

Proposal to Update the Accountability Dashboard

Board of Trustees Study Session
January 21, 2014

Minnesota State Colleges and Universities

The Minnesota State Colleges and Universities system is an Equal Opportunity employer and educator.

Background on Accountability Dashboard

- Implemented in 2008 and aligned with the system's 2008 strategic plan
- Accessible to all from the system's public web page
- Updated in 2011 to align with the system's 2010 strategic plan
- Currently reports 10 performance measures (see full list in materials)
- Focus is on judgments about historical performance
- Colleges and universities may provide comments on their performance

Proposed Accountability Dashboard update

- Measures are aligned with Strategic Framework goals and focused on outcomes
- Ambitious 5-year improvement goals are established for each college, university and the system
- Component of presidential performance evaluation
- Proposed Updated Dashboard will:
 - Include a more comprehensive set of 16 measures reported for each college, university and the system
 - Accessible to everyone from the system's public web page
 - Colleges and universities may provide comments on their performance

Proposed Accountability Dashboard report

Proposed Update to Accountability Dashboard

- **Current Accountability Dashboard**
