How to Run a ‘What-If’ Degree Audit

Steps

Follow these steps to run a ‘what-if’ degree audit.

- Login to your eServices account

- Select ‘Academic Records’ on the left-hand navigation and then select ‘Degree Audit Portal’

- Select ‘Click here to access Degree Audit Self-Service’
• Log in to uAchieve Self-Service with your StarID and Password.

• If you have run a degree audit before, when you log in, Self-Service will display the last degree audit that you viewed.

• Under the ‘Audits’ tab, select ‘Request New.’
• Select ‘Select a Different Program.’

• From the drop-down menus, select program and catalog year.

• Once you have your selections made, select ‘Run Different Program.’
• You will see the following screen stating that ‘Your Audit is Loading.’ This process can take a few moments.

• The ‘what-if’ audit should automatically display and you’ve successfully run a ‘what-if’ degree audit.

• At this point, under the ‘Audits’ tab you could select ‘Request New’ to run a new ‘what-if’ degree audit, or ‘Manage’ to view any degree audits that you have recently ran.
- Example of ‘Manage’ screen that shows the degree audits you have recently run.
