cover their eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried ASF Members who share legal responsibility for their eligible dependent children or grandchildren.

4. Continuation Coverage. Consistent with state and federal laws, certain ASF Members, former ASF Members, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time. If such ASF Member ceases to receive workers' compensation payments for the injury or disability and is granted a leave under Article 18, he/she shall be eligible for an Employer contribution during that leave.
  - (c) Sabbatical leave. An ASF Member eligible for an Employer Contribution immediately prior to taking a sabbatical leave continues to receive the Employer Contribution during the sabbatical leave.

3. Maintaining Eligibility for Employer Contribution.

- (a) General. An ASF Member who receives a full Employer Contribution maintains that eligibility as long as the ASF Member meets the Employer Contribution eligibility requirements, and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to ASF Members who receive an Employer Contribution while on layoff as described in Section C(2)(a), or while eligible for workers' compensation payments as described in Section C(2)(b).

If an ASF Member is employed on the basis of an academic year and such employment contemplates absences from the MnSCU payroll during the summer months or vacation periods scheduled by the Employer which occur during the regular school year, the ASF Member shall nonetheless remain eligible for an Employer Contribution, provided that the ASF Member appears on the regular payroll for at least one (1) working day in the payroll period immediately preceding such absences.

(ii) Medical and Dental. If an employee is not actively at work on the initial effective date of coverage due to a reason other than hospitalization or medical disability of the employee or dependent, medical and dental coverage will be delayed until the first day of the pay period coinciding with or next following the employee's return to work.

Approval for this training is at the discretion of the Appointing Authority and is contingent upon meeting staffing needs in the ASF Member's absence and the availability of funds. ASF Members are eligible for release time, tuition reimbursement, or a pro rata combination of both. ASF Members may be reimbursed for up to one-hundred (100) percent of tuition or registration costs upon successful completion of the program. Services provided through the State Dental Plan are subject to the State Dental Plan's managed care procedures and principles, including standards of dental necessity

and appropriate practice. The plan shall cover general cleaning two (2) times per year and special cleanings (root or deep cleaning) as prescribed by the dentist.

- (c) Children/Grandchildren. An ASF Member may purchase life insurance in the amount of \$10,000 as a package for all eligible children/grandchildren (as defined in Section B(3)(b) of this Article). Child/grandchild coverage requires evidence of insurability if application is made after the first sixty (60) calendar days of employment. Child/grandchild coverage commences fourteen (14) calendar days after birth.
- (d) Accelerated Life. The additional employee, spouse or same sex domestic partner and child life insurance policies will include an accelerated benefits agreement providing for payment of benefits prior to death if the insured has a terminal condition.

At age sixty-five (65) or the date of retirement, an ASF member who has carried optional ASF member life insurance for the five (5) consecutive years immediately preceding that date of the ASF member's retirement or age (65), whichever is later, shall receive a post-retirement paid-up life insurance policy in an amount equal to fifteen (15) percent of the smallest amount of optional ASF member life insurance in force during that five (5) year period. The ASF member's post-retirement death benefit shall be effective as of the date of the ASF member's retirement or the member age sixty-five (65), whichever is later. ASF Members who retire prior to age sixty-five (65) must be immediately eligible to receive a state retirement annuity and must continue their optional life insurance to age sixty-five (65) in order to remain eligible for the post-retirement death benefit.

An ASF member who has carried optional spouse or same sex domestic partner life insurance for the five (5) consecutive years immediately preceding that date of the ASF member's retirement or spouse or same sex domestic partner age sixty-five (65), whichever is later, shall receive a post-retirement paid-up life insurance policy in an amount equal to fifteen (15) percent of the smallest amount of optional spouse or same sex domestic partner life insurance in force during that five (5) year period. Each policy remains separate and distinct, and amounts may not be combined for the purpose of increasing the amount of a single policy.

## 2. Disability Coverage.

- (a) Short-term Disability Coverage. An employee may purchase short-term disability coverage that provides benefits of from three hundred dollars (\$300) to five thousand dollars (\$5,000) per month, up to two-thirds (2/3) of an ASF Member's salary, for up to one hundred eighty (180) calendar days during total disability due to a non-occupational accident or a non-occupational sickness. Benefits are paid from the first day of a disabling injury or from the eighth day of a disabling sickness. Coverage applied for within sixty (60) calendar days of hire or becoming insurance eligible does not require evidence of insurability.
- (b) Long-term Disability Coverage. New employees may enroll in long-term disability insurance within sixty (60) days of employment or insurance eligibility. The terms are the same as for employees who wish to add/increase during the annual open enrollment. During open enrollment only, an ASF Member may purchase long-term disability coverage that provides benefits of from three hundred dollars (\$300) to five thousand dollars (\$5,000) per month, based on the ASF Member's salary, commencing on the 181<sup>st</sup> calendar day of total disability, and not subject to evidence of insurability but with a limited pre-existing condition exclusion. Employees should be aware that other wage replacement benefits, as described in the certificate of coverage (i.e. Social Security Disability, Minnesota State Retirement Disability, etc.), may result in a reduction of the monthly benefit levels purchased. In any event, the minimum is the greater of three hundred dollars (\$300) or fifteen (15) percent of the amount purchased. The minimum benefit will not be reduced by any other wage replacement benefit. In the event that the ASF Member becomes totally disabled before age seventy (70), the premiums on this benefit shall be

waived.

An ASF Member may purchase accidental death and dismemberment coverage that provides principal sum benefits in amounts ranging from five thousand dollars (\$5,000) to one hundred thousand dollars (\$100,000). An ASF Member may also purchase from five thousand dollars (\$5,000) to twenty-five thousand dollars (\$25,000) in coverage for his/her spouse or same sex domestic partner, but not in excess of the amount carried by the employee.
4. Continuation of Optional Coverages During Unpaid Leave or Layoff. An employee who takes an unpaid leave of absence or who is laid off may discontinue premium payments on optional policies during the period of leave or layoff. If the employee returns within one (1) year, the employee shall be permitted to pick up all optionals held prior to the leave or layoff. For purposes of reinstating such optional coverages, the following limitations shall be applicable.

For the first twenty-four (24) months of long-term disability coverage after such a period of leave or layoff during which long-term disability coverage was discontinued, any such disability coverage shall exclude coverage for pre-existing conditions. For disability purposes, a pre-existing condition is defined as any disability which is caused by, or results from, any injury, sickness or pregnancy which occurred, was diagnosed, or for which medical care was received during the period of leave or layoff. In addition, any pre-existing condition limitations that would have been in effect under the policy but for the discontinuance of coverage shall continue to apply as provided in the policy.

The limitations set forth above do not apply to leaves that qualify under the Family and Medical Leave Act (FMLA).

Administrative travel shall not be funded from Professional Improvement Funds or Professional Development Funds.

**Section B. Use of Private Vehicles.** Whenever practicable, State-owned or contracted vehicles shall be made available to ASF Members required to travel on behalf of the Employer. The Employer may elect to allow ASF Members to utilize personal vehicles on a case-by-case basis and reimburse the mileage

## **ARTICLE 15 PROFESSIONAL DEVELOPMENT**

### **Section A. Professional Development Funds.**

Subd. 1. For FY 2002, the state universities will be allocated Professional Development Funds at the rate of three hundred thousand dollars (\$300,000) and in FY 2003 three hundred thousand dollars (\$300,000) for the System to be distributed to the campuses on an FTE basis. The campus Association and Employer shall implement an equitable procedure for distribution of the funds made available under this subdivision. The provisions of the subdivision shall continue until a successor agreement is in effect.

Subd. 2. Funds provided by this section shall be limited to paying the cost of travel, housing, meals, registration, and related expenses associated with participating in professional conferences, workshops, similar meetings, courses, and other related professional development activities. The funds may be used to pay for professional memberships, books, journals and software. The unit may carry over any portion of its allocation from the first to the second year of the biennium, and from one biennium to the next.

### **Section B. Professional Improvement Fund.**

Subd. 1. A total of seventy thousand dollars (\$70,000) in FY 2002 and seventy thousand dollars (\$70,000) in FY 2003 will be allocated to the state universities according to the number of full-time equivalent ASF members in the bargaining unit at each university. Any unused funds shall be carried over into the second (2nd) year of this agreement. ASF members may apply for Professional Improvement Funds without regard to the source of funding of their positions. The provisions of this subdivision shall continue until a successor agreement is in effect.

Subd. 2. These funds shall be grants for the purpose of professional improvement, ASF member development, staff training and similar kinds of development programs for ASF members. All ASF members shall be eligible to receive grants from these funds upon application submitted to and approved by the President or his/her designee. The President shall approve such applications if he/she deems the proposed professional improvement or development activities to be in the best interest of the university in improving the job-related skills and competence of the ASF member. The President shall determine the exact amount of each such grant on the basis of availability of funds and the application therefor. Within thirty (30) days of completion of the professional improvement or development activity, the ASF member must submit a written report to the

appropriate supervisor outlining the activity completed and analyzing the impact on job-related skills and competence. Each campus shall develop a form for the report which shall be discussed at meet and confer.

### **Section C. Sabbatical Leave.**

Subd. 1. The President may grant a sabbatical leave to any ASF member who proposes to undertake additional study or other endeavors that will enhance the ASF member's contribution to the university.

Subd. 2. In order to be eligible for sabbatical leave, an ASF member must have completed at least six (6) consecutive years of service of at least .5 time for at least nine (9) months within each appointment year at the university since the ASF member's initial date of employment or the expiration of such ASF member's last previous sabbatical leave.

Subd. 3. The ASF member's application for sabbatical leave shall include a written plan consistent with the purposes outlined in Subd. 1 above with the dates of the requested leave. An ASF member who staffs a single-person department, program, or service area should work with his/her immediate supervisor to develop a plan for staffing coverage during sabbatical leave.

Subd. 4. Where sabbatical leave is approved, the ASF member shall be notified in writing. Where sabbatical leave is denied, reasons therefore shall be communicated to the ASF member in writing.

Subd. 5. The ASF member shall agree in writing to return to the university for at least one (1) year of service after completion of the sabbatical leave. In the event the ASF member fails to substantially fulfill the plan upon which he/she was granted a sabbatical leave, or fails to return to the university for one (1) year of service, the ASF member shall refund to the university such funds awarded during that sabbatical period, except in the cases where a layoff prevents the ASF member from returning. Within thirty (30) days of return from a sabbatical, the ASF member must submit a written report to the appropriate supervisor indicating what he/she accomplished on the sabbatical and how the accomplishments related to the written plan.

Subd. 6. Sabbatical leaves may be granted for three (3) months at a full base salary, or for any longer period up to twelve (12) consecutive months, at two-thirds (2/3) pay. ASF members who are granted a second sabbatical, if it lasts twelve (12) months shall be funded at 90% of base salary. For part-time ASF members, the amount of sabbatical pay shall be adjusted prorata. Beginning academic year 1998-99, ASF members on a sabbatical shall not accrue vacation leave, but shall accrue sick leave at one-half (1/2) the applicable rate.

Subd. 7. ASF members on sabbatical leave may accept scholarships, fellowships, grants, or employment during the sabbatical leave, consistent with the plan of such leave.

Subd. 8. The number of full-time (12-month) sabbatical leaves in any one (1) year at each university shall not exceed five percent (5%) of the number of ASF members appointed at FTE or more under the Agreement at the university. This maximum may be prorated among several ASF members and among two-thirds (2/3), ninety percent (90%), and full-pay sabbaticals contingent upon the President's determination that funds are available for this purpose and that staffing requirements of the university can be met.

Subd. 9. An ASF member shall be eligible for continued group insurance benefits as provided by law during the course of the leave.

Subd. 10. If another ASF member is assigned responsibilities of a person on sabbatical leave, in lieu of hiring a replacement, he/she will be compensated for the additional responsibilities under the terms of Article 12, Section I.

**Section D. Retraining Leave.** The President may grant an ASF member a paid leave of absence of up to one (1) year in length for the purpose of retraining or further training to meet the programmatic needs of the university.

Subd. 2. The ASF member's spouse or dependent children shall be eligible to share this right within the limits established above, with waiver of tuition only. Eligible dependent is defined as a child (biological, adopted, step-child, or legal ward) of up to twenty-five (25) years of age.

Subd. 3. In the event of the death of the ASF member, the ASF member's spouse or dependent children shall be eligible for this right within the limits established above, for the following five (5) years, with waiver of tuition only.

**Section F. Tuition Reimbursement.** Consistent with the State's Administrative Procedure 21, at the discretion of the President/designee, an ASF Member may receive tuition reimbursement. The discretionary function of the Employer as provided in this Section shall not be subject to the grievance procedure.

Externally funded ASF Members who have fifteen (15) or more years of service in MnSCU shall also receive severance pay upon permanent layoff or receipt of separation incentive.

