The Minnesota State Colleges and Universities is an independent state entity that is governed by a 15 member Board of Trustees. The law creating the system was passed by the Minnesota Legislature in 1991 and went into effect July 1, 1995. The law merged the state’s community colleges, technical colleges and state universities into one system, other than the University of Minnesota campuses. For more information please visit Minnesota State’s website at www.mnscu.edu.

St Cloud State University is a public university founded in 1869 above the Beaver Islands on the Mississippi River in St. Cloud, Minnesota. The university is one of the largest schools in the Minnesota State Colleges and Universities system, which is the largest provider of higher education in Minnesota. SCSU has over 200 academic programs, 60 graduate degrees and education abroad choices on six continents emphasizing hands-on learning through community engagement and close interaction with professors. 1.6 Definitions

Wherever and whenever the following words or their pronouns occur in this proposal, they shall have the meaning given here:

Minn State: State of Minnesota, acting through its Board of Trustees of Minnesota State on behalf of St Cloud State University.

School: St Cloud State University

System Office: The central system office of Minnesota State located at Wells Fargo Place, 30 7th Street East, Suite 350, St. Paul, Minnesota 55101.
Vendor: The firm selected by St Cloud State University as the successful responder(s) responsible to execute the terms of a contract.

1.7 Organizational Conflicts of Interest

The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances that could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, a vendor is unable or potentially unable to render impartial assistance or advice, or the vendor’s objectivity in performing the contract work is or might be otherwise impaired, or the vendor has an unfair competitive advantage. The responder agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be made to the University’s chief financial officer that must include a description of the action which the vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the university may, at its discretion, cancel the contract. In the event the responder was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the contracting officer, the university may terminate the contract for default. The provisions of this clause must be included in all subcontracts for work to be performed similar to the service provided by the prime contractor, and the terms “contract,” “contractor,” and “contracting officer” modified appropriately to preserve Minn State’s rights.

1.8 Duration of Offer

All proposal responses must indicate they are valid for a minimum of one hundred eighty (180) calendar days from the date of the proposal opening unless extended by mutual written agreement between St Cloud State University and the vendor.

Prices and terms of the proposal as stated must be valid for the length of the resulting contract.

1.9 Authorized Signature

The proposal must be completed and signed in the firm’s name or corporate name of the vendor, and must be fully and properly executed and signed in blue or black ink by an authorized representative of the vendor. Proof of authority of the person signing must accompany the response.

1.10 Vendor Notifications Related to RFP Responses

A. Vendors are hereby notified that neither Minn State nor the School shall be responsible for any of the costs incurred by any vendor or potential vendor in their preparation of the proposal documents or for any visits to campus. All such costs are the responsibility of the vendor.

B. By responding to this RFP Vendors agree to indemnify, save and hold Minn State, the School, its agents and employees harmless from any and all claims or causes of action arising from their proposal and performance of any subsequent contract by Vendor or Vendor’s agents or employees. This clause shall not be construed to bar any legal
remedies Vendors may have for the School’s failure to fulfill its obligations pursuant to this agreement.

1.11 Interviews

In some instances, an interview will also be part of the evaluation process.

St Cloud State University reserves the right to name a date at which all responding vendors will be invited to present demonstrations or participate in an interview. St Cloud State University does not agree to reach a decision by any certain date although it is hoped the evaluation and selection will be completed by the date identified in the Selection and Implementation Timeline above.

A proposal may be rejected if it is determined that a vendor’s ability to work with the existing infrastructure will be too limited or difficult to manage.

If deemed necessary by the University, interviews and site visits may also be held as part of the evaluation process.

1.12 Proposal Rejection and Waiver of Informalities

This RFP does not obligate the Minnesota State system, its Board of Trustees or St Cloud State University to award a contract or complete the proposed project and each reserves the right to cancel this RFP if it is considered to be in its best interest. St Cloud State University also reserves the right to waive minor informalities and, notwithstanding anything to the contrary, reserves the right to:

a. reject any and all proposals received in response to this RFP;
b. select a proposal for contract negotiation other than the one with the lowest cost;
c. negotiate any aspect of the proposal with any vendor;
d. terminate negotiations and select the next most responsive vendor for contract negotiations;
e. terminate negotiations and prepare and release a new RFP;
f. terminate negotiations and take such action as deemed appropriate.

A proposal may be rejected if it is determined that a vendor’s ability to work with the existing infrastructure will be too limited or difficult to manage. The vendor selection and contract award shall be made in the best interest of the University. Accordingly, the University shall select the vendor(s) whose proposal(s), and oral presentation(s), if requested, demonstrate in the University’s sole opinion, the clear capability to best fulfill the purposes of this RFP in a cost-effective manner.

This RFP shall not obligate the University to award a contract or complete the proposed project and the University reserves the right to cancel this RFP if it is considered to be in its best interest.

The University does not agree to reach a decision by any certain date although it is hoped the evaluation and selection will be completed by the date identified in Section 1.4 of this RFP.
1.13 Material Ownership and Disposition of Responses

All materials submitted in response to this RFP shall become property of the University and Minnesota State and will become public record after the evaluation process is completed and an award decision made. Disqualification of a responder does not curtail this right. Responses to this RFP will not be open for public review until the University awards, fully executes, and contract becomes active.

If responders submit information in response to this RFP that they believe to be trade secret materials, as defined by the Minnesota Government Data Practices Act, Minn. Stat. 13.37, responders must:

a. Clearly mark all trade secret materials in response at the time the response is submitted.
b. Include a statement in the response justifying the trade secret designation for each item.
c. Defend any action seeking release of the materials believed to be trade secret and indemnify and hold harmless Minnesota State, the University, and its agents and employees, from any judgments or damages awarded against the State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives the University’s award of the contract. In submitting a response to this RFP, the vendor agrees that this indemnification survives as long as the trade secret materials are in the possession of the University.

The University will not consider the prices submitted by the Responder to be proprietary or trade secret materials.

1.14 Cost of Proposal

The University will not be liable for any costs incurred by responders in preparation of a proposal answering this request for proposal.

1.15 Withdrawal of Proposal

Proposals may be withdrawn in writing and submitted by facsimile, mail, e-mail, or hand delivery form the Vendor prior to the deadline for receipt of proposals. No oral withdrawals will be accepted.

In addition, the following coverages should be included:

4. Errors and Omissions (E & O) Insurance. The vendor will be required to maintain insurance protecting it from claims the vendor may become legally obligated to pay resulting from any actual or alleged negligent act, error or omission related to the vendor’s professional services required under this contract. The minimum insurance amounts will be:

$2,000,000.00 per occurrence
$2,000,000.00 annual aggregate

Any deductible will be the sole responsibility of the vendor and may not exceed $50,000 without the written approval of Minn State. If the vendor desires authority from Minn State to have a deductible in a higher amount, the vendor shall so request in writing, specifying the amount of the desired deductible and providing financial documentation by submitting the most current audited financial statements so that Minn State can ascertain the ability of the vendor to cover the deductible from its own resources.

The retroactive or prior acts date of such coverage shall not be after the effective date of this contract and vendor shall maintain such insurance for a period of at least three (3) years, following completion of the work. If such insurance is discontinued, extended reporting period coverage must be obtained by vendor to fulfill this requirement.

Additional Insurance Conditions:

- Vendor’s policy(ies) shall be primary insurance to any other valid and collectible insurance available to Minn State with respect to any claim arising out of vendor’s performance under this contract;
- If vendor receives a cancellation notice from an insurance carrier affording coverage herein, vendor agrees to notify Minn State within five (5) business days with a copy of the cancellation notice, unless vendor’s policy(ies) contain a provision that coverage afforded under the policy(ies) will not be cancelled without at least thirty (30) days advance written notice to Minn State;
- Vendor is responsible for payment of contract related insurance premiums and deductibles;
- If vendor is self-insured, a Certificate of Self-Insurance must be attached;
- Vendor’s policy(ies) shall include legal defense fees in addition to its liability policy limits, with the exception of B.4 above;
• Vendor shall obtain insurance policy(ies) from insurance company(ies) having an “AM BEST” rating of A- (minus); Financial Size Category (FSC) VII or better, and authorized to do business in the State of Minnesota; and
• An Umbrella or Excess Liability insurance policy may be used to supplement the vendor’s policy limits to satisfy the full policy limits required by the contract.

