

### Perkins V Postsecondary Accountability

Katie Vaccari, System Office Research Carrie Schneider, System Office Research

### Agenda

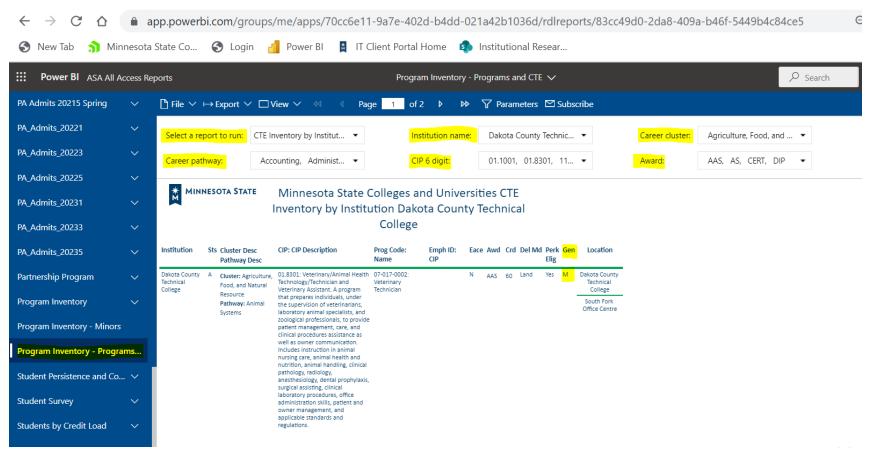

- Introductions
- Overview of Perkins V Postsecondary data structure, accountability definitions and reporting timelines
- Review of how State Determined Performance Levels (SDPLs) established and how they are used to evaluate performance (i.e., Improvement Plan required)
- Where to find the accountability data
  - Perkins V Reporting app in Power BI
  - ➤CTE website
- Data sharing/data privacy
- Updates
- Resources

## **Perkins V Grant Accountability**

# How do I know what my institution's Perkins-eligible (CTE) programs are?

#### Location: Power BI\ASA All Access\Program Inventory – Programs and CTE report

### **Postsecondary Data: Reporting Structure for Minnesota**

- Postsecondary uses a cohort model to structure the accountability data.
- The cohort model involves identifying students entering an institution during a fiscal year and tracking them forward through two additional fiscal years.

|        | FY 2020 | _      |        | FY 2021 |        | FY 2022 |      |        |  |  |

#### FY 2020 – 2022 Cohort

### Postsecondary Participant and Concentrator Definitions

**Participant**: A student enrolled in a Minnesota State two-year college who belongs to a particular CTE entering cohort and who:

- Earned more than zero college level credits (cumulative) AND, within the cohort timeframe, was enrolled in a CTE program/award level <u>OR</u>
- Earned more than zero college level credits in CTE course(s).

**Concentrator**: A student enrolled in a Minnesota State two-year college who belongs to a particular CTE entering cohort and who:

- Is enrolled in a long-term (12 or more credits) CTE program/award level AND earned 12 or more college level credits (cumulative) <u>OR</u>
- Completed a CTE award in a short-term (less than 12 credit) CTE program within the cohort timeframe.

(Students enrolled in a short-term program who have not yet completed the program are counted as participants)

**Note**: Although Participant enrollment is reported in the federal Consolidated Annual Report (CAR), the performance indicator measures are based on Concentrators (or subsets of Concentrators).

### Postsecondary Core Indicator 1p1: Postsecondary Retention and Placement

The percentage of CTE concentrators who completed a CTE program within the cohort and who are enrolled in postsecondary education or employed during the 2nd quarter after program completion.

**Note**: Reporting is delayed by one cohort to allow time to track enrollment and/or employment following program completion.

### **Operational Definition**

**Numerator:** Number of CTE concentrators in the cohort who, during the second quarter following program completion, are enrolled in postsecondary education or employed.

**Denominator:** Number of CTE concentrators who complete a CTE program/award (i.e., certificate, diploma, AAS or AS) within the cohort timeframe.

### Postsecondary Core Indicator 2p1: Earned Recognized Postsecondary Credential

The percentage of CTE concentrators who complete a CTE program/award within the cohort timeframe.

