2.8 Student Life

Part 1. Purpose
To provide student life programing resulting in a wide range of student activities that contribute to the educational, cultural, or physical well-being of the student body.

Part 2. Student Life/Activity Program
Colleges and universities shall establish a student life/activity program. The revenue generated by the student life/activity fee authorized by Board Policy 5.11 Tuition and Fees and by System Procedure 5.11.1 Tuition and Fees must be used to fund student activities as defined in Minn. Stat. §136F.01, Subd. 5. The student life/activity program must be administered in accordance with board policies and system procedures and consistent with Minn. Stat. §136F.72, Subd. 3.

Part 3. Student Life Committee

Subpart A. Establishment and membership.
Each college and university shall have one or more student life/activity committees, as appropriate. The campus student association(s) may serve in this capacity. The campus student association(s) shall appoint the student members of the student life/activity committee(s). The campus student association shall establish the membership structure of the student life/activity committee, and at least two-thirds of the membership must be made up of students.

After consulting with the college or university president or designee, the campus student association(s) may review and amend the membership structure of the student life/activity committee to take effect in the next academic year.

Subpart B. Committee responsibility
The committee(s) shall annually recommend to the campus student association(s) the amount of the fee in the ensuing fiscal year, the allocation of revenues, policies and procedures for oversight of the student life/activities budget, and expenditures consistent with college or university policies and procedures, and Board Policy 5.11 Tuition and Fees, and System Procedures 5.11.1 Tuition and Fees and 2.8.1 Student Life.

Subpart C. Campus student association
On each campus, the student life/activity fee must fund the campus student association as defined in Board Policy 2.1 Campus Student Associations.

Subpart D. Authority for expenditures
The president of the college or university shall approve, reject, or modify the student life/activity fee and/or budget and authorize the collection and expenditure of such fees. In alignment with System Procedure 2.3.1 Student Involvement in Decision-Making, the college or university shall consult with the campus student association(s) must be consulted on regarding any modification to their budget and expenditure recommendation prior to implementation. Student life/activity fund balances must carry-over into the next fiscal year.

Subpart E. Budget reserves
Budget reserves may be established for the student life/activity funds. The status of such reserves must be reported annually to the student life/activity committee and campus student association.

PRESENTERS
Satasha Green-Stephens, Senior Vice Chancellor for Academic and Student Affairs

PURPOSE
Board Policy 1A.1 Minnesota State Colleges and Universities Organization and Administration, Part 6. Board Policies and System Procedures requires board review and approval of proposed changes to board policy and that each board policy is reviewed at least once every five years.

BACKGROUND INFORMATION
The proposed amendment to Board Policy 3.24 consists of updating the title, creating new Part 2. Authority, adding the definition of strategic plan, reorganizing the definition section alphabetically, and adding new Part 7. Review of Strategic Plans.

RECOMMENDED COMMITTEE MOTION (FIRST READING DRAFT)
The Academic and Student Affairs Committee recommends that the Board of Trustees approve the proposed amendment to Policy 3.24.

RECOMMENDED BOARD MOTION (FIRST READING DRAFT)
The Board of Trustees approves the proposed amendment to Policy 3.24.

Date Presented to the xxx Committee: 03/21/23
Date Presented to the Board of Trustees: First reading – no action taken.
Date of Implementation: TBD
PROPOSED CHANGES (FIRST READING DRAFT)

Single underlining represents proposed new language.
Strikeouts represent existing language proposed to be removed.

3.24 College or University Type, and Mission, and Strategic Plan, and System Minnesota State Mission and Vision

Part 1. Purpose
To establish conditions and processes for the review of college and university types, and missions, and strategic plans, and system Minnesota State mission, in accordance with Minn.-Stat. § 136F.05 Missions.

Part 2. Authority
Minn. Stat. 136F.05 Missions requires the colleges and universities of Minnesota State to establish their own distinct missions within certain parameters and with the approval of the Board of Trustees. Minn. Stat. §135A.052 Postsecondary Missions recognizes each type of postsecondary institution in the state and their distinct missions.

Part 32. Definitions
The following definitions apply to this policy and related procedure System Procedure 3.24.1.

College or university
Technical colleges, community colleges, consolidated community and technical colleges, and state universities within Minnesota State, as defined in Minn. Stat. § 135A.052, Sub. 1.

Mission
The distinct purpose of the college, university, or Minnesota State-system.

Strategic Plan
The college or university 2 to 5-year strategic plan.

Vision
The aspirations of the college, university, or Minnesota State-system.

College or university
Technical colleges, community colleges, consolidated community and technical colleges, and state universities, as defined in Minn. Stat. § 135A.052, Sub. 1.

