This Agreement is entered into between Century College (hereinafter sending institution), and Minnesota State University Moorhead (hereinafter receiving institution). This Agreement and any amendments and supplements, shall be interpreted pursuant to the laws of the State of Minnesota.

The sending institution has established the following (hereinafter sending program):

- Automotive Body Technology AAS 60 credits, 470603
- Computer Technology Support and Administration AAS, 60 credits, 111001
- Cybersecurity, Forensics, and Information Assurance AAS, 60 credits, 111003
- Engineering CAD Technology AAS, 60 credits, 151302
- Facilities Maintenance Engineer AAS, 60 credits, 460401
- Heating, Ventilation, and Air Conditioning Technology AAS, 60 credits, 470201
- InterNetwork Emerging Technologies AAS, 60 credits, 110901
- Interior Design AAS, 60 credits, 500408
- Orthotics Technology AAS, 60 credits 512307
- Prosthetic Technology AAS, 60 credits 512307
- Radiologic Technology AAS, 78 credits, 510911
- Web Design (VCC) AAS, 60 credits, 090702

and the receiving institution has established an Operations Management: Technical Management BS (hereinafter receiving program), and will facilitate credit transfer and provide a smooth transition from one related program to another. It is mutually agreed:

Admission and Graduation Requirements

A. The receiving institution’s admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement.

B. Students must fulfill the graduation requirements at both institutions.

C. Students must complete the entire sending program and meet the receiving institution’s admission requirements for the agreement to apply, including grade requirements for courses and an overall GPA requirement.

Transfer of Credits

A. The receiving institution will accept 56-68 credits from the sending program. A total of 65-69 credits remain to complete the receiving program.

B. Courses will transfer as described in the attached Program Transfer Table. For system institutions, once the courses are encoded, they will transfer as described in the “Transferology” audit.

Implementation and Review

A. The Senior Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent

March 5, 2021
agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.

B. This Transfer Agreement is effective on 08/01/2023 and shall remain in effect until 07/31/2028 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.

C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.

D. This Transfer Agreement will be reviewed by both parties beginning 02/01/2028 (within six months of the end date).

E. When a student notifies the receiving institution of their intent to follow this agreement, the receiving institution will encode course waivers and substitutions.

**Instructions**

- List all required courses in both academic programs.
- MnTC goal areas transfer to the receiving institution according to the goal areas designated by the sending institution.
- Do not indicate a goal area for general education courses that are not part of the MnTC.
- For restricted or unrestricted electives, list number of credits.
- Credits applied: the receiving institution course credit amount may be more or less than the sending institution credit amount. Enter the number of credits that the receiving institution will apply toward degree completion.
- Show equivalent university-college courses on the same row to ensure accurate DARS encoding.
- Equiv/Sub/Wav column: if a course is to be encoded as equivalent, enter Equiv. If a course is to be accepted by the university as a "substitution" only for the purposes of this agreement, enter Sub. If a course requirement is waived by the receiving institution, enter Wav. If a course is to be accepted by the university as a MnTC goal area, restricted elective or unrestricted elective, leave the cell blank.