Subd. 3. ASF Members who separate from the Minnesota State Universities after ten (10) years of service, and whose combined years of service and age equals sixty-eight (68) shall also receive severance pay.

**Section B. Computation.**

Subd. 1. Severance pay shall be computed upon forty-five percent (45%) of the ASF Member's regular accumulated but unused sick leave balance based on the ASF Member's then current rate of pay. The percentage multiplier shall be increased by one percent (1%) for each year of service over twenty five (25) years to a maximum of fifty percent (50%).

Subd. 2. The base for computing severance pay shall not exceed one thousand (1,000) hours, nor shall said base include "lapsed" sick leave hours as provided by this Agreement. However, should the ASF Member have less than one thousand (1,000) hours of regular sick leave accumulated, the difference may be transferred from lapsed sick leave for purposes of calculation of severance pay.

Subd. 3. Calculation of an ASF Member's hourly rate for purposes of computing severance pay shall be based upon a base of two thousand eighty-eight (2,088) working hours per year. Appointment periods of less than one (1) year in duration shall be prorated on this base.

**Section C. Post Retirement Health Care Savings Plan.**

Subd. 1. All ASF Members who are eligible for severance pay as defined in Section A of this article must participate in the Post Retirement Health Care Savings Plan established under Minnesota Laws 2001, Chapter 352.98.

Subd. 2. All severance pay as defined in Section B of this article shall be transferred to the severant employee's Post Retirement Health Care Savings account.

**Section D. Reappointment.** In the event an ASF Member who has received severance pay is subsequently reappointed to a state university, future severance pay for the ASF Member shall be computed upon his/her unused sick leave balance accumulated since the reappointment.

**Section E. Separation Incentive.**

Subd. 1. Eligibility. Any permanent ASF Member who has served at least fifteen (15) years in the Minnesota State Universities and is at least fifty-five (55) years of age but less than 65 shall be eligible to apply for separation incentive.

- (a) During FY 2002 and FY 2003 ASF Members who give notice of retirement shall be informed by the Employer within fifteen (15) days of such notice whether the retiring employee will receive the separation incentive benefit pursuant to this Section. If the Employer notifies the employee that he/she will not receive the benefit, the employee shall have ten (10) days to notify the Employer that he/she is rescinding the retirement notice.
- (b) Effective July 1, 1996, an ASF Member may apply for a separation incentive. The President will determine whether or not a separation incentive is appropriate for that employee's position. This decision is not subject to the grievance process.
- (c) A permanent ASF Member older than age fifty-five (55) when s/he completes the fifteen (15) years of service requirement will also be eligible to apply to receive the full benefit of one year's base salary if s/he: 1) applies within one hundred and eighty (180) days of meeting the age and service requirement, and 2) the separation will occur no later than one hundred and eight-one days (181) following the date of application for the benefit. Any ASF Member eligible under this paragraph who does not elect early retirement during this window but chooses to apply later will be compensated under the schedule of Article 16, Section E. Subd. 2.

Subd. 2. Compensation. An ASF Member qualifying for separation through resignation or early retirement except those qualifying under the provisions of Subd. 1(c) above, shall receive compensation equal to his/her base salary minus ten percent (10%) of his/her base salary for each year beyond age fifty-five (55). The ASF Member shall receive compensation in two equal annual payments, the first at the beginning of the ensuing fiscal year and the second in the following fiscal year. However, if the separation payment is less than \$10,000, it will be paid in one lump sum. No employee shall receive more than one hundred percent (100%) of total compensation in a single fiscal year.

Subd. 3. Maintenance of Benefits. The separated ASF Member under the provisions of this subdivision shall have the right to continue, at the Employer's expense, health insurance benefits for one (1) year after separation.

Subd. 4. Early Separation. Persons choosing early separation shall have eligibility for early retirement payments determined in accordance with appropriate statutes and regulations.

This may include the designation of alternative days for observance of Veteran's Day and Presidents' Day.

