Board Policy 5.11 Tuition and Fees

Part 1. Policy objectives
The tuition and fees policy of Minnesota State seeks to balance five values:

1. Affordable access to higher education: Minnesota State will champion a quality affordable higher education that all Minnesotans can access.
2. Sustainability: Minnesota State seeks to provide the resources needed for colleges and universities to support quality higher education and long term financial viability.
3. Equity: Minnesota State students taking similar academic programs are charged similar rates across Minnesota State colleges and universities.
4. Transparency: Minnesota State students will know what they are paying for and how their total tuition and fee charges are calculated.
5. Flexibility for innovation and emerging markets: Minnesota State seeks to support the flexibility to be innovative, respond to the marketplace, and address emerging program and course development requirements.

Part 2. Authority
Minnesota Statutes § 136F.06, Powers and Duties, and Minnesota Statutes § 136F.70, Tuition; Fees; Activities Funds provide that the board shall set tuition and fees and adopt suitable policies for the colleges and universities it governs. All colleges and universities shall charge tuition and fees consistent with Minnesota Statutes, board policies, and system procedures. The board shall approve the tuition and fee structure for all colleges and universities.

The chancellor may establish limits on tuition and fee rate increases that are presented to the board as part of the annual operating budget. The chancellor or designee is authorized to make any necessary technical adjustments to the tuition rates and fees. Technical adjustments are defined as changes in tuition and fee rates which are deemed a correction or the addition of a program rate for a new program established in the interim.

Part 3. Tuition
Tuition shall be charged by all colleges and universities. The tuition categories are:

1. Per credit
2. Banded
3. Differential course and program
4. Market driven

Each tuition category may include resident, reciprocity, and nonresident rates. All tuition must be identified separately on a tuition and fee statement.
Colleges and universities have the option to create guaranteed tuition rates for undergraduate programs.

Part 4. Authorization and notice

Subpart A. Authorization of required and campus discretionary fees.
The board authorizes the following four categories of fees to be charged to Minnesota State students. The amount of the fees and how they are charged are determined by a college or university, subject to Minnesota statutes and board policy.

1. Required fees are in statute or established by board policy and are required to be charged by all colleges and universities.
2. Campus discretionary fees are established by board policy and adopted at campus discretion.
3. Personal property charges, service charges, and assessments are established by board policy and adopted at campus discretion.
4. Revenue Fund fees are established in accordance with statutes, board policy, and bond indenture.

All colleges and universities shall charge these fees consistent with Minnesota Statutes, board policies, and system procedures.

**Subpart C. Personal property charges, service charges, and assessments.**

There are two types of revenue fund fees:
