

# Master Agreement

## ARTICLE 1 PARTIES

This Agreement is entered into by and between the Board of Trustees, Minnesota State Colleges and Universities (MnSCU), hereinafter called the Board, and the Minnesota State University Association of Administrative and Service Faculty (ASF) affiliated with Minnesota Teamsters Local 320, hereinafter called the Association.

## ARTICLE 2 NON-DISCRIMINATION

**Section A. Employer and Association Responsibility.** The parties are firmly committed to affirmative action and as such accept their responsibility to ensure equal opportunity in all aspects of employment for all qualified persons regardless of race, creed, religion, color, national origin, age, disability, reliance on public assistance, sex, marital status, sexual orientation, veteran status, membership or non-membership in the Association, or any other class or group distinction, as set forth by State or Federal anti-discrimination laws.

**Section B. Jurisdiction.** The parties recognize that jurisdiction for the enforcement of the provisions of Section A hereof is vested solely in various State and Federal agencies and the courts, and, therefore, complaints regarding such matters shall not be subject to the grievance procedure in this agreement. This does not preclude the use of any administrative procedure adopted by the employer.

## ARTICLE 3 RECOGNITION

**Section A. Recognition.** Pursuant to the Minnesota Public Employment Labor Relations Act of 1971, as amended, the Employer recognizes the Association as the exclusive representative in the appropriate unit as described in the decisions of the Bureau of Mediation Services in the cases 75-PR-642-A, dated September 29, 1975; 80-PR-1257-A, dated June 16, 1980; and 83-PR-1220-A, dated September 9, 1983.

**Section B. Exclusive Right.** The Employer will not meet and negotiate relative to those terms and conditions of employment subject to negotiations with any ASF Member groups or organizations composed of ASF Members covered by this Agreement except through the Association.

## **Section C. Unit Determinations.**

Subd. 1. The President or his/her designee shall, in a timely manner, send to the designated local association representative or his/her designee, the position description, organization chart, and other supporting documentation for all new classified and unclassified supervisory and professional positions which have not been assigned to an existing bargaining unit or which are proposed for assignment to a different bargaining unit. This includes positions to be placed in excluded management and confidential units. If the local association representative requests a meeting with the university Administration within 10 working days of mailing or delivery of the data, a meeting shall be held within 10 working days, unless another date is mutually agreed to.

Subd. 2. If the parties cannot agree to the appropriate unit for the position, the President shall make an initial determination as to unit placement and shall submit it to the Chancellor or his/her designee. The Chancellor or his/her designee shall notify the Association's President or his/her designee and shall arrange a meeting if desired.

Subd. 3. If the parties are unable to agree as to unit placement of the position, the Chancellor or his/her designee shall make a determination as to unit placement of the position and shall send the position request for temporary assignment to the Minnesota Department of Employee Relations for submittal to the Minnesota Bureau of Mediation Services.

Subd. 4. Managerial and confidential positions upon which the parties have agreed or not raised objections shall be placed in those units. Non-managerial, or non-confidential positions upon which the parties have agreed or not raised objections shall be assigned to the agreed upon unit, and the Chancellor or his/her designees shall send such positions to the Minnesota Department of Employee Relations for submittal to the Minnesota Bureau of Mediation Services.

Subd. 5. Positions which have gone through the process contained in the Subdivisions 1-3 above, and which remain in dispute, may be challenged by the Association filing the proper petition with the Minnesota Bureau of Mediation Services.

Subd. 6. The parties may agree to hold informal discussions with the Minnesota Bureau of Mediation Services concerning the appropriate assignment of any position in dispute. In such cases, the Minnesota Bureau of Mediation Services will be asked to issue an advisory opinion which the parties may use in the form of guidance, but which shall not be binding on any of the parties.

Subd. 7. The Unit Determination Criteria as agreed to by the parties involved and issued by the Minnesota Bureau of Mediation Services are contained in Appendix F to this Agreement.

Subd. 8. This section shall be non-grievable and non-arbitrable except for failure to provide the data noted in Subdivision 1 above.

## **ARTICLE 4 ACADEMIC FREEDOM**

**Section A. Policy.** It shall be the policy of the Minnesota State Colleges and Universities to maintain and encourage full freedom, within the law, of inquiry, teaching, and research. The Employer shall not discriminate against an ASF Member for engaging in political activities or holding or voicing political views, so long as the exercise of this right does not interfere with his/her responsibility as an ASF Member.

**Section B. Prohibition.** The Employer agrees not to use any mechanical or electronic listening or recording devices except with the ASF Member's express consent; provided however, that nothing herein shall be construed to preclude the recording of formal proceedings where a record or minutes is customarily maintained.

**Section C. ASF Member Obligation.** In the exercise of academic freedom the ASF Member, while engaged in classroom teaching activities, may, without limitation, discuss his/her own subject in the classroom; he/she may not, however, claim as his/her right the privilege of persistently discussing in the classroom matter which has no relation to the subject. In extramural utterances, the ASF Member has an obligation to not represent himself/herself as an institutional spokesperson unless so designated by the President.

**Section D. Research and Publication.** An ASF Member is entitled to full freedom in research activities and in the publication of results, so long as such activities do not interfere with the performance of his/her job duties. Research conducted at the direction of the University may only be published upon written permission of the President.

The Employer agrees to cooperate with the Department of Finance and the Association in facilitating the deduction of membership dues established by the Association from the salary of each ASF Member who has authorized such deduction in writing. The aggregate deductions of all ASF Members shall be remitted together with an itemized statement to the Association Treasurer, or designee, no later than fifteen (15) calendar days following the end of each payroll period.

Subd. 2. Fair Share. In accordance with Minnesota Statutes Section 179A.06, Subd. 3, the Association may require the Employer to check off a fair share fee for each member of the unit who is not a member of the Association.

Subd. 3. Indemnification. The Association agrees to indemnify and hold the Employer harmless against any and all claims, suits, order or judgments brought or issued against the Employer by an ASF Member as a result of any action taken in accordance with the provisions of this Section.

### **Section B. Meet and Confer**

Subd. 1. MnSCU. The Association may establish a committee of a reasonable number to be mutually agreed upon by the Chancellor, or his/her designee, and the Association to meet and confer with the Chancellor or his/her designee for the purpose of discussing matters of mutual concern, including those matters necessary to the implementation of this Agreement which are systemwide in nature. Such meetings will be held at the request of either party at least three (3) times each fiscal year unless waived by the Association. The Chancellor or his/her designee(s) shall provide the facilities and set the time for such conferences upon request of the Association. A written agenda shall be submitted by the Association to the Chancellor at least ten (10) calendar days in advance of the scheduled meeting date. At the discretion of the Chancellor, additional matters for discussion may be placed on the agenda upon advance notice to the Association.

Subd. 2. University. Each Campus Association may establish a committee of a reasonable number to be mutually agreed upon by the President, or his/her designee, and the Campus Association to meet and confer with the university President or his/her designee(s) for the purpose of discussing local issues of mutual concern or interest. Such meetings will be held at the request of either party or at least monthly at mutually acceptable times and locations. The requesting party shall submit a proposed agenda to the other party at least seven (7) calendar days in advance of the scheduled meeting date. Additional items for discussion may be added to the agenda by either party and such additions shall be promptly communicated to the other party prior to the meetings.

The Campus Association shall be provided copies and supporting documents on any proposed policies and procedures pertaining to ASF members or the unit, and shall have the right to make policy recommendations including, but not limited to, the following areas: curriculum, evaluation of students, graduation requirements, admissions policies, budget planning and allocations, programs and program development, anticipated annual staffing plans, long-range planning, campus or System reorganization which directly affects the terms and conditions of employment of any ASF member(s), development of campus facilities, and procedures for the selection of personnel. Any unit reduction due to layoff (Article 22) or subcontracting (Article 12) is subject to meet and confer. Policy decisions subject to meet and confer shall not be implemented prior to being brought to meet and confer. Failure of the Association to meet and confer or to respond shall not prevent the Administration from implementing decisions.

### **Section C. Access to Information.**

Subd. 1. The Employer agrees to provide the Association with information pertaining to the Employer's budget, both present and proposed, and other statistical/financial information necessary for the negotiation and implementation of this Agreement.

Subd. 2. Within sixty (60) calendar days from the execution of this Agreement, the Employer will

forward to the Teamster's office and the Association President a list of all MSUAASF members in the unit, separated by campus, which shall contain the following information: name; address; campus; range; funding source; step; salary; type and length of appointment; date of hire; social security number; percent of full-time; job title; and, date of class entry. The Employer shall update this list on a monthly basis.

