Your **33** State
Colleges and Universities

MINNESOTA STATE

Extraordinary Education. Exceptional Value.

Nestled amidst the lakes, forests, and scenic landscapes of Minnesota are the 33 state colleges and universities of Minnesota State, your state college and university system.

Each year, 270,000 students choose your state colleges and universities, creating a brighter future to become the talent needed for Minnesota businesses and communities to grow and prosper. Minnesota State offers thousands of academic programs at the lowest tuition in the state. With our 54 campuses located in 47 Minnesota communities, you can choose to continue your educational journey close to home or across the state. We also offer a vibrant array of student life activities and experiential learning options. That's what extraordinary education at an exceptional value is all about.

Extraordinary Impact

Minnesota State is making a difference. From the students we serve, to our business partners, to those we employ, chances are good you or someone you know has benefited from the work of your state colleges and universities.

Minnesota State Graduates' Debt

Fiscal Year 2024

DEGREE	MINNESOTA STATE GRADUATES WITH NO DEBT	MEDIAN DEBT FOR ALL GRADUATES	MEDIAN DEBT FOR GRADUATES WHO BORROWED
Certificates/Diplomas	74%	\$0*	\$9,500
Associate Degrees	68.5%	\$0*	\$12,713
Baccalaureate Degrees	39.9%	\$9,000	\$22,284

*Note the median for all graduates with certificates/diplomas/associate degrees is \$0 as over half did not borrow.

World-class
Education

Extraordinary Education

Your state colleges and universities offer nearly 4,000 superior academic programs taught by seasoned faculty who know you by name. Take a few classes to retool your skills. Earn a certificate, diploma, or associate degree. Or, start working on or complete your bachelor's, master's, or doctorate. Minnesota State will help you build a plan that's right for you.

» Move Quickly

Your state colleges offer options that allow you to take classes or earn a certificate, diploma, or associate degree in two years or less.

» Graduation Options

Start and finish your bachelor's degree at one of your state universities, or complete two years at a state college and transfer to one of your state universities.

» Work-School-Life Balance

Explore flexible scheduling options, accelerated options, or online classes and programs that work with your schedule and fit into your life.

» Personalized Attention

Class sizes are small, campuses are friendly, and you are taught by faculty, not teaching assistants.

» Stay Local or Explore

Minnesota State has 54 campuses in 47 Minnesota communities. Choose the one that is right for you.

» Retool or Advance Your Career

Check out non-credit, short-term training options designed to help you get quick and specialized training through any Minnesota State continuing education or customized training program.

» Exceptional Value

Minnesota State offers the lowest tuition in Minnesota, multiple classes and degrees with no cost for books (Z-Degrees), and a first-class education employers respect.

» Find Your Path

Work one-on-one with staff at any of your colleges and universities to find the program and path that is right for you.

**FREE
COLLEGE
TUITION**
*is possible at
Minnesota State*

NORTH STAR PROMISE SCHOLARSHIP

The North Star Promise Scholarship program provides eligible Minnesota residents a tuition-free path to a bachelor's degree. More information available on the **Minnesota State Office of Higher Education (OHE) website**.

» How to Apply

1. Apply for admission to a Minnesota State college or university —you will need to be admitted to be eligible for the North State Promise Scholarship program.
2. Complete the Free Application for Federal Student Aid (FAFSA) or Minnesota Dream Act Application.

There is no additional application beyond the FAFSA or Minnesota Dream Act Application. Minnesota State will assess your eligibility on a term-by-term basis and award North Star Promise Scholarships to all eligible students.

» Eligibility

To be eligible for the scholarship, students must:

1. Be a Minnesota resident
2. Have a family Adjusted Gross Income (AGI) as reported on the Free Application for Federal Student Aid (FAFSA) or Minnesota Dream Act Application below \$80,000.
3. Attend a Minnesota public higher education institution (including Minnesota State) or Tribal College
4. Not be in default on a state or federal student loan
5. Be enrolled taking at least one credit
6. Meet Satisfactory Academic Progress standards
7. Have not already earned a baccalaureate degree
8. Be enrolled in a program or course of study that applies to a degree, diploma, or certificate

Exceptional Value

Your 33 state colleges and universities offer the lowest tuition and fees in Minnesota, giving you access to first-rate education options throughout the state and the ability to avoid or limit debt.

Not from Minnesota? Most colleges and universities that are part of Minnesota State offer in-state tuition rates to residents of other states. Check with the college or university you wish to attend for details. All veterans, service members, and their families receive in-state tuition.

2025-2026 TUITION AND REQUIRED FEES

- Minnesota State colleges
- Minnesota State universities
- University of Minnesota
- Minnesota privates colleges and universities

* Tuition rates for Dunwoody College of Technology and Macalester College are from 2024-2025.

~Tuition rate for University of Minnesota, Twin Cities is a listed estimate.

Extraordinary Experiences

STUDENT LIFE

Choosing a state college or university also means you have access to a vibrant social scene. Check out the variety of clubs, organizations, and events. Explore varsity athletics options on **PAGES 57** and **64**.

Learn about study abroad and service learning opportunities available at the college or university you are interested in attending.

Or, get involved with student government on your campus or at the state level as part of Students United (*representing Minnesota State university students*) and LeadMN (*representing public community and technical college students*). Learn more at MinnState.edu/admissions/studentlife.html.

