**Section I. General Information**

**Background**

Minnesota State Colleges and Universities (Minnesota State) is the third-largest system of higher education in the United States. It is comprised of 37 state colleges and universities with 54 campuses located in 47 Minnesota communities. The System serves approximately 350,000 students each year. The Minnesota State Colleges and Universities is an independent state entity that is governed by a 15-member Board of Trustees. The law creating the system was passed by the Minnesota Legislature in 1991 and went into effect July 1, 1995. The law merged the state’s community colleges, technical colleges and state universities into one system, other than the University of Minnesota campuses. For more information about Minnesota State, please view its website at https://www.minnstate.edu/.

Fond du Lac Tribal & Community College is a unique institution, created by the Minnesota Legislature in 1987 and chartered as a tribal college by the Fond du Lac Band that same year. Its commitment to meeting the educational needs of a diverse population is reflected in its mission statement.

Prior to the 1987 opening, the Fond du Lac Band invited Mesabi Community College to hold college classes in the Ojibwe School on the Fond du Lac Reservation in 1985. In 1986, the Minnesota Legislature funded a feasibility study for a community college to serve the Fond du Lac Reservation, Cloquet and area communities.