Subd. 3. The Employer shall also furnish the Campus Association President notification of announcements of unclassified, non-teaching vacancies and new non-teaching positions at the time such vacancies and positions are announced for recruitment purposes.

Subd. 4. This provision shall not be construed to require the Employer to compile information and statistics in the form requested which are not already compiled in that form, unless mutually agreeable. Reasonable costs incurred in compiling such data and information may be charged by the Employer to the Association.

**Section D. Use of Facilities.** Upon request to the university President or his/her designee, the Campus Association shall be permitted to meet at the university if appropriate facilities are available. All requests must be submitted in accordance with the campus facility usage procedure. Any additional costs incurred by the Employer because of the Campus Association's use of its facilities may be charged to the Campus Association.

**Section E. Bulletin Boards.** The university President or his/her designee shall furnish adequate bulletin board space in convenient locations on the campus for the exclusive use of the Association for the purpose of meeting notices and other relevant announcements.

**Section F. ASF Member Mail.** The Association shall be permitted the right to use university mail distribution services for on-campus mailing to ASF Members. "Distribution service" shall include electronic mail for both on-campus and inter-campus mailing.

**Section G. Association Release Time.**

Subd. 1. The Employer and the Association agree that the conduct of Association business shall be governed as follows:

(a) Duly authorized representatives of the Association shall be free to transact official Association business necessary to the performance of Association responsibilities to ASF bargaining unit members, including grievance representation activities. Such business may be conducted at the university at reasonable times so long as it does not interfere with the normal functioning of the university.

(b) Association representatives who are appointed to serve on System level committees or

committees established by the university President or his/her designee shall be released to perform such service. Use of the above noted time to perform Association business shall be governed by the principle that such time shall not be unreasonable.

Subd. 2. Association President and Designees. Upon request of the Association, the Association President and his/her designee(s) shall be granted up to one (1) FTE release time from his/her assigned workload for each year of the contract. The Association shall reimburse the Employer at the amount of \$2500 per month of full time employment prorated for the amount of release time granted. The Association and the Employer may meet and confer to discuss additional FTE release for the Association if circumstances warrant. The number of individuals granted release time shall not exceed four (4).

Effective July 1, 1996, the rate of reimbursement noted above shall change yearly by the percentage change in the salary compensation of the bargaining unit.

Subd. 3. Professional Development. Upon completion of two (2) consecutive terms as Association President, an ASF Member may have the opportunity to take a paid professional development leave of up to six (6) months, if the professional development activity is mutually agreed to by the President and the ASF Member. The application for Professional Development Leave must be submitted within three (3) months of completion of the second term. The starting date of the leave must be agreed upon by the President and the ASF Member.

Subd. 4. Association Meetings. Authorized ASF Board members, not to exceed three from each campus, shall be released one (1) day with pay per meeting for up to three (3) Association Board meetings per year.

**Section H. Board of Trustees Meetings.** The Association President and each Campus Association President shall be sent advance notices and agendas of the Board of Trustees meetings and shall also be provided copies of the minutes.

## **ARTICLE 8 MANAGEMENT RIGHTS**

**Section A. Inherent Rights.** Except as expressly delegated in this Agreement, the Employer reserves all management rights and management functions as provided by law to the state of Minnesota.

**Section B. Management Rights.** Except as expressly delegated in this Agreement, the parties agree that management rights include but are not limited to the following: establishment of educational policies of the universities; administration of the universities; selection, direction, assignment, transfer, evaluation and

promotion of ASF Members; establishment of class schedules; the exercise of such areas of discretion or policy as the functions and programs of the Employer, its overall budget, utilization of technology, the organizational structure, and the number of personnel.

**Section C. Management Responsibilities.** The parties also recognize the right and obligation of the Employer to efficiently manage and conduct the operation of the System within its legal limitations and with its primary obligation to provide educational opportunities. The foregoing enumeration of Employer rights and duties shall not be deemed to exclude other inherent management rights and functions not expressly reserved herein, and all management rights and functions not expressly delegated in this Agreement are reserved to the Employer.

## **ARTICLE 9 AGREEMENT AGAINST STRIKES AND LOCKOUTS**

**Section A. Lock-Outs.** No lock-out of ASF Members shall be instituted by the Employer during the term of this Agreement.

**Section B. Strikes.** During the life of this Agreement, no strike of any kind, as defined in Minnesota Statutes 179A.19, shall be engaged in, sanctioned, or supported by the Association, its officers, or agents, unless the Employer refuses to accept binding arbitration when requested to do so pursuant to P.E.L.R.A., or unless the Employer refuses to comply with a valid arbitration decision pursuant P.E.L.R.A. In the event the Employer alleges that any ASF Member or ASF Members are engaged in a strike, the Association will, upon written notification, immediately notify such ASF Member or ASF Members in writing of the allegation and the implications of a strike.

## **ARTICLE 10 APPOINTMENTS**

**Section A. Appointments.** There shall be the following types of ASF Member appointments:

Subd. 1. Fixed-Term. A fixed-term appointment is an appointment for a limited period of time. A fixed-term appointment terminates at the end of the appointment period and does not imply that any future employment will be offered.

(a) Fixed-term appointments may be used to fill vacancies created by leaves of absence, to fill positions when the President determines that normal recruitment and selection procedures cannot be implemented due to time constraints (an emergency fill), to meet peak work demands, to fill positions that involve head or assistant coaching responsibilities or for special projects.

(b) Normally, a fixed-term appointment shall not exceed twelve (12) months in duration.

However, the President may extend such an appointment to a maximum of twelve (12) additional months when such action is deemed to be in the best interest of the university. Fixed-term appointments involving head or assistant coaching responsibilities shall not be subject to the limitations set forth in this paragraph.

(c) If the position is being used to fill a leave of absence which has been extended pursuant to Article 19, Section A, Subd. 2, a fixed-term appointment may extend beyond twenty-four months, but shall be limited by the length of the leave granted.

(d) If there is a need to terminate the appointment prior to the appointment end date, the ASF member will be given 45 calendar days notice of such termination.

(e) Current or future ASF Members in a probationary, permanent, or externally funded position who are assigned coaching duties will not be involuntarily converted to fixed term status. During FY 2000 and FY 2001 the Employer may provide a one-step increase upon voluntary conversion. For positions involving head or assistant coaching responsibilities, ASF Members may only be assigned fixed term assignments under this subdivision if the coaching duties are at least fifteen percent (15%) of the position duties.

#### Subd. 2. Externally Funded.

(a) An externally funded appointment is an appointment made to a position financed by monies from a source of funding external to the institution which may terminate such funding in a manner beyond the control of the Employer. Such appointments are not subject to the two (2)-year limitation in Subd. 1.

(b) Positions filled by an externally funded appointment do not become probationary when a portion of the funding is supplied from state money or state generated revenue. An externally funded appointment terminates when the external funding ceases, unless the university determines to continue the position when external funding ceases. An externally funded appointment does not imply that any future employment will be offered.

(c) Any ASF Member hired on probationary status shall not be involuntarily changed to externally funded status if some portion of the funding of that position is shifted to monies from a funding source external to the institution which may terminate such funding in a manner beyond the control of the university Employer.

(d) Any ASF Member with an externally funded appointment with five years or less of service may be non-renewed at the end of his/her appointment. Such non-renewal shall not require just cause. The decision of the president to non-renew an externally funded ASF Member shall not be subject to the arbitration step of the grievance procedure. Any

ASF Member hired on an externally funded appointment who subsequently becomes fully funded by state appropriated monies in the same position shall be converted to a fixed term or a probationary appointment. Within any particular department, program, or service area, which includes positions so funded, the least senior ASF Member or ASF Members other than the Director shall occupy the externally funded positions. The probationary period for ASF Member(s) moved from externally funded positions as a result of this subdivision shall be governed by Subd. 3c.

(e) Notwithstanding the provisions of Article 22, ASF members with externally funded appointments with more than five years of service shall receive written notice of layoff four months in advance of termination. For purposes of this paragraph, a layoff shall not include the elimination of externally funded positions due to cessation or reduction of external funding. Any ASF Member with an externally funded appointment shall be subject to discipline only in accordance with the "just cause" provisions set forth in Article 23, Section A.

### Subd. 3. Probationary.

(a) Definition. A probationary appointment means that the individual holding such an appointment is being evaluated for purposes of determining whether or not he/she will be offered an appointment with permanent status.

(b) Length. The total period of probationary service, prior to the acquisition of permanent status, shall be five (5) years of continuous service. For purposes of this Article, an appointment of at least one-half time (.5) for nine (9) to twelve (12) months shall be considered to be a year of service. "Appointment Year" under Subdivision 3 is deemed to be the period of employment between July 1 and June 30 annually. For purposes of this Article, "continuous service" shall commence on the first duty day an ASF Member begins employment service with a state university and shall be interrupted only by separation because of resignation or dismissal.

(c) Computation. The probationary period shall include all probationary service in a position within the bargaining unit within the ASF Member's particular university. However, in the event that an ASF Member is on a fixed-term or externally funded appointment, and is reassigned to a probationary position within the bargaining unit, the ASF Member involved shall receive one (1) year of credit toward permanent status for each year of service up to a maximum of four (4), but in such case shall serve a minimum of one (1) year probationary status in that position. Notwithstanding the above, prior service in the classified service or in externally funded positions, if such service is in the ASF Member's current position, shall be counted toward completing the probationary period up to a maximum of four (4) years.

ASF Members who have been assigned to a different position within the bargaining unit (except if assigned to an interim/acting position) after they have attained permanent status shall serve a probationary period of one (1) year in the new position. Probationary ASF members who are assigned to a different position within the bargaining unit shall complete their probationary period in the new position or serve a one (1) year probationary period, whichever is greater. If an ASF member does not successfully complete this probationary period, he/she shall be returned to his/her immediately preceding status, without access to the grievance procedure.

(d) Dismissal. Dismissal shall only be for just cause.

(e) Non-Renewal. A probationary ASF Member may be non-renewed at the end of his/her appointment year. Such a non-renewal shall not require just cause. Non-renewal prior to the completion of the probationary period shall require a three (3) month written notice by April 1 to be effective on June 30 for ASF Members in the first year of probation. If the ASF Member's first appointment year is less than nine (9) months, written notice of non-renewal shall be given by May 31 to be effective on June 30. If notice of non-renewal is given during the second, third and fourth year of appointment, written notice shall be given by December 31 to be effective on June 30. A probationary ASF Member who is not to receive an appointment with permanent status after completing the probationary period, shall receive written notice by June 30 to be effective the following June 30. Nothing contained herein modifies the computation of service applied to probation under (b) and (c) above. The decision of the President to non-renew a probationary ASF Member shall not be subject to the arbitration step of the grievance procedure.

(f) Evaluation. Probationary ASF Members shall be provided an annual, written performance evaluation based on job performance as established by each campus. Job performance deficiencies noted in this evaluation are to be addressed in a plan for performance improvement developed by the ASF Member and supervisor.

Subd. 4. Permanent Status. An appointment with permanent status is an appointment granted by the Employer upon successful completion of the probationary period specified in Subd. 3 above. Appointments with permanent status are for an indefinite time period and individuals holding such appointments continue in employment status within the university, but not in any particular position, unless terminated under the provisions of either Article 23, Dismissal, Suspension, and Disciplinary Demotion, or Article 22, Layoff.

Subd. 5. Position Requirements. All MSUAASF position appointments of greater than six (6) months duration require minimum qualifications of a Bachelor's degree/appropriate professional certification, or an equivalent combination of education and experience. The six month period may

be extended by an additional six (6) months if the Employer notifies the Campus Association in writing that the Employer has experienced a failed search with respect to the affected position. ASF Members employed prior to July 1, 1999, shall not be discharged or demoted based upon this provision.

**Section B. Current ASF Members.** ASF Members whose initial appointment with a university in a position in the bargaining unit commenced prior to March 5, 1976, shall be subject to the following provisions:

Subd. 1. ASF Members Automatically Granted Permanent Status. Any ASF Member who has been granted administrative tenure either prior or subsequently to June 30, 1971, under Minnesota State University Board Rules and Regulations in effect prior to June 30, 1971, shall automatically be granted permanent status within the university but not in any particular administrative position. ASF Members who have earned tenure in an academic program shall automatically be granted permanent status as defined in Subd. 4 above.

Subd. 2. ASF Members With Academic Tenure. ASF Members who have earned tenure in an academic program shall retain their tenure in that program and in their highest academic rank and not in any administrative position. An ASF Member may elect to return to a position in that academic program in which he/she holds tenure if said ASF Member is eligible to claim a position pursuant to the contract provisions of the Agreement covering ASF Members in that academic program. If, however, such reassignment requires the termination of an ASF Member in the academic program who has less seniority, the effective date of the ASF Member's reassignment shall be deferred until a vacancy exists or until the end of the next subsequent academic year, whichever is earlier. In the interim period prior to reassignment, the Employer may assign the ASF Member to another administrative position at the university at a comparable salary level. An ASF Member who has earned or earns tenure may also hold permanent status under the provisions of this Article.

**Section C. Notification of Appointment.** Each ASF member will be notified in writing at the beginning of each fiscal year of his/her salary, salary range, title, type of appointment, starting and ending dates of the appointment, full or part-time status (if part-time, percentage of full-time will be shown), probationary months worked, if any, payment option, soft money designation, and any other relevant special conditions of employment, if any, such as "live-in" requirements and applicable rental charges for residence hall staff. The format of the appointment document shall be the same for each university, and shall include a statement that the appointment is subject to the provisions of this Agreement.

**Section D. Notice of Change of Appointment.** Any change of terms and conditions of an existing appointment not sufficient to constitute layoff is not effective until 30 days after notification to the affected ASF member.

## **ARTICLE 11 WORKLOAD**

**Section A. Duty Days.** For purpose of determining ASF Member benefits and salary, the annual duty days for a full-time twelve (12) month appointment shall be calculated at 261 days, inclusive of all paid holidays and paid leave days without reference to 260 or 262 duty days. Any appointment of less than twelve (12) months, or less than full time, shall be figured as a fraction of 261 days.

**Section B. Work Schedule.** The Employer and the Association endorse the principle that non-traditional working patterns may provide the best means for the discharge of professional responsibilities. In such context, the Employer agrees that schedule adjustments as approved by the President or his/her designee shall be made to adjust for unique requirements of the ASF Member's assignment. Additionally, the Employer and the Association agree to the following concepts regarding schedule adjustments:

- (1) ASF Members hold professional positions within the Association, and are responsible for accomplishing the necessary work reasonably expected of the positions.
- (2) The Association and the Employer agree that programs, departments and service areas of the universities need to operate for determined hours and to provide determined services to the clientele of the universities.
- (3) Within each program, department or service area, ASF Members as assigned may work in excess of their normal bi-weekly work period to meet peak work demands. These peak demands may be considered as annual reoccurring requirements of the position, or periodic normal requirements of the position. The Employer agrees that ASF Members shall be permitted to schedule flexible work schedules to offset these peak work periods.
- (4) It is also understood by the Association and the Employer that the flexible work schedules will be implemented following the peak work periods and approved in advance by the appropriate manager or supervisor. The Employer agrees that administrators, managers and supervisors shall make a reasonable attempt to honor requests for these applications, dependent upon staffing and project needs. Such requests, where honored must be completed within the biennium.
- (5) The Association and the Employer agree that the time management understanding outlined herein does not entitle any ASF Member to an hour for hour offset for time worked in excess of their normal bi-weekly work period.
- (6) The Association and the Employer agree that the application of these procedures shall be on a request by request basis and shall not result in the establishment of formal or informal compensatory time banks.

**Section C. Fair Labor Standards Act.** No provision of this Agreement shall abridge, violate or diminish rights of ASF Members as guaranteed by the Fair Labor Standards Act.

**Section D. Part-Time Scheduling.** Subject to section B of this Article, the Employer and the Association endorse the principle that less than full time equivalent (“FTE”) positions shall, within reason, be expected to work a biweekly work period that equated to an eighty (80) hour work period multiplied by the position’s FTE. (e.g. 80 hours @.75 = 60 hrs).

It is further understood by both parties that ASF Members assigned to less than a FTE position may be require, during the peak work periods, to exceed their normal biweekly work period.

The Employer agrees to review any ASF less than FTE position if, the Association can demonstrate that the position has regularly been required to work a work period that substantially exceeds the normal work period as defined above, and adjust the FTE of the respective position as deemed appropriate by the Employer.

## **ARTICLE 12 SALARIES**

### **Section A. Assignment to Salary Range.**

Subd. 1. Process. For purposes of assignment of positions to salary ranges, the Employer agrees to continue to use the following instruments: MSUAASF/Excluded Staff Position Description form; Position Analysis Questionnaire; Administrative Procedures for MSUAASF /Excluded Staff Position Evaluations; and the System MSUAASF benchmarks. The Employer will provide three (3) copies of each of these to the Campus Association President, and a copy will be available in each human resources office.

Subd. 2. Evaluation Committee. A local evaluation committee will be established by the President and it shall include a Campus Association representative.

Subd. 3. Benchmark Range Assignments. Positions are assigned to comparable benchmarks and are assigned to salary ranges A through E as specified in Section B. Such assignments shall continue for the duration of this Agreement unless reassigned pursuant to Subd. 4 of this Section.

