1.00 APPLICATION

This Plan applies to all unclassified administrators of the Minnesota State Colleges and Universities as defined in Section 1.02 of this Plan, who are not covered under the terms of a collective bargaining agreement.

1.01 NON-DISCRIMINATION

The provisions of this Plan shall be applied equally without discrimination as to race, sex, creed, religion, color, national origin, age, disability, marital status, status with regard to public assistance, sexual orientation, gender identity, gender expression, or membership or activity in a local commission as defined by law. The Board is committed in accordance with its policies to ensuring an employment environment free of harassment and violence.

1.02 DEFINITIONS

Subd. 1 Minnesota State Colleges and Universities Administrators

"Administrators" are those unclassified employees in positions which meet the "managerial" definition outlined in Minnesota Statute §43A.02, Subd. 28. Administrators are staff who create or formulate, influence, or manage policy or direct the college/university system. Administrators make high level operating decisions in the college/university system or delegate such decisions to others.

Administrators include the chancellor, presidents, vice presidents/deans, vice chancellors, associate vice chancellors, directors in the system office, associate/assistant vice presidents/deans, deans/directors (academic/instructional programs), associate/assistant deans/directors (academic/instructional programs) and other titles where the position has the same responsibilities. Additionally, administrators may include employees who:

- (a) report directly to the chancellor, or a president, vice president, vice chancellor, associate vice chancellor or directors in the system office and who meet the test for "managerial employee;" or
- (b) meet the test for a "managerial employee," and are responsible for academic research, academic public service responsibilities including institutional relations, alumni and foundation activities; academic program administration or academic program outreach, including curriculum development and implementation, instruction, or direction of a program having direct contact with students about financial aids, admissions and registration, placement, campus student life and development, or related educational programs and services.

For purposes of this Plan, administrator positions are those assigned to salary ranges 1 to 16 as well as the presidents, vice chancellors and chancellor. Assignment of positions to salary ranges shall be based upon assigned duties and responsibilities.

Subd. 2 Types of Appointments

- Continuing - employed in a position without a specified end date.
- Acting - assigned to fill a position when the incumbent is on leave or is otherwise unable to serve; or in the event of a presidential vacancy, assigned by the chancellor to serve as president pending the start of an interim, continuing or contractual appointment by the Board of Trustees.
- Temporary - employed in a position with a specified start and end date. Temporary appointments generally do not exceed twelve (12) months.

- Interim - assigned to temporarily fill a vacant position pending the completion of a search or reorganization of all or part of the college/university or system office, or under similar circumstances.
- Contractual - an appointment pursuant to Section 1.03 Subd. 1 (g) or Subd. 2 (g). These appointments have certain terms and conditions specified in the contract and are subject to renewal by the Board of Trustees.

Subd. 3 Supervisory Authority

For purposes of this Plan, supervisory authority for administrators in the system office and college/university presidents resides with the chancellor. Supervisory authority for campus administrators resides with the president. When used in this Plan, the phrase "chancellor/president" shall mean the chancellor for administrators in the system office and presidents, and the president for campus administrators.

1.03 APPOINTMENTS/TERMS OF APPOINTMENTS

Subd. 1 Chancellor

- (a) The chancellor is selected by and serves at the pleasure of the Board, which sets the terms and conditions of employment.
- (b) The Board sets the annual salary for the chancellor within the approved range established in Section 1.13, Subd. 3 of this Plan upon initial appointment.
- (c) The chancellor may hold academic rank and may retain faculty tenure or unlimited faculty status in a university/college, if applicable and approved by the Board, consistent with the provisions and procedures of the university/college.
- (d) Upon completion of service as chancellor, the Board may appoint the chancellor as a “Distinguished Senior Fellow for Academic Affairs.” The Board shall determine specific duties and shall set the salary pursuant to Section 1.13, Subd. 3 of this Plan.
- (e) The Board may terminate the chancellor’s employment at any time. However, at the Board’s discretion, upon notice of termination the chancellor may be reassigned up to twelve (12) months. In the event of reassignment, the chancellor must perform the assigned duties until the date of separation from the Minnesota State Colleges and Universities.
- (f) The Board may choose to appoint a chancellor utilizing a continuing, acting, temporary, interim or contractual appointment.
- (g) A contractual appointment must include:
 - Established term lengths not to exceed five (5) years.
 - An annual salary and provision for any increases within the salary range.

Provisions related to termination of employment by the Board before expiration of the term of the contract, which may include payments in addition to any benefits earned under Section 1.08 of this Plan. However, such payments may not exceed one (1) year’s salary and may not be made when termination is for just cause.

If the Board so chooses, the contract may include:

- Non-economic provisions.
- Additional remuneration not covered elsewhere in this Plan, which shall not exceed 30% of the base salary established under Section 1.13, Subd. 3 of this Plan. Additional remuneration may include an allowance for housing, travel,

communications, or other comparable items for which remuneration is typically provided for similar positions in the public higher education market. This may include compensation above the maximum salary limits established in Section 1.13, Subd. 3. Additional remuneration shall not include any payments for the quality of work performed.

If the Board appoints a chancellor utilizing a contractual agreement as defined in Section 8 1.02, Subd. 2 of this Plan, the Board is not precluded from exercising its power to terminate the chancellor at any time.

Any such contract, modification to the contract, or changes in salary or additional remuneration, must be approved by a majority vote of a quorum of the Board.

Subd. 2 Vice Chancellors and Presidents

- (a) Vice chancellors and presidents shall be appointed and terminated according to policies established by the Board. Vice chancellors and presidents serve at the pleasure of the Board and no provision of this Plan shall be construed to alter the at-will nature of an administrator's employment.
- (b) Upon initial appointment, annual salaries shall be set within the applicable range established in Section 1.13, Subd. 4 of this Plan and in accordance with any process established in Board policy.
- (c) A vice chancellor or president may hold academic rank and may retain faculty tenure or unlimited faculty status in a university/college, if applicable and approved by the chancellor and Board, consistent with the provisions and procedures of the university/college.
- (d) Upon completion of service as vice chancellor for academic affairs or president, the Board may appoint the individual as a "Distinguished Senior Fellow for Academic Affairs." The chancellor shall determine the specific duties and shall set the salary pursuant to Section 1.13, Subd. 4 and 5 of this Plan.
- (e) If the continuing appointment of a vice chancellor or president is terminated, s/he may be reassigned for up to twelve (12) months. However, s/he will receive three (3) months written notice of the effective date of termination. In the event of reassignment, the vice chancellor or president must perform the assigned duties until the date of separation from the Minnesota State Colleges and Universities.
- (f) The Board, upon the recommendation of the chancellor, may choose to appoint a vice chancellor or president utilizing a continuing, acting, temporary, interim or contractual appointment.