### **Operational Definition**

**Numerator:** Number of CTE concentrators who complete a CTE program/award (i.e., receive a CTE certificate, diploma, AAS or AS) within the cohort timeframe.

**Denominator:** Number of CTE concentrators in the cohort.

### Postsecondary Core Indicator 3p1: Nontraditional Program Enrollment

The percentage of CTE concentrators enrolled in CTE programs that lead to non-traditional fields who are enrolled in a CTE program that is nontraditional for their gender.

### **Operational Definition**

**Numerator:** Number of CTE concentrators in the cohort who are enrolled in a CTE program classified as nontraditional for their gender.

**Denominator:** Number of CTE concentrators in the cohort enrolled in a CTE program classified as nontraditional.

### **Data Disaggregation in Accountability Reporting**

#### Gender Race/Ethnicity Career Cluster Special Populations -

- Individuals with disabilities
- Individuals from economically disadvantaged families, including lowincome youth and adults
- Individuals preparing for non-traditional fields
- Single parents, including single pregnant women
- Out-of-workforce individuals
- English learners
- Homeless individuals described in section 725 of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11434a)
- Youth who are in, or have aged out of, the foster care system
- Youth with a parent who –

i. Is a member of the armed forces; and

ii. Is on active duty

(For postsecondary reporting, youth includes students not younger than 14 and not older than 24)

# State Determined Performance Levels (Targets)

Performance targets (goals) for all 3 postsecondary performance indicators (1P1, 2P1, 3p1) for all four years of Perkins V grant were **set by the state** in accordance with legislative requirements:

- 1. Expressed as percent or number (to be measurable)
- 2. Require continuous improvement in performance for all CTE concentrators
- 3. Subject to public comment process
- 4. In alignment with goals in state plan

#### Minnesota State Methodology

- Based on modeled historical performance on indicators
- Established the SDPLS for the state first and determined a reasonable increase for each grant year
- Established the SDPLS for each consortia by apportioning a share of the state's increase
- Original SDPLs and detailed methodology are available in the 2020 State Plan (starting on page 69 of 77) on the Minnesota State CTE webpage <u>https://minnstate.edu/system/cte/Strengthening-CTE/index.html</u>

# State Determined Performance Levels (Targets)

Revisions to SDPLs can be requested under two provisions:

- 1. Adjustments prior to 3<sup>rd</sup> program year
- 2. Unanticipated Circumstances, such as:
  - Program closed/opened impact concentrators
  - Enrollment change impact concentrator/indicator
  - Policy/practices impact concentrator/indicator
  - Natural disaster impacts programs for significant time
  - Economic changes specific to your local area

#### **Timeline of Minnesota's Requests to Adjust Secondary SDPLs**

2020– Original methodology and SDPLs established and submitted in State Plan
 2021 – State requested adjustments to SDPLs for all 3 Postsecondary indicators for grant years
 2 through 4 under unanticipated circumstances due to COVID-19 pandemic
 2022 – Request for adjustments to postsecondary SDPLs approved

Proposed adjustments to SDPLs and detailed methodology are available in the webinar recording and slides from the Revisions to SDPLs training on March 10, 2022 https://www.minnstate.edu/system/cte/professionaldevelopment/monthly-webinars.html

### **Evaluation of Performance and Improvement Plan Status**

#### How is performance evaluated?

Any performance indicator for which a consortium's actual indicator performance falls below 90% of the SDPL will be put on Improvement Plan Status

#### What does it mean to be on Improvement Plan Status?

It means:

- You are required to develop, submit, and implement an Improvement Plan and submit additional information along with the application (usually due May 2023)
- You are not eligible to request adjustments to SDPLs (question 9 in APR) while implementing an Improvement Plan
- If you remain on Improvement Plan status for an indicator for 3 consecutive years or you
  fail to implement an Improvement Plan while on IP status, you could be subject to
  subsequent action, including withholding of funds

#### How do I know if my consortium is on Improvement Plan Status?

- Data team will annually post consortium summary performance reports including IP status for all indicators here: <u>https://www.minnstate.edu/system/cte/perkins-</u> <u>consortia.html</u>
- Notification of official status along with additional details and direction will also be sent to you by the State Director.

