Job Summary

Telework availability and negotiated at the time of hire.

Position’s primary ongoing responsibility is for management of a diverse and impactful portfolio of enterprise Academic and Student Affairs technology projects (e.g., ERP student module companion projects and integrations). Position focuses on accomplishing project objectives by consulting, planning, facilitating, executing and evaluating project components to ensure successful project completion and service implementation while keeping project stakeholders and sponsors fully informed.

Minimum Qualifications

Resume must reflect all minimum qualifications. Please enter your experience in chronological order, including the month and year of employment.
• Bachelor’s degree in technology, business, or related field and 3 years of IT experience or an equivalent combination of education and experience.
• Five (5) years of increasingly responsible IT project management experience, including experience successfully managing large complex projects.
• Ability to provide leadership and demonstrate ability to lead multiple project teams.
• Demonstrated commitment to work with diverse clients, stakeholders and students, fostering a diverse working and learning environment.
• Advanced interpersonal skills to establish and maintain effective relationships and partnerships with key stakeholders.
• Advanced IT technical skills.
• Strong written and oral communication, facilitation, and presentation skills.
• Experience at working both independently and in a collaborative team environment.

Preferred Qualifications

• Masters' degree in technology, business, or related field.
• Formal project management certification such as PMBOK, PMP or PMI.
• Demonstrated anti-racist outcomes in project management, specifically removing barriers that impact minoritized communities or achieving culturally relevant results.
• Advanced IT technical skills with ERP integrations and companion projects.
• Self-motivated and demonstrates ability to be goal focused and results driven, including driving project related risks, issues and concerns to closure.
• Experience working in higher education.
• Experience working with open educational resources.

Additional Requirements
The successful candidate must submit to a background investigation prior to employment.

The background check may consist of the following components:
• SEMA4 Records Check (applies to current and past employees only)
• Employment Reference Check
• Social Security and Address Verification
• Education Verification

In accordance with the Minnesota State Colleges & Universities (Minnesota State) Vehicle Fleet Safety Program, employees driving on college/university business who use a rental or state vehicle shall be required to conform to Minnesota State’s Vehicle use criteria and consent to Motor Vehicle Records check.