(g) A contractual appointment must include:

- Established term lengths not to exceed five (5) years; however, an initial contract with a vice chancellor or president may not exceed three (3) years.
- An annual salary and provision for any increases consistent with the Plan.
- Provisions related to early termination of employment under the contract by the Board, which, for presidents, may include payments in addition to any benefits earned under Section 1.08 of this Plan. However, such payments may not exceed one (1) year's salary and may not be made when termination is for just cause.

If the Board so chooses, the contract may include:

- Non-economic provisions.
- Additional remuneration not covered elsewhere in this Plan, which shall not exceed 30% of the base salary established under Section 1.13, Subd. 4 of this Plan. Additional remuneration may include an allowance for housing, travel, communications, or other comparable items for which remuneration is typically provided for similar positions in the public higher education market. This may include compensation above the maximum salary limits established in Section 1.13, Subd. 4. Additional remuneration shall not include any payments for the quality of work performed.

If the Board appoints a vice chancellor or president utilizing a contractual agreement as defined in Section 1.02, Subd. 2 of this Plan, the Board is not precluded from exercising its power to terminate the vice chancellor or president at any time.

Subd. 3 Administrators in Continuing, Acting, Interim, and Temporary Appointments

- (a) **Employment At Will.** Administrators serve at the pleasure of the chancellor/president and no provision of this Plan shall be construed to alter the at-will nature of an administrator's employment.

Administrators in acting, interim and temporary appointments may be terminated without advance notice at any time, with or without cause.

- (b) **Initial Continuing Appointments.** The chancellor/president may choose to provide written assurance of an initial period of continuing appointment of up to 18 months for an administrator not previously employed within the system. Such initial appointments may be terminated for just cause.

(c) **Notice Requirements For Involuntary Termination Of Continuing Appointments Due To Shortage of Funds, Reorganization or Other Reasons Not Reflecting On the Administrator.**

Administrators in continuing appointments shall receive a minimum of three (3) months written notice of the effective date of their termination.

The chancellor/president may develop written procedures for the system office/college/university that permits longer minimum notice periods for individual administrators in continuing appointments, not to exceed nine (9) months. The chancellor's/president's procedure on minimum notices and all associated commitments expire at the end of the chancellor's/president's appointment to his/her current position. In the event a chancellor/president leaves office, all continuing appointments that were under his/her control shall be subject to the three (3) month minimum notice requirement until the new chancellor/president adopts a new procedure pursuant to this clause.

Acting and interim chancellors and presidents may not establish procedures regarding minimum notice periods or individual commitments. The vice-chancellor for human resources may establish minimum notice procedures and/or individual notice commitments in such circumstances.

The chancellor/president/vice chancellor for human resources has the authority to reassign a continuing administrator on or after the date the notice of involuntary termination has been issued. The reassigned administrator must perform all assigned duties until the date of separation from the Minnesota State Colleges and Universities. Such reassignment shall not exceed nine months unless the chancellor or the chancellor's designee determines that a longer reassignment is warranted.

(d) **Termination for cause.** The involuntary termination of an administrator's continuing appointment for cause is not subject to the minimum notice requirements of this Plan.

(e) **Academic Rank and Faculty Tenure or Unlimited Faculty Status.** Consistent with the provisions and procedures of the university/college for making decisions relative to these matters, administrators otherwise qualified may hold academic rank and may retain faculty tenure or unlimited faculty status in the college/university, if applicable and approved by the chancellor or president(s).

College/University presidents may grant faculty tenure or unlimited faculty status to individuals employed as academic program deans as defined by the chancellor's designee. The impact of such a tenure/unlimited status decision upon the terms and conditions of employment of members of the faculty bargaining unit shall be governed

by the provisions of the applicable labor agreement between the Minnesota State Colleges and Universities and the certified exclusive faculty representative. Any variance from such contractual provisions must be obtained through collective bargaining negotiations conducted by or on behalf of the president.

Subd. 4 Assignment and Reassignment of Duties

The chancellor/president shall define and redefine the duties of administrators under his/her supervision. The chancellor/president may at any time reassign an administrator to another position within the college/university or system office. Where a reassignment between a college/university and the system office is concerned, the chancellor and the president of the college/university shall consult with each other and the individual prior to such reassignment. Reassignment between colleges/universities must be approved by the presidents of the affected institutions and must be consistent with personnel policies and contractual provisions. Such reassignment does not constitute a vacancy.

Subd. 5 Discipline

In addition to the option of terminating an administrator's appointment, the chancellor/president has the authority to take any other disciplinary actions s/he deems appropriate, including but not limited to a reprimand or suspension with or without pay.

Subd. 6 Outside Employment

An administrator may accept concurrent employment outside the Minnesota State Colleges and Universities System only with the prior written approval of the chancellor/president. The chancellor/president shall consider the provisions of Minnesota Statutes 43A.38 when reviewing any request.

1.04 EVALUATION

Subd. 1 Chancellor

- (a) The chancellor shall be evaluated each year.
- (b) Any evaluation report prepared by or for the Board shall be deemed private and made available only to the chancellor and the members of the Board.

Subd. 2 All Other Administrators

All other administrators shall be evaluated each fiscal year and a copy of the evaluation documentation shall be retained in the administrator's personnel file.

1.05 HOLIDAYS

Subd. 1 Observed Holidays

The following days shall be designated as holidays when they occur during an administrator's appointment:

Independence Day
Labor Day
Veteran's Day*
Thanksgiving Day
Day after Thanksgiving*
Christmas Day
New Year's Day
Martin Luther King Day
Presidents' Day*
Memorial Day

* The chancellor/president may designate an alternate day for the observance of these holidays.

When any of the above holidays falls on a Saturday, the preceding day shall be observed as a holiday. When any of the above holidays falls on a Sunday, the following Monday shall be observed as a holiday.

In order to receive a paid holiday, an eligible administrator must be in payroll status on the normal work day immediately preceding the holiday and the normal work day immediately following the holiday(s). Part-time administrators shall be paid for the amount s/he would have been paid in the regular course of business had there been no holiday.

Subd. 2 Religious Holidays

When a religious holiday not observed as one of those holidays listed above falls on an administrator's regularly scheduled work day, the administrator shall be entitled to that day off to observe the religious holiday.