Subd. 4. Position Reassignments. The documents referred to in Subd. 1 above are for informational purposes only. They are not part of the collective bargaining agreement, and are not negotiable or grievable. Positions created during the term of this Agreement will be evaluated for the purpose of assignment to salary range. An ASF Member or supervisor may request to have a position reevaluated if such a request is based upon changes in the position and such request shall be acted upon unless the position has been evaluated in the previous twelve (12) month period, in which case endorsement of the request by the President's designee will be required before a reevaluation is undertaken. All requests for reevaluation shall be in writing. The Employer agrees that an opportunity to appear before the evaluation committee will be provided to the ASF Member. The Employer further agrees that an opportunity shall be provided to each ASF Member and to the Campus Association President to discuss the evaluation of the position with the Human Resources Director. The Campus Association President and the ASF Member shall be notified of the results of the campus recommendation. The effective date of the reassignment to a different salary range shall be the date the appropriate Vice President receives a formal written request for reevaluation of the position, with all appropriate agreed upon documentation.

Subd. 5. Position Description. The Employer agrees to provide each ASF Member a copy of his/her position description and position analysis questionnaire, and all such position descriptions and position analysis questionnaires shall be available to the Campus Association President upon request. The format of position descriptions and position analysis questionnaires shall be uniform for all ASF Members in the bargaining unit and shall be made available upon request to all ASF Members through the human resources office.

Subd. 6. Discretion. The ultimate authority of assignment to ranges is reserved to the discretion of the Employer.

**Section D. Exclusions.** Medical Directors and Health Service Physicians shall have their initial salary set without reference to the ranges stated above. In FY 2000 ASF members under this Section shall receive a 3.2% increase to their FY 1999 base salary. On July 1, 2000 ASF Members under this Section shall receive a 4.25% salary increase to their FY 2000 base salary. On January 3, 2001 ASF Members under this Section shall receive a 2% salary increase to their existing FY 2001 salary.

**Section E. Duration of Salary Increases.** Any salary increases provided in this Agreement shall be limited to the duration of this Agreement, and if a successor Agreement is not in effect on July 1, 2001. ASF Members shall be compensated pursuant to the effective salary as of June 30, 2001, until such time as a successor Agreement is in effect.

**Section F. New ASF Members.** Step placement for new ASF Members shall be consistent with equity and experience. If market is a factor in determining salary placement, and the salary exceeds the midpoint of the appropriate range, the salary must be approved by the Chancellor's Office.

**Section G. Salaries on Promotion or Reassignment or Downgrade.**

Subd. 1. Promotion. A promotion occurs when a current ASF Member is selected to fill a vacant position in a higher salary range. Compensation will be determined at the time of the new appointment.

Subd. 2. Reassignment. A reassignment occurs when, as a result of increased levels of responsibility within a given job, that job is reevaluated in accordance with the procedures set out in Section A and reassigned to a higher salary range. The ASF Member will be compensated at a salary which is, at a minimum, the nearest higher salary in the new range plus one (1) additional step.

Subd. 3. Downgrade. A downgrade occurs when an ASF Member voluntarily accepts a position in lower salary range. The ASF Member shall have his/her salary reduced to the maximum of the new range, or if his/her salary is within the new range, to the salary which is nearest but not less than his/her current salary. In no event shall the ASF Member receive an increase in salary as a result of the downgrade.

**Section H. Exceptional Achievement Incentive Program.** The purpose of this program is to provide ASF Members with an incentive to attain high achievement in a number of areas. It will provide recognition to the career ASF Member who consistently demonstrates exceptional performance in their current positions as well as scholarly activity, continuing preparation, student growth, and service to the university and/or community. The Exceptional Achievement Incentive Program shall be based on the principles of demonstrated consistent high performance and achievement.

Subd. 1. To be eligible for this program an ASF Member must have been employed at his/her

university for ten (10) years and in essentially the same position for seven (7) years. Each year of the agreement no more than ten percent (10%) of the eligible ASF Members may have plans approved under this program.

Subd. 2. An eligible ASF Member is expected to demonstrate exceptional achievement under criteria "a" Demonstrated Ability to Effectively Perform Responsibilities, as well as in a minimum of two additional areas. A mutually agreed upon plan between the ASF Member and his/her supervisor is the first step in this process. Once the plan has been mutually agreed to by the ASF Member and his/her supervisor it shall be submitted to the appropriate Vice President. If the Vice President recommends approval of the plan, he/she shall convene a meeting of all the Vice Presidents on his/her campus within a reasonable period of time. If the Vice Presidents recommend approval of the plan it shall be submitted to the President whose decision shall be final. If the ASF Member's Vice President, the group of campus Vice Presidents or the President rejects a plan he/she/they shall provide a written statement of the reasons for the rejection to the ASF Member within two (2) weeks of their decision. The decision to approve or not approve a plan shall not be grievable.

Subd. 3. Criteria. The criteria to be used shall be:

(a) Demonstrated ability to effectively perform job responsibilities.

High achievement in performing one's current responsibilities is a necessary condition of an exceptional achievement incentive plan. A pattern of consistent high achievement on performance evaluations may be considered appropriate documentation.

(b) Scholarly activity, creative achievement or research.

Evidence of an ASF Members continuing contribution to his/her profession is necessary for the completion of this criteria. The fundamental principle is high achievement as demonstrated by professional recognition by peers at a state, regional or national level. This involves appropriate dissemination of new knowledge, scholarly and artistic work as well as applied research.

(c) Evidence of continuing preparation, study.

ASF Members can demonstrate continuing professional growth in a number of ways such as: completion of a degree or certificate program; evidence of active participation as a presenter in state, regional or national professional meetings; post graduate seminars; participation in workshops and training sessions; and additional graduate coursework. Such continuing preparation and study should be relevant to the individual's position responsibilities or continued professional growth.

(d) Contribution to student growth and development.

ASF Members can demonstrate high achievement in this area through evidence of advising excellence, unusual success in recruitment, retention or placement of students; counseling excellence; residential life programming excellence; facilitation of student groups and student leadership, student research projects or internships; comments from alumni; or involvement in department, center or extra-departmental student activities.

(e) Service to the university or community.

Service to the university can be demonstrated through service on departmental, division, or university committees; service on search committees, service for professional organizations, or with specific projects on the university's behalf; unusual success in fundraising, conducting workshops, developing and maintaining effective working relationships with teaching faculty; teaching courses not part of position responsibilities; and assisting with cultural diversity. Normally service to the external community is understood to be service consistent with, or growing out of, one's professional expertise yet beyond the expectations of one's position responsibilities. This can include administrative leadership. Effective communication to the public through various media is an important form of community service.

Subd 4. Salary Adjustment. Upon the successful completion of the approved Exceptional Performance Incentive Plan the ASF Member will receive a lump-sum payment equal to a five percent (5%) increase. This lump-sum payment shall not be added to base salary and can continue to be paid annually on a lump sum basis as long as the approved project continues to be performed. ASF Members at the top of the salary schedule will be eligible for a lump-sum payment.

### **Section I. Additional Assignments.**

Subd. 1. For additionally assigned responsibilities in the bargaining unit not reasonably covered by the ASF Member's position description which the ASF Member performs for six (6) weeks or longer, vacation exempted, appropriate additional compensation shall be provided.

Subd. 2. Acting Appointment. An ASF Member who is assigned on an acting basis to a position in a higher range in the bargaining unit shall be compensated at a salary which, at a minimum, is the nearest higher salary in the new salary range, plus one step.

Any acting appointment with an expected duration greater than one year shall be subject to meet and confer with the local Association.

Subd. 3. When any additional assignments involve classroom teaching, compensation shall, at a minimum, be at the rate of \$955 per credit hour for FY 2000 and \$1,000 for FY 2001 or the negotiated adjunct faculty pay rate, whichever is greater.

**Section J. Consolidated Positions.** During FY 2000 and FY 2001, if as a result of a university's permanent elimination of an ASF unit position, a current ASF member is assigned additional responsibilities that were formerly assigned to the permanently eliminated position, and such additional responsibilities are not reasonably covered by the current ASF Member's position description, the university may elect to provide appropriate additional compensation. Appropriate additional compensation provided pursuant to this Section shall not be limited by the salary schedules set forth in Sections B and C of this Article, but shall not annually exceed 10% of the ASF Member's base salary. The university's decision concerning additional compensation in these circumstances shall be grievable only through Step III of the grievance procedure. Should the ASF Member be relieved of the additional responsibilities described herein, or other comparable responsibilities, or if the affected ASF member's position is reevaluated for reassignment, the salary enhancement described in this Section shall end.