- (c) Less than Twelve (12) Month ASF Members. With the approval of the President, ASF Members with less than twelve (12) month appointments may elect either the academic term vacation schedule or the vacation schedule as provided in Subd. 1. hereof as appropriately prorated. This reduction must be accomplished on or before the last day of the fiscal year. If this reduction is not accomplished on or before the last day of the fiscal year, the ASF Member's accumulation shall automatically be reduced to two hundred and seventy-two (272) hours effective on the last day of the fiscal year, and the amount of accumulation over two hundred and seventy-two (272) hours will transfer to the ASF Member's bank of lapsed sick leave (See Article 18, Section C, Subd. 2). Subd. 3. Utilization. The President or his/her designee shall grant an ASF Member's vacation at a time requested by the ASF Member insofar as the staffing needs of the university permit. Such ASF Member shall be credited with one hundred twenty (120) hours of sick leave minus all hours of sick leave earned (whether or not used) during their prior ASF service at the time they are re-employed. In no case shall this result in a negative balance. Each ASF Member will be credited with four (4) additional hours of sick leave for each pay period of service that follows the number of full payroll periods represented by the initial credit of sick leave. Each four (4) hours of sick leave initially credited shall represent one full payroll period.
- (b) Fixed-term Appointment. **Section D. Arbitration Procedure.** If the grievance is still unresolved after the response of the Chancellor or his/her designee the Association may, within fifteen (15) calendar days, serve written notice to the Chancellor or his/her designee of its intent to submit the issue to arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by mutual agreement of the office of the Chancellor and the Association within seven (7) calendar days after the request for such action. If the parties fail to mutually agree upon an arbitrator within the said seven (7) calendar day period, either party may request the Bureau of Mediation Services to provide a list of seven (7) neutral arbitrators. The representatives of the Employer and the Association shall strike names and the last remaining person shall be the arbitrator. Expense for the arbitrator's service and the proceedings shall be borne equally by the Employer and the Association; however, each party shall be responsible for compensating its own representatives and witnesses. If either party cancels an arbitration hearing or asks for a last minute postponement that leads to the arbitrator's making a charge, the canceling party or the party asking for the postponement shall pay this charge. The decision of the arbitrator shall be final and binding upon the parties and the arbitrator shall be requested to issue his/her decision within thirty (30) calendar days after the conclusion of the testimony and argument. If either party desires a transcript record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. However, any party ordering a copy of the record shall pay for such copy.

**Section E. Arbitrator's Authority.** General Authority. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall consider and decide only the specific issue or issues submitted to him/her in writing by the parties to this Agreement and shall have not authority to make a decision on any matter not so submitted to him/her. The arbitrator shall be without power to make decisions contrary to, inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation and application of the expressed terms of this Agreement and to the facts of the grievance presented.

**Section F. Time Limits.** Failing to adhere to the time limits set forth above may result in a forfeiture of the grievance. If a grievance is not appealed to the next step or steps within the specified time limit or any extension thereof, it shall be considered settled on the basis of the Employer's last response. Failure of the Employer to respond to a grievance or an appeal thereof within the specific time limits may result in mandatory alleviation of the grievance as outlined in the last appeal by the representative or ASF Members. The time limit in each step may be extended by mutual written agreement of the Employer and the Association. In computing any period of time prescribed or allowed by this grievance procedure, the date of the act or event, or default for which the designated time begins to run shall not be included. The last day of the period shall be included, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or legal holiday.

**Section G. General Provision.** All ASF Members of the appropriate unit are free to present grievances in accordance with this Article. In this regard, it is understood that the grievant has the right to be his/her own representative in the processing of a grievance, and the Association shall not interfere with that right.

**Section H. Grievance Processing.** Whenever practicable, the processing of grievances shall be handled

during the university's regular work day. ASF Members who are required to participate in the processing of such grievances shall not be subject to a loss of wages for doing so; however, the number of ASF Members who may participate without loss of wages shall be limited to a maximum of three (3), inclusive of ASF Members who are representatives and/or officers of the Association.

**Section I. Reprisals.** The Employer shall engage in no reprisals or recriminations based upon the filing and pursuit of a grievance, or upon acting as a witness or advocate for a grievant.

**Section J. Scope.** Subject to Article 2 of this Agreement, nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a Charge of Discrimination, including, but not limited to, those charges of Discrimination brought under Title VII of the Civil Rights Act, the Americans with Disability Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

## **ARTICLE 26 SAVINGS CLAUSE**

**Section A. Conformance to Law.** If any of the provisions of the Agreement are found by a court or other authority having jurisdiction to be in conflict with or contravene any Federal law or statute, State law or statute, executive order, or any rule and regulation promulgated pursuant to one of the above, such provisions shall be considered null and void and shall not be binding on the parties hereto; in such event, the remaining provisions of this Agreement shall remain in full force and effect. In the event that any provision of this Agreement is thus found to be invalid, either party shall have the right to reopen negotiations on that provision only.

