PROPOSED TECHNICAL POLICY AMENDMENTS	

1 **BACKGROUND**

2
3 Following discussions with members of the Board of Trustees, Leadership Council and others,
4 Chancellor Steven Rosenstone announced that in order to more accurately convey the role of the
5 system’s central administrative offices, the name “Office of the Chancellor” will be used solely
6 in reference to the chancellor and his immediate staff and the name “system office” will be used
7 to designate the entire centralized administrative offices. It is recommended that the Board
8 amend board policies to reflect consistent use of the term system office.

9
10 Following discussion with the Board’s Executive Committee, Chair Scott Thiss requested staff to
11 prepare a motion to make technical changes to board policy wherever appropriate. Technical
12 changes may be made with one reading and by consent agenda action in accordance with Board
13 Policy 1A.1, Part 6.
