Impact for students as a result of this project:
- Strengthening the service to rural and reservation communities,
- Eliminating more than $365,000 in temporary structure (trailer), and
- Enhancing internal circulation and wayfinding, and
- Creating new spaces for experiential learning and ceremonies for students and members of the community.

Project Description

*Maajiigi* is an Ojibwe word that means “starting to grow.” The project will create space to support the Elementary Teacher Education program as it expands into a four year program. The scope of this project includes:
- Renovation approximately 2,000 square feet,
- Fully functioning kitchen and food shelf.
- Remodeling three classrooms including new furniture, technology and storage, and
- Creating an outdoor classroom to conduct some of the Environmental Institute’s classes.
