The Minnesota State Colleges and Universities Board of Trustees Executive Committee met at 30 7th St., E., 3rd Floor, Room 3310, St. Paul, on Wednesday, May 2, 2012. Chair Scott Thiss convened the meeting at 8:00 AM and announced that a quorum was present. Trustees Alfredo Oliveira and Christine Rice and President Edna Szymanski participated by conference call.

(1) Minutes of March 7, 2012, Meeting
The Executive Committee meeting minutes of March 7, 2012, were approved as written.

(2) FY2012 Third Quarter Board Operating Budget Report
Trustee Duane Benson, Treasurer, reviewed the FY2012 Third Quarter Board Operating Budget report. During the third quarter (January 1 to March 31, 2012), the board spent $26,151. Cash expenditures through March 31, 2012, were $95,552, or 44 percent of budget. For comparison purposes, during the same period in FY12 the board had spent 55 percent of its budget.

(3) Proposed FY2013 Board Operating Budget
Trustee Benson reviewed the proposed FY2013 Board Operating Budget of $188,000. It is presented for approval and for referral to the Finance and Facilities Committee for inclusion in the overall system budget that will be approved in June. Trustee Benson reported that the board’s budget for FY2012 was originally $212,500, but it was reduced by five percent in January 2012 resulting in a budget of $201,875. System budget planning for FY2013 set a target of $201,875 for the board’s budget.

Trustee Benson reported that rent for the McCormick Room, copier lease and delivery and courier expenses will be assumed by Office Services effective July 1. The amount of these expenses, estimated at $14,000, will reduce the board’s operating budget to $188,000. Trustee Benson continued that FY2012 expenses have been running at about one-third less than projected due to fewer meetings. Six new members are expected to be appointed in July, and orientation sessions will be scheduled. Depending on where the new members reside, travel expenses may increase as five of the members whose terms are ending live in the metro area. The board has memberships in two national higher education organizations for trustees. They are the Association of Community College Trustees and the Association of Governing Board of Universities and Colleges. The proposed budget includes $15,000 for trustees’ attendance at national conferences.
There was a discussion about the budget, including a suggestion to increase it by $6,000, or on a
questions about whether the board could request an increase in funds if needed later in the year.
Inge Chapin, Secretary to the Board, responded to questions. She explained that the consultant’s
category is the contract with the sound engineer who coordinates the amplification and live
audio-streaming of the committee and board meetings. The miscellaneous category includes the
memberships in the national higher education organizations and travel/accident insurance that is
due for renewal in September.

Trustee Hightower commented that he was philosophically opposed to increasing the board’s
budget when everyone else has to hold their budgets. Chair Thiss added that the board has
money left over every year. Laura King, Vice Chancellor – Chief Financial Officer, reported that
the legislature put a hard cap on the whole system office budget. Trustee McElroy remarked that
he thinks it is always better to budget as realistically as possible. Chair Thiss asked staff to show
line items in the budget for the audio engineer, memberships in national organizations and the
travel accident insurance policy.

*Trustee Benson moved that the Executive Committee approves the FY2013 Board Operating
Budget of $188,000, and refers it to the Finance and Facilities Committee to be included in the
overall budget that will be presented to the Board of Trustees for approval in June. Trustee
Dickson seconded and the motion carried.*

(4) Discussion FY2013 Meeting Calendar
Chair Thiss reviewed the proposed FY2013 meeting calendar. A retreat is planned in September.
Two-day committee and board meetings are scheduled in July, October, November, January,
March, April, May and June. Orientations will be scheduled after the new trustees have been
appointed. The calendar will be presented as a first reading on May 16 and for a second reading
and approval on June 20.

(5) Draft Schedule/Agendas for Meetings on May 15-16, 2012
The draft schedule and agendas for the committee and board meetings on May 15-16, 2012, were
reviewed. There was a discussion about the meeting frequency and how much time staff spends
on preparing for the committee and board meetings. Trustee Benson inquired of Chancellor
Rosenstone if it was possible to determine how much staff time goes into the meetings.
Chancellor Rosenstone replied that he would consult with staff and provide an estimate.

With the pending appointments of two new presidents, Chancellor Rosenstone commented that
there will be a change to the previous practice of announcing his recommendations in advance of
the meeting. The announcement will be made afterwards. Trustee Dickson suggested convening
the Human Resources Committee as a Committee of the Whole so that the procedure for the
appointments would not be done twice, once in committee and again during the board meeting,
which she felt was redundant. Chair Thiss asked Human Resources Committee Chair Trustee
Hightower to consider simplifying the process and to consult with General Counsel Gail Olson,
as necessary.

(6) Leadership Council Comments
President Edna Szymanski, Minnesota State University Moorhead, reported that the Leadership
Council met on May 1, 2012. She commented that they worked on goals in the Strategic
Framework and that significant progress has been made on increasing access to baccalaureate
degrees in the metro area. President Szymanski also announced that President Earl Potter, St. Cloud State University, was elected as the incoming co-chair of the Leadership Council.

Adjournment
Chair Thiss adjourned the meeting at 9:09 AM.