Time to observe a religious holiday shall be taken without pay unless the administrator uses accumulated annual leave or, by mutual consent with the college/university/system office, is able to work an equivalent amount of time at some other time during the fiscal year to compensate for the time lost. An administrator shall notify his/her supervisor of his/her intention to observe a religious holiday in advance of the holiday.

1.06 LEAVES OF ABSENCE WITH PAY

Subd. 1 Annual Leave

- (a) **Accrual.** All full-time twelve (12) month administrators shall accrue annual leave with pay at the rates as set forth in Appendix A.

Administrators who are employed less than full-time (normally 10 days per payroll period) shall have their annual leave accrual rate prorated according to the portion of time worked.

In lieu of accruing leave according to Appendix A, administrators employed for more than six months and less than twelve months shall be credited with one day of annual leave at the end of each full pay period worked during the appointment, not to exceed 23 days of leave accrual for the appointment. Administrators employed pursuant to a temporary appointment for six months or less and who have no other employment with the System immediately preceding or contemporaneous with the temporary appointment are not eligible to accrue annual leave.

For purposes of this section and Appendix A, continuous service shall include all continuous state service. Continuous service is broken by any separation from state employment. At the discretion of the chancellor/president, a new administrator may be granted length of service credit for any prior employment the chancellor/president determines to be related to employment in the Minnesota State Colleges and Universities. A current administrator may make a written request for such credit for prior related employment at any time, however, the change in accrual rate shall take effect with the first full pay period in the fiscal year the request is approved. The vice-chancellor for human resources may develop written guidance to govern the administration of requests for prior service credit.

When employment in an administrator position in the Minnesota State Colleges and Universities is the initial employment in state service, re-employment after a break in service, or a move from a faculty position, non-temporary, full-time administrators shall be credited with ten (10) days of annual leave. Such credit shall be reduced proportionately as annual leave is accumulated. Administrators, who separate from their administrative position and who have used more of the ten (10) days than they would have accrued as provided in Appendix A, shall have their last paycheck reduced by the number of days of annual leave taken in excess of that earned.

An administrator who moves without a break in employment between positions in the classified and/or unclassified services, whether within the system or between the system and other state agencies, shall have his/her accumulated leave and length of service transferred. This provision shall also apply to administrators/managers who move from positions in the legislative or judicial branches.

- (b) **Limits on Accrual.** Annual leave may be accumulated to any amount provided that once every twelve months, each administrator's accumulation must be reduced to 34 days. If this is not accomplished prior to the end of the last full pay period in September each year, the administrator's accumulation shall automatically be reduced to 34 days as of that date, and the amount of accumulation over 34 days will transfer to the administrator's sick leave balance [see Subd. 2(b)] below. Saturdays, Sundays and legal holidays will not be counted as days of leave. In the event that the administrator's accumulated balance cannot be reduced to 34 days due to assigned job requirements, the chancellor/president may extend the deadline for up to a maximum of six (6) months. If the 34-day threshold is not met during the extension period, the accumulation shall be reduced and the excess transferred to lapsed sick leave; the amount of the reduction shall be the smallest number of days by which the accumulated leave balance exceeded the 34-day threshold during the extension period.
- (c) **Use of Annual Leave.**
 - (1) Beyond the ten (10) days credited pursuant to Subd. 1(a) above, administrators may not take annual leave until they have earned the number of days to be taken.
 - (2) Annual leave may only be taken in full day or one-half (1/2) day increments.
 - (3) The administrator must obtain the prior approval of the chancellor/president or their designees for the use of annual leave, unless the administrator is using annual leave to observe a religious holiday. The chancellor and presidents may determine periods of annual leave for themselves at times best suited to their workload.
- (d) **Payment Upon Separation.** Upon separation from state service, or if a change in employment results in the administrator being ineligible to accrue further annual leave, an administrator shall be paid for his/her accrued but unused balance of annual leave not to exceed 34 days.
- (e) **Conversion of Accumulated Annual Leave to a Minnesota State Colleges and Universities Approved 403(b) Account or to the Deferred Compensation (457) Plan Operated by the State Retirement System.** Once in each fiscal year, with the approval of the chancellor/president and based on the availability of funds, an administrator may convert a portion of his/her accumulated annual leave to a 403(b) account approved by

the system or the 457 Plan operated by MSRS. Each administrator may convert up to one (1) day of annual leave for each three (3) days of annual leave used in the previous fiscal year, provided that the administrator shall not convert more than five (5) days per fiscal year.

This provision shall not be used in the pay period which includes the first of July. Contributions to the administrator's 403(b) or 457 account made through the conversion of annual leave days are subject to all of the rules and regulations of the respective program and IRS regulations.

Subd. 2 Sick Leave

All sick leave will accrue on a per pay period basis as follows:

(a) **Accrual**

- (1) Except as noted in (2) below, 15 days of sick leave shall be credited to all new full-time administrators at the time of their employment to cover possible disability during the first 30 pay periods of employment. Beginning with the 31st pay period of employment, each administrator shall be credited with one-half (1/2) additional day of sick leave for each succeeding pay period of employment completed. Administrators who separate from their administrative position before completing 30 pay periods of employment and who have used more sick leave days than they would have accrued at the rate of one-half (1/2) day for each pay period, shall have their last paycheck reduced by the number of days of sick leave taken in excess of that earned. Administrators who have leave reinstated under Subd. 2(c) below shall, if necessary, have additional sick leave credited to bring the administrator's sick leave balance to 15 days at the time of reappointment.
- (2) Employees accepting an administrator position in the Minnesota State Colleges and Universities under the provisions of Subd. 2 (a)(5) below shall not be credited with days as defined in Subd. 2 (a)(1) above, but shall be credited with any sick leave balance and accrual rates in effect at the time of their appointment in the Minnesota State Colleges and Universities.
- (3) Administrators commencing employment on less than a full-time basis shall be given a pro-rata portion of the 15 day sick leave credit as described in Subd. 2 (a)(1) above. Beginning with the 31st pay period of employment, each part-time administrator will be credited with one-half (1/2) day of sick leave pro-rated by the fraction of time employed for each succeeding pay period of employment.