**Section K. Discretionary Function.** The discretionary function of the Employer as provided in this Article shall not be the subject of the grievance procedure.

**Section L. Assignment to Akita Campus.** ASF Members assigned to the Akita campus of MnSCU will have compensation and benefits as determined by a separate letter of agreement in Appendix D.

**Section M. Health/Dental Premium Expense Accounts.** Insurance eligible ASF Members pay any applicable portion of health and dental premiums on a pre-tax basis as permitted by law or regulation. ASF Members may establish a Medical Expense Account to cover co-payments, deductibles and other medical and dental expenses or expenses for services not covered by health or dental insurance as permitted by law or regulation, up to a maximum of five thousand (\$5,000) dollars per insurance year.

**Section N. Dependent Care Expense Account.** The Employer agrees to provide insurance eligible ASF Members with the option to participate in a dependent care reimbursement program for work related dependent care expenses on a pre-tax basis as permitted by law or regulation, up to a maximum of five thousand (\$5,000) per insurance year.

**Section O. Supplemental Retirement.** Pursuant to Minn. Statutes 136.80, 136.81, and 356.24, in FY 2000 the Employer shall deduct from the salary of each full time ASF Member a sum equal to five (5) percent of the annual salary paid after the first \$6,000 up to a maximum deduction of \$1,800 and during FY 2001 a maximum deduction of \$2,000 to be paid into the state university supplemental retirement account of the retirement fund. The Employer shall make a contribution in an amount equal to the deductions made from the ASF Member's salary. Deductions shall begin in the ASF Member's third year of full time employment in the System.

**Section P. Early Notice Incentive.** ASF Members who elect to retire with at least fifteen (15) years of service in the Minnesota State Universities and who are at least age fifty-five (55) shall have their salary increased by five (5) percent in the final year of employment. The ASF Member must submit a written letter of retirement by October 15 of the fiscal year at the end of which retirement will occur.

**Section Q. Payment Option.** An ASF Member with an appointment of at least nine (9) months in duration may elect, at the beginning of his/her appointment period to have his/her salary paid over a twelve (12) month period.

**Section R. Subcontracting.** In the event the Employer determines to subcontract out work being performed by ASF Members that may result in a reduction of ASF positions or appointment levels, the Association will be notified in advance and afforded the opportunity to meet and confer on this matter.

**Section S. Moving Expenses.** At the Employer's discretion, moving expenses may be reimbursed in accordance with applicable state regulations.

### **ARTICLE 13 INSURANCE**

**Section A. State ASF Member Group Insurance Program.** During the life of the Agreement, the Employer agrees to offer a Group Insurance Program that includes health, dental, life, and disability coverages equivalent to existing coverages, subject to the provisions of this Article.

All insurance eligible employees will be provided with a Summary Plan Description describing these coverages. Such Summary Plan Description shall be provided no less than biennially and prior to the beginning of the insurance year. New insurance eligible employees shall receive a Summary Plan Description within thirty (30) days of their date of eligibility.

**Section B. Eligibility for Group Participation.** This section describes eligibility to participate in the Group Insurance Program.

1. **ASF Members - Basic Eligibility.** An ASF Member may participate in the Group Insurance Program if he/she is employed on the basis of at least fifty percent (50%) of a nine (9) month or more appointment as defined in Article 11, Workload. An ASF Member hired on a temporary appointment during a fiscal year at fifty (50) percent time or greater should also be eligible for coverage if the president expects the appointment to continue beyond the current fiscal year at fifty (50) percent time or greater.
2. **ASF Members - Special Eligibility.** The following ASF Members are also eligible to participate in the Group Insurance Program:
  - (a) **ASF Members with a Work-related Injury/Disability.** An ASF Member who was off the State payroll due to work-related injury or a work-related disability may continue to participate in the Group Insurance Program as long as such an ASF Member receives workers' compensation payments or while the workers' compensation claim is pending.

- (b) Totally Disabled ASF Members. Consistent with M.S. 62A.148, certain totally disabled ASF Members may continue to participate in the Group Insurance Program.
- (c) Retired ASF Members. An ASF Member who retires from MnSCU, is not eligible for regular (non-disability) Medicare coverage, has ten (10) or more years of allowable pension service, and is immediately eligible to receive a retirement benefit under Chapter 354B or an annuity under a State retirement program, may continue to participate in the health and dental coverages offered through the Group Insurance Program at his/her own expense.

Consistent with M.S. 43A.27, Subdivision 3, a retired ASF Member who receives a retirement benefit under Chapter 354B or an annuity under a State retirement program may continue to participate in the health and dental coverages offered through the Group Insurance Program at his/her own expense. A spouse of a deceased retired ASF Member may continue health and dental coverages through the Group Insurance Program provided the spouse was a dependent under the retired ASF Member's coverage at the time of the retiree's death and continues to make the required premium payment. Retiree coverage must be coordinated with Medicare.

3. Dependents. Eligible dependents for the purposes of this Article are as follows:

- (a) Spouse. The spouse of an eligible ASF Member (if not legally separated). For the purposes of health insurance coverage, if that spouse works full-time for an organization employing more than 100 people and elects to receive either credits or cash (1) in place of health insurance or health coverage or (2) in addition to a health plan with a seven hundred and fifty dollar (\$750) or greater deductible through his/her employing organization, he/she is not eligible to be a covered dependent for the purposes of this Article. If both spouses work for the State or another organization participating in the State's Group Insurance Program, neither spouse may be covered as a dependent by the other unless one spouse is not eligible for a full Employer Contribution as defined in Section C(1).
- (b) Children and Grandchildren. An eligible ASF Member's unmarried dependent children and unmarried dependent grandchildren: (1) through age eighteen (18); or (2) through age twenty-four (24) if the child or grandchild is a full-time student at an accredited educational institution; or (3) a child or grandchild, regardless of age or marital status who is

incapable of self-sustaining employment by reason of mental retardation, mental illness, or physical disability and is chiefly dependent on the ASF Member for support. The handicapped dependent shall be eligible for coverage as long as she/he continues to be handicapped and dependent, unless coverage terminates under the contract.

"Dependent Child" includes an ASF Member's: (1) biological child, (2) child legally adopted by or placed for adoption with the ASF Member, (3) foster child, and (4) step-child. To be considered a dependent child, a foster child must be dependent on the ASF Member for his/her principal support and maintenance and be placed by the court in the custody of the ASF Member. To be considered a dependent child, a step child must maintain residence with the ASF Member and be dependent upon the ASF Member for his/her principal support and maintenance.

"Dependent Grandchild" includes an ASF Member's: (1) grandchild placed in the legal custody of the ASF Member, (2) grandchild legally adopted by the ASF Member or placed for adoption with the ASF Member, or (3) grandchild who is the dependent child of the ASF Member's unmarried dependent child. Under (1) and (3) above, the grandchild must be dependent upon the ASF Member for principal support and maintenance and live with the ASF Member.

If both spouses work for the State or another organization participating in the State's Group Insurance Program, either spouse, but not both, may cover their eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried ASF Members who share legal responsibility for their eligible dependent children or grandchildren.

4. Continuation Coverage. Consistent with state and federal laws, certain ASF Members, former ASF Members, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time. As of the date of this Agreement, state and federal laws allow certain group coverages to be continued if they would otherwise be terminated due to:
  - (a) termination of employment (except for gross misconduct);
  - (b) layoff;
  - (c) reduction of hours to an ineligible status;
  - (d) dependent child becoming ineligible due to change in age, student status, marital status, or financial support (in the case of a foster child or stepchild);

A probationary ASF Member hired during a fiscal year for at least seventy five (75) percent time or greater. An ASF Member hired on a temporary appointment during a fiscal year at seventy five (75) percent time or greater should also be eligible if the president expects the appointment to continue beyond the current fiscal year at seventy five (75) percent time or greater.
  
2. **Special Eligibility.** The following ASF Members also receive an Employer Contribution:
  - (a) **ASF Members on layoff.** An ASF Member who receives an Employer contribution, who has three (3) or more years of continuous service, and who has been laid off pursuant to the provisions of Article 22, remains eligible for an Employer contribution and all other benefits provided under this Article for twelve (12) months from date of layoff.
  
  - (b) **Work-related Injury/Disability.** An ASF Member who receives an Employer Contribution and who is off the State payroll due to a work-related injury or a work-related disability remains eligible for an Employer contribution as long as such an ASF Member receives workers' compensation payments. If such ASF Member ceases to receive workers' compensation payments for the injury or disability and is granted a leave under Article 18, he/she shall be eligible for an Employer contribution during that leave.
  
