Job Summary

Telework availability and negotiated at the time of hire.

This position serves as the systemwide manager of retirement plan management and administration for Minnesota State. Serves as a primary fiduciary for Minnesota State’s retirement plans: (1) a 401(a) defined contribution plan known as the Individual Retirement Account Plan (IRAP), a supplemental 401(a) DC plan known as the Supplemental Retirement Plan (SRP), and a 403(b) tax sheltered annuity plan (TSA). The three plans have combined total assets under management totaling more than $3.5 billion and over 21,000 participants. This position will ensure Minnesota State is compliant with all federal and state laws affecting the system’s plans, which includes serving as the system’s representative at the Minnesota Legislative Pension Commission to ensure the system’s interests and/or obligations are triumphantly achieved.
This position is a member of the HR leadership team and partners with the HR Division to execute HR strategy, policy, and procedures. This position is the human resources expert and exists to provide managerial level leadership and direction, consulting, advising, project management and the design and development of training services to system office and campus administrators, managers and supervisors, employee groups in a wide range of retirement plan administrative matters. This position will lead or serve on a myriad of HR management projects, committees and initiatives which may impact all Minnesota State institutions and/or other State agencies or lend expertise to a single institution or State agency on various HR/retirement issues.

Minimum Qualifications

Resume must reflect all minimum qualifications. Please enter your experience in chronological order, including the month and year of employment.

- Six (6) or more years of progressively responsible experience related to the position with at least two (2) years of management level experience.
- Successful supervision and leadership experience.
- Extensive knowledge of principles, practices, and procedures, including IRS regulations for 401(a) defined contribution plans known as the Individual Retirement Account Plan (IRAP), a supplemental 401(a) DC plan known as the Supplemental Retirement Plan (SRP), and a 403(b) tax sheltered annuity plan (TSA), or equivalent retirement plans.
- Experience interpreting and applying human resource-retirement related statutes, rules, regulations, administrative procedures and labor agreements to provide effective consultation to supervisors, managers and executive-level leaders.
- Effectively communicate orally in individual and group settings to explain, clarify, present, and negotiate human resource-retirement subject matter or proposals.
- Ability to manage large, systemwide projects from inception through execution and evaluation, determining project scope and deliverables, creating clear action steps, building project requirements and budgets, managing project constraints, costs and deadlines, and communicating progress and end results.
- Experience designing, developing, and delivering training that engages learners and achieves learning objectives.

Preferred Qualifications

- Bachelor’s or graduate level degree in a related field to this position.
- Professional level work experience in or supporting a higher education environment.
- Certified Retirement Plan Professional (CRPP) certification and/or a certification offered by American Society of Pension Professionals & Actuaries (ASPPA).
- Experience working with executive level management on a routine basis.
- Experience working with local and/or state level legislative bodies.
- Experience directing or implementing change initiatives or efforts for continuous improvement.
• Ability to organize ideas; conceptualize problems; collect, analyze, categorize, and interpret relevant and irrelevant data using a variety of techniques and methodologies for resolving complex human resource issues and providing written documentation using all aspects of the Microsoft Suite.

Additional Requirements
The successful candidate must submit to a background investigation prior to employment.

The background check may consist of the following components:
• SEMA4 Records Check (applies to current and past employees only)
• Criminal History Check
• Employment Reference Check
• Social Security and Address Verification
• Education Verification

In accordance with the Minnesota State Colleges & Universities (Minnesota State) Vehicle Fleet Safety Program, employees driving on college/university business who use a rental or state vehicle shall be required to conform to Minnesota State’s Vehicle use criteria and consent to Motor Vehicle Records check.

Other Information:
