**Authority**

This RFP is undertaken by Century College (hereinafter “Minnesota State”) pursuant to the authority contained in provisions of Minnesota Statutes § 136F.581 and other applicable laws. Minnesota State will select the Vendor(s) whose proposal(s), and oral presentation(s) if requested, demonstrate in its sole opinion, the clear capability to best fulfill the purposes of this RFP in a cost-effective manner. Minnesota State reserves the right to accept or reject proposals, in whole or in part, and to negotiate separately as necessary to serve the best interests of Minnesota State. This RFP does not obligate Minnesota State to award a contract or complete the proposed project and it reserves the right to cancel this RFP if it is considered to be in its best interest.

**Project Overview**

Minnesota State is requesting proposals from competent and experienced video production vendors for the purpose of creating a comprehensive series of forty (40) college program videos.

The prospective vendor will be expected to cover all aspects of video production, including, but not limited to, pre-production planning, onsite shooting, post-production editing, audio, lighting, voiceover, and graphics/animation. The entire project will necessitate multi-day on-site shooting, which could include evenings and weekends; thus vendors must have a means to accommodate this requirement without the need for additional travel expenses.

The project demands shooting all content in 4K resolution to ensure a high-quality output, suitable for diverse platforms and audiences. An essential requirement is the ability of the vendor to execute both vertical and horizontal shooting for each video to ensure maximum adaptability of the content across various platforms.

It is crucial that the chosen vendor holds a proven track record in delivering successful video projects within the higher education sector, demonstrating their ability to communicate complex academic concepts in a clear and engaging manner.

The college further requires the vendor to produce each program video in multiple time lengths to cater to differing content needs (:45 -1:00, :15, :06). The vendor will also be responsible for providing all raw footage and graphics working files to Century College upon the completion of the project. This is to ensure the College has full ownership and flexibility in the future use and modification of the content.
In summary, the college is seeking a professional, innovative, and experienced video production partner to deliver this project to the highest standard, meeting all the aforementioned requirements.

The ultimate objective of this project is to create engaging and informative program videos that will help prospective and current students better understand our offerings, thus playing a key role in their decision-making process.

The goal is to ensure that diverse suppliers that satisfy our procurement and contractual standards have opportunities to provide goods and services system-wide. Suppliers are encouraged to complete and submit the Supplier Diversity Form with their RFP, which will be used to confirm eligibility based on their status and/or commitment to meeting the stated diversity goal for the specific project.
Preference to Small TG/ED/VO Businesses and Individuals

The points are applied to the final cost of the evaluation of the project. Eligible, verified, small businesses currently listed in the Directory of Certified TG/ED/VO are eligible for the preference.
