Excellence in Equity Innovation Award

This award is presented as a result of advancing an innovative idea, method, or technique that results in improved educational experience, developmental activity or service for a college or university community that has a measured impact on closing the opportunity gap. These programs or activities must have been in operation for at least two years and must be funded directly by the college or university.

The following criteria will be used to evaluate nominations:

- Program/Initiative/Service advances a new approach with an equity-minded lens
- Program is designed to prioritize equity and inclusion to meet the needs of a broad group of campus or community stakeholders
- Program/Initiative/Service results in a collective benefit for all stakeholder groups
- Program/Initiative/Service is collaborative in nature and enhances educational opportunities
- Program/Initiative/Service seeks contributions from all involved parties
- Future sustainability of the program/initiative/service is documented