  - (c) **Sabbatical leave.** An ASF Member eligible for an Employer Contribution immediately prior to taking a sabbatical leave continues to receive the Employer Contribution during the sabbatical leave.
  
3. **Maintaining Eligibility for Employer Contribution.**
  - (a) **General.** An ASF Member who receives a full Employer Contribution

maintains that eligibility as long as the ASF Member meets the Employer Contribution eligibility requirements, and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to ASF Members who receive an Employer Contribution while on layoff as described in Section C(2)(a), or while eligible for workers' compensation payments as described in Section C(2)(b).

- (b) Unpaid Leave of Absence. If an ASF Member is on an unpaid leave of absence, then vacation leave, or sick leave cannot be used for the purpose of maintaining eligibility for an Employer Contribution by keeping the ASF Member on a State payroll for one (1) working day per pay period.
- (c) Academic Year Employment. If an ASF Member is employed on the basis of an academic year and such employment contemplates absences from the MnSCU payroll during the summer months or vacation periods scheduled by the Employer which occur during the regular school year, the ASF Member shall nonetheless remain eligible for an Employer Contribution, provided that the ASF Member appears on the regular payroll for at least one (1) working day in the payroll period immediately preceding such absences.
- (d) An ASF Member who is on an approved FMLA leave or on a voluntary reduction in hours as provided elsewhere in this agreement maintains eligibility for an Employer Contribution.

**Section D. Amount of Employer Contribution.** For ASF Members eligible for an Employer Contribution as described in section C, the amount of the Employer Contribution will be determined as follows beginning on January 5, 2000. The Employer Contribution amounts and rules in effect on June 30, 1999 will continue through January 4, 2000.

1. Contribution Formula - Health Coverage.

- (a) ASF Member Coverage. For ASF Member health coverage, the Employer contributes an amount equal to the lesser of one hundred (100) percent of the ASF Member premium of the Low-Cost Health Plan, or the actual ASF Member-only premium of the health plan chosen by the ASF Member.
- (b) Dependent Coverage. For dependent health coverage, the Employer contributes an amount equal to the lesser of one hundred (100) percent of the dependent premium of the Low-Cost Health Plan, or the actual

dependent premium of the health plan chosen by the ASF Member.

- (c) Low-Cost Health Plan. For the purposes of Section D(1), "Low-Cost Health Plan" means the health plan with: (1) the lowest family premium rate; and (2) operating in the county of the ASF Member's permanent work location county of residence for insurance year 2001; see Section D 1. (d) below; "Family premium" is the total of the ASF Member premium and the dependent premium.

The Low-Cost Health Plan for each county for the 2000 insurance year is listed in Appendix A. During the 2000 insurance year, the list may be changed only if the Low-Cost Health Plan no longer operates in a county.

**Low-Cost Health Plan Determination 2001.** The list for the 2001 insurance year shall be established in accordance with the following procedures:

The campus Association and Employer shall implement an equitable procedure for

distribution of the funds made available under this subdivision. The provisions of the subdivision shall continue until a successor agreement is in effect.

Subd. 2. Funds provided by this section shall be limited to paying the cost of travel, housing, meals, registration, and related expenses associated with participating in professional conferences, workshops, similar meetings, courses, and other related professional development activities. The funds may be used to pay for professional memberships, books, journals and software. The unit may carry over any portion of its allocation from the first to the second year of the biennium, and from one biennium to the next.

### **Section B. Professional Improvement Fund.**

Subd. 1. A total of seventy thousand dollars (\$70,000) in FY 2000 and seventy thousand dollars (\$70,000) in FY 2001 will be allocated to the state universities according to the number of full-time equivalent ASF members in the bargaining unit at each university. Any unused funds shall be carried over into the second (2nd) year of this agreement. ASF members may apply for Professional Improvement Funds without regard to the source of funding of their positions. The provisions of this subdivision shall continue until a successor agreement is in effect.

Subd. 2. These funds shall be grants for the purpose of professional improvement, ASF member development, staff training and similar kinds of development programs for ASF members. All ASF members shall be eligible to receive grants from these funds upon application submitted to and approved by the President or his/her designee. The President shall approve such applications if he/she deems the proposed professional improvement or development activities to be in the best interest of the university in improving the job-related skills and competence of the ASF member. The President shall determine the exact amount of each such grant on the basis of availability of funds and the application therefor. Within thirty (30) days of completion of the professional improvement or development activity, the ASF member must submit a written report to the appropriate supervisor outlining the activity completed and analyzing the impact on job-related skills and competence. Each campus shall develop a form for the report which shall be discussed at meet and confer.

### **Section C. Sabbatical Leave.**

Subd. 1. The President may grant a sabbatical leave to any ASF member who proposes to undertake additional study or other endeavors that will enhance the ASF member's contribution to the university.

Subd. 2. In order to be eligible for sabbatical leave, an ASF member must have completed at least six (6) consecutive years of service of at least .5 time for at least nine (9) months within each appointment year at the university since the ASF member's initial date of employment or the expiration of such ASF member's last previous sabbatical leave.

Subd. 3. The ASF member's application for sabbatical leave shall include a written plan consistent with the purposes outlined in Subd. 1 above with the dates of the requested leave. Within thirty (30) days of return from a sabbatical, the ASF member must submit a written report to the appropriate supervisor indicating what he/she accomplished on the sabbatical and how the accomplishments related to the written plan.

Subd. 6. Sabbatical leaves may be granted for three (3) months at a full base salary, or for any longer period up to twelve (12) consecutive months, at two-thirds (2/3) pay. ASF members who are granted a second sabbatical, if it lasts twelve (12) months shall be funded at 90% of base salary. For part-time ASF members, the amount of sabbatical pay shall be adjusted prorata. Beginning academic year 1998-99, ASF members on a sabbatical shall not accrue vacation leave, but shall accrue sick leave at one-half (1/2) the applicable rate.

Subd. 7. ASF members on sabbatical leave may accept scholarships, fellowships, grants, or employment during the sabbatical leave, consistent with the plan of such leave.

Subd. 8. The number of full-time (12-month) sabbatical leaves in any one (1) year at each university shall not exceed five percent (5%) of the number of ASF members appointed at .5 times or more under the Agreement at the university. This maximum may be prorated among several ASF members and among two-thirds (2/3) and full-pay sabbaticals contingent upon the President's determination that funds are available for this purpose and that staffing requirements of the university can be met.

Subd. 9. An ASF member shall be eligible for continued group insurance benefits as provided by law during the course of the leave.

Subd. 10. If another ASF member is assigned responsibilities of a person on sabbatical leave, in lieu of hiring a replacement, he/she will be compensated for the additional responsibilities under the terms of Article 12, Section I.

**Section B. Computation.**

Subd. 1. Severance pay shall be computed upon forty-five percent (45%) of the ASF Member's regular accumulated but unused sick leave balance based on the ASF Member's then current rate of pay. The percentage multiplier shall be increased by one percent (1%) for each year of service over twenty five (25) years to a maximum of fifty percent (50%).

Subd. 2. The base for computing severance pay shall not exceed one thousand (1,000) hours, nor shall said base include "lapsed" sick leave hours as provided by this Agreement. However, should the ASF Member have less than one thousand (1,000) hours of regular sick leave accumulated, the difference may be transferred from lapsed sick leave for purposes of calculation of severance pay.

Subd. 3. Calculation of an ASF Member's hourly rate for purposes of computing severance pay shall be based upon a base of two thousand eighty-eight (2,088) working hours per year. Appointment periods of less than one (1) year in duration shall be prorated on this base.

**Section C. Reappointment.** In the event an ASF Member who has received severance pay be subsequently reappointed to a state university, future severance pay for the ASF Member shall be computed upon his/her unused sick leave balance accumulated since the reappointment.

(b) Effective July 1, 1996, an ASF Member may apply for a separation incentive. The President will determine whether or not a separation incentive is appropriate for that employee's position. This decision is not subject to the grievance process.

Subd. 2. Compensation. An ASF Member qualifying for separation through resignation or early retirement shall receive compensation equal to his/her base salary minus ten percent (10%) of his/her base salary for each year beyond age fifty-five (55). The ASF Member shall receive compensation in payments over three (3) fiscal years. The first payment will be made upon separation with the other two (2) on reasonable terms as conveyed by the ASF Member and accepted by the Employer. No employee shall receive more than one hundred percent (100%) of total compensation in a single fiscal year.

Subd. 3. Maintenance of Benefits. The separated ASF Member under the provisions of this subdivision shall have the right to continue, at the Employer's expense, health insurance benefits for one (1) year after separation.

