

## Application for Admission

**Directions:** This application form may be used to apply to any of the 37 Minnesota State colleges and universities including state universities, community colleges, technical colleges, and comprehensive community and technical colleges. The system does not include the University of Minnesota.

- All applicants must sign the application form in the box provided on page 4.**
- The high school preparation standards section on page 4 should be filled out by state university applicants only.**
- Please print or type. Complete the form accurately. Misrepresentation of application information is sufficient grounds for canceling admission.**
- A one-time \$20 non-refundable application/records fee must be included with your application to EACH institution.** Some institutions may waive this fee in cases of extreme financial need. Fee waiver may be granted to eligible service members or veterans. Contact the college's or university's Office of Admissions for more information about its policy.
- Use a separate form to apply for graduate school or international admission at state universities.** Call the Office of Admissions where you wish to attend to request the required form.
- Submit this application to the college/university of your choice (see addresses on page 2).**
- Official high school and college transcripts must be submitted to the Office of Admissions of the college or university you wish to attend.**
- If you have not already done so, you should apply for financial aid as soon as possible.**  
Many students who qualify for aid do not apply and do not receive funds that may be available for them. Even if you do not qualify for grant aid, submitting a Free Application for Federal Student Aid (FAFSA) is required to be eligible for federally guaranteed loans. You may fill out a FAFSA online by going to [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

**Visit [www.mnscu.edu](http://www.mnscu.edu) to search programs and explore colleges and universities, or call 1-888-667-2848 for more information.**

NOTE: We are asking you to provide information about yourself that is private under state and federal law. We are asking for this information in order to process your application.

You are not legally required to provide the information requested, however, we may not be able to effectively process your application if you do not provide sufficient information. With some exceptions, unless you consent to further release of your private information, access to this information will be limited to system officials who have legitimate educational interests in the information. Under certain circumstances, federal and state laws authorize release of private information without your consent:

- To other schools in which you seek or intend to enroll, or are enrolled;
- To federal, state, or local authorities for purposes of education program compliance, audit or evaluation;
- As appropriate in connection with your application for, or receipt of, financial aid;
- To your parents, if your parents claim you as a dependent student for tax purposes;
- If the information is sought with a subpoena, court order, or otherwise permitted by other state or federal law, and
- To an organization engaged in educational research or an accrediting agency.

If you have been arrested, charged, or convicted of any criminal offense, you should investigate the impact that the arrest, charge, or conviction may have on your chances of employment in the field you intend to study or on your chances to obtain federal, state, and other higher education financial aid.

Minnesota State colleges and universities abide by the provisions of Title IX and other federal and state laws forbidding discrimination on the basis of sex, race, color, national origin, or handicap and all other state and federal laws regarding equal opportunity.