- (4) Administrators specifically employed for a limited period of service not to exceed 15 months shall be credited with one-half (1/2) day of sick leave for each pay period of anticipated service rather than 15 days as described above. The amount of sick leave credited for part-time administrators so employed shall be pro-rated by the fraction of time employed.
- (5) An administrator who moves without a break in employment between positions in the classified and/or unclassified services, whether within a system or between agencies, shall have his/her accumulated leave transferred. This provision shall also apply to employees who move to administrative positions from administrative or non-administrative positions covered by other plans or collective bargaining agreements or from positions in the legislative or judicial branches.
- (b) **Use of Sick Leave.** Sick leave may only be taken in one-half (1/2) day increments. The use of sick leave shall be approved, when appropriate, by the chancellor/president or his/her designee. Administrators may use up to ten (10) days of sick leave for the birth or adoption of the administrator's child. Sick leave shall be granted for absences made necessary; 1) by reason of illness, or disability, including temporary disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery there from; 2) by exposure to contagious disease which may endanger the individual or the public health; or 3) by illness in the immediate family making it necessary that the administrator be absent from his or her duties.

In the case of childbirth, birth mothers may use sick leave to the extent the birth mother's sick leave balance permits to cover the period of disability related to the birth of a child, but shall not be required to use more than five (5) days of sick leave due to such disability. In the case of absence for illness of members of the immediate family, the term "immediate family" shall be defined to include the spouse, brothers and sisters living in the administrator's household, or children, wards, parent or parents of the spouse. The chancellor/president may extend these provisions to include other residents of the household. Leave taken under the Family Medical Leave Act shall be charged to sick leave as appropriate.

- (c) **Reinstatement.** An administrator who is eligible to accrue sick leave, who is reappointed to a position within the Minnesota State Colleges and Universities within four (4) years from the date of separation in good standing, shall have his or her sick leave balance and bank, if any, restored. However, any administrator being reappointed after receiving severance pay shall have his or her leave restored proportionately by deducting the days or fractions of days which were paid as severance. This provision shall also apply to administrators who are appointed to an unclassified position in the Minnesota State Colleges and Universities following separation in good standing from positions covered

by other plans or collective bargaining agreements or from positions in the legislative or judicial branches, unless the previous accrual rates and maximum accumulations were greater than those provided in this Plan, in which case leave balances and banks shall be restored in amounts equal to what they would have accumulated under this regulation.

Subd. 3 Bereavement Leave

The use of a reasonable period of bereavement leave (not deducted from sick leave), up to five (5) days per occurrence, shall be granted in case of a death in the administrator's immediate family. The term "immediate family" shall include the spouse, parents, parents of the spouse, children, grandchildren, brothers, sisters, grandparents, or wards of the administrator.

The use of sick leave for bereavement purposes shall be granted in case of the death of the following individuals who are not members of the administrator's immediate family: a regular member of the administrator's household, sister-in-law or brother-in-law, a spouse of the administrator's child, and the following relatives of the spouse: children, grandchildren, grandparents or wards.

Subd. 4 Military Leave of Absence

An administrator of the Minnesota State Colleges and Universities who is a member of the state or federal armed services is entitled to leave of absence with pay as defined in Minnesota Statute §192.26.

Subd. 5 Court-Related Leaves of Absence

An administrator in the Minnesota State Colleges and Universities shall be granted a leave of absence with pay for:

- (a) appearance before a court, legislative committee, or other judicial or quasi-judicial body in response to a subpoena or other direction by proper authority for purposes related to the administrator's Minnesota State Colleges and Universities position.
- (b) attendance in court in connection with an administrator's official duty, such attendance including the time required in going to the court and returning to the administrator's place of work.

Subd. 6 Jury Duty Leave

Jury duty leave for time to serve on a jury, provided that when not impaneled for actual service but only on call for service, the administrator shall report to work.

Subd. 7 Voting Time Leave

Voting time leave, in accordance with Minnesota Statute §204C.04 for administrators eligible to vote in any statewide general election or any election to fill a vacancy in the United States Congress, or in the office of state senator or representative, provided that the leave is for a period of time long enough to appear at the administrator’s polling place, cast a ballot return to work on the day of the election.

Subd. 8 Emergency Leave

Emergency leave, in the event of a natural or man-made emergency, shall be granted pursuant to Minnesota State Colleges and Universities Board Policy 4.4, Weather/Emergency Closings.

Subd. 9 Leave for Bone Marrow and Organ Donation

An administrator undergoing a medical procedure to donate bone marrow, an organ or a partial organ to another person shall be granted paid leave not to exceed 5 days. If there is a medical determination that the administrator does not qualify as a donor, any paid leave of absence granted to the administrator prior to the medical determination is not forfeited.

Subd. 10 Investigatory Leave

The chancellor/president/vice chancellor for human resources may place an administrator who is the subject of a disciplinary investigation on an investigatory leave with pay.

1.07 LEAVES OF ABSENCE WITHOUT PAY

Subd. 1 Personal Leaves of Absence

The chancellor/president may approve leaves of absence without pay and without employer paid benefits when deemed to be in the best interest of the college/university or system. No regular leave without pay shall extend for a period greater than one (1) year. No administrator shall have more than two (2) consecutive year long leaves without pay without the consent of the chancellor. While on unpaid leave, an administrator shall have the right to continue insurance benefits, to the extent permitted by law at his/her own expense.

Subd. 2 Parental Leaves of Absence

Leave of absence shall be granted to a natural or adoptive parent for a period of up to six months when requested in conjunction with the birth or adoption of the administrator's child. The leave shall commence on the date requested by the administrator but no later than six weeks after the birth or adoption; except that, in the case where the child must remain in the hospital longer than the mother, the leave may begin up to six weeks after the child leaves the hospital. Sick leave used with a medical practitioner's statement prior to the birth of the child will not reduce the duration of the leave of absence. Upon request, the chancellor/president may grant extensions of the leave of absence, but in no case shall the leave of absence exceed one year.

Subd. 3 Salary Savings Leave of Absence

Upon the request of an administrator, the chancellor/president may approve an unpaid leave of absence for the purpose of reducing salary expenditures. Approved leaves shall be taken in half-day or full day increments. An Administrator taking a leave under this subdivision shall continue to accrue annual leave and sick leave and be eligible for paid holidays and insurance benefits as if actually working during the time of leave. If a leave is more than one full pay period or longer in duration and a holiday occurs during the leave, holiday pay shall be paid following the leave of absence.

Subd. 4 Employment within the System

The chancellor/president may approve an unpaid leave of absence up to one year in duration to facilitate an administrator's acceptance of a different position within the system. Beginning January 1, 2015, the annual lump-sum contribution to the HRA account shall be \$800. An

administrator's eligibility to receive an HRA contribution and the HRA account will be subject to the rules of the Minnesota State Colleges and Universities approved HRA Plan document. Upon written notice to the Chief Human Resources Officer of the college/university/system office at which the administrator is employed, or to the System Director for Employee Benefits and Compensation, an administrator eligible to receive an HRA may elect not to receive the benefit.

Beginning June 30, 2017, the chancellor or vice chancellor for human resources may choose to end the system's contribution to the HRA Plan, if he/she determines that continued participation in the HRA Plan creates a significant risk that State Employee Group Insurance Plan may be subject to the excise tax under the Patient Protection and Affordable Care Act. If the system's contributions to the HRA Plan are terminated, the chancellor/vice chancellor for human resources may choose to instead make an \$800 contribution on or about January 1 of each year on behalf eligible administrators to the Health Care Savings Plan (HCSP) administered by the Minnesota State Retirement System as described in Subdivision 14.

Subd. 11 Dependent Care Expense Account

Insurance eligible administrators will have an option to participate in a dependent care reimbursement program for work-related dependent care expenses on a pretax basis as permitted by law or regulation.

Subd. 12 Supplemental Retirement

Pursuant to Minnesota Statute §354C.12, the employer shall deduct from the salary of full-time administrators a sum equal to five percent (5%) of the annual salary paid after the first \$6,000 up to a maximum of \$2,700 per fiscal year, to be paid into the Minnesota State Colleges and Universities Supplemental Retirement Account Plan (SRP). The employer shall make a contribution in an amount equal to the deductions made from the administrator's salary. Deductions shall begin in the administrator's third year of full-time employment in the system.

Subd. 13 Early Notice of Separation Incentive

Administrators in continuing appointments and having at least five (5) years of continuous service in positions covered by this plan who provide at least nine (9) months written notice of their intent to separate from employment shall receive a lump-sum payment equal to five (5.0) percent of their final annual base salary upon separation. The notice of intent to separate from employment must contain a specific date or brief time period for separation. The Administrator must simultaneously separate from employment with the System and from a position covered by this Plan in order to receive this payment. This provision does not apply to Administrators with individual employment contracts or Administrators in interim or acting appointments with no continuing employment status under the terms of this Plan.

Subd. 14 Employee Contributions to Health Care Savings Plan Accounts

The chancellor may establish a program of mandatory employee contributions to individual Health Care Savings Plan accounts administered by the Minnesota State Retirement System. The chancellor shall determine eligibility criteria, contribution amounts and other benefit features consistent with state and federal law.

The chancellor/designee may establish a procedure for crediting annual leave accruals in equal increments throughout the fiscal year as an alternative to the schedule set forth above.

APPENDIX B – INSURANCE CHAPTER INCORPORATED FROM STATE MANAGERIAL PLAN

Section 1. Manager Group Insurance Program (SEGIP). During the life of this Plan, the Employer shall provide a Group Insurance Program that includes health, dental, life, and disability coverages equivalent to existing coverages, subject to the provisions of this Chapter.

All insurance eligible managers will be provided with a Summary Plan Description (SPD) called “Your Employee Benefits.” Such SPD shall be provided no less than biennially and prior to the beginning of the insurance year. New insurance eligible managers shall receive a SPD within thirty (30) days of their date of eligibility.

Section 2. Eligibility for Group Participation. This section describes eligibility to participate in the Group Insurance Program.

- A. **Managers - Basic Eligibility.** Managers may participate in the Group Insurance Program if they are scheduled to work at least one thousand forty-four (1044) hours in any twelve (12) consecutive months, except for: emergency, or temporary classified, or intermittent managers.
- B. **Managers - Special Eligibility.** The following managers are also eligible to participate in the Group Insurance Program:
1. **Managers with a Work-related Injury/Disability.** A manager who was off the State payroll due to a work-related injury or a work-related disability may continue to participate in the Group Insurance Program as long as such a manager receives workers' compensation payments or while the workers' compensation claim is pending.
 2. **Totally Disabled Managers.** Consistent with M.S. 62A.148, certain totally disabled managers may continue to participate in the Group Insurance Program.
 3. **Separated Managers Under M.S. 43A.27.** Pursuant to M.S. 43A.27, Subdivision 3a(1), a manager who separates from State service and who, at the time of separation has five (5) or more years of allowable pension service and is entitled to immediately receive an annuity under a State retirement program and, who is not eligible for regular (non-disability) Medicare coverage, may continue to participate in the health and dental coverages offered through the Group Insurance Program.

Consistent with M.S. 43A.27, subdivision 3a(2), a manager who separates from State service and who, at the time of separation is at least fifty (50) years of age and at least fifteen (15) years of State service may continue to participate in the health and dental coverages offered through the Group Insurance Program. Retiree coverage must be coordinated with Medicare.

C. **Dependents.** Eligible dependents for the purposes of this Chapter are as follows:

1. **Spouse.** The spouse of an eligible manager (if legally married under Minnesota law). For the purpose of health insurance coverage, if that spouse works full-time for an organization employing more than one hundred (100) people and elects to receive either credits or cash (1) in place of health insurance or health coverage or (2) in addition to a health plan with a seven hundred and fifty dollar (\$750) or greater deductible through his/her employing organization, s/he is not eligible to be a covered dependent for the purposes of this Chapter. If both spouses work for the State or another organization participating in the State's Group Insurance Program, neither spouse may be covered as a dependent by the other, unless one spouse is not eligible for a full Employer Contribution as defined in Section 3A.

Effective January 1, 2015 if both spouses work for the State or another organization participating in the State's Group Insurance Program, a spouse may be covered as a dependent by the other.

2. **Children.**
 - a. **Health and Dental Coverage:** A dependent child is an eligible manager's child to age twenty-six (26).
 - b. **Dependent Child:** A "dependent child" includes a manager's (1) biological child, (2) child legally adopted by or placed for adoption with the manager, (3) step-child, and (4) foster child who has been placed with the manager by an authorized placement agency or by a judgment, decree, or other court order. For a step-child to be considered a dependent child, the manager must be legally married to the child's legal parent or legal guardian. A manager (or the manager's spouse or jointly) must have permanent, full and sole legal and physical custody of the foster child.
 - c. **Coverage Under Only One Plan:** For purposes of (a) and (b) above, if the manager's adult child (age 18 to 26) works for the State or another organization participating in the State's Group Insurance Program, the child may not be covered as a dependent by the manager unless the child is not eligible for a full Employer contribution as defined in Section 3A.

Effective January 1, 2015 for purposes of (a) and (b) above, if the manager's adult child (age 18 to 26) works for the State or another organization participating in the State's Group Insurance Program, the child may be covered as a dependent by the manager.