In connection with such duty to meet and confer, available information, statistics, or financial data related to any proposed layoff, including any anticipated reassignment of duties, shall be made available to the Campus Association at least ten (10) duty days prior to the meeting unless the Association agrees otherwise.

Subd. 2. Advance Notice. Written notice of layoff under the provisions of this Article shall be furnished probationary ASF Members at least three (3) months in advance of termination during the first two (2) years of employment, at least six (6) calendar months in advance of termination thereafter, and ASF Members with permanent status shall receive at least nine (9) calendar months advance notice. The Campus Association President shall receive notice of layoff of any ASF Member in the unit.

Subd. 3. Order of Layoff. After meeting and conferring with the Campus Association and pursuant to Subd. 1 hereof, the President shall determine the particular department, program or service area in which personnel reductions are to be made and the specific position or positions to be eliminated. Reductions shall then be accomplished in the following order:

- (a) If the position(s) identified for elimination are occupied by fixed-term, externally funded or probationary ASF Members, no further action is necessary except to provide required notice to affected employees.
- (b) If the position or positions identified for elimination are occupied by ASF Members with

permanent status, and there are fixed-term, externally funded or probationary status ASF Members in the particular department, program or service area occupying positions in the same or lower salary range as the position(s) to be eliminated, that the permanent status ASF Members are qualified to fill, as determined by the President, the fixed-term, externally funded or probationary ASF Member shall be laid off and the permanent status ASF Member reassigned to the position occupied by such ASF Member.

- (c) If there are not sufficient numbers of fixed-term, externally funded or probationary ASF Members in the particular department, program or service area to achieve the number of layoffs necessary, notice of layoff shall be given to the least senior permanent status ASF Member in the same or lower salary range as the position to be eliminated. The ASF Member whose position is to be eliminated will then be reassigned to the position vacated by the least senior permanent status ASF Member, if he or she is qualified as determined by the President. If more than one position is to be eliminated, notice shall be given in inverse order of seniority, and reassignment to resulting vacancies shall be made as indicated above. When such reassignment results in a demotion, it shall be treated as an involuntary downgrade under Article 12, Section G.
- (d) If a permanent status ASF Member whose position is being eliminated has thirty-six (36) FTE months in another department, program or service area at a state university, he/she may choose, at the time the decision is made to eliminate the position, to exercise his/her right to move to that department in his/her current institution. Notice within that department will be given consistent with (b) and (c) above.
- (e) An ASF Member who has received notice of layoff or is scheduled to be reassigned as a result of his/her position being eliminated, may, during the period between notice and actual layoff, accept, in lieu of layoff or reassignment, a comparable vacancy within the bargaining unit at that university, provided the President has determined that such vacancy is to be filled and that the ASF Member is qualified.

Subd. 4. Calculation of Seniority. For the purpose of this Article, "seniority" shall be defined as continuous employment at the university in positions within the bargaining unit. An authorized leave of absence, pursuant to Article 18 or 19 of this Agreement, shall not be deemed an interruption of continuous service. For purposes of this Section, a full-time ASF Member on a nine (9) to twelve (12) month appointment or on a .75 or greater appointment for 12 months shall be considered to have accrued one (1) year of seniority.

If two (2) or more ASF Members have equal seniority, then those with greater length of service in permanent status shall have priority for retention. Should ASF Members still be equal in seniority, then the decision of which person to retain will be made on the basis of ASF Member competence and programmatic needs of the university as determined by the President.

A seniority roster shall be posted by the President or his/her designee on or before November 1 of each year, and a copy of such rosters shall be furnished to the Campus Association President. Grievances concerning the accuracy of the roster must be filed within thirty (30) calendar days of publication of the roster and must be limited to changes made and shown on the most recent roster.

ASF Members on leave status at the time of posting of the seniority roster shall have (30) calendar days after the end of such leave within which to file a grievance. The format of the seniority roster shall be the same for each university. The rosters shall contain all relevant information necessary to implement this Article, including a notification of any department, program or service area in which the ASF Member has served at least thirty-six (36) FTE months.

Subd. 5. Sabbatical Leave. If an ASF Member had been scheduled for a sabbatical leave or a professional improvement grant, he/she shall not be deprived of the benefit because he/she is subject to layoff.

**Section B. Recall.** ASF Members with permanent status as defined in Article 10 laid off in accordance with this Article shall have recall rights in the same or similar position within the department, program, or service area from which he/she was terminated in accordance with the following provisions.

Subd. 1. When the vacant positions are filled, laid-off ASF Members shall be offered reemployment in inverse order of their layoff from the university. In addition, ASF members with recall rights shall be offered interviews for positions for which they apply and meet the minimum qualifications at any MnSCU institution for a period of six months from their effective date of layoff.

Subd. 2. Persons offered reemployment must accept such offer within fifteen (15) calendar days after such offer, such acceptance to take effect on a date specified by the President which will be not less than forty-five (45) calendar days from the date of the reemployment offer unless otherwise agreed to by the university and the ASF Member.

Subd. 3. Persons who decline offers of reemployment at the same or higher pay range as their previous position waive all rights of recall as established in this Article and shall have their names stricken from the recall list.

Subd. 4. All recall rights established herein shall expire at the conclusion of three (3) years from the effective date of the ASF Member's layoff.

Subd. 5. A list of all ASF Members laid off within the prior three (3) year period shall be maintained and circulated to each state university human resources office.

Subd. 6. Each university shall provide timely notice of all vacancies in this bargaining unit at the state

universities within MnSCU to each laid off ASF Member.

Subd. 7. By August 1 of each year, the Employer shall provide the Association President with a list of laid-off ASF Members eligible for recall and shall provide prompt notice of changes.

**Section C. Accrued Benefits.** An ASF Member who is recalled in accordance with this Article shall retain all unused sick leave accumulations as well as his/her previously earned credits for sabbatical leave but shall not accrue any such benefits during the period of layoff.

**Section D. Grievance Procedure.** The decision to lay off shall not be considered a termination of appointment or a dismissal for cause, and an ASF Member laid off shall not be permitted to grieve that decision pursuant to the provisions of the grievance procedure. Subsequent to decision to reduce ASF Members, an affected ASF Member may grieve violations of the procedure described in this Article.

**Section E. Determination of Department or Program.** Departments, programs, or service areas defined as of the date of execution of this Agreement shall continue to exist unless the President redefines departments, programs, or service areas based upon the needs of the university. Such determinations of the President shall be subject to the meet and confer process specified herein, but not to the provisions of the grievance procedure. Each university shall provide the Campus Association a list of departments, programs, or service areas within sixty (60) calendar days after the execution of this Agreement.

**Section F. Placement Area.** The Employer, with the Association, shall select a placement consultant and provide placement services and assistance to any bargaining unit member who is given notice of layoff and who requests such service.

## **ARTICLE 23 DISMISSAL, SUSPENSION, AND DISCIPLINARY DEMOTION**

**Section A. Just Cause.** ASF Members may be dismissed, suspended without pay, reduced in salary for disciplinary reasons, demoted for disciplinary reasons, or reprimanded in writing only for just cause. "Just Cause" as used in this Agreement shall be defined as:

Subd. 1. Notice: Did the employer give the ASF Member forewarning or foreknowledge of the possible probable disciplinary consequences of the ASF Member's conduct?

Subd. 2. Reasonable rule or order: Was the employer's rule or managerial order reasonably related to (a) the orderly, efficient and safe operation of the employer's business, and (b) the performance that the employer might properly expect of the ASF Member?

Subd. 3. Investigation: Did the employer, before administering the discipline to an ASF Member, make an effort to discover whether the ASF Member did in fact violate or disobey a rule or order of the Employer?

Subd. 4. Fair investigation: Was the employer's investigation conducted fairly and objectively?

Subd. 5. Proof: During the investigation, did the employer obtain substantial evidence or proof that the ASF Member was guilty as charged?

Subd. 6. Equal treatment: Has the employer applied its rules, orders and penalties even-handedly and without discrimination to all ASF Members?

Subd. 7. Penalty: Was the degree of discipline administered by the employer in a particular case reasonably related to (a) the seriousness of the ASF Member's proven offense, and (b) the record of the ASF Member in his/her service with the employer?

## **Section B. Procedures.**

Subd. 1. In the event the President, or his/her designee, believes just cause exists for an action as defined in Section A hereof, he/she shall give written notice of the action specifying all the reasons to the affected ASF Member. Any ASF Member who is given notice of his/her dismissal by the President may request an opportunity to hear an explanation of the evidence against him/her, and to present his/her side of the story to the President or his/her designee. The ASF Member may, at his/her own request, have an Association Representative present at such meeting.

Subd. 2. Investigative Leave. The President/designee may place a member who is the subject of a disciplinary investigation on an investigatory leave with pay.

