Job Summary:

Telework is available and negotiated at the time of hire.

This position leads the hands-on functional and technical project activities for the Finance Workday implementation of the Adaptive Planning functional area, including testing and roll-out support. The incumbent will be serving as the subject matter expert for the development and review of the project deliverables, design, and policy decisions specific to the Budget functional area. The incumbent will provide leadership to ensure Workday functionality is implemented resulting in the best overall outcome for all colleges and universities in the Minnesota State system.

This position will require you to take a LOA form your current unlimited position for up to 3 years. Current temporary employees will need to resign from your position.

The Endorsement of Support form must be signed by your supervisor and president/cabinet member and attached to your application.

You may find the Endorsement of Support form and the position descriptions at:

<https://mnsu.sharepoint.com/sites/connect/SitePages/topic.aspx?topicID=162&state=resources/>.

Minimum Qualifications:

Resume must reflect all minimum qualifications. Please enter your experience in chronological order, including the month and year of employment.

- Three (3) years of experience performing or directing a college or university's budgeting cycle using Minnesota State enterprise and third-party systems, such as ISRS and the State of Minnesota SWIFT system.
- Extensive knowledge of State of MN regulations and statutes regarding budgeting; and the budget related processes, procedures, and internal controls for Minnesota State Colleges and Universities.
- Experience gathering, analyzing, and documenting business requirements.
- Ability to organize ideas; conceptualize problems; collect, analyze, categorize, and interpret relevant and irrelevant data using a variety of techniques and methodologies for resolving complex issues and providing written documentation.
- Strong interpersonal, written, and oral communication, facilitation, and presentation skills, and the ability to communicate with a diverse set of stakeholders from the business and technical communities.
- Demonstrated competency in Microsoft applications, especially Excel, Word and PowerPoint.
- Demonstrated commitment to work with diverse clients, stakeholders and students, fostering a diverse working and learning environment.

Minnesota State is unable to sponsor applicants for work visas. All applicants must be legally authorized to work in the US.

Preferred Qualifications:

- Experience developing test plans and scripts.
- Demonstrated ability to lead a project team to complete assigned tasks, monitor and evaluate progress.
- Demonstrated collaborative decision-making ability.
- Ability to effectively interact, negotiate and influence staff at various levels of the organization.
- Proven organizational skills sufficient to ensure on-time project deliverables.

Additional Requirements

In accordance with the Minnesota State Colleges & Universities (Minnesota State) Vehicle Fleet Safety Program, employees driving on college/university business who use a rental or

state vehicle shall be required to conform to Minnesota State's Vehicle use criteria and consent to Motor Vehicle Records check.

Other Information:

Employment information for this position can be found in its collective bargaining agreement or its plan document at <http://mn.gov/employee-relations/labor-relations/Labor>.
