

## Reusable Resources

### for Campus Educational Developers

The following resources were developed by Minnesota State to share with Campus Educational Development Teams. We invite faculty to utilize these resources in faculty development teams on your campus.

### Short Course Packages

These short course packages can be used in D2L Brightspace for use by campus educational development teams.

- [Designing Your Course for Student Learning](#)
- [Creating Accessible Course Documents](#)
- [Humanizing Your Online Course](#)
- [Improving Instructor-to-Student Interaction](#)
- [Assessment of Student Learning](#)
- [Skills to Facilitate Your Course](#)
- [Improving Student-to-Content Interaction](#)
- [Improving Online Assessments](#)
- [Aligning Instructional Strategies with Zoom](#)
- [Aligning Instructional Strategies with Kaltura MediaSpace](#)

To experience these courses, register for one on the [NED Events Calendar](#).

### D2L Brightspace Course Template

Whether you are new to online teaching and learning or are an experienced user of D2L Brightspace, you can use this template as a starting point when designing a new course or re-designing an existing course. Our template provides you with example materials and course layout that you may copy and edit as appropriate for your needs.
