REQUEST FOR PROPOSAL (RFP)
FOR
MECHANICAL ENGINEERING SERVICES

Chilled Water System Replacement
April 8, 2021

SPECIAL NOTE: This Request for Proposal (RFP) does not obligate the Minnesota State Colleges and Universities system, hereinafter referred to as “Minnesota State”, its Board of Trustees, or Minnesota State University Moorhead to award a contract or complete the proposed project and each reserves the right to cancel this RFP if it is considered to be in its best interest. Responding vendors must include the required information called for in this RFP. Minnesota State reserves the right to reject a proposal if required information is not provided or is not organized as directed.

SECTION I. GENERAL INFORMATION

Background

With 30 community and technical colleges and seven state universities, Minnesota State is the largest provider of higher education in the state of Minnesota. Minnesota State’s 54 campuses, conveniently located in 47 Minnesota communities, serving 350,000+ students. Fifty-eight percent of the state’s undergraduate students attend a Minnesota State college or university. It is the third-largest system of higher education in the country. For more information about Minnesota State Colleges and Universities, please view its website at https://www.minnstate.edu/.

Minnesota State University Moorhead is a member of the Minnesota State system and primarily serves the Northwest region of the state. As a 4-year University located in Moorhead, Minnesota, the institution offers approximately 5,500 students annually a wide range of education opportunities to enhance personal growth and community vitality.

The Roland Dille Center for the Arts is a 130,000 sf facility originally constructed in 1966 and is home to MSUM’s Schools of Art, Entertainment Industries & Technology, Media Arts & Design and Performing Arts.

Purpose of this Request for Proposal

The Minnesota State Board of Trustees, on behalf of Minnesota State University Moorhead, hereafter referred to as the “Owner”, is soliciting proposals from interested, qualified consultants, and intends to retain a professional consulting firm to provide Architectural/Engineering services, hereafter referred to as the “A/E”, to assist with the design and/or construction coordination of the described facilities improvement(s), hereafter referred to as the “Project”. This RFP is undertaken by Minnesota State University Moorhead pursuant to the authority contained in provisions of Minnesota Statutes § 136F.581 and other applicable laws.

The purpose of this Request for Proposal (RFP) is to evaluate and select an A/E to assist the Owner in the performance of its obligations and enforcement of its rights during the design and/or construction of the Chilled Water Replacement project in the Roland Dille Center for the Arts located at Minnesota State University Moorhead in Moorhead, Minnesota.

The A/E shall work with the Owner’s appointed Project Manager, the Owner’s System Office Program Manager, related consultants and the construction contractor(s) to administer the design and/or construction contract(s) on behalf of the Owner to assure that the Project is designed and constructed in accordance with the Minnesota State Design Standards and the Contract Documents and that the Project is completed on schedule, on budget and to a level of quality commensurate with the Owner’s requirements.
Definitions

Wherever and whenever the following words or their pronouns occur in this RFP, they shall have the meaning given here:

**A/E**: Architect or Engineer licensed in the State of Minnesota.

**Minnesota State**: State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities on behalf of Minnesota State University Moorhead.

**Minnesota State system office**: The central system office of Minnesota State Colleges and Universities located at Wells Fargo Place, 30 7th Street East, Suite 350, St. Paul, Minnesota.

**Owner**: The State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities, on behalf of Minnesota State University Moorhead.

**Responder/Respondent**: A firm who may reply to this RFP.

**Vendor**: The firm selected by Minnesota State as the successful Responder responsible to execute the terms of a contract.

Project Information

Project Scope and Team

The scope of the project is to replace an existing water-cooled chiller system at MSUM’s Center for the Arts with a new air-cooled chiller system. This work would include the complete demolition of the existing cooling tower and condenser water piping system, as well as the existing chiller, and replacing it with a new air-cooled chiller. The predesign identified the need of a new 300-ton chiller, but this is to be verified by design team using Future Weather Files instead of historical weather files. Minnesota B3 requires the Intergovernmental Panel on Climate Change, Fifth Assessment Report, 2014 prediction, RCP 8.5, 50th percentile out to 2040, which should be used for this project.

The new chiller would be located on the roof of the building in the location from which the existing cooler tower is removed. A structural review will need to be completed to verify this, and reinforcement designed as needed.

New pipe and insulation would be installed from the new chiller location down to the basement mechanical room from which the existing chiller was removed. Within the mechanical room, a set of redundant chilled water system pumps would be installed along with a new air separator, expansion tank, manual valves and instrumentation. The controls for the new chiller and pumps would be connected into the existing building automation system for monitoring and control.

All penetrations need to be patched or fire sealed at fire walls/fire barriers and locations of removed equipment and piping need to have their finishes patched to match adjacent conditions. Any roof penetrations need to be patched in conformance with Minnesota State Facilities Design Standards.