Exceptional Talent

A BRIGHT FUTURE

Your state colleges and universities are a vital resource to Minnesota employers. Not only do we help prepare students to become talented and skilled individuals, but we also work hand-in-hand with business and industry to develop relevant programs and curriculum.

GAIN RELEVANT EXPERIENCE. Employers from across the state work with your colleges and universities to offer internships and job opportunities. These same professionals also serve as advisors who help shape curriculum, obtain equipment, and develop new programs and classes.

Be the talent of tomorrow. Your state colleges and universities award more than 34,000 certificates, diplomas, and degrees each year, and 86 percent of those graduates begin working in their field of study within one year.

FIND SOLUTIONS TO CHANGING BUSINESS NEEDS. All 33 state colleges and universities offer non-credit learning options through a network of experienced instructors who work with employers to develop training and education programs that allow employees to thrive in the ever-changing global marketplace and keep skills competitive.

UPDATE YOUR SKILLS AND KNOWLEDGE WITH CONTINUING EDUCATION. Advance your career by gaining new knowledge or skills, retraining, or attaining critical certification and licensures.

Transfer OPTIONS

Extraordinary Pathways

Starting at a Minnesota State college and considering transfer? Plan now to save time and money later. Check out a few of the transfer programs available through Minnesota State, or visit MinnState.edu for details.

WANT TO LEARN MORE?

Your colleges and universities are staffed with many people who can help you find a direction that is right for you. Talk to a transfer specialist, visit a college or university in person, or visit MinnState.edu/transfer to learn more.

WHAT WILL TRANSFER?

EXPLORE TRANSFER PATHWAYS: Minnesota State offers transfer pathways that allow you to complete a specific associate degree and transfer to any of the seven Minnesota State universities.* If you complete a Transfer Pathway degree at a Minnesota State college and are admitted to a state university, you will be guaranteed junior status and given assurance that all 60 college credits will count toward the related bachelor's degree.** See **PAGE 58** for program details and options.

GET TO KNOW THE BACHELOR'S DEGREE PARTNERSHIP PROGRAM: The seven state universities offer selected bachelor degree programs that can be completed at various community colleges, allowing you to earn your degree from a university without leaving the comfort of the college campus setting. See the complete inventory of degree programs and participating colleges and universities on **PAGE 60**.

FIND OUT ABOUT OUR TRANSFER AGREEMENT WITH THE TRIBAL COLLEGES IN MINNESOTA: Minnesota State and the four tribal colleges of Minnesota have developed a partnership that paves the way for seamless transfer between the two-year tribal colleges and any of the Minnesota State universities. Learn more at MinnState.edu/transfer.

LEARN ABOUT THE MINNESOTA STATE TRANSFER GUARANTEE:

If you complete the Minnesota Transfer Curriculum and earn an associate of arts (AA) degree from any Minnesota State college with a minimum 2.0 GPA[‡], you are guaranteed admission to any of the seven state universities with junior year status.**

* Universities within the Minnesota State system include Bemidji State University; Metro State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

** A student must still meet any special admission requirements for the major and is not guaranteed admission into the major itself.

‡ Winona State University requires a minimum 2.4 GPA for AA degrees to be accepted.

AA – ASSOCIATE OF ARTS DEGREE

Designed to transfer into liberal arts four-year majors.

AS – ASSOCIATE OF SCIENCE

Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

AFA – ASSOCIATE OF FINE ARTS

Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

AAS – ASSOCIATE OF APPLIED SCIENCE

Two-year program for a specific occupation. Not designed for transfer.

(While not primarily designed for transfer, individual colleges and universities may accept these courses.)

DIPLOMAS AND CERTIFICATES

Industry-driven and defined programming designed for immediate entry into the workplace. Not designed to transfer.

Exceptional Opportunities

ACCELERATE *your degree*

CREDIT FOR PRIOR LEARNING (CPL): Students who demonstrate college- or university-level learning gained through learning experiences outside the college classroom may be eligible to earn college credit. Examples include military, workplace, and community-based training; professional certifications; national exams such as CLEP, DSST, and AP; World Language Seals; and International Baccalaureate diplomas.

Visit [MyCPL.MinnState.edu](https://mycpl.minnstate.edu) to learn more about CPL options at Minnesota State. Select the link to the college or university you are considering for more information.

POSTSECONDARY ENROLLMENT OPTIONS (PSEO)*: PSEO are college courses offered to high school students. The courses are taught by college or university faculty and allow students to earn both high school and college credit for successfully completing the course. Contact your local state college or university for eligibility requirements and information.

CONCURRENT ENROLLMENT*: Students can complete college courses at their high school while fulfilling high school course requirements at the same time. If you are interested in this option, speak to your high school guidance counselor.

TECHNICAL COURSE OPTIONS:** Students in 10th grade may take one technical college-level course taught on a college campus. You must

be enrolled in a public school and meet requirements for reading proficiency and other assessments related to the course in which you wish to enroll.

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) OPTIONS: AP or IB courses are offered at many high schools and provide a rigorous curriculum that prepares students to take college-level courses. Students who pass an AP test or the IB exam with acceptable scores will be awarded college credit at any Minnesota State college or university.