3. **Grandchildren**. A dependent grandchild is an eligible manager's unmarried dependent grandchild who:
 - a. Is financially dependent upon the manager for principal support and maintenance and has resided with the manager continuously from birth, or
 - b. Resides with the manager and is dependent upon the manager for principal support and maintenance and is the child of the manager's unmarried child (the parent) to age nineteen (19).

If a grandchild is legally adopted or placed in the legal custody of the grandparent, they are covered as a dependent child under Section 2C (2) and (4).

4. **Disabled Child**. A disabled dependent child is an eligible manager's child or grandchild regardless of marital status, who was covered and then disabled prior to the limiting age or any other limiting term required for dependent coverage and who continues to be incapable of self-sustaining employment by reason of developmental disability, mental illness or disorder, or physical disability, and is chiefly dependent upon the manager for support and maintenance, provided proof of such incapacity and dependency must be furnished to the health carrier by the manager or enrollee within thirty one (31) days of the child's attainment of the limiting age or any other limiting term required for dependent coverage. The disabled dependent is eligible to continue coverage as long as s/he continues to be disabled and dependent, unless coverage terminates under the contract.
5. **Qualified Medical Child Support Order**. A child who would otherwise meet the eligibility requirements and is required to be covered by a Qualified Medical Child Support Order (QMCSO) is considered an eligible dependent.
6. **Child Coverage Limited to Coverage Under One Manager**. If both spouses work for the State or another organization participating in the State's Group Insurance Program, either spouse, but not both, may cover the eligible dependent children or grandchildren. This restriction also applies to two divorced, legally separated, or unmarried managers who share legal responsibility for their eligible dependent children or grandchildren.

- D. **Continuation Coverage.** Consistent with state and federal laws, certain managers, former managers, dependents, and former dependents may continue group health, dental, and/or life coverage at their own expense for a fixed length of time. As of the date of this Plan, state and federal laws allow certain group coverages to be continued if they would otherwise terminate due to:
- a. termination of employment (except for gross misconduct);
 - b. layoff;
 - c. reduction of hours to an ineligible status;
 - d. dependent child becoming ineligible due to change in age, student status, marital status, or financial support (in the case of a foster child or stepchild);
 - e. death of manager;
 - f. divorce or legal separation; or
 - g. a covered manager's enrollment in Medicare.

Section 3. Eligibility for Employer Contribution. This section describes eligibility for an Employer Contribution toward the cost of coverage.

- A. **Full Employer Contribution - Basic Eligibility.** Managers covered by this Agreement who are scheduled to work at least seventy-five (75) percent of the time are eligible for the full Employer Contribution. This means:
1. Managers who are scheduled to work at least eighty (80) hours per pay period for a period of nine (9) months or more in any twelve (12) consecutive months.
 2. Managers who are scheduled to work at least sixty (60) hours per pay period for twelve (12) consecutive months, but excluding part-time or seasonal managers serving on less than a seventy-five percent (75%) basis.
- B. **Partial Employer Contribution - Basic Eligibility.** The following managers covered by this Plan receive the full Employer Contribution for basic life coverage, and at the manager's option, a partial Employer Contribution for health and dental coverages if they are scheduled to work at least fifty (50) percent but less than seventy-five (75) percent of the time. This means:
1. Managers who hold part-time appointments and who are scheduled to work at least forty (40) hours but less than sixty (60) hours per pay period for twelve (12) consecutive months.
 2. Managers who hold part-time or seasonal appointments and who are scheduled to work at least one thousand forty four (1044) hours over a period of any twelve (12) consecutive months.

The partial Employer Contribution for health and dental coverages is seventy-five percent (75%) of the full Employer Contribution for both employee only and dependent coverage.

C. **Special Eligibility.** The following managers also receive an Employer Contribution:

1. **Managers on Layoff.** A classified manager who receives an Employer Contribution, who has three (3) or more years of continuous service, and who has been permanently or seasonally laid off, remains eligible for an Employer Contribution and all other benefits provided under this Chapter for an extended benefit eligibility period of six (6) months from the date of layoff. In no event shall the Employer Contribution continue beyond the date at which the manager reaches the age of sixty-five (65).

Seasonal Layoff. The calculation in determining the six (6) months duration of eligibility for an Employer contribution begins on the date the manager is seasonally laid off.

Permanent Layoff. The calculation in determining the six (6) month duration of eligibility for an employer contribution begins on the date the manager is permanently laid off or accepts an appointment in lieu of layoff without a break in service with a lesser employer-paid insurance contribution than the manager was receiving in the appointment from which the layoff occurred and is no longer actively employed in the appointment from which the layoff occurred.

In the event the manager, while on permanent or seasonal layoff, is rehired to any state job classification with a lesser employer-paid insurance contribution than the manager is receiving under the six (6) months of insurance continuation, the manager shall continue to receive the employer contribution toward the employer-paid insurance for the duration of the six (6) months.

However, notwithstanding the paragraph above, in the event the manager successfully claims another state job in any agency and classification which is insurance eligible without a break in service, and is subsequently non-certified or involuntarily separated, the six (6) month duration for the employer contribution toward insurance benefits will begin at the time the manager is non-certified or otherwise involuntarily separated and is no longer actively employed by the Employer.

In no event shall an extended benefit eligibility period be longer than a total of six (6) months. Further, a manager must be receiving an Employer Contribution under Section 3 (A) or (B) at the time of layoff in order to be eligible for the six (6) months continuation of insurance.

2. **Work-related Injury/Disability.** A manager who receives an Employer Contribution and who is off the State payroll due to a work-related injury or a work-related disability remains eligible for an Employer Contribution as long as such a manager receives workers' compensation payments. If such manager ceases to receive workers' compensation payments for the injury or disability and is granted a medical leave under Chapter 6, s/he shall be eligible for an Employer Contribution during that leave.

D. Maintaining Eligibility for Employer Contribution.

1. **General.** A manager who receives a full or partial Employer Contribution maintains that eligibility as long as the manager meets the Employer Contribution eligibility requirements, and appears on a State payroll for at least one (1) full working day during each payroll period. This requirement does not apply to managers who receive an Employer Contribution while on layoff as described in Section 3C1, or while eligible for workers' compensation payments as described in Section 3C2.
2. **Unpaid Leave of Absence.** If a manager is on an unpaid leave of absence, then vacation leave, compensatory time, or sick leave cannot be used for the purpose of maintaining eligibility for an Employer Contribution by keeping the manager on a State payroll for one (1) working day per pay period.
3. **School Year Employment.** If a manager is employed on the basis of a school year and such employment contemplates absences from the State payroll during the summer months or vacation periods scheduled by the Appointing Authority which occur during the regular school year, the manager shall nonetheless remain eligible for an Employer Contribution, provided that the manager appears on the regular payroll for at least one working day in the payroll period immediately preceding such absences.
4. **Special Leaves.** A manager who is on an approved FMLA leave or on a salary savings leave as provided elsewhere in this plan maintains eligibility for an Employer contribution.

