2021–2022 Guide to Your 37 State Colleges and Universities
Nestled amidst the lakes, forests, and scenic landscapes of Minnesota are the 37 state colleges and universities of Minnesota State, your state college and university system.

More than 340,000 students choose your state colleges and universities each year, creating a brighter future to become the talent needed for Minnesota businesses and communities to grow and prosper. Minnesota State offers thousands of academic programs at the lowest tuition in the state. With our 54 campuses located in 47 Minnesota communities, you can choose to continue your educational journey close to home or across the state. We also offer a vibrant array of student life activities and experiential learning options. That's what extraordinary education at an exceptional value is all about.
Extraordinary Impact

Minnesota State is making a difference. From the students we serve, to our business partners, to those we employ, chances are good you or someone you know has benefited from the work of your state colleges and universities.

802 online programs to choose from

third largest system of colleges and universities in the United States

8,800 veterans and service members attend a Minnesota State college or university each year

13,500 customized training, occupational, and professional classes

fifty-four convenient campuses across Minnesota

Job placement in a related field of study 86.8%

340,000 students attend our colleges and universities each year

63% STATE COLLEGES

70% STATE UNIVERSITIES

Percent of students who receive financial aid

37,000+ degrees, certificates, and diplomas awarded each year
7,000 employer partnerships across Minnesota State colleges and universities

3,885 academic programs to choose from

We serve more BLACK AND INDIGENOUS STUDENTS, as well as students of color, than all other higher education providers in Minnesota combined

64% of Minnesota resident students who are pursuing an undergraduate credential are doing so at a Minnesota State college or university

32–59% of Minnesota State students graduate with no debt at all, depending on the academic award received

World-class EDUCATION
Extraordinary Education

Your state colleges and universities offer more than 3,800 superior academic programs taught by seasoned faculty who know you by name. Take a few classes to retool your skills. Earn a certificate, diploma, or associate degree. Or, start working on or complete your bachelor’s, master’s, or doctorate. Minnesota State will help you build a plan that’s right for you.

» Move Quickly
Your state colleges offer options that allow you to take classes or earn a certificate, diploma, or associate degree in two years or less.

» Graduation Options
Start and finish your bachelor’s degree at one of your state universities, or complete two years at a state college and transfer to one of your state universities.

» Work-School-Life Balance
Explore flexible scheduling options, accelerated options, or online classes and programs that work with your schedule and fit into your life.

» Personalized Attention
Class sizes are small, campuses are friendly, and you are taught by faculty, not teaching assistants.

» Stay Local or Explore
Minnesota State has 54 campuses in 47 Minnesota communities. Choose the one that is right for you.

» Retool or Advance Your Career
Check out non-credit, short-term training options designed to help you get quick and specialized training through any Minnesota State continuing education or customized training program.

» Exceptional Value
Your 37 state colleges and universities offer the lowest tuition and fees in Minnesota and a first-class education employers respect.

» Find Your Path
Work one-on-one with staff at any of our colleges and universities to find the program and path that is right for you.
Your 37 state colleges and universities offer the lowest tuition and fees in Minnesota, giving you access to first-rate education options throughout the state and the ability to avoid or limit debt.

Choosing a state college or university also means you have access to a vibrant social scene. Check out the variety of clubs, organizations, and events. Explore varsity athletics options on PAGES 61 and 68. Learn about study abroad and service learning opportunities available at the college or university you are interested in attending. Or, get involved with student government on your campus or at the state level as part of Students United (representing public state university students) and LeadMN (representing public community and technical college students). Learn more at MinnState.edu/admissions/studentlife.html.
Your state colleges and universities are a vital resource to Minnesota employers. Not only do we help prepare students to become talented and skilled individuals, but we also work hand-in-hand with business and industry to develop relevant programs and curriculum.

**GAIN RELEVANT EXPERIENCE.** Employers from across the state work with your colleges and universities to offer internships and job opportunities. These same professionals also serve as advisors who help shape curriculum, obtain equipment, and develop new programs and classes.

**BE THE TALENT OF TOMORROW.** Your state colleges and universities award more than 37,000 certificates, diplomas, and degrees each year, and 86.8 percent of those graduates begin working in their field of study within one year.

**FIND SOLUTIONS TO CHANGING BUSINESS NEEDS.** All 37 state colleges and universities offer non-credit learning options through a network of experienced instructors who work with employers to develop training and education programs that allow employees to thrive in the ever-changing global marketplace and keep skills competitive.

**UPDATE YOUR SKILLS AND KNOWLEDGE WITH CONTINUING EDUCATION.** Advance your career by gaining new knowledge or skills, retraining, or attaining critical certification and licensures.
Starting at a Minnesota State college and considering transfer? Plan now to save time and money later. Check out a few of the transfer programs available through Minnesota State, or visit MinnState.edu for details.