Part 43. Change in College or University Type
A request for a change in college or university type is subject to approval by the Board of Trustees, following a first and second reading in accordance with Board Policy 1A.1 Part 6, Subpart A. The chancellor shall promulgate procedures to guide the board’s review of a change in college or university type.
Part 54. Approval of College or University Mission Statement

A college or university mission statement requires board approval. The chancellor has authority to approve minor revisions to an approved mission statement. The mission of a college or university must support achievement of the Minnesota State mission and provide a foundation for evaluation, accountability, and regional accreditation. Each college or university, with consultation from students, faculty, staff, and members of the local civic, nonprofit, and business communities, must be given considerable latitude to express its mission.

Part 55. Review and Approval of the System Minnesota State Mission and Vision

The Board of Trustees shall periodically review, revise as appropriate, and approve the system Minnesota State mission and vision. The mission and vision must advance the higher education needs of the state. The board shall assure there is consultation with students, faculty, staff, and essential members of the state.

Part 7. Review of Strategic Plans

Upon request, colleges and universities shall submit their institutional strategic plans to the chancellor.

PURPOSE
The purpose of this informational presentation is to provide an update on efforts involving the system office team and leaders at Minnesota State colleges and universities to identify ways the system office can support strategic enrollment management planning at the campus level and seek opportunities to leverage the strength of our system to work collaboratively to advance our equity and student success goals.

BACKGROUND INFORMATION
Since the mid-1970s, enrollment management has become an increasingly important function for colleges and universities. During the 1990s through the early 2000s, the focus of strategic enrollment management (SEM) started to shift towards institutional-wide efforts that were more integrated, evidence based and strategic in nature. David Kalsbeek, a former enrollment management leader at DePaul University, defines strategic enrollment management as, “A comprehensive approach to integrating all of the college or university’s programs, practices, policies, and planning related to achieving the optimal recruitment, retention and graduation of students.”

In that context, contemporary strategic enrollment management plans emphasize a comprehensive approach that focuses on the student lifecycle from prospect inquiry through graduation. This expanded focus of strategic enrollment management includes the whole student experience, as well as additional intervention points where colleges may influence
enrollment and student success. While the role of strategic enrollment management and definitions have evolved over time, they have always shared a common focus on the systematic integration of the college and university functions that affect recruitment and retention along with the use of assessment and data to inform practices and policies.

In 2019, academic and student affairs provided definition to frame the Minnesota State approach to strategic enrollment management: strategic enrollment management is a comprehensive, data informed approach to aligning all of the college and/or university programs, practices, policies, and planning to ensure the equitable recruitment, persistence, goal completion, and graduation of students. At the system level, strategies include the maturation of strategic enrollment management infrastructure and building campus capacity; addressing policy barriers; sharing and scaling best practices; and expanding technology and the data analysis infrastructure. Campus strategies include expanding recruitment and retention efforts; augmenting student support; expanding partnerships; and leveraging technology. These strategies will support the colleges and universities in responding to the ongoing post-pandemic challenges and in making progress toward our Equity 2030 goal.

TITLE: Project Results: Financial Internal Control Assessments

☐ Proposed New Policy or Amendment to Existing Policy  ☐ Approvals Required by Policy
☐ Other Approvals
☒ Monitoring/Compliance  ☐ Information

PRESENTERS
Amy Jorgenson, Chief Audit Officer
Mathew Mikulay, Baker Tilly Senior Manager

PURPOSE
The purpose of this project was to facilitate a review of financial internal controls to gain an understanding of current procedures, internal controls, and potential risks and gaps. The objectives for this project were to:

- Review the current internal control practices and process documentation.
- Perform the controls risk assessment by reviewing the design of the internal controls over key financial risk areas.

BACKGROUND INFORMATION
In fiscal year 2020, internal audit developed a multi-year plan to review key financial controls at each college, university, and the system office on a rotational basis over a five-year period. The purpose is to facilitate financial internal control assessments at each institution to gain an understanding of current procedures, internal controls, and potential risks and gaps.

In fiscal year 2023, the third year of the plan, we completed internal control assessments at four colleges. A summary of results will be discussed with the committee.

The project scope included a review of internal controls for select business cycles such as cashiering, accounts payable, purchasing cards, tuition billing, budgeting, and banking at the following institutions:

- Century College
- Hennepin Technical College
- Minneapolis College
- Normandale Community College
Project Results: Financial Internal Control Assessments (FY23/Year 3)

Purpose and Objectives

The purpose of the year 3 financial controls review was to facilitate financial control assessments at select institutions to gain an understanding of current procedures, internal controls, and potential risks and gaps.

