This Agreement is entered into between INVER HILLS COMMUNITY COLLEGE (IHCC) (hereinafter sending institution), and SAINT MARY’S UNIVERSITY OF MINNESOTA SCHOOLS OF GRADUATE AND PROFESSIONAL PROGRAMS (SMUMN) (hereinafter receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established an A.A.S. Computer Programmer (hereinafter sending program), and the receiving institution has established a B.S. in Business Intelligence and Data Analytics (hereinafter receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

Admission and Graduation Requirements

A. The receiving institution’s admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.
B. Students must fulfill the graduation requirements at both institutions.
C. Students must complete the entire sending program and meet the receiving institution’s admission requirements for the agreement to apply, including grade requirements for courses and an overall GPA requirement.

Transfer of Credits

A. The receiving institution will accept 60 credits from the sending program. A total of 62 credits remain to complete the receiving program (42 of these remaining credits need to be completed at Saint Mary’s University).
B. Courses will transfer as described in the attached Program Articulation Table. For system institutions, once the courses are encoded, they will transfer as described in the “Transferology” audit.

Implementation and Review

A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
B. This Articulation Agreement is effective on 11/01/2018 and shall remain in effect until the end date of 11/01/2023 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
D. This Articulation Agreement will be reviewed by both parties beginning 05/01/2023 (within six months of the end date).
E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

April 7, 2015
## PROGRAM ARTICULATION TABLE

Check if the sending program ___ or receiving program ___ is new.

<table>
<thead>
<tr>
<th>Institution</th>
<th>College (sending)</th>
<th>University (receiving)</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>

<td>Describe program admission requirements (if any)</td>
<td>An official transcript issued to Saint Mary's University with a minimum of 30 semester credits including a basic English Composition course.</td>
<td></td>
</tr>
</tbody>
</table>

### Instructions
- List all required courses in both academic programs.
- MnTC goal areas transfer to the receiving institution according to the goal areas designated by the sending institution.
- Do not indicate a goal area for general education courses that are not part of the MnTC.
- For restricted or unrestricted electives, list number of credits.
- Credits applied: the receiving institution/course credit amount may be more or less than the sending institution credit amount. Enter the number of credits that the receiving institution will apply toward degree completion.
- Show equivalent university-college courses on the same row to ensure accurate DARS encoding.
- Equiv/Sub/Wav column: If a course is to be encoded as equivalent, enter Equiv. If a course is to be accepted by the university as a "substitution" only for the purposes of this agreement, enter Sub. If a course requirement is waived by the receiving institution, enter Wav. If a course is to be accepted by the university as a MnTC goal area, restricted elective or unrestricted elective, leave the cell blank.

(To add rows, place cursor outside of the end of a row and press enter.)

</table>

**Special Notes:** **A minimum of 30 semester credits transferrable to Saint Mary's University (to include an English composition course) are required for admission to the Information Technology program. Saint Mary's University**

April 7, 2015
(SMU) requires that students complete a minimum of 42 semester credits at SMU (SMU's minimum residency requirement for the program), and 122 credits total, to earn the Bachelor of Science in BIDA degree. The remaining 80 credits can be completed at Inver Hills Community College. Credit for prior learning, military training, and standardized exams such as CLEP and DSST can also count toward fulfilling the 80 non-SMU credit requirement. Courses completed at colleges and universities other than Inver Hills Community College are also considered for credit transfer into SMU.
