This dialogue is a continuation of the Executive and Audit Committees conversations regarding the Minnesota Office of the Legislative Auditor's evaluation report of the Minnesota State Colleges and Universities System Office.

Scheduled Presenter(s):

Maria McLemore, Executive Director for System and Foundation Relations

Background Information:

In February 2010, the Minnesota Office of the Legislative Auditor (OLA) released the evaluation of the Minnesota State Colleges and Universities System Office. The Audit Committee of the Board of Trustees has met with Legislative Auditor James Nobles and his staff; this discussion, along with advice from Trustee Scott Thiss, helped the Board to develop an immediate understanding of the issues and establish a sense of priorities and urgency.

One of the divisions identified by the OLA to need "attention from top [system] officials" was the Development Division. With the goal to achieve measurable progress on as many of the OLA report's recommendations as possible by June 2010, Maria McLemore will discuss the Development Division-related issues raised in the report.