* To be eligible for PSEO or concurrent enrollment with a Minnesota State college or university, high school juniors must be in the upper one-third of their class or earn a score at or above the 70th percentile on a test such as the ACT or SAT. Seniors must be in the upper one-half of their class or earn a score at or above the 50th percentile on a test such as the ACT or SAT. Students who do not meet these requirements may still be eligible if they can meet other college readiness standards determined by the college or university. Students in 9th or 10th grade may also be eligible to take PSEO or concurrent enrollment courses if they rank in the upper one-tenth of their class or attain a score at or above the 90th percentile on a nationally standardized, norm-referenced test, or if they have a favorable recommendation from designated high school officials. All high school students enrolling in PSEO or concurrent enrollment, regardless of grade level, must also meet all college course prerequisites.

** A student who first completed technical courses while in 10th grade and wishes to enroll in general education courses as an 11th or 12th grade student must take assessment tests and achieve the required scores prior to enrollment in additional PSEO courses. Learn more at MinnState.edu/admissions/pseo.

Minnesota State promises to provide an extraordinary education that is affordable, accessible, enhances quality of life and ensures prosperous communities. Learn more about the Minnesota State Promise at MinnState.edu/minnesotastatepromise

AID AND SUPPORT

Extraordinary Resources

Financial Resources

FINANCIAL AID: The Free Application for Federal Student Aid (FAFSA) is the first step in applying for assistance in financing your college education. Visit studentaid.gov for more information.

SCHOLARSHIPS: Scholarships are a great financial resource to students. They typically do not have to be paid back and can help offset tuition and other costs associated with college.

TAX CREDITS: Some students may benefit from federal tax credit programs. Consult with a tax professional or visit the IRS website at irs.gov.

Z-DEGREES: An AA or BA program that exclusively uses course resources with no cost to the student. Visit MinnState.edu/zdegree to learn more.

Academic Resources

ON-CAMPUS ACADEMIC ASSISTANCE:

Most colleges and universities offer services such as tutors, a writing center, a math center, counseling, and more to support you. Contact the college or university you are interested in attending to learn about the resources available.

TRIO: Trio provides academic support to students from low-income backgrounds, first-generation college students, and individuals with documented disabilities. TRIO encompasses coaching, mentoring, academic advising, tutoring, and more. Visit MinnState.edu/admissions/trio.html.

ACCESSIBILITY SERVICES: Your state colleges and universities offer accessible facilities and provide accommodations to students with documented disabilities.

SUPPORT FOR VETERANS AND SERVICE

MEMBERS: Most of your colleges and universities offer services for veterans and service members, including help to identify resources to pay for college, and have received Yellow Ribbon or military-friendly designations. Learn more at MinnState.edu/military.

CAREER PLANNING: Check out career services at the college or university you're interested in, or use MinnState.edu/careers to explore careers, take an assessment, find programs and courses—including short-term and continuing education options—get tips for a successful job search, and more.

» GET STARTED TODAY!

Contact the college or university you are interested in to meet with staff who can help you find the resources right for you.

NEXT STEPS

1

Speak to friendly staff at the college or university you are considering.

2

Get to know your state colleges and universities using this guidebook or by visiting [MinnState.edu](https://minnstate.edu).

3

Check out the hundreds of programs available on your campuses at [MinnState.edu/programs](https://minnstate.edu/programs) or use the program grid found in the “Endless Opportunities” section of this book, starting on [PAGE 51](#).

4

Visit campuses to find the college or university that is the right fit for you.

READY TO APPLY?

CONTACT OR VISIT the college or university you are considering to get specific admission requirements.

SUBMIT YOUR APPLICATION. The state universities typically accept applications in the fall, and the state colleges generally accept applications up until the start of the new semester. Visit [MinnState.edu/admissions/index.html](https://minnstate.edu/admissions/index.html).

APPLY FOR FINANCIAL AID by visiting studentaid.gov and access the Free Application for Federal Student Aid (FAFSA).

LOOK FOR SCHOLARSHIPS by contacting the college or university you plan to attend for information and resources to begin the scholarship application process.

START PLANNING to achieve your goals by looking at the academic calendar for the college or university you wish to attend and getting to know staff that can assist you throughout your time on campus.

26 STATE COLLEGES

Minnesota State is home to 26 community, technical, and comprehensive colleges. These colleges are a great place to earn a degree and immediately start your career, or you can complete an associate's degree and transfer to earn a bachelor's degree.

INTERESTED?

- **CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of all 26 colleges.
- **VISIT CAMPUS.** The best way to find the college that is right for you is to visit.
- **UNDERSTAND WHAT YOU NEED TO ENROLL.** Each college has an open admissions policy, meaning you need only a high school diploma or a GED to enroll. If you do not have a high school diploma or GED, you may qualify to be admitted through an approved Ability to Benefit test and may apply to enroll in a career pathway program. Details for program-specific admissions requirements can be found on the website of the college you are considering.
- **KEEP TRANSFER IN MIND.** If you are thinking about transfer, take note of the pathway options and programs designed to ease the process. Planning ahead may save you time, money, and stress later.
- **LET OUR STAFF AND FACULTY HELP.** You are strongly encouraged to contact the admissions department and get to know the faculty and staff at the college you plan to attend.

Dozens of student clubs, organizations, and activities are available. Visit AnokaRamsey.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Anoka-Ramsey offers 100+ transferable degrees, courses and programs
- » More than 30 programs available completely online, and 18 transfer pathways to seamlessly transition to a bachelor's degree
- » Two campuses, beautifully situated on riverbanks: study at the Cambridge Campus near the Rum River, or at the Coon Rapids Campus on the Mississippi River
- » Variety of student support services available, including academic advising, disability services, career services, veterans support, counseling, and tutoring

- » Coon Rapids Campus named a Hunger Free Campus by LeadMN with an on-campus food pantry. Cambridge Campus provides students with innovative self-service fresh food pantry
- » Unique undergraduate research opportunities in several academic areas, including biology, chemistry, communication studies, geology, philosophy, political science and sociology
- » Fully accredited member of the Higher Learning Commission and home to nationally accredited nursing, business management and accounting, music, and physical therapy assistant programs
- » The Coon Rapids Campus offers a 28,976-square-foot Visual Arts Center with a glassblowing studio, photography studio, ceramics, computer labs, and classrooms
- » Both campuses are home to proscenium-style theatres that help support the theater program and multiple student performances annually

- » The Coon Rapids Campus Music Building offers three large rehearsal spaces, six practice rooms with SmartMusic notation and recording software, and a dual Yamaha keyboard/Macintosh music technology lab
- » The Coon Rapids Campus' 5,000-square-foot Health and Wellness Center features a fitness center, walking track, batting cages, and several gymnasiums
- » Solar array on Cambridge Campus produces approximately 70,000 kilowatt hours of energy annually. Bee lawn on Coon Rapids Campus aims to feed local pollinators and preserve natural landscapes

CAMPUS HIGHLIGHTS

- » Many virtual course delivery options to meet the needs of a wide range of students
- » Choose from over 70 career and technical programs to start earning faster
- » Earn your AA degree without ever buying a commercial textbook with our Z-degree
- » An exciting, large-scale renovation project on the Brainerd campus, which will better serve students, will be completed in early 2026

- » Begin at CLC and save time and money while you work toward a bachelor's degree
- » CLC is a leader in offering online classes, with more than 250 offerings each academic year
- » Learn and live surrounded by lakes and trees in Minnesota's premier vacation destination—the region boasts more than 500 lakes and rivers, as well as beautiful parks and forests
- » CLC Foundation awards about \$500,000 in scholarships each year
- » Veterans Resource Center offers great resources for all students who are actively serving, veterans, military spouses, or dependents
- » Free tutoring services available for all students, in addition to TRIO Student Support Services
- » Convenient student housing available next to campus
- » Home of the Central Lakes College Performing Arts Center, providing theatre entertainment, and Verse Like Water, a series that brings in world-renowned poets for a reading and craft talk
- » Nine-hole disc golf course located on campus
- » Experience CLC's Culture of Caring with small class sizes, expert instructors who know your name, and staff who go the extra mile to help you succeed
- » Students regularly outscore their peers on state and national skills tests
- » Raider athletics is home to seven NJCAA DIII varsity sports teams and known nationwide for excellence, boasting four national championships
- » Featuring an outdoor recreation hub where students can rent equipment for free, like mountain bikes, kayaks, and snowshoes, and enjoy the region's beautiful natural resources
- » Expansive food pantries on both the Brainerd and Staples campuses, offering students more free healthy food options
- » The Hub, the go-to spot on campus for resources like mental health, community resources, and some medical resources

Additive and digital manufacturing, applied career and technical degrees, automotive service technology, computer science, cybersecurity, dental hygiene, diplomas and certificates in nursing, engineering, HVACR, interior design, kitchen and bath design, law enforcement, liberal arts and science transfer degrees, medical assistant, mental health and behavioral worker, orthotic and prosthetic technology, paramedic, radiologic technology, visual communications careers, and more

STUDENT ACTIVITIES

30+ student clubs, organizations, and activities available in areas such as fine and performing arts, recreation, and career development. Visit century.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » **Affordable Education:** Century College makes earning your degree financially accessible. With competitive tuition rates, financial aid, and numerous scholarship opportunities, students can pursue their education without debt
- » **Transfer Opportunities:** Our diverse transfer options can help students save significantly on a bachelor's degree. We offer seven associate in arts degrees, three associate in fine arts degrees, 18 Minnesota State Transfer

Pathways degrees, and hundreds of general education courses across the liberal arts and sciences