The objectives of this project were to:
• Review the current internal control practices and process documentation.
• Perform the controls risk assessment by reviewing the design of internal controls over key financial risk areas.
Fiscal Year 2023 Institutions

- Century College
- Hennepin Technical College
- Minneapolis College
- Normandale Community College

In-Scope Business Cycles

- Business Office Cashiering
- Non-Business Office Cashiering
- Banking and Account Reconciliations
- Accounts Payable
- Purchasing Cards
- Inventory
- Tuition and Student Billing
- Budgeting
- System Security Access
Activities Completed

- **Interviews** – Conducted interviews with Business Office staff and key stakeholders at each respective institution for each in-scope business cycle.
- **Documentation review** – Reviewed relevant policy, procedure, and controls documentation at each respective institution to further develop an understanding of existing processes, controls, and related risks.
- **Results review** – Reviewed and discussed results of the respective financial controls assessment for each institution with business office staff and key stakeholders, including any recommendations and opportunities for improvement to enhance the internal controls environment.

Summary of Year 3 Results

Overall, adequate financial controls appear to exist in the in-scope business cycles, and appropriate processes appear to be in place in alignment with established Board policies and procedures.

Identified internal control gaps and provided recommendations to address the gaps. None of the internal control gaps identified are considered significant.

Identified certain instances where internal controls and related procedures can be further enhanced to reduce the risks relative to the specific business cycles for each individual institution.
**Strengths**

**Purchasing Cards**
- Strong review and approval controls are in place for administering purchasing cards and approving expenses. Robust policies and procedures exist.

**Reconciliations & Banking**
- Key account reconciliations are reviewed on a monthly basis. Quarterly certifications are completed in accordance with established policies and procedures.

**Tuition & Fee Rates**
- Robust review procedures are in place for the annual tuition and fee rate update process.

**Accounts Payable**
- Strong controls exist within Marketplace for contracts and purchase requisitions.

---

**Control Improvement Opportunities**

**System Security**
- Develop a formal timeline expectation for removal of employee access from ISRS and consider embedding this timeline within an offboarding checklist to ensure that ISRS access is removed timely.
- Conduct a periodic review of users with access to the US Bank expense management system, to ensure individuals with access still have an appropriate business need.

**Business Office Cashiering**
- Review all risky transactions completed in ISRS by all cashiers in a timely manner (at least monthly) to ensure the timely identification of unauthorized or inaccurately recorded transactions.

**Tuition and Billing**
- Develop internal policies at the respective institutions to address discretionary fees in alignment with established system procedure 5.11.1.
Control Gaps

ISRS/Marketplace
- Gap: There are certain incompatible roles for ISRS and Marketplace users that do not have a documented mitigating or compensating control within the system, subjecting the institution to fraud risk.

Physical Inventory Ownership
- Gap: Individuals responsible for the ownership of assets and equipment are performing the physical inventory counts, resulting in inadequate segregation of duties.

Physical Inventory Count
- Gap: An annual physical inventory count process is not completed in compliance with system procedure.

Third-Party Award Fee Adjustments
- Gap: There is no independent, secondary review of the third-party awards entered in the system, which may increase the risk of inaccurate or inappropriate entries.

Ongoing Monitoring

The Office of Internal Auditing performs ongoing monitoring of control gaps.
- Year 1: 5 institutions and the system office
- Year 2: 7 institutions
- Year 3: 4 institutions

Liz Cook, Manager with CliftonLarsonAllen, LLP

PURPOSE
Minnesota State’s external auditors, CliftonLarsonAllen, LLP, will discuss the results of its recently completed federal compliance audit of federal student financial aid and Higher Education emergency Relief Fund (HEERF) Programs for the year ended June 30, 2022. This audit work was required by the federal government.

BACKGROUND INFORMATION
Federal student financial aid is a major federal financial assistance program and required by law to be audited annually. Higher Education Emergency Relief Funds (HEERF), part of three acts passed by Congress to provide financial assistance to students and campuses due to the disruption caused by the coronavirus, were required to also be audited. The three acts were as follows:

- Coronavirus Aid, Relief, and Economic Security Act (CARES)
- Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)
- American Rescue Plan (ARP)

Minnesota State’s 2022 Schedule of Expenditures of Federal Awards Report for the Year Ended June 30, 2022 has been prepared by CLA as part of its responsibilities as the system auditor for Minnesota State. The results in this report are incorporated into the State of Minnesota’s Single Audit report and available on the Minnesota Management and Budget website. Copies of
the State of Minnesota’s Single Audit report will also be available on Minnesota State’s financial reporting website.

PURPOSE
Board Policy 5.14, Contracts, Procurements, and Supplier Diversity, requires Board of Trustees approval of any procurement, lease agreement, or professional, technical, or consulting service contract with a value in excess of $1,000,000 or contract amendment that would increase the total value of a contract to more than $1,000,000.
**Contract Requiring Board Approval: Customized Training, Dakota County Technical College**

**BACKGROUND**

Dakota County Technical College’s (DCTC) Customized Training Department has been designing and maintaining training curriculum for the aerospace industry since 2019. This curriculum is taught by Industrial InSite. Industrial InSite is one of the few providers with trainers capable of providing the soldering and brazing training required for the aerospace industry.

This contract amendment with Industrial InSite is important to DCTC’s growing partnership with Collins Aerospace which requires the specialized soldering and brazing training. This training will ensure that employees of Collins Aerospace are certified to continue working and that Collins Aerospace is able to continue manufacturing.

**FINANCIAL TERMS**

A $480,000 two-year contract was awarded to Industrial InSite, in February 2020, after a formal RFP process. The contract included up to three, one-year renewals. Amendments increased the contract by $400,000 in 2022 and $119,000 in February 2023. Total expenditures to date are $769,963.

DCTC signed a $2,000,000 revenue contract with Collins Aerospace in November 2022 to provide additional customized aerospace training. This training must be delivered by November 2024 and DCTC requires continued sub-contracted support from Industrial InSite to deliver the training. This board item requests to increase the amended contract by $1.201M. This action will result in a five-year contract with Industrial InSite totaling $2.2M. A new RFP will be issued for any future work.

**RECOMMENDED COMMITTEE MOTION**

The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to approve a $1.201M increase to the contract, bringing the total contract amount to $2.2M and with a term of five years for the purposes of maintaining the training curriculum for aerospace clients. The Finance and Facilities Committee further recommends that the Board of Trustees directs the chancellor or his designee to execute all necessary documents.

**RECOMMENDED BOARD MOTION**

Contract Requiring Board Approval: Marketing/Advertising Contract, Winona State University

BACKGROUND
Winona State University (WSU) is seeking to enter into a marketing contract with an advertising agency on July 1, 2023. The contracted agency will provide services encompassing market research, advertising strategy and creative development, ad buying and monitoring, and overall project management to stimulate enrollment growth and promote the university’s brand. This contract will allow for expanded marketing to recruit new students to Winona State University and the Minnesota State System, and to expand our university and system brands to reach new out-of-state markets and to better appeal to traditionally underrepresented demographics.

A Request for Proposal (RFP) was posted with proposals due on March 30, 2023. Proposals will be reviewed by a committee consisting of the Winona State University Director of Marketing, Director of Admissions, Vice President for Enrollment Management and Student Life, Vice President for Advancement, and Director of Rochester Campus and Student Services. The selection process will occur in April, with the goal of executing a contract by June 1 so the university can begin working with the contracted agency on July 1, 2023.

Once this contract is implemented, it will keep all university marketing expenditures under one contract, which will promote brand cohesion and lead to cost-savings and efficiencies by centralizing control and pooling resources within one agency. It could also provide opportunity to cover additional marketing campaigns including, but not limited to, WSU-Rochester, Graduate Studies, Adult and Continuing Education, and various academic programs. This new contractual arrangement will support a comprehensive, consistent student recruitment strategy by providing flexibility for program-level marketing.

FINANCIAL TERMS
The contract is planned for an initial term of two years at approximately $400,000 per year with an option to extend the contract for a third year. An additional amount estimated at $50,000 will be included in the first year of the contract to pay for initial market research that is necessary to develop innovative marketing strategies and to assess and update the university brand.

This contract will be paid for through general operating funds as part of the Winona State University marketing budget. Additional funds could be provided by various university divisions or departments to cover additional marketing campaigns as part of WSU’s comprehensive recruitment strategy. This new contract is set to begin on July 1, 2023, and will run through June 30, 2024, with an option to extend through June 30, 2025.

RECOMMENDED COMMITTEE MOTION
The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into a contract not to exceed $1,300,000 and with a term up to three years for the purposes of Marketing and Advertising. The Finance and Facilities Committee further recommends that the Board of Trustees directs the chancellor or his designee to execute all necessary documents.

Contract Requiring Board Approval: Library Renovation and Tutor and Learning Center Consolidation, Lake Superior College

BACKGROUND
Lake Superior College (LSC) seeks board approval for a construction contract not to exceed $2,000,000 to renovate its Library and consolidate it with their Tutor and Learning Center (TLC). The contract relocates the TLC from the second floor to the first floor Library. This also allows the two departments to share staff and partner on academic resources.