**Section C. Right to Grieve.** ASF Members may grieve any action specified in Section A in accordance with the provisions of the grievance procedure through and including arbitration. ASF Member may not appeal oral reprimands to the arbitration step of that procedure.

## **ARTICLE 24 HOUSING**

**Section A. Live-in.** An ASF Member may be required by the Employer to live in a university-related facility as a condition of employment.

**Section B. Conversion Prohibited.** An ASF Member living in university-related housing may not convert such housing to any other use or purpose without the explicit, written permission of the university President.

**Section C. Utilities.** All utilities (excluding long distance telephone calls) will be paid by the Employer.

**Section D. Optional Occupancy.** Upon written notification to the President, an ASF Member may elect to retain use of university-related housing during periods when he/she is not required to perform services for the university. In those instances where the ASF Member elects to do so, the following rental rates shall apply for the period of use:

0-599 square feet	\$ 60.00
600-799 square feet	90.00
800-999 square feet	120.00
1,000+ square feet	150.00

Such rental charges shall be paid on a monthly basis in advance.

**Section E. Board Rates.** ASF Members and their families may arrange to participate in the campus food service program at the same rates charged students.

## **ARTICLE 25 GRIEVANCE PROCEDURE**

**Section A. Definitions.** A grievance for the purpose of this Article is defined as a dispute or disagreement as to the interpretation or application of any specific term or terms of this Agreement.

**Section B. Informal Resolution.** ASF Members are encouraged to attempt to resolve the occurrence of any alleged violation of this Agreement on an informal basis with the employee's designated supervisor, and if the employee so chooses, with the assistance of the Campus Association. If the matter is not resolved to the employee's satisfaction by informal discussion, it shall be settled in accordance with the procedure set forth below.

**Section C. Grievance Steps.** Under no circumstances may an employee who has elected to use some other appeal procedure available to him/her under law use the grievance procedure of this Agreement for the same dispute, except that it is understood this provision does not apply with specific regard to any rights an employee possesses under federal and state anti-discrimination laws.

Step I. If the grievance has not been settled in the informal procedure above, it may be presented by the Association or the employee, in writing to the appropriate Vice President or equivalent officer within twenty-one (21) calendar days after the employee or the Association, through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. The written grievance shall set forth the nature of the grievance, the facts upon which

it is based, the specific section(s) of the Agreement allegedly violated and the relief requested. The Vice President or the equivalent officer or his/her designee shall respond in writing to the Association and the employee within fourteen (14) calendar days.

Step II. If the grievance remains unsettled, it may be presented by the Association or the employee in writing to the university President within ten (10) calendar days after the response of the Vice President or his/her designee. The President or his/her designee shall respond to the Association and the employee in writing within fourteen (14) calendar days after receipt of the appeal.

Step III. If the grievance is still unresolved after the response of the university President or his/her designee, it may be presented to the Chancellor or his/her designee by the Association or the employee within fifteen (15) calendar days after the response of the President. The Chancellor or his/her designee shall respond to the grievance within fifteen (15) calendar days.

**Section D. Arbitration Procedure.** If the grievance is still unresolved after the response of the Chancellor or his/her designee the Association may, within fifteen (15) calendar days, serve written notice to the Chancellor or his/her designee of its intent to submit the issue to arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by mutual agreement of the office of the Chancellor and the Association within seven (7) calendar days after the request for such action. If the parties fail to mutually agree upon an arbitrator within the said seven (7) calendar day period, either party may request the Bureau of Mediation Services to provide a list of seven (7) neutral arbitrators. The representatives of the Employer and the Association shall strike names and the last remaining person shall be the arbitrator. Expense for the arbitrator's service and the proceedings shall be borne equally by the Employer and the Association; however, each party shall be responsible for compensating its own representatives and witnesses. If either party cancels an arbitration hearing or asks for a last minute postponement that leads to the arbitrator's making a charge, the canceling party or the party asking for the postponement shall pay this charge. The decision of the arbitrator shall be final and binding upon the parties and the arbitrator shall be requested to issue his/her decision within thirty (30) calendar days after the conclusion of the testimony and argument. If either party desires a transcript record of the arbitration proceedings, it may cause such a record to be made, providing it pays for the record. However, any party ordering a copy of the record shall pay for such copy.

**Section E. Arbitrator's Authority.** General Authority. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He/she shall consider and decide only the specific issue or issues submitted to him/her in writing by the parties to this Agreement and shall have not authority to make a decision on any matter not so submitted to him/her. The arbitrator shall be without power to make decisions contrary to, inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The decision shall be based solely upon the arbitrator's interpretation and application of the expressed terms of this Agreement and to the facts of the grievance presented.

**Section F. Time Limits.** Failing to adhere to the time limits set forth above may result in a forfeiture of

the grievance. If a grievance is not appealed to the next step or steps within the specified time limit or any extension thereof, it shall be considered settled on the basis of the Employer's last response. Failure of the Employer to respond to a grievance or an appeal thereof within the specific time limits may result in mandatory alleviation of the grievance as outlined in the last appeal by the representative or ASF Members. The time limit in each step may be extended by mutual written agreement of the Employer and the Association. In computing any period of time prescribed or allowed by this grievance procedure, the date of the act or event, or default for which the designated time begins to run shall not be included. The last day of the period shall be included, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or legal holiday.

**Section G. General Provision.** All ASF Members of the appropriate unit are free to present grievances in accordance with this Article. In this regard, it is understood that the grievant has the right to be his/her own representative in the processing of a grievance, and the Association shall not interfere with that right.

**Section H. Grievance Processing.** Whenever practicable, the processing of grievances shall be handled during the university's regular work day. ASF Members who are required to participate in the processing of such grievances shall not be subject to a loss of wages for doing so; however, the number of ASF Members who may participate without loss of wages shall be limited to a maximum of three (3), inclusive of ASF Members who are representatives and/or officers of the Association.

**Section I. Reprisals.** The Employer shall engage in no reprisals or recriminations based upon the filing and pursuit of a grievance, or upon acting as a witness or advocate for a grievant.

**Section J. Scope.** Subject to Article 2 of this Agreement, nothing in this contract shall prevent an employee from pursuing both a grievance under this contract and a Charge of Discrimination, including, but not limited to, those charges of Discrimination brought under Title VII of the Civil Rights Act, the Americans with Disability Act, the Age Discrimination in Employment Act, or the Equal Pay Act.

## **ARTICLE 26 SAVINGS CLAUSE**

**Section A. Conformance to Law.** If any of the provisions of the Agreement are found by a court or other authority having jurisdiction to be in conflict with or contravene any Federal law or statute, State law or statute, executive order, or any rule and regulation promulgated pursuant to one of the above, such provisions shall be considered null and void and shall not be binding on the parties hereto; in such event, the remaining provisions of this Agreement shall remain in full force and effect. In the event that any provision of this Agreement is thus found to be invalid, either party shall have the right to reopen negotiations on that provision only.

**Section B. Limit on Invalidity.** If any provision or portion of this Agreement is prevented from being put into effect because of applicable legislative actions, executive order or regulation dealing with wage and price controls, then only such specific provisions or portions specified in such decision shall be invalid, the remainder of this Agreement continuing in full force and effect for the term of the Agreement. However, any

provision of this Agreement so prevented from being put into effect shall become effective at such time, in such amounts, and for such periods, retroactively and prospectively, as is permitted by law at any time during the life of this Agreement or any extension thereof.

**ARTICLE 27**  
**COMPLETE AGREEMENT AND WAIVER**

**Section A. Complete Agreement.** The Employer and the Association acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the applicable area of collective bargaining, and that the understandings are set forth in this Agreement, and shall constitute the sole Agreement between the parties for the duration thereof.

**Section B. Modification and Repeal.** The Employer agrees to modify or repeal the Governing Rules, Internal Rules, Operating Policies, Administrative Procedures and university constitutions which are in conflict with or are superseded by this Agreement.

**MSUAASF**

**ARTICLE 28  
DURATION**

**Section A. Effective Dates.** Except as otherwise provided herein, this Agreement shall become effective upon signing and shall remain in full force and effect through the 30th day of June 2001.

**Section B. Legislative Action.** In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, or the granting of appropriations, that provision shall become effective only if such legislative action is taken. Should any legislative action be required pursuant to this Section, the Employer and the Association agree to cooperate in any effort to secure legislative approval.

**Section C. Renewal and Reopening.** This Agreement shall automatically renew itself from biennium to biennium thereafter unless, not later than July 1st of each even-numbered year prior to the expiration of the then current term of Agreement, either party shall serve written notice on the other of its desire to terminate, modify, or amend this Agreement.