- » **Immediate Career Entry:** Prepare for employment in high-demand fields with associate in applied science degrees, diplomas, and certificates, spanning areas such as applied design, business, health sciences, human services, STEM, and trade and industry
- » **Flexible Learning Options:** Maintain a work-life balance with our flexible course offerings. Century College provides multiple start dates and class formats, including online, multi-modal, hybrid/blended, daytime, evening, and part-time schedules, and credit for prior learning opportunities
- » **State-of-the-Art Facilities:** Learn in modern classrooms and labs with the latest technology, including an Applied Technology Center and specialized labs for digital fabrication, orthotics and prosthetics, and health sciences simulation
- » **Comprehensive Student Support:** Receive personalized support through innovative services to enhance academic and personal growth, including advising, tutoring, career counseling, wellness, veteran, disability, technology services, and an on-campus student resource center
- » **Vibrant Campus Life:** Engage in various activities and organizations. Students can participate in collegiate athletic teams, student clubs, campus recreation, arts and theater experiences, discipline-specific competitions, guest speakers, and dedicated LGBTQ and Veterans Centers
- » **Strong Community Ties:** Benefit from robust community and business partnerships that enrich our academic curriculum and provide real-world experiences. Opportunities include internships, service learning, and career exploration to enhance learning and career prospects
- » **Continuing Education:** Whether enhancing job skills or retraining for a new career, our Continuing Education and Customized Training department offers a broad range of non-credit, short-term courses tailored to meet ongoing professional and personal development needs
- » **Committed to Student Success:** As a proud Leader College and member of Achieving the Dream since 2011, Century College actively participates in this national, nonprofit network, advocating for evidence-based institutional improvements and innovative strategies to address equity gaps and enhance student success

PROGRAM HIGHLIGHTS

Find your passion and build your future at Inver Hills Community College, where all students belong. Our campus supports your learning by focusing on inclusion, equity, and student success. Located less than 10 miles south of St. Paul, Inver Hills offers nearly 40 programs, including: accounting, biology, climate change studies, computer science, criminal justice, culturally responsive professional peace officer, emergency medical services, engineering fundamentals, environmental science, individualized professional studies, network technology and security, nursing, paralegal, pre-

social work, project management, psychology, social justice studies, Spanish, and more, including college credit while in high school (Concurrent Enrollment and PSEO).

STUDENT ACTIVITIES

25+ student clubs, organizations, and activities available in areas such as music, theater, culture, and student leadership. Visit inverhills.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Inver Hills offers the perfect setting for students looking for a balance of personal attention and opportunities to get involved. With a variety of different academic programs and a low faculty-to-student ratio, Inver Hills students know their instructors and fellow students

- » Inver Hills prepares students for career success through challenging courses, access to internships and community-based learning, and career development support along the way
- » Committed to student success, Inver Hills provides a variety of services, including advising, counseling, financial aid, food and basic needs resources, tutoring, and more, with in-person and online support
- » From day one students are set up for success with programs, including New Student Orientation and First Year Experience Communities
- » Financial aid and scholarships help thousands of students each year reach their goals while reducing their student loan debt
- » Student life and student clubs offer opportunities to be involved and take leadership roles on campus

- » A broad range of adult learner services, including part-time scheduling options, online tutoring, the possibility to earn credits for lived work experience, and more
- » Nestled into the hills of Inver Grove Heights right off Highway 52, our beautiful campus features multiple ponds and a community garden
- » Inver Hills students are prepared to transfer to the four-year college of their choice. Students can go anywhere with easy credit transfer and advising from Inver Hills' well-connected team

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

LSC has over 90 program offerings, including allied health and nursing, auto service technology, aviation, cybersecurity, dental hygiene, EMT, fire technology and administration, integrated manufacturing, liberal arts and sciences, business administration, physical therapist assistant, carpentry, and much more

SPECIAL OPTIONS

- » LSC collaborates with many four-year institutions, including Bemidji State University; Metro State University; St. Cloud State University; Minnesota State University, Mankato; Southwest Minnesota State

University; The College of St. Scholastica; the University of Minnesota-Duluth; and the University of Wisconsin-Superior, to provide seamless pathways for students to transition to four-year degree programs

- » LSC partners with area high schools for the Postsecondary Enrollment Options (PSEO), and the College in the Schools (CITS) programs
- » Z-degree programs, with zero textbook costs. LSC's associate of arts (AA) and Minnesota Transfer Curriculum (MnTC) programs have no-cost textbooks available

STUDENT ACTIVITIES

Over 40 student clubs, organizations, and activities are available in areas such as arts, recreation, student leadership, and career development. Visit lsc.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » The main campus is set back on a majestic 97-acre wooded lot overlooking Lake Superior and the St. Louis River Bay, featuring an interpretive hiking trail that connects 14 sites of ecologic and geologic interest and a designated trout stream (Miller Creek)
- » The largest two-year community and technical college in northeastern Minnesota offers small class sizes and flexible scheduling
- » On-site specialized veterans' services available through the Veterans Resource Center, Higher Education Veterans Program, and Minnesota Department of Veterans Affairs
- » Designated as a 2024 Center of Excellence (CoE) for Domestic Maritime Workforce Training and Education
- » LSC offers Transfer Pathway programs in art, biology, chemistry, communication, criminal justice, economics, English, exercise science, health sciences, history, mathematics, psychology, and sociology. These programs are designed to help students complete an associate degree at LSC and earn a bachelor's degree at one of our Minnesota State universities
- » LSC participates in the Inside-Out Prison Exchange Program, which brings together campus-based students with incarcerated students for a semester-long course held at the Duluth Federal Prison Camp. Lake Superior College is just one of four colleges/universities in Minnesota to be part of the program and the only higher ed institution in the state that incorporates it within a degree program
- » LSC's numerous community partnerships include connections with local, regional, and state agencies and nonprofits through workforce development grant-sharing and customized training and active advisory councils for technical and allied health programs
- » The Center for Advanced Aviation hangar at the Duluth International Airport houses both LSC's professional pilot and aviation maintenance technician programs
- » The Emergency Response Training Center provides world-class training for emergency response professionals
- » The college provides dental hygiene, massage therapy, and physical therapy services to students and uninsured residents of the region through faculty-supervised student clinics
- » Students can apply for scholarships held by the LSC Foundation each April and October

VISIT

Campus tours are offered daily or by appointment. Visit lsc.edu/become-a-student/campus-tours for additional details and events.