### Data Sources for Postsecondary Accountability Data

| Enrollment Population or       |  |
|--------------------------------|--|
| Indicator                      | Data Source  |
| CTE Participants/CTE           | ISRS (Integrated Statewide Record System)/related data warehouse tables  |
| Concentrators                  | on enrollment, earned credits, majors, program completion, etc.  |
| 1p1/Postsecondary              | ISRS (Integrated Statewide Record System)/related data warehouse tables  |
| <b>Retention and Placement</b> | on program completion, Graduate Follow-up Survey responses, etc.   |
|                                | National Student Clearinghouse data on transfers to other colleges/universities  |
|                                | Minnesota Department of Employment & Economic Development (DEED) data on employment/wage records during the calendar quarter that is the |
|                                | 2 <sup>nd</sup> calendar quarter after program completion  |
| 2p1/Earned Recognized          | ISRS (Integrated Statewide Record System)/related data warehouse tables  |
| Postsecondary Credential       | on enrollment, majors, program completion, etc.  |
| 3p1/Nontraditional             | ISRS (Integrated Statewide Record System)/related data warehouse tables  |
| Program Enrollment             | on enrollment, majors, demographics  |
| Special Populations            | ISRS (Integrated Statewide Record System)/related data warehouse tables  |
|                                | on demographic data, FAFSA or other financial aid data, majors,  |
|                                | enrollment, placement/background questions on Accuplacer, etc.   |

### **Postsecondary Reporting Timeline**

| CTE Enrollment          |          |           |                |       |       |                               |        |        |        |        |

# Postsecondary Perkins V Accountability Data in Power Bl

- Log into Office 365
  - Open the Power BI app (<u>https://app.powerbi.com/home</u>)
  - Find and open the **Perkins V Reporting** app
- For more detailed information on how to log in or find the Power BI or Perkins V reporting app:
  - Attend Power BI webinar training October 20, 2022 at 9am
  - You can also reference the slides and webinar recording from the Power BI training on August 12, 2021
    - <u>https://www.minnstate.edu/system/cte/professionaldevelopme</u> <u>nt/monthly-webinars.html</u>

# Power BI – Getting Access to the Perkins V Reporting app

- To request access to the Perkins V Reporting Power BI app, please send an email to Karl Ohrn (<u>Karl.Ohrn@minnstate.edu</u>) or Katie Vaccari (<u>Katie.Vaccari@minnstate.edu</u>).
- If you are not a Consortium Leader, please indicate the business reason for this access.
- Access was given to consortia leaders and other limited staff, as requested. There is an expectation that consortium leaders will share the data as needed/appropriate.

# **Consortium Indicator Performance Reports on MN State CTE website**

CTE Website https://www.minnstate.edu/system/cte/index.html

### **Consortium Indicator Performance Report**

#### Page 1

#### Perkins V State Performance Report Minnesota January 18, 2022

The following report displays Minnesota's:

- current established performance levels (i.e., targets) for the four Perkins V grant years (Table 1, column SDPL),
- actual performance on the six secondary core indicators and three postsecondary core indicators (Table 1, column Actual Perf %),
- indication that an improvement plan is required based upon performance (Table 1, column IP Req?), and
- · total number of secondary and postsecondary participants and concentrators (Table 2).

Table 1 provides a summary of Minnesota's established goals for future performance on the Perkins V secondary and postsecondary performance indicators, as well as the state's actual performance on those indicators each grant year, including the baseline year.

This report provides an indication of whether Minnesota is required to complete an Improvement Plan (IP) for any of the core indicators. The state and individual consortia are required to submit an improvement plan for any core indicator where actual performance less than 90% of the established performance level for that indicator.

Updates to this document will be made annually, as actual performance data are finalized. Updates will also be made if/when there are adjustments to state determined performance levels.

If you have any questions about these reports, please feel free to contact Karl Ohm <u>karl.ohm@minastate.edu</u> or Michelle Kamenov <u>Michelle Kamenov@state.mn.us</u>. If you have questions about your data, please contact Karl-Ann Ediger (secondary data) <u>Kari-</u> Ann.Ediger@state.mn.us, or Carrie Schneider (postsecondary data) <u>Carrie-Schneider@minnstate.edu</u>.

#### Page 2: Shows if Improvement Plan is Required

Perkins V State Performance Report September 13, 2022

The table below displays the State Determined Performance Level (column SDPL), actual performance percentage (Actual Perf %), and an indication of whether an improvement Plan (Ip) is required (IP Req?) for very accountability indicator each grant year. The year shown following the Grant Year label indicates the reporting year of the data in alignment with the corresponding federal CAR (Consolidated Annual Report) grant year. For secondary indicators, reporting years align with school years (e.g. 2021 reflects school year 2020-21), with the exception of 151 and 531 which both lags yone year (e.g. students who graduated, enrolled in postcendary and/origo inden the workforce in school year 2019-20 are 2019-2011 data). For postsecondary indicator 191 and 391, reporting years reflect the last year of the three-year cohort reported (e.g. reporting year 2012) reports on cohort 2019-2021). For postsecondary indicator 191, the cohort reporting lags by one year (e.g. reporting year 2012) reflects data S-2020).

#### Table 1. State Determined Levels of Performance, Actual Performance Rate, and IP Status by Grant Reporting Year

| Indicator Name   | Baseline | Grant Year 1 (2021) |                  |         | Gran   | Grant Year 2 (2022) |         |        | Grant Year 3 (2023) |         |        | Grant Year 4 (2024) |         |  |
|--|----------|---------------------|------------------|---------|--------|---------------------|---------|--------|---------------------|---------|--------|---------------------|---------|--|
|  | (2020)   | SDPL                | Actual<br>Perf % | IP Req? | SDPL   | Actual<br>Perf %    | IP Req? | SDPL   | Actual<br>Perf %    | IP Req? | SDPL   | Actual<br>Perf %    | IP Req? |  |

DEPARTMENT OF EDUCATION

If actual performance rate on an indicator falls below 90% of the established performance level for the indicator/grant reporting year, an improvement plan (IP) is required. \*NOTE: MCA (Minnesota Comprehensive Assessment) testing was canceled due to the COVID-19 peacetime emergency. Therefore, no academic achievement data (Reading and Mathematics) are available to report for the 2019-30 school year.

#### \*Grant year performance data and SDPLs shown are not real; data are for demonstration purpose only

### **Data Sharing/Data Privacy**

A reminder that a MOU or Data Sharing Agreement should be in place when sharing sensitive/private data:

- Between secondary and postsecondary partners
- With contracted services/third parties
- With advisory committees, stakeholders, business and industry partners, etc.

### **Data Sharing/Data Privacy**

*Some general guidelines* for sharing data without a MOU/data sharing agreement in place:

- Share **summary** level data. Summary data is ok to share. (e.g., "92% of all CTE Concentrators graduated within four years")
- If sharing data that contains cell sizes under 10, those should be suppressed with complementary suppression, if needed.
  - (e.g., AmInd (N=15), Asian (N=25), Black (N=50), Haw/PI (N=2), White (N=1,200), Unk (N=18), Total=1,310. In your report, you could suppress Haw/PI and Unk.)

#### Other options for reporting when the cell sizes are under 10:

- For race/ethnicity, if you have the option of combining categories (i.e., Student of Color/not Student of Color), and it makes sense in terms of what the data show you, do that
- Combine multiple years of data together to increase cell sizes
- Use narrative to describe what the data support rather than providing actual numbers (i.e., "The concentrator population in our Manufacturing career cluster lacks diversity, with the majority being white males.")

### **Updates**

- Postsecondary Adjustments to SDPLs approved and available on your consortium's core indicator performance report on CTE website
- Public-facing Perkins V Accountability reports
- Consortium leader meeting, Monday, September 26 (1:00 – 1:50 pm):
  - Postsecondary data session: will include an overview of state enrollment and performance data; will also provide an opportunity to ask us questions/us to ask you questions.
- Power BI webinar Thursday, October 20 (9:00 am)