The project also creates new space for their TRiO program to better serve underrepresented students. The TRiO program will move into renovated space which provides an inviting climate for students using their services.

The project will also improve mechanical and electrical systems and area lighting.

FINANCIAL TERMS
This construction contract will be funded LSC operating funds and not exceed $2,000,000. Subject to board approval, the construction contract will be publicly advertised via QuestCDN, our electronic bidding system, and awarded to the lowest responsible bidder. Work is scheduled to begin during the Summer of 2023.

RECOMMENDED COMMITTEE MOTION
The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into a construction contract not to exceed $2,000,000 to renovate the library, consolidate it with the Tutor and Learning Center, and renovate TRiO program spaces at Lake Superior College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

RECOMMENDED BOARD MOTION
The Board of Trustees authorizes the chancellor or the chancellor’s designee to enter into a construction contract not to exceed $2,000,000 to renovate the library, consolidate it with the Tutor and Learning Center, and renovate TRiO program spaces at Lake Superior College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

Date Presented to the Board of Trustees: 3/22/2023
Date of Implementation: 3/22/2023
**BACKGROUND**

Minnesota State Community and Technical College (MState) seeks board approval of a construction contract not to exceed $1,200,000 to replace the exterior envelope and windows on four residential student housing apartment units located on the Fergus Falls Campus.

The existing exterior envelope has reached the end of its useful life. The windows are inefficient and in many cases leak. It is difficult for students to maintain a comfortable living environment during the winter months. Currently the exterior stucco siding has several deteriorated areas and damage from bird holes causing some walls to lose structural integrity. It is in the best interest for MState to remove the entire exterior, replace sheathing, and insulation as required, replace the exterior stucco with steel siding, and replace all the windows with higher quality efficient products.

**FINANCIAL TERMS**

This construction contract is funded by a combination of student rental fees and MState operating funds not to exceed $1,200,000. The construction contract is currently being publicly advertised via QuestCDN, our electronic bidding system, and subject to board approval, will be awarded to the lowest responsible bidder.

**RECOMMENDED COMMITTEE MOTION**

The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into a construction contract not to exceed $1,200,000 to replace exterior siding and windows on the Williams Hillside Apartments at the Fergus Falls campus of Minnesota State Community and Technical College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

**RECOMMENDED BOARD MOTION**

Contract Requiring Board Approval: Parking Lot #6 Pavement Rehabilitation, Normandale Community College

BACKGROUND
Normandale Community College (NCC) seeks board approval of a construction contract to repair and improve parking lot #6 on campus. The contract repairs approximately 135,000 square feet of deteriorated bituminous parking lot surfaces and improves pedestrian safety with lighting and provides additional security camera coverage.

FINANCIAL TERMS
This construction contract will be funded by the NCC parking fund for an amount not to exceed $1,300,000. Subject to board approval and design completion, the construction contract will be publicly advertised via QuestCDN, our electronic bidding system, in late March 2023 and awarded to the lowest responsible bidder.

RECOMMENDED COMMITTEE MOTION
The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into a construction contract not to exceed $1,300,000 to repair and improve Parking Lot #6, Normandale Community College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

Contract Requiring Board Approval: Library Building Renovation Construction Contract –
Phase 1, Normandale Community College

BACKGROUND

Normandale Community College (NCC) seeks board approval of a construction contract not to exceed $15,000,000 for Phase 1 of their Library renovation project for infrastructure upgrades and accessibility improvements.

In their November 2022 meeting, the Board of Trustees approved a design contract not to exceed $2,500,000 as part of a two-phased project plan to renovate and upgrade the campus Library Building. Phase 1 renovation work focuses on improvements to the exterior envelope and mechanical, electrical, and plumbing (MEP) infrastructure. On the lower level, classroom and student services are reorganized, and restrooms are upgraded. The main elevator and stairs are reconfigured to eliminate barriers to accessibility at the entry connecting the Library to the main campus.

Phase 2 construction contract approval will be subject to inclusion in a future Minnesota State capital budget request and funding by the State of Minnesota.

FINANCIAL TERMS

The Phase 1 project budget totals $18,000,000 from college operating funds budgeted for over time and designated for this project, Higher Education Asset Preservation and Replacement (HEAPR) funds made available from their 2020 Classroom and Student Services Renovation major capital project, and federal Higher Education Emergency Relief Fund (HEERF) funds:

This project is being executed through the Construction Manager at Risk (CM@R) delivery method where the general contractor is brought on board in the design process to provide experience and expertise. The opportunity for delivering construction management services for this project was publicly advertised via QuestCDN, our electronic bidding system. In February 2023, proposals were
reviewed and three firms were interviewed by the NCC project team as prescribed in Minnesota Statute §16C.34, *Construction Manager at Risk*. The successful contractor, J. E. Dunn Construction Group, demonstrated considerable expertise and a collaborative leadership style befitting this project type.

**RECOMMENDED COMMITTEE MOTION**
The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into a construction contract not to exceed $15,000,000 for Phase 1 of the Library Building Renovation project at Normandale Community College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

Contract Requiring Board Approval: Construction Phase 2 Locker Room Project, Riverland Community College

BACKGROUND
Riverland Community College (RCC) seeks board approval of a construction contract not to exceed $1,200,000 to renovate locker rooms at their Austin campus. The contract scope includes complete demolition and renovation of both team and physical education locker rooms and the athletic training room and updating showers to ensure Title IX and Americans with Disabilities Act (ADA) compliance and to satisfy student requests.

The construction contract was publicly advertised via QuestCDN, our electronic bidding system, and awarded in late November 2022 to the lowest responsible bidder, Met-Con Construction, for $965,000. During the preconstruction meeting and early construction work, it became apparent with site conditions the total construction contract cost was going to exceed the board approval threshold of $1,000,000 to fully realize the project scope and intent.

To enable the project team to advance the project without delay, the college seeks board approval of a construction contract not to exceed $1,200,000.

FINANCIAL TERMS
This construction contract is being funded with RCC general funds up to $776,000 and a $424,000 grant from The Hormel Foundation.

RECOMMENDED COMMITTEE MOTION

**Contract Requiring Board Approval: Campus-wide Door Hardware and Access, Rochester Community and Technical College**

**BACKGROUND**
Rochester Community and Technical College (RCTC) seeks board approval of a construction contract not to exceed $1,100,000 to install a new, campus-wide door access control system to improve campus safety and security by adding key card and remote operation of all exterior and classroom doors with a manual override feature at classrooms, and the ability to lock-down all remote-operated doors from a single location. The scope includes doors at the RCTC Main Campus, Sports Facilities Center, and the Heintz Center.

The construction contract was publicly advertised via QuestCDN, our electronic bidding system, and awarded to the lowest responsible bidder, Premier Electric Corporation, for an amount of $918,820.53. During the initial construction phase, unforeseen complexities arose with the existing door frames and additional doors were added to fully realize the project goals. The college now seeks board approval of the amended construction contract the Premier Electric Contract not to exceed $1,100,000.

**FINANCIAL TERMS**
This construction contract is being funded with RCTC general operating funds for an amount not to exceed $1,100,000.

**RECOMMENDED COMMITTEE MOTION**
The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into an amended construction contract not to exceed $1,100,000 to provide door access controls at Rochester Community and Technical College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

**RECOMMENDED BOARD MOTION**
The Board of Trustees authorizes the chancellor or the chancellor’s designee to enter into an amended construction contract not to exceed $1,100,000 to provide door access controls at Rochester Community and Technical College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

Contract Requiring Board Approval: Heintz Center South Parking Lot Improvements, Rochester Community and Technical College

BACKGROUND
Rochester Community and Technical College (RCTC) seeks board approval of a construction contract not to exceed $1,200,000 to repair and improve the south parking lot at their Heintz Center. The contract repairs 91,000 square feet of deteriorated bituminous parking lot surfaces and improves pedestrian safety with new islands and walking surfaces and includes new plantings and trees, pathways for future EV charging stations, new LED (Light Emitting Diode) parking lot lighting, and new wireless and exterior camera technology equipment. In addition, storm water drainage will be improved, Americans with Disabilities Act (ADA) parking will be revised, and the entire lot restriped for better visibility to staff and students.

FINANCIAL TERMS
This construction contract will be funded by the RCTC parking fund for an amount not to exceed $1,200,000. Subject to board approval and design completion, the construction contract will be publicly advertised via QuestCDN, our electronic bidding system, in late March 2023 and awarded to the lowest responsible bidder.

RECOMMENDED COMMITTEE MOTION
The Finance and Facilities Committee recommends that the Board of Trustees authorize the chancellor or the chancellor’s designee to enter into a construction contract not to exceed $1,200,000 to repair and improve the Heintz Center South Parking Lot Improvements, Rochester Community and Technical College. The Board of Trustees directs the chancellor or his designee to execute all necessary documents.

