Project Description
The scope of this project includes:

- Creating contemporary and flexible learning environments,
- Renovating approximately 35,000 square feet or more of existing space for laboratory, classroom and office space, and
- Transforming existing 1960’s interior space into a modern, sustainable, and collaborative environment.

Impact for students as a result of this project:

- Increasing the nursing cohort to 120 students over time,
- Creating modernized classrooms, code compliant restrooms, centralized offices, and flexible multi-purpose labs,
- Enhancing internal circulation and wayfinding, and
- Removing $4,902,000 in deferred maintenance.