C. St Cloud State University reserves the right to immediately terminate the contract if the vendor is not in compliance with the insurance requirements and retains all rights to pursue any legal remedies against the vendor. All insurance policies must be available for inspection by St Cloud State University and copies of policies must be submitted to St Cloud State University’s authorized representative upon written request.

3.16 State Audit

The books, records, documents and accounting practices and procedures of the vendor relevant to the contract(s) must be available for audit purposes to Minn State and the Legislative Auditor’s Office for six (6) years after the termination/expiration of the contract.

3.17 Minnesota Government Data Practices Act

The requirements of Minnesota Statutes § 13.05, subd. 11 apply to the contract. The vendor must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minn State, its schools and the System Office in accordance with the contract and as it applies to all data created, gathered, generated or acquired in accordance with the contract. All materials submitted in response to this RFP will become property of the State of Minnesota and will become public record after the evaluation process is completed. Pursuant to the statute, completion of the evaluation process occurs when Minn State has completed negotiating the contract with the selected vendor. If the vendor submits information in response to this RFP that it believes to be trade secret materials as defined by the Minnesota Government Data Practices Act, the vendor must:

• mark clearly all trade secret materials in its response at the time the response is submitted;
• include a statement with its response justifying the trade secret designation for each item;
• defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the State of Minnesota, Minn State, its agents and employees, from any judgments or damages awarded against the State or Minn State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives Minn State’s award of a contract. In submitting a response to this RFP, the responder agrees this indemnification survives as long as the trade secret materials are in possession of Minn State.

Minn State will not consider the prices submitted by the Responder to be proprietary or trade secret materials.

3.18 Physical and Data Security

The vendor is required to recognize that on the performance of the contract the vendor will become a holder of and have access to private data on individuals and nonpublic data as defined
in the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13; and other applicable laws.

In performance of the contract, the vendor agrees it will comply with all applicable state, federal and local laws and regulations, including but not limited to the laws under Minnesota Statute Chapters 13 relating to confidentiality of information received as a result of the contract. The vendor agrees that it, its officers, employees and agents will be bound by the above confidentiality laws and that it will establish procedures for safeguarding the information.

The vendor agrees to notify its officers, employees and agents of the requirements of confidentiality and of the possible penalties imposed by violation of these laws. The vendor agrees that neither it, nor its officers, employees or agents will disclose or make public any information received by the vendor on behalf of Minn State and St Cloud State University.

The vendor shall recognize Minn State’s sole and exclusive right to control the use of this information. The vendor further agrees it shall make no use of any of the described information, for either internal or external purposes, other than that which is directly related to the performance of the contract.

The vendor agrees to indemnify and hold harmless the State of Minnesota, Minn State and St Cloud State University from any and all liabilities and claims resulting from the unauthorized disclosure by the vendor, its officers, employees or agents of any information required to be held confidential under the provisions of the contract. The vendor must return all source data to the “Authorized Representative” to be identified in the contract.

3.19 Reimbursements

Reimbursement for travel and subsistence expenses actually and necessarily incurred by the contractor as a result of the contract will be in no greater amount than provided in the current “Commissioner’s Plan” promulgated by the commissioner of Employee Relations. Reimbursements will not be made for travel and subsistence expenses incurred outside Minnesota unless it has received the State’s prior written approval for out of state travel. Minnesota will be considered the home state for determining whether travel is out of state.

3.20 Liability

The vendor agrees to indemnify and save and hold the University, its agents and employees, harmless from any and all claims or causes of action arising from performance of any resulting contract by Vendor or Vendor’s agents or employees. This clause shall not be construed to bar any legal remedies Vendor may have for the University’s failure to fulfill its obligations pursuant to contract.

