

March 12, 2018,

Dear Training Sites and Instructors of Minnesota State Multi-Regional Training Center,

WorldPoint would like to thank your Training Center, Minnesota State Multi-Regional Training Center, for being a loyal customer. Their loyalty and annual spending has qualified them to receive a discount which Minnesota State Multi-Regional Training Center generously asked to share with you! As an instructor or training site of Minnesota State Multi-Regional Training Center, you will receive a purchasing discount. We are very pleased to provide you with the following benefits:

- 5% off Training Equipment* (CPR manikins, barrier devices, AED trainers, etc.)
 - *American Heart Association materials are **excluded**
 - *SMART product line and accessories **excluded**
- Free ground shipping on orders containing \$500 or more of shippable* products
 - * Shippable Products - excludes e-products products

We look forward to being your trusted partner and valuable resource for American Heart Association materials and training supplies. We welcome the chance to help you find products that fill other healthcare training needs.

In order to receive this exciting discount: Please set-up an account with WorldPoint, if you are not already a current customer. In addition, you will need to reference this offer to customer service when you call and let them know the discount information is notated on your Training Center's (Minnesota State Multi-Regional) account #11082. Please contact customer service directly to set up your account and apply the appropriate discount plan. Customer Service can also be your direct contact for orders, questions, and returns.
