Request Details

Amounts are estimates and subject to change

- » \$6.2 million of \$169 million in campus support
- » 15,564 students, faculty, and staff will use NextGen
- » An estimated 760 students will receive grants

What's At Stake?

A fully funded request will:

- » Move our advisor-to-student ratio from 856-to-1 closer to the national average of 296-to-1.
- » Provide accelerated development courses that have been proven to help students develop college success skills.

Not fully funding the request will:

- » Reduce availability of advising and other student support services, slowing student progress toward degree completion.
- » Require balancing building repairs and technology replacement with other critical academic and student support functions.

2019 Capital Request

- » \$722,000 in asset preservation and replacement to repair exteriors and replace elevator and roof

ABOUT THE COLLEGE

Normandale Community College provides two-year degrees and certificates, is a top transfer school for Minnesota four-year colleges and universities, and partners with Minnesota State University, Mankato, Metropolitan State University, and Southwest Minnesota State University to offer bachelor's degrees on campus.

SERVICE TO MINNESOTA

- » Each year, Normandale generates \$401.2 million in economic impact, as well as produces 1,200 graduates, and supports and sustains 3,474 jobs.
- » Developmental education to prepare students for college-level work.
- » Partnerships with area high schools to offer PSEO, concurrent enrollment, articulated credit, and other opportunities.
- » Programs are closely tied to local, state, and federal workforce agencies to leverage economic development resources.
- » Strive to ensure education and training is aligned with the state's changing economy.

PARTNERSHIPS

- » **Donaldson Company:** Contributes scholarships to the college's Academy of Math and Science, which provides a financial and advising support system for students pursuing STEM fields.
- » **Health Resources and Services Administration:** Grant partnership to help prepare dental hygienists for the charge of expanding scope with new competencies to meet the oral health care needs of vulnerable, underserved, and rural populations.
- » **Dakota, Hennepin, and Ramsey Counties:** These employers have joined a unique collaboration where higher education, community-based organizations, and employers work together to uniquely meet the needs of underemployed, adult learners.
- » **Medtronic:** Through a three-year grant, Normandale will support the development and delivery of a comprehensive training initiative focused on advancing employee skills in areas like health care data analytics and value creation.

FROM AN ALUMNA:

"My time at Normandale was a phenomenal experience. I can't imagine I would be doing what I am or be on the path I am currently on if I had gone to a different school."

– Sheena Jimmick, alumna and 2017 Jack Kent Cooke Scholar, majoring in astrophysics at the University of Minnesota