3.21 Americans with Disabilities Act Compliance (hereinafter “ADA”)

The vendor is responsible for complying with the Americans with Disabilities Act, 42 U.S.C. 12101, et. Seq. and regulations promulgated pursuant to it. The School is NOT responsible for issues or challenges related to compliance with the ADA beyond its own routine use of facilities, services, or other areas covered by the ADA.
3.22 Non-Discrimination

In connection with the performance of work under contract for the University, vendor agrees not to discriminate against any Minnesota State employee or student because of race, color, religion, national origin, sex, marital status, status with regard to public assistance disability, or age.

3.25 Indemnification

The Contractor shall indemnify, defend or hold the University harmless:

1.) from and against any claim or demand by third persons for loss, liability or damage, including claims for property damage, personal injury or wrongful death, arising out of any accident thereto occasioned by any act or nuisance made or suffered on the Premises, or by any fire or other destructive force on the Premises or growing out of or caused by any failure on the part of the Contractor to maintain the Premises in a safe condition and shall reimburse the University for all costs and expenses in connection with the defense of such claims; and

2.) from and against all actions, suits, damages, and claims by whomsoever brought or made by reason of the nonobservance or non-performance of any of the terms, covenants and conditions in the Contract or the rules, regulations, ordinances and laws of the United States or the State of Minnesota.

a. Covered Contracts and Contractors. If the contract exceeds One Hundred Thousand and 00/100 Dollars ($100,000.00) and the CONTRACTOR employed more than forty (40) full-time employees on a single working day during the previous twelve (12) months in Minnesota or in the state where it has its principle place of business, then the CONTRACTOR must comply with the requirements of
Minnesota Statutes §363A.36 and Minnesota R. Parts 5000.3400-5000.3600. A CONTRACTOR covered by Minnesota Statutes §363A.36 because it employed more than forty (40) full-time employees in another state and the CONTRACTOR does not have a Certificate of Compliance, said CONTRACTOR must certify that it is in compliance with federal affirmative action requirements.

b. Minnesota Statutes §363A.36. Minnesota Statutes §363A.36 requires CONTRACTOR to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the Minnesota Commissioner of Human Rights (hereinafter COMMISSIONER) as indicated by a certificate of compliance. The law addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.

c. Minnesota R. 5000.3400-5000.3600.

   i. General. Minnesota R. 5000.3400-5000.3600 implement Minnesota Statutes §363A.36. These rules include, but are not limited to: criteria for contents, approval, and implementation of affirmative action plans; procedures for issuing certificates of compliance and criteria for determining a contractor’s compliance status; procedures for addressing deficiencies, sanctions, and notice and hearing; annual compliance reports; procedures for compliance review; and contract consequences for non-compliance. The specific criteria for approval or rejection of an affirmative action plan are contained in various provisions of Minnesota R. 5000.3400-5000.3600, including, but not limited to, parts 5000.3420-5000.3500 and 5000.3552-5000.3559.

   ii. Disabled Workers. The CONTRACTOR must comply with the following affirmative action requirements for disabled workers.

   A. The CONTRACTOR must not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The CONTRACTOR agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled persons without discrimination based upon their physical or mental disability in all employment practices such as the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

   B. The CONTRACTOR agrees to comply with the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

   C. In the event of the CONTRACTOR’S noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with Minnesota Statutes §363A.36, and the rules and relevant orders of the Minnesota Department of Human Rights issued pursuant to the Minnesota Human Rights Act.

   D. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner of the Minnesota Department of Human Rights. Such notices must state the CONTRACTOR’S obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.
E. The CONTRACTOR must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the CONTRACTOR is bound by the terms of Minnesota Statutes §363A.36 of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

iii. Consequences. The consequences for the CONTRACTOR’S failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the COMMISSIONER, refusal by the COMMISSIONER to approve subsequent plans, and termination of all or part of this contract by the COMMISSIONER or Minnesota State.

iv. Certification. The CONTRACTOR hereby certifies it is in compliance with the requirements of Minnesota Statutes §363A.36 and Minnesota R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.

