**Job Summary**
Telework is available and negotiated at the time of hire.

The associate vice chancellor for student affairs and enrollment management is a member of the academic and student affairs (ASA) leadership team, leading initiatives that support student success, strategic enrollment management, addressing students’ basic needs, and related strategic priorities. The associate vice chancellor for student affairs and enrollment management guides the development and implementation of the Board of Trustees’ policies and system procedures in academic and student affairs; monitors and supports college and university compliance with state and federal laws and statutes, including Title IV participation and data practices regulations; ensures the availability of necessary training; and develops system responses to student-related legislation and represents the system at legislative hearings. The associate vice chancellor also represents Minnesota State on matters within the scope of the role’s responsibility to a wide variety of constituent groups, including system colleges and universities, other public and private colleges and universities, governmental entities, and community organizations. Working in partnerships with the academic affairs unit
and the office of equity and inclusion, the associate vice chancellor provides system-level leadership, direction, and advocacy for student success initiatives. The associate vice chancellor also acts as chief liaison with statewide student associations and responds to student concerns and complaints received in the system office.

**Minimum Qualifications**
Resume must reflect all minimum qualifications. Please enter your experience in chronological order, including the month and year of employment.

- Master’s degree
- At least 5 years of progressive higher education leadership experience, including at least 3 years in an administrator role
- Experience developing and managing budgets
- Demonstrated commitment to and success in advancing equity for all people and improving student success
- Ability to effectively lead and influence change, without direct authority
- Experience in academic consultation and shared governance processes
- Excellent group facilitation, consensus building, and public presentation skills
- Excellent and demonstrated communication skills that include written, oral and, presentation skills
- Proven experience in a supervisory role
- Ability to manage multiple, complex projects simultaneously with challenging time constraints
- Minnesota State is unable to sponsor applicants for work visas. All applicants must be legally authorized to work in the US.

**Preferred Qualifications**

- Doctoral degree
- Campus-based experience as a senior student affairs officer, senior enrollment management officer, or similar leadership role
- Experience in a large, complex system of higher education or a large university
- Experience working in a collective bargaining environment
