World-class EDUCATION
Extraordinary Education

Your state colleges and universities offer more than 3,900 superior academic programs taught by seasoned faculty who know students by name. Take a few classes. Earn a certificate, diploma, or associate degree. Or, start working or complete your bachelor’s, master’s, or doctorate. Minnesota State will help you build a plan that is right for you.

» Move Quickly
Your state colleges offer options that allow you to take classes or earn a certificate, diploma, or associate degree in two years or less.

» Graduation Options
Start and finish your bachelor’s degree at one of your state universities, or complete two years at a state college and transfer to one of your state universities.

» Work-School-Life Balance
Explore flexible scheduling options, accelerated options, or online classes and programs that work with your schedule or fit into your life.

» Personalized Attention
Class sizes are small, campuses are friendly, and you are taught by faculty, not teaching assistants.

» Stay Local or Explore
Minnesota State has 54 campuses in 47 Minnesota communities. Choose the one that is right for you.

» Advance Your Career
Check out non-credit, short-term training options designed to help you get quick and specialized training through any Minnesota State continuing education or customized training program.

» Exceptional Value
Your 37 state colleges and universities offer the lowest tuition and fees in Minnesota and a first-class education employers respect.

» Find Your Path
Work one-on-one with staff at any of our colleges and universities to find the program and path that is right for you.
Lowest tuition in Minnesota

Your 37 state colleges and universities offer the lowest tuition and fees in Minnesota, giving you access to first-rate education options throughout the state and the ability to avoid or limit debt.

Exceptional Value

The 37 state colleges and universities that comprise Minnesota State offer the lowest tuition in all of Minnesota.

Not from Minnesota? Most colleges and universities that are part of Minnesota State offer in-state tuition rates to residents of other states. Check with the college or university you wish to attend for details. All veterans, service members, and their families receive in-state tuition.
Choosing a state college or university also means you have access to a vibrant social scene. Check out the variety of clubs, organizations, and events. Explore varsity athletics options on PAGES 61 and 68. Learn about study abroad and service learning opportunities available at the college or university you are interested in attending. Or, get involved with student government on your campus or at the state level as part of Students United (representing public state university students) and LeadMN (representing public community and technical college students).
Your state colleges and universities are a vital resource to Minnesota employers. Not only do we help prepare students to become talented and skilled individuals, but we also work hand-in-hand with business and industry to develop relevant programs and curriculum.

**GAIN RELEVANT EXPERIENCE.** Employers from across the state work with our colleges and universities to offer internships and job opportunities. These same professionals also serve as advisors who help shape curriculum, obtain equipment, and develop new programs and classes.

**BE THE TALENT OF TOMORROW.** Your state colleges and universities award more than 38,000 certificates, diplomas, and degrees each year, and 87.1 percent of those graduates begin working in their field of study within one year.

**FIND SOLUTIONS TO CHANGING BUSINESS NEEDS.** All 37 state colleges and universities offer non-credit learning options through a network of experienced instructors who work with employers to develop training and education programs that allow employees to thrive in the ever-changing global marketplace and keep skills competitive.

**UPDATE YOUR SKILLS AND KNOWLEDGE WITH CONTINUING EDUCATION.** Advance your career by learning new knowledge or skills, retraining, or attaining critical certification and licensures.
Starting at a Minnesota State college and considering transfer? Plan now to save time and money later. Check out a few of the transfer programs available through Minnesota State, or visit MinnState.edu for details.

**EXPLORE TRANSFER PATHWAYS:** Minnesota State offers transfer pathways that allow you to complete a specific associate degree and transfer to any of the seven Minnesota State universities.* If you complete a Transfer Pathway degree at a Minnesota State college and are admitted to a state university, you will be guaranteed junior status and given assurance that all 60 college credits will count toward the related bachelor’s degree.** See PAGE 62 for program details and options.

**GET TO KNOW THE BACHELOR’S DEGREE PARTNERSHIP PROGRAM:** The seven state universities offer selected bachelor degree programs that can be completed at various community colleges, allowing you to earn your degree from a university without leaving the comfort of the college campus setting. See the complete inventory of degree programs and participating colleges and universities on PAGE 64.

**LEARN ABOUT THE MINNESOTA STATE TRANSFER GUARANTEE:** If you complete the Minnesota Transfer Curriculum and earn an associate of arts (AA) degree from any Minnesota State college with a minimum 2.0 GPA‡, you are guaranteed admission to any of the seven state universities with junior year status.**

---

**WHAT WILL TRANSFER?**

**AA – ASSOCIATE OF ARTS DEGREE**
Designed to transfer into liberal arts four-year majors.

**AS – ASSOCIATE OF SCIENCE**
Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

**AFA – ASSOCIATE OF FINE ARTS**
Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

**AAS – ASSOCIATE OF APPLIED SCIENCE**
Two-year program for a specific occupation. Not designed for transfer.‡‡

**DIPLOMAS AND CERTIFICATES**
Industry-driven and defined programming designed for immediate entry into the workplace. Not designed to transfer.

---

* Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

** A student must still meet any special admission requirement for the major and is not guaranteed admission into the major itself.

‡ Winona State University requires a minimum 2.4 GPA for AA degrees to be accepted.

‡‡ While not primarily designed for transfer, individual colleges and universities may accept these courses.

---

**WANT TO LEARN MORE?**
Our colleges and universities are staffed with many people who can help you find a direction that is right for you. Talk to a transfer specialist, visit a college or university in person, or visit MinnState.edu/admissions/transfer.html to learn more.
POSTSECONDARY ENROLLMENT OPTIONS (PSEO)*: PSEO are college courses offered to high school students. The courses are taught by college or university faculty and allow students to earn both high school and college credit for successfully completing the course. Contact your local state college or university for eligibility requirements and information.

CONCURRENT ENROLLMENT*: Students can complete college courses at their high school while fulfilling high school course requirements at the same time. If you are interested in this option, speak to your high school guidance counselor.

TECHNICAL COURSE OPTIONS**: Students in 10th grade may take one technical college-level course taught on a college campus. You must be enrolled in a public school and meet requirements for reading proficiency and other assessments related to the course in which you wish to enroll.

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACALAUREATE (IB) OPTIONS: AP or IB courses are offered at many high schools and provide a rigorous curriculum that prepares students to take college-level courses. Students who pass an AP test or the IB exam with acceptable scores will be awarded college credit at any Minnesota State college or university.

CREDIT FOR PRIOR LEARNING: Students who demonstrate college- or university-level learning gained through non-credit or experiential settings may be eligible to earn college credit (i.e., credit for military experience, credit for work history). Inquire with the college or university you are considering for more information.

CREDIT FOR MILITARY TRAINING OR EXPERIENCE: Veterans and service members should check the Veterans Education Transfer System (VETS) for eligibility information or visit MinnState.edu/military.

* To be eligible for PSEO or concurrent enrollment with a Minnesota State college or university, high school juniors must be in the upper one-third of their class or earn a score at or above the 70th percentile on a test such as the ACT or SAT. Seniors must be in the upper one-half of their class or earn a score at or above the 50th percentile on a test such as the ACT or SAT. Students who do not meet these requirements may still be eligible if they can meet other college readiness standards determined by the college or university. Students in 9th or 10th grade may also be eligible to take PSEO or concurrent enrollment courses if they rank in the upper one-tenth of their class or attain a score at or above the 90th percentile on a nationally standardized, norm-referenced test, or if they have a favorable recommendation from designated high school officials. All high school students enrolling in PSEO or concurrent enrollment, regardless of grade level, must also meet all college course prerequisites.

** A student who first completed technical courses while in 10th grade and wishes to enroll in general education courses as an 11th or 12th grade student must take assessment tests and achieve the required scores prior to enrollment in additional PSEO courses. Learn more at MinnState.edu/admissions/pseo.
Whether you are seeking help paying for college or could use help as you prepare for an exam, your 37 colleges and universities offer a variety of resources to help you along the way. They are staffed with professionals who know and understand the process of enrolling and can help you reach your goals.

**Financial Resources**

**FINANCIAL AID:** The Free Application for Federal Student Aid (FAFSA) is the first step in applying for assistance in financing your college education. Submit this information as soon as possible to determine your eligibility for aid. Visit [fafsa.ed.gov](http://fafsa.ed.gov) for more information.

**SCHOLARSHIPS:** Scholarships are a great financial resource to students. They typically do not have to be paid back and can help offset tuition and other costs associated with college.

**TAX CREDITS:** Some students may benefit from federal tax credit programs. Consult with a tax professional or visit the IRS website at [irs.gov](http://irs.gov) for more information.

**Academic Resources**

**ON-CAMPUS ACADEMIC ASSISTANCE:** Most colleges and universities offer services such as tutors, a writing center, a math center, counseling, and more to support you. Contact the college or university you are interested in attending to learn about the resources available.

**TRIO SERVICES:** The federal TRIO programs are outreach and student services programs designed to identify and provide services to individuals from disadvantaged backgrounds.

**ACCESSIBILITY SERVICES:** Your state colleges and universities offer accessible facilities and provide accommodations to students with documented disabilities.

**SUPPORT FOR VETERANS AND SERVICE MEMBERS:** Most of your colleges and universities offer services for veterans and service members, including help to identify resources to pay for college, and have received Yellow Ribbon or military-friendly designations. Learn more at [MinnState.edu/military](http://MinnState.edu/military).

**CAREER PLANNING:** Check out career services at your college or university campus, or use [MinnState.edu/careers](http://MinnState.edu/careers) to explore careers, take an assessment, find program and courses including short-term and continuing education options, get tips for a successful job search, and more.

**GET STARTED TODAY!** Contact the college or university you are interested in to meet with staff who can help you find the resources right for you.
NEXT STEPS

1. Speak to friendly staff at the college or university you are considering.

2. Get to know your state colleges and universities using this guidebook or by visiting MinnState.edu.

3. Check out the hundreds of programs available on your campuses by clicking on “Programs” at MinnState.edu or using the program grid found in the “Endless Opportunities” section of this book.

4. Visit campuses to find the college or university that is the right fit for you.

READY TO APPLY?

1. CONTACT OR VISIT the college or university you are considering to get specific admission requirements.

2. SUBMIT YOUR APPLICATION. The state universities typically accept applications in the fall, and the state colleges generally accept applications up until the start of the new semester.

3. APPLY FOR FINANCIAL AID by visiting fafsa.ed.gov and access the Free Application for Federal Student Aid (FAFSA).

4. LOOK FOR SCHOLARSHIPS by contacting the college or university you plan to attend for information and resources to begin the scholarship application process.

5. START PLANNING to achieve your goals by looking at the academic calendar for the college or university you wish to attend and getting to know staff that can assist you throughout your time on campus.
Minnesota State is home to 30 community, technical, and comprehensive colleges. These colleges are a great place to earn a degree and immediately start your career, or you can complete an associate degree and transfer to earn a bachelor’s degree.

INTERESTED?

» CHECK OUT THE OPTIONS. The profile pages that follow provide you a glimpse of all 30 colleges.

» VISIT CAMPUS. The best way to find the college that is right for you is to visit.

» UNDERSTAND WHAT YOU NEED TO ENROLL. Each college has an open admissions policy, meaning you need only a high school diploma or a GED to enroll. If you do not have a high school diploma or GED, you may qualify to be admitted through an approved Ability to Benefit test and may apply to enroll in a career pathway program. Details for program-specific admissions requirements can be found on the website of the college you are considering.

» KEEP TRANSFER IN MIND. If you are thinking about transfer, take note of the pathway options and programs designed to ease the process. Planning ahead may save you time, money, and stress later.

» LET OUR STAFF AND FACULTY HELP. You are strongly encouraged to contact the admissions department and get to know the faculty and staff at the college you plan to attend.

PROGRAM HIGHLIGHTS
Launch your degree or career with Inver Hills Community College. Our campus, less than 10 miles southeast of St. Paul, offers network technology and security, emergency medical services, computer science, accounting, biology, psychology, Minnesota Alliance for Nursing Education (MANE) BSN, law enforcement, Adult Success through Accelerated Learning (ASAP), Inver Prep, PSEO, engineering fundamentals, paralegal, criminal justice, project management, and more.

STUDENT ACTIVITIES
25+ student clubs, organizations, and activities available in areas such as music, theater, culture, and student leadership. Visit inverhills.edu or MinnState.edu for a complete list.

AT A GLANCE
» Why Inver Hills? Inver Hills offers the perfect setting for students looking for a balance of personal attention and lots of opportunities to get involved. With 40 academic programs and a low faculty-to-student ratio, Inver Hills students know their instructors and fellow students.
» Inver Hills prepares students for career success through challenging courses, access to internships and community-based learning, and career development support along the way.
» Committed to student success, we provide students a variety of services, including advising, counseling, financial aid, tutoring, and more. We provide support in-person and online to meet the needs of all our students.
» From New Student Orientation to First Year Experience courses, we set our students up for success from day one.
» Our financial aid department and scholarship programs help thousands of students per year reach their goals while reducing their student loan debt. We are committed to making college possible for all students.
» Through our Student Life and student clubs, Inver Hills offers many opportunities to get involved and take on campus leadership roles. Check out the Student Life calendar for upcoming events and activities.
» Designated an MN Reconnect college, Inver Hills provides support to adults who have earned some credit but not a degree. With a dedicated Navigator and special scholarship resources for MN Reconnect students, there has never been an easier way for adult students to finish what they started.
» Known for our gorgeous grounds, the Inver Hills campus features multiple ponds, a community garden, and distinctive architecture. You’ll want to see campus for yourself, so contact the admissions department to schedule a personal or group visit.
» Inver Hills students are prepared to transfer to the four-year college of their choice and our students can go anywhere with easy credit transfer and advising from our well-connected counseling and advising team.

DEGREES OFFERED
Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate

PROGRAM HIGHLIGHTS
Liberal arts, business, computer science, science and engineering, nursing, dental hygiene, teacher education, law enforcement, music, theatre, art, vacuum technology, world languages; advanced degree programs in accounting, business, communications, computer science, dental hygiene, education, engineering, exercise science, nursing

STUDENT ACTIVITIES
50+ student clubs, organizations, and activities available in areas such as arts, recreation, student leadership, and career development.

Visit normandale.edu or MinnState.edu for a complete list.

AT A GLANCE
» Prepares students for full participation in diverse communities, creates pathways to other college programs, and builds community connections. Normandale is committed to quality, affordability, student access, and success
» Over 14,000 students from diverse backgrounds attend classes at the college each year, making it Minnesota’s largest community college
» Normandale offers accredited music, theatre, art, and business programs—rare among two-year colleges in Minnesota and nationwide

» Normandale awarded more than $30 million to students through federal and state financial aid programs in the past year
» Normandale is a top transfer institution to Metropolitan State University, Minnesota State University, Mankato, University of Minnesota, University of St. Thomas, and many other state colleges and universities
» Normandale’s Partnership Center provides access to bachelor’s degree programs through partnering institutions on the Normandale campus. Students can obtain an associate degree at Normandale, and complete their bachelor’s degree in a variety of majors. The Partnership Center includes classroom space, engineering labs, a telepresence conference room, and gathering spaces for community and academic programs
» Normandale’s Continuing Education collaborates with community industry partners to make an impact. Through these partnerships, Continuing Education provides leadership training, helps employees transition to managerial roles, and works with other community and industry partners on innovative projects. Normandale had the highest dollar amount ($796,895) of MJSP/DEED Grants of any college or university in the system in 2018

» Support services are provided for second language and developmental education students as well as students with disabilities
» Normandale Tutoring Center provides services to students through the Writing Center, embedded tutors in historically difficult courses, walk-in peer tutoring, and tutoring for non-native English speakers; students utilized these services over 15,000 times in 2018–19
» The college provides a community dental clinic that accepts public assistance and offers dental services on a sliding fee scale for those living in the southwest metro area

» Normandale provides a campus food pantry for students without the financial means to eat every day
» Normandale is a “Beyond the Yellow Ribbon” military friendly organization. Normandale has one of the largest veteran populations in the Minnesota State system
» Normandale has one of the few authentic Japanese Gardens in the state

DEGREES OFFERED
Advanced Technical Certificate, Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS
Liberal arts and sciences, nursing, human services, business, supervisory management, criminal justice – law enforcement, computer technology, accounting, business, office technology, global studies, agricultural sciences, music or theatre, musical theatre, production technician, agribusiness, food science, biotechnology, supervisory management online

STUDENT ACTIVITIES
25+ student clubs, organizations, and activities available in areas such as fine arts, recreation, and career development. Visit riverland.edu or MinnState.edu for a complete list.

AT A GLANCE
» Earn your AA degree or complete one of more than 50 career programs
» More than 350 Riverland courses are offered entirely/partially online
» Personalized student support services
» Experience our best-in-class simulation learning centers for law enforcement, truck driving, nurses, radiographers, and lab technicians
» Offers an associate in fine arts degree
» Riverland offers multi-term registration, allowing students to register for more than one term at a time. It’s possible for students to register for all three terms of the academic year at once; this will allow students to plan, register, and secure their class schedule for a full academic year
» The Honors Program at Riverland Community College offers enhanced learning opportunities and activities to students who demonstrate academic excellence and a high level of interest and initiative and consists of 12 honors credits plus a three-credit Honors Leadership Development course
» Riverland’s radiography program is a nationally ranked program, accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). We have celebrated 100 percent job placement in the last five years. Nearly 60 percent of all radiologic technologists in our region are graduates of the Riverland radiography program. The board certification exam pass rate is above 95 percent for each of the past six years
» Enrollment is growing in our criminal justice program; statewide law enforcement departments actively recruit our students and come to observe our training program
» The carpentry program is the student chapter of Rochester Area Builders. The program also receives additional hours toward a journeyman’s credential from the Carpenters Local Union 1382. The program is the only DeWalt tool sponsored college program in the nation. First year is residential carpentry and builds a home with Freeborn/Mower Habitat for Humanity. Second year is commercial carpentry who also partners with Habitat on the house build, but also partners with industry for commercial projects
» The demand for our graduates remains at an all-time high in Riverland’s truck driving program. Spend less time in the classroom and more time on the road with this high-demand career
» Human Services two-year programs are no longer available at many colleges, but Riverland has an established program where students complete the associate degree at Riverland and continue their bachelor’s degree with St. Scholastica

» Varsity athletics (football, men’s and women’s basketball, baseball, fast-pitch softball, volleyball, and co-ed clay target shooting)
» Optional Boundary Waters trip college orientation
» Hands-on learning environment

VISIT
Schedule a visit at vcc.edu/campus-visit. Explore our open house options in fall and winter!
Seven state universities are part of Minnesota State. Each provides an excellent pathway to earning your bachelor’s degree or beyond and can help you launch your career.

INTERESTED?
The seven state universities will generally accept you as a first-year student if you can answer YES to at least one of these questions:

» Did you graduate in the top half of your high school class?

» Did you receive a combined score of 1,000 or higher on the SAT standardized test, or on its corresponding score on the redesigned SAT standardized test?

» Did you score 21 or higher on the ACT standardized test?

Were you able to answer YES to one of the above questions and are you planning on attending a Minnesota State university?

» CHECK OUT THE OPTIONS. The profile pages that follow provide you a glimpse of the seven state universities.

» KNOW THE ADMISSION REQUIREMENTS. Some state universities may have slightly different admission requirements. Check with the admissions office at the university you are interested in for details. If you do not meet the minimum admission requirements, you may be considered for admission under special provisions.

» ASK QUESTIONS AND VISIT CAMPUS. There’s no better way to figure out which university is the right fit. Contact a member of the university’s admission office to set up a visit.

## Endless Opportunities

Guide to Your 37 State Colleges and Universities

### Technology & Design

- **Biomedical Equipment Technology**
- **Communication System Installation/Repair**
- **Drafting - Electrical and Mechanical**
- **Engineering - Chemical**
- **Engineering - Civil and Surveying**
- **Engineering - General**
- **Engineering Management**
- **Engineering Technology - Electronic**
- **Engineering Technology - General**
- **Engineering Technology - Manufacturing**
- **Engineering Technology - Mechanical**
- **Fluid Power (Hydraulic/Pneumatics)**
- **Geographical Information Systems (GIS)**
- **Geospatial Intelligence and Imagery Analysis**
- **Nanotechnology**
- **Research and Development**
- **Robotics/Instrumentation Technology**
- **Telecommunications/Wireless Technology**

### Business and Management

- **Marketing and Sales**
- **Meeting and Event Management**
- **Project Management**
- **Quality Improvement**
- **Real Estate/Property Management**
- **Small Business Management**
- **Sports Management**
- **Travel Planner/Tourism**

### Education

- **Education - General**
- **Education - Instructional Technology**
- **Educational Assistant/Paraeducator**
- **Teaching - Agriculture**
- **Teaching - Early Childhood**
- **Teaching - Elementary**
- **Teaching - English as a Second Language**
- **Teaching - Physical Education**
- **Teaching - Special Education**

### Energy Technologies and Natural Resources

- **Alternative/Renewable Energy Technologies**
- **Electric Utility/Power Generation**
- **Electrical Lineworker**
- **Environmental and Earth Sciences**
- **Parks and Recreation**
- **Water Quality Technologies**
- **Wilderness Management and Wildland Firefighter**
- **Wood Sciences and Wood Products**

118 different athletic teams are offered across 13 different sports at our participating colleges.
Minnesota State Transfer Pathways make it easy to complete a specific associate degree at a Minnesota State college and transfer to a Minnesota State university to earn a bachelor’s degree without losing credits or taking extra courses.* Transfer Pathways can be a great way to save time and money as you work toward graduation.

*Students must meet special admission requirements for the major and are not guaranteed admission into the major itself. Call or visit the college or university you’re interested in to learn more.

INTERCOLLEGIATE ATHLETICS

Student-athletes attending Minnesota State universities have remarkable opportunities to join elite, nationally competitive programs. The Northern Sun Intercollegiate Conference, one of the nation’s premier NCAA Division II leagues, counts six Minnesota State universities among its 16 members. And, three of our universities sponsor NCAA Division I ice hockey.
