## Excellence in Curriculum Programming Award

Excellent programs in this category are those that produce graduates ready to take on the challenges of life after college. They are programs that demonstrate they are in demand by having consistently high enrollments and high graduation rates.

### The following criteria will be used to evaluate nominations:

- A high rate of employment, transfer, or enrollment in graduate school following graduation
- Effective use of technology in academic programming
- Encouragement of faculty-student interaction in various venues
- High level of achievement of students in academic competitions or examinations
- Generation of extramural support or funding for academic programming
- Collaboration with other college or university departments, employers, or community
- Inclusion of diverse and/or multiple subgroups