20. EQUAL PAY CERTIFICATION REQUIREMENTS FOR CONTRACTS IN EXCESS OF $500,000.00 AND THE CONTRACTOR HAS MORE THAN 40 FULL-TIME EMPLOYEES IN MINNESOTA OR ITS PRIMARY PLACE OF BUSINESS. [DELETE THIS CLAUSE IF THE TOTAL CONTRACT VALUE IS UNDER $500,000.00 AND RENUMBER REMAINING CLAUSE IF APPLICABLE.]

Minnesota State intends to carry out its responsibility for requiring equal pay by its CONTRACTORS.

a. Covered Contracts and Contractors. If the amount of this contract is in excess of $500,000.00 and the CONTRACTOR has 40 or more full-time employees in Minnesota or a state where the business has its primary place of business on a single day during the prior 12 months, the CONTRACTOR must comply with the requirements of Minnesota Statutes §363A.44 prior to contract execution. CONTRACTOR must obtain an Equal Pay Certificate from the Minnesota Department of Human Rights (MDHR) or claim an exemption prior to CONTRACT execution. CONTRACTOR is exempt if it has not employed more than 40 full-time employees on any single working day in one state during the previous 12 months. A certificate is valid for four years.

i. Consequences. The consequences for the CONTRACTOR’S failure to secure and comply with Minnesota Statutes §363A.44 or make a good faith effort to do so, include but are but are not limited to, suspension or revocation of a certificate of Compliance by the COMMISSIONER, and termination of all or part of this contract by the COMMISSIONER or Minnesota State.

EXHIBIT F – STATE OF MINNESOTA – AFFIRMATIVE ACTION CERTIFICATION

NOTICE TO CONTRACTORS

AFFIRMATIVE ACTION
CERTIFICATION OF COMPLIANCE

It is hereby agreed between the parties that MnSCU will require that affirmative action requirements be met by contractors in relation to Minnesota Statutes §363A.36 and Minnesota Rules, 5000.3400 to 5000.3600. Failure by a contractor to implement an affirmative action plan or make a good faith effort shall result in revocation of its certificate or revocation of the contract (Minnesota Statutes §363A.36, subdivisions 3 and 4).

Under the Minnesota Human Rights Act, §363A.36, businesses or firms entering into a contract over $100,000 which have more than forty (40) full-time employees within the state of Minnesota on a single working day during the previous twelve (12) months, or businesses or firms employing more than forty (40) full-time employees on a single working day during the previous twelve (12) months in a state in which its primary place of business is domiciled and that primary place of business is outside of the State of Minnesota but within the United States, must have submitted an affirmative action plan that was received by the Commissioner of Human Rights for approval prior to the date and time the responses are due. A contract over $100,000 will not be executed unless the firm or business having more than forty (40) full-time employees, either within or outside the State of Minnesota, has received a certificate of compliance signifying it has an affirmative action plan approved by the Commissioner of Human Rights. The Certificate is valid for four (4) years. For additional information, contact the Department of Human Rights, Freeman Building, 625 Robert Street North, Saint Paul, MN 55155.

Effective July 1, 2003. The Minnesota Department of Human Rights is authorized to charge a $150.00 fee for each Certificate of Compliance issued. A business or firm must submit its affirmative action plan along with a cashier's check or money order in the amount of $150.00 to the Minnesota Department of Human Rights or you may contact the Department for additional information at the Compliance Services Unit, Griggs Midway Building, 540 Fairview Ave N, Suite 201, Saint Paul, MN 55104.
If your response to this solicitation is or could be in excess of $100,000, complete the information requested below to determine whether you are subject to the Minnesota Human Rights Act (Minnesota Statutes 363A.36) certification requirement, and to provide documentation of compliance if necessary. It is your sole responsibility to provide this information and—if required—to apply for Human Rights certification prior to the due date of the bid or proposal and to obtain Human Rights certification prior to the execution of the contract. The State of Minnesota is under no obligation to delay proceeding with a contract until a company receives Human Rights certification.

Your response will be rejected unless your business:

- or—

Check one of the following statements if you have employed more than 40 full-time employees in Minnesota on any single working day during the previous 12 months:

**BOX B – For those companies not described in BOX A**