Governance framework

Board policy
• 5.24 - Safety and Security Compliance

System procedures:
• 5.24.1 - Hazardous Waste Management and Donated Materials
• 5.24.2 - Safety and Security Standards, Rules and Practices
• 5.24.3 - Emergency Management
• 5.24.5 - Campus Security

Compliance staffing model

Colleges and universities - Models vary:
• 4-Year Institutions:
  • Generally separate Safety and Security Coordinators.
  • Safety Coordinators generally a stand-alone position with no reports (two institutions without dedicated Safety Coordinators)
  • Security staff may include full time, part time, contractors or students.
• 2-Year Institutions (Larger/Metro):
  • Generally similar to 4-year institutions - dedicated roles for safety and security
• 2-Year Institutions (Smaller/Outstate):
  • Most institutions 1 person covering all roles and limited or no security personnel

System Office:
• Director of Public Safety & Compliance – John Dingmann
• Specialists:
  • Safety (Anita Mujumdar)
  • Environment (Dan Alden)
  • Security & Emergency Management (Tracy Worsley)
Director and Coordinator Tenure

0-2 Years: 10
2-5 Years: 11
5-10 Years: 6
11+ Years: 19

Open Positions:
• Ridgewater
• DCTC
• Hennepin Tech

Program support

Communications and communities of practice
• AFSCME Safety Committee
• Conferences
• Safety Director calls
• College Lab Assistant Safety Team meetings

Training
• Enterprise Learning Management (ELM) system
• Specialist develop and delivered – Online/In Person

Plan and program checklists and templates
• Compliance (OSHA, MDH) – ex. Lockout Tagout program, hot work permits, hoist inspection checklists, etc.
• Best Practices
• Emerging needs
Support initiatives

Partnership:
• MnOSHA Consultation
• Construction Occupancy Protection Exposure (COPE) Visits

Minnesota State:
• Campus Assistance Visits
  • Every campus receives a Safety, Environmental or Security focused visit annually
• Technical expertise provision
  • Chemical Monitoring
  • Environmental Permitting Advice
  • Regulation Application Interpretation
• Lead exercises and trainings
• Regulator contact and coordination

MnOSHA consultation visits

Program details:
• Visits are scheduled jointly by institution and system office
• Institution determines focus and scope
• Items identified by the OSHA consultants needing attention must be corrected
• No fines

Lessons learned:
• OSHA 300 Log errors
• Electrical hazards
• Machine guarding
• Inspection documentation
• Blocked exits, panels and extinguishers
Campus Assistance Visits

Purpose:
- Assist institutions in identifying compliance and incident risks
- Gathering information on compliance status as a system
- Inform compliance program workplan and initiatives

Goals:
- Reduced risk of safety and environmental incidents
- Improved compliance with regulatory standards
- Strengthen understanding of the compliance challenges and gaps throughout the system

How do Assistance Visits work?

- Each institution receives a visit from a specialist annually
- Visits are coordinated with the campus Safety/Security Director
- Each visit has two parts
  - Review of applicable documents/records
  - Onsite visit – all or part of campus depending on need and time
- Visit reports are issued to the institution highlighting both positive observations and instances of non-compliance
- System office staff review results to identify trends and system wide gaps
Assistance Visit Outcomes

CY2022 findings and observations:
• Institution specific safety and environmental training
• Environmental reporting:
  • Timeliness
  • Accuracy and completeness
• Emergency Operations Plan:
  • Communications containing old/inaccurate information.

Feedback on first year:
• Survey of Safety and Security Directors
• 4.6/5 ★ feedback

Challenges

Institutional capacity
• Wide breadth and depth of regulatory requirements and standards
  • Have no scale – campus size doesn’t matter
  • Not aligned with staff capacity or expertise

Variability in policies & programs across institutions

Change Management

Incident Reporting
Plans for the Future

Evaluate options for additional campus support focusing on Environmental compliance:
• Shared Service
• Consulting Assistance

Refine and execute the Campus Assistance Visit process

Develop additional tools and resources for campuses use
• Templates, programs, programs, forms, training

Exploring improved incident communication processes
• Communication mechanisms, responsible parties, etc.

**Chancellor’s Report, Devinder Malhotra**
Chair Moe, Vice Chair Soule, and trustees:

Today, my remarks are focused on our biennial budget request and capital request. We are at a critical juncture for our state and our system. The future of the state and that of our system is intrinsically tied. The state can’t prosper if we are not firing on all cylinders. We have a strong obligation to get the message across not only to the Legislature but all Minnesotans.

As has been shared with the board, last week I had the opportunity to present to both the House and Senate Higher Education committees and Capital Investment committees. The discussion that occurred in all four committees was informative and engaging. I want to thank our team who helped to prepare us for these discussions and the trustees and presidents who attended the hearings.