**Section B. Limit on Invalidity.** If any provision or portion of this Agreement is prevented from being put into effect because of applicable legislative actions, executive order or regulation dealing with wage and price controls, then only such specific provisions or portions specified in such decision shall be invalid, the remainder of this Agreement continuing in full force and effect for the term of the Agreement. However, any provision of this Agreement so prevented from being put into effect shall become effective at such time, in such amounts, and for such periods, retroactively and prospectively, as is permitted by law at any time during the life of this Agreement or any extension thereof.

**ARTICLE 27**  
**COMPLETE AGREEMENT AND WAIVER**

**Section A. Complete Agreement.** The Employer and the Association acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the applicable area of collective bargaining, and that the understandings are set forth in this Agreement, and shall constitute the sole Agreement between the parties for the duration thereof.

**Section B. Modification and Repeal.** The Employer agrees to modify or repeal the Governing Rules, Internal Rules, Operating Policies, Administrative Procedures and university constitutions which are in conflict with or are superseded by this Agreement.

**[INTENTIONALLY LEFT BLANK]**

**ARTICLE 28  
DURATION**

**Section A. Effective Dates.** Except as otherwise provided herein, this Agreement shall become effective upon signing and shall remain in full force and effect through the 30th day of June 2003.

**Section B. Legislative Action.** In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, or the granting of appropriations, that provision shall become effective only if such legislative action is taken. Should any legislative action be required pursuant to this Section, the Employer and the Association agree to cooperate in any effort to secure legislative approval.

**Section C. Renewal and Reopening.** This Agreement shall automatically renew itself from biennium to biennium thereafter unless, not later than July 1st of each even-numbered year prior to the expiration of the then current term of Agreement, either party shall serve written notice on the other of its desire to terminate, modify, or amend this Agreement.

This Letter of Understanding (LOU) is entered into by and between the Minnesota State Colleges and Universities (MnSCU) and MSUAASF, regarding Salary Market Adjustments.

Market Adjustments. During FY 2002 and FY 2003, after meeting and conferring with the Campus Association, the Employer may certify to the Association in writing that specified positions are paid below prevailing market rates based on salary surveys by third party professional organizations, such as Minnesota Department of Economic Security, Minnesota Department of Employee Relations, College and University Personnel Association, or comparable organizations or agencies which are mutually agreed upon between MnSCU and MSUAASF. The Employer, on an annual basis, may adjust the salaries for incumbent ASF Members in such positions up to fifteen percent (15%) above each incumbent's normal base salary.

Such adjustment(s) shall be paid as a one-time lump-sum payment within the fiscal year on a date to be determined by the Employer, and shall not constitute a permanent increase to the ASF Member's base salary.

Receipt of an annual adjustment pursuant to this LOU shall not be understood to create an expectation for any future annual payments.

Positions in this category also are accountable for determining overall objectives, priorities, and policies within a program area. Higher level positions in this category handle significant and involved relationships with governmental leadership. Incumbents of these positions have the authority to exercise discretionary powers on a regular basis," and
2. The position creates or formulates, influences or manages policy or directs the enterprise, and
3. The position is responsible for making key operating decisions high up in the enterprise on an on-going basis, or specifically delegates them to others responsible to the position, and

**Assignment of Duties from Another Unit**

Employees of the unit represented by IFO or by MSUAASF, administrator and excluded professional unit, or the excluded, may be assigned duties that would normally be assigned to employees in another unit. If the non-primary unit assigned duties exceed forty-nine percent (49%) of the position duties, then the position shall be reviewed by the two units involved and the Chancellor's Office representative to determine whether duties should be removed or percentages assigned reduced, or whether it should be placed in another unit.

As position duties get close to the forty-nine percent (49%) limit, a position will be re-evaluated to make sure that the position is assigned to the appropriate bargaining unit.

Every position must specifically state at least fifty-one percent (51%) of the duties that would place the position within a single bargaining unit.

**No Waiver**

None of the parties to this Agreement have in any way waived the right to request unit clarification or other action from the Minnesota Bureau of Mediation Services on any single position or positions to which the agreed-upon criteria is applied. Each party expressly reserves the right to challenge factual determinations relative to these criteria.
