CURRICULUM

The Public and Nonprofit Management Certificate is designed for students and practitioners who are interested in meeting the challenge of leading our public and non-profit organizations as these play an increasingly vital role in our society. Leaders of these organizations must not only possess keen managerial and office skills, but also be strong fundraisers, marketers and strategic planners. This program provides training in all these areas in an accessible and flexible format.

Minnesota State is an affirmative action, equal opportunity employer and educator.
Program Design:

3 credits of MnTC (POL 3200)