When we set out to develop our biennial budget request we had one phrase that resonated in all our planning and discussions – BOLD. Be BOLD in what we envision our colleges and universities to need to enhance access for our students and the communities they serve; Be BOLD in what our students need to persist and succeed for themselves, their families, their communities and ultimately the state; And to Be BOLD in our advocacy. That is why we engaged in budget listening sessions across the state in
the fall. That is why we toured the state two weeks ago - joined by our presidents to meet with editorial boards to share our message. That is why our campus leaders are reaching out to their business and community partners asking for their support of our budget request.

Minnesota State appreciates that the state colleges and universities were figured prominently in Governor Walz higher education budget recommendation yesterday. However, the target though appreciated falls short of what is needed to ensure accessible public higher education as a possibility for the entirety of our state’s future workforce, which is an economic imperative for Minnesota. The message we have received from our community partners was clear that they need a robust effort to plan to deliver more talented workers in every corner of the Minnesota and our proposal is key to that success.

Our biennial budget request will enable us to put in place an infrastructure that will increase the number of students we educate and our scale of operations. The student support and workforce development categories include initiatives that facilitate enhanced access and ability to persist and succeed for our students. Minnesota State Stabilization category makes a compelling case to appropriately resource our colleges and universities for them to bring about needed changes in the strategic positioning and business models to accomplish the expansion of number of students we educate and graduate. Our capital request was well received in both the House and Senate committees with a big emphasis on HEAPR. Tomorrow, the Governor will release his recommendation to the legislative and I am confident that his proposal will be robust for Minnesota State.

Even though the football season is coming to a close and a certain Cleveland team seems to have experienced a “rebuilding season” this year – something that I know Minnesota fans are well accustomed to – I can always find a way to incorporate a football analogy into my remarks. Although it may feel like we are in the locker room at half time trying to figure out what we are going to do when we retake the field – the reality of our situation is this. The game hasn’t yet begun. We’re still warming up in the tunnels. We have four FULL quarters to go. For this game, we need all our players fully prepared and ready for the game – it will be important that we continue the strong advocacy and partnership that we started this session with. I am appreciative of our statewide student associations and bargaining groups who have their advocacy days planned at the Capitol and the work that our presidents are doing both here in St. Paul and also back in their local communities.

Two quotes from President Kennedy come to mind as I look at the work ahead: One, ask not that the journey be easy; ask instead that it be worth it. Two, things do not happen, but rather, things are made to happen.
I am committed to remaining BOLD and I am committed to continuing to work with the Governor, legislators, and our partners during the entire legislative session to position Minnesota State to deliver for the students and communities we serve.

And with that Chair Moe, that concludes my remarks.

Chair’s Report
Thank you, Chancellor Malhotra, for your remarks.

Thank you, Chancellor, for your remarks. I want to thank you and your team for your efforts up to this point in the legislative process. This past week we had the opportunity to present in the House and Senate Finance and Capital Investment committees. I am pleased to note that our message seemed to resonate with committee members.

I also want to call out the recent media swing which took us to Bemidji, Moorhead, Alexandria, Marshall, Mankato, Rochester, Winona, and the Twin Cities to generate support for our legislative ask. We will be sharing the results of that effort with the board and more importantly, we will be sharing the results with policymakers.

At the board’s Executive Committee earlier this month, we discussed the advocacy plan that has been created to support our legislative efforts. I believe this plan is well thought out and we must maintain our focus on executing this plan.

The bottom line is this: what we need from the governor and the legislature is a better bottom line for our system. I appreciate the governor’s support and recognize that Minnesota State fared well within the overall higher education budget. I also acknowledge that the governor’s budget is twice what we ended up with last session. However, I am also keenly aware of what we heard consistently from our community and business partners across the state: they need Minnesota State to train and educate students to meet their workforce needs now and in the future. Minnesota State is a critical workforce development tool for the state and investments in the colleges and universities of Minnesota State are investments in the future economic vitality and prosperity of our state.

Chancellor, I know you are laser focused on this work. The message you are delivering to House and Senate committees has been clear and compelling. Your advocacy and leadership have been exemplary, and I am grateful for your efforts. I have confidence in our plan to advocate for what the system needs and, in our ability to tackle the work ahead.

I also want to note that we started this month’s meeting with a joint meeting with Leadership Council – I was sorry to miss this session since it is always a great opportunity to connect with Leadership Council colleagues. However, I had a good excuse! I was at the House Higher Education committee meeting to support Minnesota State’s advocacy for our FY24-25 biennial budget request. However, I heard positive
feedback about the presentation and discussion on the pandemic impact on the workforce.