DEGREES OFFERED

Associate of Applied Science, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

Accounting, administrative assistant, automotive service and performance, business, business foundations, community health worker, cosmetology, dental assisting, early childhood education careers, electrical construction and maintenance, gerontology, health care administrative, health sciences, heating, air and refrigeration technology, human resources, management and entrepreneurship, medical coding, nursing (practical nursing, LPN step-in track, RN), plumbing technology, residential plumbing, sales and marketing

STUDENT ACTIVITIES

Numerous student clubs, organizations, and activities are available. Visit ntcmn.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » Academic programs, both on campus and online, closely match career opportunities
- » All nursing programs include lecture courses online with in-person, hands-on labs and clinical experiences
- » State-of-the-art technology resources and labs offer students an in-depth, hands-on learning experience
- » Recent lab upgrades for programmable logic controls, automotive, dental assisting, nursing, and heating, air conditioning and refrigeration technology

- » Most NTC students spend four hours in hands-on labs for every hour spent in lectures
- » Automotive (ASE Education Foundation Master Level), dental assisting (Commission on Dental Accreditation), and nursing (Accreditation Commission for Education in Nursing) programs are fully accredited
- » Programs are guided by industry partners through active and engaged program advisory committees
- » Students experience personal attention, small classes, supportive faculty, and well-equipped labs, as well as abundant parking and an on-campus café
- » Students are enabled to succeed in both the classroom and workplace through support from the Student Success Center, which offers tutoring, library assistance, academic coaching, career services, and academic advising
- » Through a partnership with Bemidji State University, students can live in BSU student housing and enjoy the benefits of an on-campus college experience
- » Internships and hands-on experiences are woven into program requirements, ensuring that students graduate with the skills they need to succeed

- » “The Roost” is a comfortable student lounge that provides a casual spot to relax, play a game, study, or just hang out and socialize
- » A lively and engaging Student Success Center connects NTC students with a variety of services and support to ensure their academic success. The center offers test proctoring, tutoring, free social activities, and more
- » Students can join leadership organizations such as NTC Student Senate and program-specific organizations such as student-led clubs for automotive, child education and nursing
- » Nearly all students who use NTC’s tutoring services eventually pass their classes, and most receive grades of A or B
- » The Center for Diversity, Equity, and Inclusion and American Indian Resource Center support students through events and programming meant to increase both the understanding of diversity, equity, and inclusion and appreciation for its benefits

PROGRAM HIGHLIGHTS

RCTC offers nearly 70 programs in 10 academic pathways, including accounting, aviation pilot, business, cancer registry management, cardiovascular invasive specialist, clinical neurophysiology technology, cybersecurity, dental hygiene, health information technology, histology technician, intensive care paramedic, liberal arts and sciences, magnetic resonance imaging (MRI), mass communication, nursing, peace officer, radiography, surgical technology, veterinary technology, and many more. Several programs hold national certifications and accreditations. Visit rctc.edu or MinnState.edu for a complete list.

STUDENT ACTIVITIES

The College features dozens of student clubs, organizations, and activities, including student government, special interest groups, honor societies, and service organizations. RCTC is home to eight varsity athletic teams, including football, baseball, wrestling, men's and women's basketball, volleyball, softball, and soccer. Find out more about RCTC's athletic teams and opportunities at rctcyellowjackets.com.

The College also offers several performing and fine arts opportunities for students including theatre productions, vocal and instrumental music programs, and an art gallery for student exhibitions. For a full list of student organizations, clubs, and events, visit rctc.edu or MinnState.edu.

CAMPUS HIGHLIGHTS

- » Founded in 1915 on a motion by Dr. Charles Mayo (co-founder of the world-renowned Mayo Clinic) to the Rochester School Board, RCTC is Minnesota's oldest public two-year college and one of the nation's oldest original community colleges
- » 518-acre campus with 20 buildings, including the Rochester Regional Stadium which features an inflatable bubble used during winter months
- » Rochester is one of the nation's "Most Livable Cities," the third-largest city in Minnesota, and home to Mayo Clinic and IBM Rochester
- » RCTC offers more than 350 online classes and over 70 academic programs with more than 90 credential options
- » Innovative academic partnership with Mayo Clinic—with six collaborative programs offered, including cardiovascular invasive specialist, clinical neurophysiology technology, histology technician, intensive care paramedic, radiography, and MRI
- » Multiple articulation and transfer agreements with four-year universities, so RCTC credits will seamlessly transfer

- » The College has partnerships with dozens of local organizations, including Rochester Public Schools/CTECH and P-TECH, Mayo Clinic, Olmsted Medical Center, Rochester Area Chamber of Commerce, plus many more
- » RCTC Foundation awards over 400 scholarships totaling more than \$500,000 to RCTC students
- » Access to support services, including student health clinic, mental health practitioners, Hive Supply food cupboard, student emergency fund, winter clothing closet, plus much more
- » Beyond the Yellow Ribbon distinction for offering student veterans resources and support services

Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

South Central College (SCC) offers a wide variety of Career and Technical, Transfer, and Customized Workforce Education programs. Transfer options enable students to start their bachelor's degree at SCC before transferring to a university. Some students opt to take specific Minnesota State Transfer Curriculum courses to satisfy some of their university general education requirements. Others choose to earn their full associate degree at SCC, which enables them to complete the first half of their bachelor's degree and transfer to a state university as a junior in their program of interest. Career and Technical programs prepare

students to start or advance in a rewarding field as soon as they graduate, with the option to continue their education while working. SCC's Customized Workforce Education division offers specialized, short-term career training programs to help organizations train their employees and help individuals grow in their current field or pursue a new occupation

STUDENT ACTIVITIES

SCC provides students with growth opportunities inside and outside the classroom, offering student life activities to nurture the whole person. Student clubs and organizations include the African Student Association, Campus Activities Board, Dental Assisting Club, Diversity Club, Dungeons and Dragons Club, International Student Association, Leadership Learning Community (LLC), Multicultural Club,

Phi Theta Kappa, Postsecondary Agricultural Student Organization, PRIDE, Psychology Club, SkillsUSA, Student Nurses Association, and Student Senate. Visit southcentral.edu/studentlife or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » 100 Career-Ready awards and degrees are available in the following areas: agriculture, arts and communications, building and design, business, education and human services, health sciences, manufacturing, and transportation
- » To provide a smooth transition from South Central College to a Minnesota State university, SCC offers 10 Minnesota State Transfer Pathway associate degrees including three new options in accounting, English and history degrees for the 2025-26 school year
- » Short-term, career-relevant training is provided to approximately 12,000 individuals each year through SCC's Customized Workforce Education division
- » SCC supports students with services that drive success from tutoring to on-campus social workers
- » \$500,000+ in scholarships are distributed to students each year from the South Central CC Foundation

- » The college is accredited by the Higher Learning Commission, with seven programs having additional industry accreditations
- » Contributions from industry partners have helped fund state-of-the-art agribusiness, health sciences, nursing assistant, and welding labs on SCC's North Mankato campus as well as future dental, infrastructure solutions and surgical technology labs with more to come
- » SCC has strong relationships with area businesses that provide students with internships and apprenticeships while in school and permanent employment after graduation
- » SCC is a Leader College of Achieving the Dream (ATD), a network of 300+ colleges committed to helping students achieve their goals, advancing equity, and supporting student success at their institutions and throughout their communities

DEGREES OFFERED

Advanced Technical Certificate, Associate of Applied Science, Associate of Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

Liberal arts and sciences, PSEO, cardiovascular technology, culinary arts, diesel mechanic, early childhood and elementary education, mechanical design engineering technology, network administration, robotics and industrial control, water environment technologies

SPECIAL OPTIONS

Transfer Degree Programs – Biology transfer pathway AS, business transfer pathway AS, elementary education foundations transfer pathway AS, environmental science AS, liberal arts and sciences AA, mathematics transfer

pathway AA, psychology transfer pathway AA, Spanish transfer pathway AA, and special education transfer pathway AS. Transfer Pathways are designed to fully transfer to Minnesota State universities that offer a related bachelor's degree. Environmental science transfers via articulation agreements.

Short-term Certificates – SCTCC offers learning options for fewer than 20 credits: CNC operator, coaching, early childhood education, and green energy.

Online Programs – SCTCC offers seven programs completely online: AA, accounting, business, computer programming, early childhood education certificate, finance, health information technology/medical coding, and psychology.

Advanced Manufacturing Center – The Advanced Manufacturing Center offers community collaboration and supports cross-training across SCTCC's manufacturing programs. Area employee training and an increase in graduates will support the needs of area manufacturers for high-demand jobs in manufacturing.

Aircraft Maintenance Technician – This new program is set to start Fall 2026. The program will offer an AAS and diploma option, and SCTCC will offer the lowest credit load of all available programs in the state.

STUDENT ACTIVITIES

More than 25 student clubs, organizations, and activities. The SCTCC Cyclones participate in five intercollegiate sports: men's and women's basketball, baseball, softball, and volleyball. The Cyclones are members of the Minnesota College Athletic Conference (MCAC) and the National Junior College Athletic Association (NJCAA). The Cyclones regularly rank in NJCAA polls and compete at the national level. Students in auto body, automotives, medium/heavy truck, HVAC/R, and electrical compete in SkillsUSA competitions and consistently place at the state level to move on to national competitions. Visit sctcc.edu/campus-life or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS

- » 99 percent of SCTCC grads available for work find jobs in their fields
- » Student services include a Multicultural Center, Wedum Student Success Center, Cyclones Cupboard food pantry, Wellness Resource Services, mental health professional, tutoring, and Career Services
- » Cutting-edge simulation labs featuring equipment donated and used by area industries
- » Highly involved advisory boards mean SCTCC is aligned for area industry needs
- » In 2024, more than \$286,000 in scholarships was awarded to 319 students
- » Childcare facility on campus
- » Beyond the Yellow Ribbon Company designation for service

7 STATE UNIVERSITIES

Seven state universities are part of Minnesota State. Each provides an excellent pathway to earning your bachelor's degree or beyond and can help you launch your career.

INTERESTED?

The seven state universities will generally accept you as a first-year student if you can answer YES to at least one of these questions:

- Did you graduate in the top half of your high school class?
- Did you receive a combined score of 1,000 or higher on the SAT standardized test, or a corresponding score on the redesigned SAT standardized test?
- Did you score 21 or higher on the ACT standardized test?

Were you able to answer YES to one of the above questions and are you planning on attending a Minnesota State university?

- **CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of the seven state universities.
- **KNOW THE ADMISSION REQUIREMENTS.** Some state universities may have slightly different admission requirements. Check with the admissions office at the university you are interested in for details. If you do not meet the minimum admission requirements, you may be considered for admission under special provisions.
- **ASK QUESTIONS AND VISIT CAMPUS.** There's no better way to figure out which university is the right fit. Contact a member of the university's admissions office to set up a visit.

CAMPUS HIGHLIGHTS

- » **Successful** – 97 percent of WSU graduates are hired in their field or pursue further education
- » **Affordable** – WSU ranks #1 for Best Value Colleges in Minnesota, and 97 percent of first-year students benefit from financial aid
- » **Sustainable** – with the largest campus solar panel system, WSU is the most energy efficient university in Minnesota State. The LESS project cuts WSU's annual carbon footprint by 25 percent
- » **Beautiful** – scenic bluffs and the Mississippi River are in WSU's backyard, meaning rock climbing, kayaking, and more are nearby
- » **Competitive** – WSU is home to 14 NCAA Division-II and one Division-III varsity teams

- » **Supportive** – the WSU community goes above and beyond to ensure student success. With small classes taught by expert faculty, students get direct support
- » **Healthy** – with a full-service fitness center, the largest university climbing wall in the Midwest, and on-campus mental health services, WSU is dedicated to holistic health
- » **Connected** – WSU students receive a fully equipped laptop with full-service tech support
- » **Hands-on** – students can intern with some of the region's most prestigious organizations and use what they've learned to help others in their community
- » **Trusted** – WSU is the oldest member of Minnesota State and has earned the #1 student success and graduation rates in the system
- » **Lively** – Winona's thriving arts and music scenes provide entertainment that fits students' budgets

VISIT

Visiting campus is the best way for you to decide if WSU is the right fit for you. Connect with an admissions counselor and tour campus in person or online. Learn more at winona.edu/visit.

ENDLESS OPPORTUNITIES

The following pages offer charts that show the academic program opportunities available at your state colleges and universities.

» Name Abbreviations for Minnesota State Colleges

Alexandria College – Alexandria Technical & Community College
Anoka Tech – Anoka Technical College
Anoka-Ramsey – Anoka-Ramsey Community College
CLC – Central Lakes College
DCTC – Dakota County Technical College
FDLTCC – Fond du Lac Tribal & Community College
Hennepin Tech – Hennepin Technical College
Inver Hills – Inver Hills Community College
LSC – Lake Superior College
Minnesota North – Minnesota North College
MSC Southeast – Minnesota State College Southeast
M State – Minnesota State Community and Technical College
Minnesota West – Minnesota West Community & Technical College
Normandale – Normandale Community College
NHCC – North Hennepin Community College
Northland – Northland Community & Technical College
Northwest Tech – Northwest Technical College
PTCC – Pine Technical & Community College
Ridgewater – Ridgewater College
RCTC – Rochester Community and Technical College
SCTCC – St. Cloud Technical & Community College
SCC – South Central College

INTERESTED?

COLLEGE ACADEMIC PROGRAM GRID [PAGES 52–56](#)

Check out the academic programs available at your state colleges that may lead to an associate degree, certificate, or diploma. These are great programs to launch a new career or get started on the path to a bachelor's degree.

BACHELOR'S DEGREE PARTNERSHIP PROGRAM [PAGE 60](#)

The seven state universities offer a selection of bachelor's degree programs that can be completed at various community college campuses, allowing you to earn your degree from a university without leaving the comfort of the college setting. This grid will help you see the programs available and locations where they are offered.

UNIVERSITY ACADEMIC PROGRAM GRID [PAGES 62–63](#)

Learn about the programs available at your state universities that may lead to a bachelor's degree and beyond, or help you launch your career.

ATHLETICS PROGRAM GRIDS [PAGES 57, 64](#)

Many of your state colleges and universities have an array of sports that provide you the opportunity to enjoy a student-athlete experience. These grids will help you quickly identify which colleges and universities offer your sport.

TRANSFER PATHWAYS

Minnesota State Transfer Pathways make it easy to complete a specific associate degree at a Minnesota State college and transfer to a Minnesota State university to earn a bachelor's degree without losing credits or taking extra courses.* Transfer Pathways can be a great way to save time and money as you work toward graduation.

*Students must meet special admission requirements for the major and are not guaranteed admission into the major itself. Call or visit the college or university you're interested in to learn more.

INTERCOLLEGIATE ATHLETICS – UNIVERSITIES

Student-athletes attending Minnesota State universities have remarkable opportunities to join elite, nationally competitive programs. The Northern Sun Intercollegiate Conference, one of the nation's premier NCAA Division II leagues, counts six Minnesota State universities among its 16 members. And, three of our universities sponsor NCAA Division I ice hockey.