Section 4. Amount of Employer Contribution. For managers eligible for an Employer Contribution as described in Section 3, the amount of the Employer Contribution will be determined as follows beginning on January 1, 2016. The Employer Contribution amounts and rules in effect on June 30, 2015 will continue through December 31, 2015.

A. Contribution Formula - Health Coverage.

1. **Manager Coverage.** Beginning on January 1, 2015, for manager health coverage, the Employer contributes an amount equal to ninety-five percent (95%) of the manager-only premium of the Minnesota Advantage Health Plan (Advantage).

2. **Dependent Coverage.** For dependent health coverage for the 2016 and 2017 plan years, the Employer contributes an amount equal to the lesser of eighty five percent (85%) of the dependent premium of Advantage.

B. **Contribution Formula - Dental Coverage.**

1. **Manager Coverage.** For manager dental coverage, the Employer contributes an amount equal to the lesser of ninety percent (90%) of the manager premium of the State Dental Plan, or the actual manager premium of the dental plan chosen by the manager. However, for calendar years beginning January 1, 2016, and January 1, 2017, the minimum manager contribution shall be five dollars (\$5.00) per month.
2. **Dependent Coverage.** For dependent dental coverage, the Employer contributes an amount equal to the lesser of fifty percent (50%) of the dependent premium of the State Dental Plan, or the actual dependent premium of the dental plan chosen by the manager.

- C. **Contribution Formula - Basic Life Coverage.** For manager basic life coverage and accidental death and dismemberment coverage, the Employer contributes one-hundred percent (100%) of the cost.

Section 5. Coverage Changes and Effective Dates.

A. **When Coverage May Be Chosen.**

1. **Newly Hired Managers.** A manager hired into an insurance eligible position must make his/her benefit elections by their initial effective date of coverage as defined in this Chapter, Section 5C. Insurance eligible managers will automatically be enrolled in basic life coverage. If managers eligible for a full Employer Contribution do not choose a health plan administrator and a primary care clinic by their initial effective date, they will be enrolled in a Benefit Level Two clinic (or Level One, if available) that meets established access standards in the health plan with the largest number of Benefit Level One and Two clinics in the county of the manager's residence at the beginning of the insurance year. If a manager does not choose a health plan administrator and primary care clinic by their initial effective date, but was previously covered as a dependent immediately prior to their initial effective date, they will be defaulted to the plan administrator and primary care clinic in which they were previously enrolled.

Newly hired managers may waive medical coverage prior to their initial effective date if they can provide documentation to SEGIP stating that enrolling in SEGIP coverage would cause them to lose eligibility for other medical coverage currently in effect.

2. **Eligibility Changes.** Managers who become eligible for a full employer contribution must make their benefit elections within thirty (30) calendar days of becoming eligible. If managers do not choose a health plan administrator and a primary care clinic within this thirty (30) day timeframe, they will be enrolled in a Benefit Level Two clinic (or Level One, if available) that meets established access standards in the health plan with the largest number of Benefit Level One and Two clinics in the county of the manager's residence at the beginning of the insurance year.

If managers who become eligible for a partial Employer Contribution choose to enroll in insurance, they must do so within thirty (30) days of becoming eligible or during open enrollment.

A manager may change his/her health or dental plan if the manager changes to a new permanent work or residence location, and the manager's current plan is no longer available. If the manager has family coverage and if the new residence location is outside of the current plan's service area, the manager shall be permitted to switch to a new plan administrator and new Benefit Level within thirty (30) days of the residence location change. The election change must be due to and correspond with the change in status.

A manager who receives notification of a work location change between the end of an open enrollment period and the beginning of the next insurance year may change his/her health or dental plan within thirty (30) calendar days of the date of the relocation under the same provisions accorded during the last open enrollment period. A manager or retired manager may also change health or dental plans in any other situation in which the Employer is required by the applicable federal or state law to allow a plan change.

B. **When Coverage May be Changed or Cancelled.**

1. **Changes Due to a Life Event.** After the initial enrollment period and outside of any open enrollment period, a manager may elect to change health or dental coverage (including adding or canceling coverage) and any applicable manager contributions in the following situations (as long as allowed under the applicable provisions, regulations, and rules of the federal and state law in effect at the beginning of the plan year).

The request to change coverage must be consistent with a change in status that qualifies as a life event, and does not include changing health or dental plans, which may only be done under the terms of Section 5A above. Any election to add coverage must be made within thirty (30) days following the event, and any election to cancel coverage must be made within sixty (60) days following the event. (A manager and a retired manager may add dependent health or dental coverage following the birth of a child or dependent grandchild, or following the adoption of a child, without regard to the thirty (30) day limit.) These life events (for both managers and retired managers) are:

- a. A change in legal marital status, including marriage, death of a spouse, divorce, legal separation and annulment.
- b. A change in number of dependents, including birth, death, adoption, and placement for adoption.
- c. A change in employment status of the manager, or the manager's or retired manager's spouse or dependent, including termination or commencement of employment, a strike or lockout, a commencement of or return from an unpaid leave of absence, a change in worksite, and a change in working conditions (including changing between part-time and full-time or hourly and salaried) of the manager, the manager's or retired manager's spouse or dependent which results in a change in the benefits they receive under a cafeteria plan or a health or dental plan.
- d. A dependent ceasing to satisfy eligibility requirements for coverage due to attainment of age or otherwise no longer meets the eligibility requirements under Section 2C.
- e. A change in the place of residence of the manager, retired manager or their spouse or dependent.
- f. Significant cost or coverage changes (including coverage curtailment and the addition of a benefit package).
- g. Family Medical Leave Act (FMLA) leave.
- h. Judgments, decrees or orders.
- i. A change in coverage of a spouse or dependent under another Employer's plan.
- j. Open enrollment under the plan another Employer.
- k. Health Insurance and Portability and Accountability Act (HIPAA) special enrollment rights for new dependents and in the case of loss of other insurance coverage.
- l. A COBRA-qualifying event.
- m. Loss of coverage under the group health plan of a governmental or educational institution (a State's children's health insurance program, medical care program of an Indian tribal government, State health benefits risk pool, or foreign government group health plan).
- n. Entitlement to Medicare or Medicaid.

- o. Any other situations in which the group health or dental plan is required by the applicable federal or state law to allow a change in coverage.
- 2. **Canceling Dependent Coverage During Open Enrollment**. In addition to the above situations, dependent health or dependent dental coverage may also be cancelled for any reason during the open enrollment period that applies to each type of plan (as long as allowed under the applicable provisions, regulations and rules of the federal and state law in effect at the beginning of the plan year).
- 3. **Canceling Manager Coverage**. A part-time manager may also cancel manager coverage within sixty (60) days of when one of the life events set forth above occurs.
- 4. **Effective Date of Benefit Termination**. Medical, dental and life coverage termination will take effect on the first of the month following the loss of eligible manager or dependent status. Disability benefit coverage terminations will take effect on the day following loss of eligible manager status.

C. **Effective Date of Coverage**.

- 1. **Initial Effective Date**. The initial effective date of coverage under the Group Insurance Program is the thirty-fifth (35th) day following the manager's first day of employment, re-hire, or reinstatement with the State. The initial effective date of coverage for a manager whose eligibility has changed is the date of the change. A manager must be actively at work on the initial effective date of coverage, except that a manager who is on paid leave on the date State-paid life insurance benefits increase is also entitled to the increased life insurance coverage. In no event shall a manager's dependent's coverage become effective before the manager's coverage.

If a manager is not actively at work due to manager or dependent health status or medical disability, medical and dental coverage will still take effect. (Life and disability coverage will be delayed until the manager returns to work.)

2. **Delay in Coverage Effective Date**.

- A. **Basic Life**. If a manager is not actively at work on the initial effective date of coverage, coverage will be effective on the first day of the manager's return to work. The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, a manager is on an unpaid leave of absence or layoff.

- B. **Medical and Dental.** If a manager is not actively at work on the initial effective date of coverage due to a reason other than hospitalization or medical disability of the manager or dependent, medical and dental coverage will be effective on the first day of the manager's return to work.

The effective date of a change in coverage is not delayed in the event that, on the date the coverage change would be effective, a manager is on an unpaid leave of absence or layoff.

- C. **Optional Life and Disability Coverages.** In order for coverage to become effective, the manager must be in active payroll status and not using sick leave on the first day following approval by the insurance company. If it is an open enrollment period, coverage may be applied for but will not become effective until the first day of the manager's return to work.

D. **Open Enrollment.**

1. **Frequency and Duration.** There shall be an open enrollment period for health coverage in each year of this Plan, and for dental coverage in the first year of this Plan. Each year of the Agreement, all managers shall have the option to complete a Health Assessment. Open enrollment periods shall last a minimum of fourteen (14) calendar days in each year of this Plan. Open enrollment changes become effective on January 1 of each year of this Plan. Subject to a timely plan settlement, the Employer shall make open enrollment materials available to managers at least fourteen (14) days prior to the start of the open enrollment period.

Open enrollment may be suspended at the discretion of the Commissioner if, by October 15 of any insurance year, this Chapter or a negotiated insurance article has not been approved in accordance with M.S. 43A.18, Subd. 2.

2. **Eligibility to Participate.** A manager eligible to participate in the State Employee Group Insurance Program, as described in Section 2A and 2B, may participate in open enrollment. In addition, a person in the following categories may, as allowed in Section 5E1 above, make certain changes: (1) a former manager or dependent on continuation coverage, as described in Section 2D, may change plans or add coverage for health and/or dental plans on the same basis as active managers; and (2) an early retiree, prior to becoming eligible for Medicare, may change health and/or dental plans as agreed to for active managers, but may not add dependent coverage.
3. **Materials for Manager Choice.** Each year prior to open enrollment, the Appointing Authority will give eligible managers the information necessary to make open enrollment selections. Managers will be provided a statement of their current coverage each year of the plan.

- E. **Coverage Selection Prior to Retirement.** A manager who retires and is eligible to continue insurance coverage as a retired manager may change his/her health or dental plan during the sixty (60) calendar day period immediately preceding the date of retirement. The manager may not add dependent coverage during this period. The change takes effect on the first day of the month following the date of retirement.

Section 6. Basic Coverages.

A. **Manager and Dependent Health Coverage.**

1. **Minnesota Advantage Health Plan (Advantage).** The health coverage portion of the State Employee Group Insurance Program is provided through the Minnesota Advantage Health Plan (Advantage), a self-insured health plan offering four (4) Benefit Level options. Provider networks and claim administration are provided by multiple plan administrators. Coverage offered through Advantage is determined by Section 6A2.
2. **Coverage Under the Minnesota Advantage Health Plan.** From July 1, 2015 through December 31, 2015, health coverage under the SEGIP will continue at the level in effect on June 30, 2015. Effective January 1, 2016, Advantage will cover eligible services subject to the copayments, deductibles and coinsurance coverage limits stated. Services provided through Advantage are subject to the managed care procedures and principles, including standards of medical necessity and appropriate practice, of the plan administrators. Coverage details are provided in the Advantage Summary of Benefits.
 - a. **Benefit Options.** Managers must elect a plan administrator and primary care clinic. Those elections will determine the Benefit Level through Advantage. Enrolled dependents must elect a primary care clinic that is available through the plan administrator chosen by the manager.
 - 1) **Plan Administrator.** Managers must elect a plan administrator during their initial enrollment in Advantage and may change their plan administrator election only during the annual open enrollment and when permitted under Section 5. Dependents must be enrolled through the same plan administrator as the manager.
 - 2) **Benefit Level.** The primary care clinics available through each plan administrator are assigned a Benefit Level. The Benefit Levels are outlined in the benefit chart below. Primary care clinics may be in different Benefit Levels for different plan administrators. Family members may be enrolled in clinics that are in different Benefits Levels. Managers and their dependents may change to clinics in different Benefit Levels during the annual open enrollment. Managers and their dependents may also elect to move to a clinic in a different

Benefit Level within the same plan administrator up to two (2) additional times during the plan year. Unless the individual has a referral from his/her primary care clinic, there are no benefits for services received from providers in Benefit Levels that are different from that of the primary care clinic in which the individual has enrolled.

- 3) **Primary Care Clinic.** Managers and each of their covered dependents must individually elect a primary care clinic within the network of providers offered by the plan administrator chosen by the manager. Managers and their dependents may elect to change clinics within their clinic’s Benefit Level as often as the plan administrator permits and as outlined above.
