Modernizes, enhances, and repurposes classrooms and labs to increase enrollment and provide flexible learning options as well as a welcoming, synergistic environment for one of the largest nursing programs in Minnesota.

STUDENT IMPACT

Twenty-nine different departments are affected by the classroom renovations, including computer technology, computer science, economics, math, and reading programs.

STUDENT IMPACT

Creates flexible, technology-enhanced classrooms that foster collaborative learning environments for over 2,500 students studying English, music, theater, entertainment industries and technology, and media arts and design.

STUDENT IMPACT

Directly benefits approximately 2,800 students in programs including business, accounting, paralegal, and computer science through modernized and flexible classrooms.

SUMMARY

- Received $9,635,000 in 2018 for design
- Renovates: Business and Nursing Building
- Supports: Business and Nursing
- Existing Space
- Selective Renovation
- New Construction
- Renovation, Phase II
- Construction
- Phase II
- $26,634,000
- Casual Learning Space
- Deferrred Maintenance Reduction: $5.4 million

SUMMARY

- Received $86,000,000 in 2018 for design
- Renovates: Main Building
- Supports: Main Building
- Existing Space
- Selective Renovation
- New Construction
- Renovation
- $67,700,000
- Casual Learning Space
- Deferrred Maintenance Reduction: $25.5 million

SUMMARY

- Received $698,000 in 2018 for design
- Renovates: Lommen Hall
- Supports: Lommen Hall
- Existing Space
- Selective Renovation
- New Construction
- Renovation
- $14,650,000
- Casual Learning Space
- Deferrred Maintenance Reduction: $7.4 million

SUMMARY

- Received $569,000 in 2018 for design
- Renovates: Hagen Hall
- Supports: Hagen Hall
- Existing Space
- Selective Renovation
- New Construction
- Renovation
- $8,400,000
- Casual Learning Space
- Deferrred Maintenance Reduction: $3.3 million

SUMMARY

- Received $26,634,000 in 2018 for design
- Renovates: Weld Hall
- Supports: Weld Hall
- Existing Space
- Selective Renovation
- New Construction
- Renovation
- $17,290,000
- Casual Learning Space
- Deferrred Maintenance Reduction: $9.4 million

SUMMARY

- Received $628,000 in 2018 for design
- Renovates: Heritage Hall
- Supports: Heritage Hall
- Existing Space
- Selective Renovation
- New Construction
- Renovation
- $33,484,000
- Casual Learning Space
- Deferrred Maintenance Reduction: $12.5 million