Want to learn more?

Our colleges and universities are staffed with many people who can help you find a direction that is right for you. Talk to a transfer specialist, visit a college or university in person, or visit MinnState.edu/admissions/transfer.html to learn more.
EXPLORE TRANSFER PATHWAYS: Minnesota State offers transfer pathways that allow you to complete a specific associate degree and transfer to any of the seven Minnesota State universities.*
If you complete a Transfer Pathway degree at a Minnesota State college and are admitted to a state university, you will be guaranteed junior status and given assurance that all 60 college credits will count toward the related bachelor’s degree.** See PAGE 62 for program details and options.

GET TO KNOW THE BACHELOR’S DEGREE PARTNERSHIP PROGRAM: The seven state universities offer selected bachelor degree programs that can be completed at various community colleges, allowing you to earn your degree from a university without leaving the comfort of the college campus setting. See the complete inventory of degree programs and participating colleges and universities on PAGE 64.

FIND OUT ABOUT OUR TRANSFER AGREEMENT WITH THE TRIBAL COLLEGES IN MINNESOTA: Minnesota State and the four tribal colleges of Minnesota have developed an articulation agreement between each college and all seven state universities, paving the way for seamless transfer between the two-year tribal colleges and any of the Minnesota State universities. Learn more at MinnState.edu.

LEARN ABOUT THE MINNESOTA STATE TRANSFER GUARANTEE: If you complete the Minnesota Transfer Curriculum and earn an associate of arts (AA) degree from any Minnesota State college with a minimum 2.0 GPA‡, you are guaranteed admission to any of the seven state universities with junior year status.**

WHAT WILL TRANSFER?

AA – ASSOCIATE OF ARTS DEGREE
Designed to transfer into liberal arts four-year majors.

AS – ASSOCIATE OF SCIENCE
Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

AFA – ASSOCIATE OF FINE ARTS
Two-year program designed for transfer into a specific four-year major and will likely require completing additional general education courses at a university.

AAS – ASSOCIATE OF APPLIED SCIENCE
Two-year program for a specific occupation. Not designed for transfer.‡‡

DIPLOMAS AND CERTIFICATES
Industry-driven and defined programming designed for immediate entry into the workplace. Not designed to transfer.

* Universities within the Minnesota State system include Bemidji State University; Metropolitan State University; Minnesota State University, Mankato; Minnesota State University Moorhead; Southwest Minnesota State University; St. Cloud State University; and Winona State University.

** A student must still meet any special admission requirements for the major and is not guaranteed admission into the major itself.

‡ Winona State University requires a minimum 2.4 GPA for AA degrees to be accepted.

‡‡ While not primarily designed for transfer, individual colleges and universities may accept these courses.
CREDIT FOR PRIOR LEARNING: Students who demonstrate college- or university-level learning gained through non-credit or experiential settings may be eligible to earn college credit (i.e., CLEP examinations, military training or service, Advanced Placement exams, International Baccalaureate diplomas). Inquire with the college or university you are considering for more information.

POSTSECONDARY ENROLLMENT OPTIONS (PSEO)*: PSEO are college courses offered to high school students. The courses are taught by college or university faculty and allow students to earn both high school and college credit for successfully completing the course. Contact your local state college or university for eligibility requirements and information.

CONCURRENT ENROLLMENT*: Students can complete college courses at their high school while fulfilling high school course requirements at the same time. If you are interested in this option, speak to your high school guidance counselor.

TECHNICAL COURSE OPTIONS**: Students in 10th grade may take one technical college-level course taught on a college campus. You must be enrolled in a public school and meet requirements for reading proficiency and other assessments related to the course in which you wish to enroll.

ADVANCED PLACEMENT (AP) AND INTERNATIONAL BACCALAUREATE (IB) OPTIONS: AP or IB courses are offered at many high schools and provide a rigorous curriculum that prepares students to take college-level courses. Students who pass an AP test or the IB exam with acceptable scores will be awarded college credit at any Minnesota State college or university.

* To be eligible for PSEO or concurrent enrollment with a Minnesota State college or university, high school juniors must be in the upper one-third of their class or earn a score at or above the 70th percentile on a test such as the ACT or SAT. Seniors must be in the upper one-half of their class or earn a score at or above the 50th percentile on a test such as the ACT or SAT. Students who do not meet these requirements may still be eligible if they can meet other college readiness standards determined by the college or university. Students in 9th or 10th grade may also be eligible to take PSEO or concurrent enrollment courses if they rank in the upper one-tenth of their class or attain a score at or above the 90th percentile on a nationally standardized, norm-referenced test, or if they have a favorable recommendation from designated high school officials. All high school students enrolling in PSEO or concurrent enrollment, regardless of grade level, must also meet all college course prerequisites.

** A student who first completed technical courses while in 10th grade and wishes to enroll in general education courses as an 11th or 12th grade student must take assessment tests and achieve the required scores prior to enrollment in additional PSEO courses. Learn more at MinnState.edu/admissions/pseo.
Whether you are seeking help paying for college or could use help as you prepare for an exam, your 37 state colleges and universities offer a variety of resources to help you along the way. We are staffed with professionals who know and understand the process of enrolling and can help you reach your goals.

**Financial Resources**

**FINANCIAL AID:** The Free Application for Federal Student Aid (FAFSA) is the first step in applying for assistance in financing your college education. Submit this information as soon as possible to determine your eligibility for aid. Visit [fafsa.ed.gov](http://fafsa.ed.gov) for more information.

**SCHOLARSHIPS:** Scholarships are a great financial resource to students. They typically do not have to be paid back and can help offset tuition and other costs associated with college.

**TAX CREDITS:** Some students may benefit from federal tax credit programs. Consult with a tax professional or visit the IRS website at [irs.gov](http://irs.gov) for more information.

**Academic Resources**

**ON-CAMPUS ACADEMIC ASSISTANCE:** Most colleges and universities offer services such as tutors, a writing center, a math center, counseling, and more to support you. Contact the college or university you are interested in attending to learn about the resources available.

**TRIO SERVICES:** The federal TRIO programs are outreach and student services programs designed to identify and provide help to students from disadvantaged backgrounds.

**ACCESSIBILITY SERVICES:** Your state colleges and universities offer accessible facilities and provide accommodations to students with documented disabilities.

**SUPPORT FOR VETERANS AND SERVICE MEMBERS:** Most of your colleges and universities offer services for veterans and service members, including help to identify resources to pay for college, and have received Yellow Ribbon or military-friendly designations. Learn more at [MinnState.edu/military](http://MinnState.edu/military).

**CAREER PLANNING:** Check out career services at your college or university campus, or use [MinnState.edu/careers](http://MinnState.edu/careers) to explore careers, take an assessment, find programs and courses—including short-term and continuing education options—get tips for a successful job search, and more.

> GET STARTED TODAY!

Contact the college or university you are interested in to meet with staff who can help you find the resources right for you.
NEXT STEPS

1. **Speak to friendly staff at the college or university you are considering.**

2. **Get to know your state colleges and universities using this guidebook or by visiting MinnState.edu.**

   Check out the hundreds of programs available on your campuses at MinnState.edu/programs or use the program grid found in the “Endless Opportunities” section of this book, starting on PAGE 55.

3. **Visit campuses to find the college or university that is the right fit for you.**

**READY TO APPLY?**

1. **CONTACT OR VISIT** the college or university you are considering to get specific admission requirements.

2. **SUBMIT YOUR APPLICATION.** The state universities typically accept applications in the fall, and the state colleges generally accept applications up until the start of the new semester. Visit MinnState.edu/admissions/index.html.

3. **APPLY FOR FINANCIAL AID** by visiting fafsa.ed.gov and access the Free Application for Federal Student Aid (FAFSA).

4. **LOOK FOR SCHOLARSHIPS** by contacting the college or university you plan to attend for information and resources to begin the scholarship application process.

5. **START PLANNING** to achieve your goals by looking at the academic calendar for the college or university you wish to attend and getting to know staff that can assist you throughout your time on campus.
Minnesota State is home to 30 community, technical, and comprehensive colleges. These colleges are a great place to earn a degree and immediately start your career, or you can complete an associate degree and transfer to earn a bachelor’s degree.

INTERESTED?

» CHECK OUT THE OPTIONS. The profile pages that follow provide you a glimpse of all 30 colleges.

» VISIT CAMPUS. The best way to find the college that is right for you is to visit.

» UNDERSTAND WHAT YOU NEED TO ENROLL. Each college has an open admissions policy, meaning you need only a high school diploma or a GED to enroll. If you do not have a high school diploma or GED, you may qualify to be admitted through an approved Ability to Benefit test and may apply to enroll in a career pathway program. Details for program-specific admissions requirements can be found on the website of the college you are considering.

» KEEP TRANSFER IN MIND. If you are thinking about transfer, take note of the pathway options and programs designed to ease the process. Planning ahead may save you time, money, and stress later.

» LET OUR STAFF AND FACULTY HELP. You are strongly encouraged to contact the admissions department and get to know the faculty and staff at the college you plan to attend.

DEGREES OFFERED
Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS
Launch your degree or career with Inver Hills Community College. Our campus, less than 10 miles southeast of St. Paul, offers network technology and security, emergency medical services, computer science, accounting, biology, psychology, Minnesota Alliance for Nursing Education (MANE) BSN, law enforcement, Adult Success through Accelerated Learning (ASAP), Concurrent Enrollment, PSEO, engineering fundamentals, paralegal, criminal justice, project management, and more.

STUDENT ACTIVITIES
25+ student clubs, organizations, and activities available in areas such as music, theater, culture, and student leadership. Visit inverhills.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS
» Why Inver Hills? Inver Hills offers the perfect setting for students looking for a balance of personal attention and opportunities to get involved. With 40 academic programs and a low faculty-to-student ratio, Inver Hills students know their instructors and fellow students
» Inver Hills prepares students for career success through challenging courses, access to internships and community-based learning, and career development support along the way
» Committed to student success, we provide students a variety of services, including advising, counseling, financial aid, tutoring, and more. We support our students in person and online to meet all of their needs
» From New Student Orientation to First Year Experience courses, we set our students up for success from day one
» Our financial aid department and scholarship programs help thousands of students per year reach their goals while reducing their student loan debt. We are committed to making college possible for all
» Through our Student Life and student clubs, Inver Hills offers opportunities to get involved and take on campus leadership roles. Check out the Student Life calendar for upcoming events and activities
» Adult learners thrive at Inver Hills. The idea of “going back to college” can seem overwhelming. That’s why we are here to help you succeed! We offer a broad range of adult learner services
» Known for our gorgeous grounds, the Inver Hills campus features multiple ponds, a community garden, and distinctive architecture. See campus for yourself by contacting the admissions department to schedule a personal or group visit
» Inver Hills students are prepared to transfer to the four-year college of their choice and our students can go anywhere with easy credit transfer and advising from our well-connected team

DEGREES OFFERED
Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS
LSC has over 90 program offerings, including allied health and nursing, auto service technology, aviation, cybersecurity, dental hygiene, EMT, fire technology and administration, integrated manufacturing, liberal arts and sciences, paralegal studies, physical therapist assistant, truck driving, and much more.

SPECIAL OPTIONS
» LSC collaborates with many four-year institutions, including Bemidji State University; Metropolitan State University; St. Cloud State University; Minnesota State University, Mankato; Southwest Minnesota State University; College of St. Scholastica; the University of Minnesota Duluth; and the University of Wisconsin-Superior, to provide seamless pathways for students to transition to four-year degree programs
» LSC has 38 high school partners for the Postsecondary Enrollment Options (PSEO), Honors Online (HOL), and the College in the Schools (CIS) programs
» LSC serves as a regional Economic Opportunity Center through the U.S. Department of Education to help marginalized individuals plan for and attend college
» LSC and Hibbing Community College offer a dual campus partnership to provide a dental assisting program for students who live in the Twin Ports area

LSC’s numerous community partnerships include connections with local, regional, and state agencies and nonprofits through workforce development grant-sharing and customized training and active advisory councils for technical and allied health programs
» Hangar facilities for the Center for Advanced Aviation at the Duluth International Airport house both LSC’s professional pilot and aviation maintenance technician programs
» The Emergency Response Training Center provides world-class training for emergency response professionals
» The college provides dental hygiene, massage therapy, and physical therapy services to students and uninsured residents of the region through faculty-supervised student clinics

STUDENT ACTIVITIES
Student clubs: gaming, welding, nursing, human services, multicultural, and Phi Theta Kappa Honor Society Club. Activities available in areas such as Student Senate, student life, and the Diversity Committee provide student leadership opportunities. Student competitions and events allow students to showcase their skills, such as critical thinking and their ingenuity. Examples include Welding Behind the Mask competition, SkillsUSA competition, and a technical skills fair for high school students. The Eveleth and Virginia campuses are located on the beautiful Iron Range, with activities ranging from hiking, biking, fishing, skiing, curling, snowboarding, ATV trails, and so much more. Students can enjoy exciting outdoor activities located close to the campuses, including Giants Ridge Recreation Area, Boundary Waters Canoe Area, and the Iron Range Off-Highway Vehicle State Recreation Area.

CAMPUS HIGHLIGHTS
» Personalized and innovative student support services, including advising, academic tutoring, career counseling, veteran, disability, and technology services. Student success centers (tutoring, computer access, food shelf, and other student services) are located on both campuses
» Athletics – Women’s volleyball, basketball, and softball; men’s football, basketball, and baseball. Go Norse!
» Small class sizes lead to personal attention and interaction with faculty and other students; student-to-teacher ratio of 20:1
» Strong student life and student senate programs
» Over $105,000 in scholarships awarded annually
» Semi-furnished housing at the Virginia campus
» Excellent placement rates and high-paying jobs in many career programs
» Strong relationships with area businesses and industry that provide students with internships
» Ranked in top five best community colleges in Minnesota by BestColleges.com (2020)

DEGREES OFFERED
Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS
Eight schools within the college provide simplicity in choosing a major and guidance for which courses to take first to save time and money; programs within these schools include biology, psychology, theater, business, liberal arts, nursing, and more.

STUDENT ACTIVITIES
70+ student clubs, organizations, and activities available. Visit minneapolis.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS
» Nationally accredited programs in high-demand fields
» Courses are taught by industry experts, committed to student success
» Students from around the world who represent a broad range of ages and backgrounds
» One of the most diverse college campuses in the state
» Small class sizes allow students to connect with faculty and classmates
» State-of-the-art technical, science, and world language labs
» Award-winning Student Support Center
» Minneapolis College collaborates with many four-year institutions, including Metropolitan State University, Augsburg University, and the University of Minnesota, to provide seamless pathways for students to transition to four-year degree programs
» Minneapolis College is the first college in Minnesota to offer exploratory majors for undecided students, allowing you to start making immediate progress on your educational journey while keeping your options open
» The Academic Success Center offers a state-of-the-art learning environment to enhance student success
» The Power of YOU program covers tuition and fees (after state and federal grants) for eligible public high school graduates; 2,400 students benefited from the program over the last 10 years
» About half a million dollars was awarded to students last year in scholarships and emergency assistance through the Minneapolis College Foundation
» Offering over $500,000 in scholarships, including Last Dollar Scholarships that cover the remaining cost of tuition that financial aid does not cover
» An anchor partner in the Cedar Riverside Opportunity Center and 800 W. Broadway, a collaboration between public sector and private non-profit partners to provide access to educational, workforce, and career pathway services to the community
» The Student Support Center received the Minnesota State Innovative Student Affairs Program Award for providing services for and responding to the needs of the college’s diverse population
» Instructors are frequently recognized by Minnesota State as Outstanding Educators, including four faculty receiving the top award, Educator of the Year, in 2016–17, 2017–18, 2019–20, and 2020–21
» Dual credit programs are an opportunity for high school students to earn college credit while working toward their high school diploma. We offer three programs: Postsecondary Enrollment Options (college courses on our campus), concurrent enrollment (college courses at your high school), and Destination to Diploma for students enrolled in alternative high schools taking college courses on our campus

» Normandale offers accredited music, theater, art, and business programs—rare among two-year colleges in Minnesota and nationwide
» Normandale is a top transfer institution to Metropolitan State University; Minnesota State University, Mankato; University of Minnesota; University of St. Thomas; and many other state colleges and universities
» Normandale’s College Services Renovation will modernize 27 classrooms, provide state-of-the-art labs, add small group spaces for student collaboration, and create a centralized and integrated Student Services model to make it easier for students to find the services and support they need
» Normandale’s Partnership Center provides access to bachelor’s degree programs through partnering institutions (Metropolitan State, Minnesota State Mankato, and Southwest Minnesota State) on the Normandale campus. Students can obtain an associate degree at Normandale and complete their bachelor’s degree in a variety of majors
» Normandale’s Continuing Education offers courses for in-demand skills and collaborates with community industry partners through grants from the Minnesota Department of Employment and Economic Development (DEED) to make an impact
» Support services are provided for second language and developmental education students as well as students with disabilities
» Normandale Tutoring Center provides services to students through the Writing Center, embedded tutors in historically difficult courses, walk-in peer tutoring, and tutoring for non-native English speakers
» The college provides a community dental clinic that accepts public assistance and offers dental services on a sliding fee scale for those living in the southwest metro area
» Normandale expanded its Campus Cupboard and works with on-campus food vendor Tiffin Mann to provide fresh meals for students without the financial means to eat every day
» Normandale is a “Beyond the Yellow Ribbon” military friendly organization. Normandale has one of the largest veteran populations in the Minnesota State system
» Normandale has one of the few authentic Japanese Gardens in the state

DEGREES OFFERED
Associate of Applied Science, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS
Nursing (Practical Nursing, LPN Step-In Track, RN), dental assisting, community health worker, health sciences, medical coding, automotive service and performance, electrical construction, plumbing/HVAC, accounting, commercial refrigeration, computer support, general business, human resources, administrative assistant, child care and young child education, gerontology and aging studies

STUDENT ACTIVITIES
Numerous student clubs, organizations, and activities available. Visit the college’s website or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS
» Academic programs, both on campus and online, closely match career opportunities
» State-of-the-art technology resources and labs offer students an in-depth, hands-on learning experience
» Labs for programmable logic controls, automotive, nursing, and commercial refrigeration all received significant upgrades during the summer of 2020
» Most NTC students spend four hours in hands-on labs for every one hour spent in lectures
» Dental assisting (Commission on Dental Accreditation) and nursing (Accreditation Commission for Education in Nursing) programs are fully accredited
» Programs are guided by industry partners through active and engaged Program Advisory Committees
» Students experience personal attention, small classes, supportive faculty, and well-equipped labs, as well as abundant parking and an on-campus café
» Students are enabled to succeed in both the classroom and workplace through support from the Student Success Center, which offers tutoring, library assistance, academic coaching, career services, and academic advising
» 90 percent of students who access NTC’s tutoring services pass their classes and 75 percent have received letter grades of A or B
» Through a partnership with Bemidji State University, students can live in BSU student housing and enjoy the benefits of an on-campus college experience
» Internships and similar types of hands-on experiences are woven into program requirements, ensuring that students graduate with the skills they need to succeed
» Opportunities for fun and engagement through activities such as Free Coffee Thursdays and Free Popcorn Tuesdays at the Student Success Center, and through student clubs and organizations such as Student Senate and program-specific clubs for students in automotive, child care, nursing, and more
» The Student Center for Diversity, Equity, and Inclusion and American Indian Resource Center support students through events and programming meant to increase both the understanding of diversity and inclusion and appreciation for its benefits

VISIT
Campus visits are highly encouraged for students and their families. Visits may be scheduled by calling 218-333-6600 or by visiting the college’s website, ntcmn.edu.

CAMPUS HIGHLIGHTS
» Online courses available for distance learning and convenience
» Nationally accredited programs
» The associate of arts degree and several associate of science degree programs provide students the opportunity to pursue a four-year degree and take advantage of lower tuition rates and smaller class sizes while immediately focusing on a chosen major
» Technical programs prepare students for job placement and employment
» High-tech, state-of-the-art simulation labs support all nursing and health science programs
» Vibrant student life environment provides opportunities for students from all disciplines
» PTCC is conveniently located about an hour north of the Twin Cities, surrounded by lakes, rivers, and state forests, providing an excellent balance of access to metro opportunities, while retaining the feel of being up north
» Small campus and friendly learning environment, where faculty and staff know students by name
» An on-site daycare facility allows for easy pick-up and drop-off for PTCC student parents
» PTCC’s unique gunsmithing program attracts students from across the nation and abroad
» There are many scholarship opportunities available to students, including over $240,000 in scholarship dollars awarded annually from the PTCC Foundation
» Campus has been newly renovated to provide more comfortable spaces for students to study and hang out

VISIT
The best way to learn about PTCC is to visit campus and get a personalized tour with a PTCC admission specialist. Check out pine.edu/visit to schedule your one-on-one PTCC Experience.

Rochester Community and Technical College

rctc.edu

2021–22 Tuition and Fees: $5,377

CAMPUS HIGHLIGHTS

» Founded in 1915 on a motion by Dr. Charles Mayo (co-founder of the world-renowned Mayo Clinic) to the Rochester School Board, RCTC is Minnesota’s oldest public two-year college and one of the nation’s oldest original community colleges

» 518-acre campus with 20 buildings, including the Rochester Regional Stadium which features an inflatable bubble used during winter months

» Rochester is one of the nation’s “Most Livable Cities,” the third-largest city in Minnesota, and home to Mayo Clinic and IBM Rochester

» RCTC offers more than 350 online classes and 62 credit-based programs with more than 90 credential options

» Innovative academic partnership with Mayo Clinic—with six collaborative programs offered, including cardiovascular invasive specialist, clinical neurophysiology technology, histology technician, intensive care paramedic, radiography, and MRI

» Multiple articulation and transfer agreements with four-year universities, so RCTC credits will seamlessly transfer

» The college has partnerships with dozens of local organizations, including Rochester Public Schools/CTECH and PTECH, Mayo Clinic, Olmsted Medical Center, Rochester Area Chamber of Commerce, plus many more

» More than 240 scholarships are awarded to over 220 students by the RCTC Foundation

» Access to support services, including student health clinic, mental health practitioners, Hive Supply food cupboard, student emergency fund, winter clothing closet, plus much more

» Beyond the Yellow Ribbon distinction for offering student veterans resources and support services

VISIT

Individual/small group visits and tours are offered weekly. Preview Days are held throughout the academic year. Go to rctc.edu/visit for details.

DEGREES OFFERED

Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS

RCTC offers nearly 70 programs in 10 academic pathways including: liberal arts and sciences, aviation pilot, nursing, health information technology, business, accounting, cardiovascular invasive specialist, cancer registry management, clinical neurophysiology technology, radiography, Magnetic Resonance Imaging (MRI), dental hygiene, environmental science, histology technician, intensive care paramedic, surgical technology, veterinary technology, mass communication, and many more. Many programs hold national certifications and accreditations. RCTC is accredited by the Higher Learning Commission.

STUDENT ACTIVITIES

40+ student clubs, organizations, and activities, including student government, special interest groups, honor societies, and service organizations. RCTC is home to eight varsity athletic teams, including Yellowjacket football, baseball, wrestling, men’s and women’s basketball, volleyball, and softball. Find out more about RCTC’s athletic teams and opportunities at rctcyellowjackets.com. The college also offers several performing and fine arts opportunities for students, including theatre productions, vocal and instrumental music programs, and an art gallery for student exhibitions. For a full list of student organizations, clubs, and events, visit rctc.edu/studentlife.

St. Cloud Technical & Community College

sctcc.edu

2021–22 Tuition and Fees: $5,209

ST. CLOUD

Admissions: 320-308-5000
TTY: 320-308-5988
1540 Northway Dr.
St. Cloud, MN 56303
FAFSA Code: 005534

DEGREES OFFERED
Advanced Technical Certificate, Associate of Applied Science, Associate of Arts, Associate of Fine Arts, Associate of Science, Certificate, Diploma

PROGRAM HIGHLIGHTS
Liberal arts and sciences, cardiovascular technology, culinary arts, cybersecurity, diesel mechanic, early childhood and special education, land surveying/civil engineering, energy technology specialist, medical coding, sonography, water environment technologies

SPECIAL OPTIONS
Transfer Degree Programs – Liberal arts and sciences AA, biology transfer pathway AS, business transfer pathway AS, psychology transfer pathway AA, elementary education foundations transfer pathway AS, mathematics transfer pathway AA, theater transfer pathway AFA, Spanish transfer pathway AA, special education transfer pathway AS, engineering broad field AS, environmental science AS. Transfer Pathways programs are designed to fully transfer to Minnesota State universities that offer the corresponding bachelor’s degree. Environmental science and engineering transfer via articulation agreements.

Online Programs – SCTCC’s liberal arts classes will offer textbooks at no cost starting fall 2021, with the goal of students earning an AA with no textbook charges. The Z-degree classes offer textbooks as a digital copy that can be accessed and downloaded online for free, as well as a physical copy in the bookstore that can be purchased if students prefer that option.

STUDENT ACTIVITIES
More than 25 student clubs, organizations, and activities. The SCTCC Cyclones participate in five intercollegiate sports: volleyball, men’s and women’s basketball, baseball, and softball. The Cyclones are members of the Minnesota College Athletic Conference (MCAC) and the National Junior College Athletic Association (NJCAA). The Cyclones are consistently ranked in NJCAA polls. Students in auto body, automotives, medium/heavy truck, HVACR, electrical, plumbing, welding, and culinary compete in SkillsUSA competitions and regularly place in the top three at the state level, often moving on to national-level competitions. Visit sctcc.edu or MinnState.edu for a complete list.

CAMPUS HIGHLIGHTS
» With a 96 percent job placement rate, our grads get jobs
» At SCTCC we are committed to diversity, equity, and inclusion and strive to foster a culture where every member of our community feels valued and supported
» Students know their instructors with small class sizes: average of 18 students per class
» Cutting-edge simulation labs that include equipment used in area industries
» Highly involved advisory boards mean SCTCC is aligned for area industry needs
» In 2020, more than $218,000 in scholarships was awarded to 375+ students
» Child care facility on campus
» Named a Best Community College by Value Colleges in 2021

VISIT
Schedule a visit at vcc.edu/campus-visit. Explore our open house options in fall and winter!
Seven state universities are part of Minnesota State. Each provides an excellent pathway to earning your bachelor’s degree or beyond and can help you launch your career.

**INTERESTED?**

The seven state universities will generally accept you as a first-year student if you can answer YES to at least one of these questions:

- Did you graduate in the top half of your high school class?
- Did you receive a combined score of 1,000 or higher on the SAT standardized test, or a corresponding score on the redesigned SAT standardized test?
- Did you score 21 or higher on the ACT standardized test?

Were you able to answer YES to one of the above questions and are you planning on attending a Minnesota State university?

**CHECK OUT THE OPTIONS.** The profile pages that follow provide you a glimpse of the seven state universities.

**KNOW THE ADMISSION REQUIREMENTS.** Some state universities may have slightly different admission requirements. Check with the admissions office at the university you are interested in for details. If you do not meet the minimum admission requirements, you may be considered for admission under special provisions.

**ASK QUESTIONS AND VISIT CAMPUS.** There’s no better way to figure out which university is the right fit. Contact a member of the university’s admissions office to set up a visit.
Bemidji State University

CAMPUS HIGHLIGHTS
» Results – 97 percent of graduates are hired in a field related to their degree
» Student Success – with the #1 student success rate within the Minnesota State system, our faculty and staff go above and beyond to ensure students achieve their goals
» Affordable – one of America’s 100 Best College Buys for 25 consecutive years, 98 percent of first-year students also benefit from some form of financial aid
» Technology – committed to technology in the classroom, our eWarrior program provides students with a laptop and full-service tech support
» Internships – all of our degree programs offer opportunities for internships with some of the Midwest’s most prestigious organizations
» Service Learning – community engagement is important at Winona State, with most of our programs providing students a chance to use what they’ve learned to help others
» Reputation – the oldest member of the Minnesota State system, our classes are small in size and taught by expert faculty
» Athletics – home to 14 NCAA Division II and one NCAA Division III varsity sports teams
» Health and Wellness – our Integrated Wellness Complex aligns health, wellness, academic, and recreational programs and services into a single facility
» Scenic Beauty – widely known for our stunning natural setting, Winona State is nestled between picturesque bluffs and the Mississippi River—meaning that rock climbing, paddle boarding, hiking, kayaking, and more are within a mile of campus
» Winona – the city is home to a wide range of art, music, and theatre opportunities, as well as museums, local boutiques, and festivals

VISIT
Experience the beauty of WSU’s campus for yourself. We offer various opportunities to see campus and connect with an admissions counselor—both in person and online. Learn what options are currently available at winona.edu/visit.
The following pages offer charts that show the academic program opportunities available at your state colleges and universities.

**INTERESTED?**

**COLLEGE ACADEMIC PROGRAM GRID  PAGES 56–60**
Check out the academic programs available at your state colleges that may lead to an associate degree, certificate, or diploma. These are great programs to launch a new career or get started on the path to a bachelor’s degree.

**BACHELOR’S DEGREE PARTNERSHIP PROGRAM  PAGE 64**
The seven state universities offer a selection of bachelor’s degree programs that can be completed at various community college campuses, allowing you to earn your degree from a university without leaving the comfort of the college setting. This grid will help you see the programs available and locations where they are offered.

**UNIVERSITY ACADEMIC PROGRAM GRID  PAGES 66–67**
Learn about the programs available at your state universities that may lead to a bachelor’s degree and beyond, or help you launch your career.

**ATHLETICS PROGRAM GRIDS  PAGES 61, 68**
Many of your state colleges and universities have an array of sports that provide you the opportunity to enjoy a student-athlete experience. These grids will help you quickly identify which colleges and universities offer your sport.

**Name Abbreviations for Minnesota State Colleges**
- ATCC – Alexandria Technical & Community College
- CLC – Central Lakes College
- DCTC – Dakota County Technical College
- FDLTCC – Fond du Lac Tribal & Community College
- HTC – Hennepin Technical College
- HCC – Hibbing Community College
- ICC – Itasca Community College
- LSC – Lake Superior College
- Minneapolis College – Minneapolis Community and Technical College
- MSC Southeast – Minnesota State College Southeast
- M State – Minnesota State Community and Technical College
- NHCC – North Hennepin Community College
- NCTC – Northland Community & Technical College
- NTC – Northwest Technical College
- PTCC – Pine Technical & Community College
- RCTC – Rochester Community and Technical College
- SCTCC – St. Cloud Technical & Community College
- SCC – South Central College

## INTERCOLLEGIATE ATHLETICS – COLLEGES

Athletics programs at our colleges provide opportunities for many student-athletes to compete in their favorite sports and for all students to participate as fans and to show their school spirit! To learn more about the opportunities and affiliations at a particular institution, please visit its website.

120 different athletic teams are offered across 15 different sports at our participating colleges.

Minnesota State Transfer Pathways make it easy to complete a specific associate degree at a Minnesota State college and transfer to a Minnesota State university to earn a bachelor’s degree without losing credits or taking extra courses.* Transfer Pathways can be a great way to save time and money as you work toward graduation.

*Students must meet special admission requirements for the major and are not guaranteed admission into the major itself. Call or visit the college or university you’re interested in to learn more.

- Teaching – Mathematics
- Teaching – Music
- Teaching – Physical Education
- Teaching – Physical/Earth Science
- Teaching – Physics
- Teaching – Reading/Literacy
- Teaching – Social Studies
- Teaching – Special Education
- Teaching – Urban Education
- Theater Arts and Drama
- Urban Planning/Regional Studies
- Women and Gender Studies
- Writing – Creative and Technical
INTERCOLLEGIATE ATHLETICS – UNIVERSITIES

Student-athletes attending Minnesota State universities have remarkable opportunities to join elite, nationally competitive programs. The Northern Sun Intercollegiate Conference, one of the nation’s premier NCAA Division II leagues, counts six Minnesota State universities among its 16 members. And, three of our universities sponsor NCAA Division I ice hockey.