The Owner intends to use the **Design/Bid/Build** delivery method for this project.
**Project Budget and Fees**

The estimated cost of construction is $500,000.

The design fee for all Basic and Supplemental Services is estimated to be between 8% - 9%. Final total fees will be negotiated with the selected Design Team.

The estimated total Project cost is $593,000. This cost includes: all professional consultants, Architect/Engineer fees, site investigations and surveys, hazardous materials removals design, construction cost, project management and fees, construction inspection and testing, contingencies and inflation factors. This project is funded by Higher Education Asset Preservation and Replacement (HEAPR) funds.

Final contract amount will be negotiated with the selected Consultant. The rates provided by the Consultant in response to this RFP may be used by the Owner to add or deduct services to modify the contract as necessary.

**Proposed Project Milestone Schedule**

The anticipated overall project schedule is:

<table>
<thead>
<tr>
<th>Milestone</th>
<th>Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Schematic Design completion</td>
<td>June 30, 2021</td>
</tr>
<tr>
<td>Design Development completion</td>

</tr>
<tr>
<td>Construction Document completion</td>
<td>August 27, 2021</td>
</tr>
<tr>
<td>Issue Bid Documents</td>
<td>September 3, 2021</td>
</tr>
<tr>
<td>Construction commencement</td>
<td>October 11, 2021</td>
</tr>
<tr>
<td>Substantial Completion</td>
<td>June 1, 2022</td>
</tr>
<tr>
<td>Final Completion</td>
<td>July 1, 2022</td>
</tr>
</tbody>
</table>

**Project PreDesign Information**

The following documents are available for review at:

http://www.minnstate.edu/vendors/index.html under Facilities Opportunities.

- Pre-design report prepared by Obermiller-Nelson Engineering completed in 2018
Selection Process

The selection committee includes the following people: Brenda Norris, Executive Director of Facilities Management, David Leonard, Physical Plant Director, and Randy Lugert, Electronics Technician Sr., at Minnesota State University Moorhead and Terry Olsen, System Office Program Manager. This group will evaluate the proposals and make the final decision.

</tbody>
</table>

An interview would occur Wednesday, May 19, 2021, if requested by the campus.

If the Owner and the vendor are unable to negotiate and sign a contract by July 1, 2021, the Owner reserves the right to seek an alternative vendor.

Mandatory Informational Project Meeting

Minnesota State will hold a MANDATORY informational meeting on Thursday, April 29th, 2021, at 10:00 am, at Roland Dille Center for the Arts, Room 165.

Questions Regarding This Project

Minnesota State University Moorhead’s agent for purposes of responding to inquiries about the RFP is:

- Name: Brenda Norris
- Title: Executive Director of Facilities Management
- E-mail address: Brenda.norris@mnstate.edu

Other persons are not authorized to discuss RFP requirements before the proposal submission deadline and Minnesota State University Moorhead shall not be bound by and responders may not rely on information regarding RFP requirements obtained from non-authorized persons. Questions must include the name of the questioner and his/her telephone number and/or e-mail address. Anonymous inquiries will not be answered. If appropriate, a change responding to questions or clarifications may be issued by Minnesota State University Moorhead in the form of addenda to the RFP. All addenda will be posted at http://www.minnstate.edu/vendors/index.html.

Contract

The successful Respondent will be required to meet all the terms and conditions and execute the most current Minnesota State AIA Document B101 – 2017, Standard form of Agreement between Owner and Architect as amended by Minnesota State Colleges and Universities, and its accompanying Project

Questions or concerns about the contract should be raised during the RFP stage when all Respondents can see the clarification.

**Parties to the Contract**
Parties to this contract will be the State of Minnesota, acting through its Board of Trustees of the Minnesota State Colleges and Universities on behalf of Minnesota State University Moorhead and the successful vendor.

**Duration of Offer**
All proposal responses must indicate they are valid for a minimum of thirty (30) calendar days from the date of the proposal opening unless extended by mutual written agreement between Minnesota State University Moorhead and the CONSULTANT. Prices and terms of the proposal as stated must be valid for the length of the resulting Purchase Order.
SECTION II. VENDOR REQUIREMENTS

Required Consultant Team

- Mechanical Engineer licensed in Minnesota – including integration of campus energy management system and controls
- Architect licensed in Minnesota for Architectural Services, as needed
- Structural Engineer, licensed in Minnesota
- Electrical Engineer, licensed in Minnesota
- Cost Estimating
- Energy Modeler

Services Provided by Others

The Owner may contract directly for, or arrange to provide:

- Commissioning Agent
- Hazardous materials survey, design and abatement, as needed

Scope of Services

The selected design team shall review the AIA B101-2017 contract for a full description of responsibilities required of the A/E firm.

Basic Services

Some highlights are as follows:

A. General:
   - Examine the project’s design documents and balance the program needs for this project with the budget.
   - Assist the campus in evaluating construction-phasing options that minimize the disruption of the academic schedule. Clearly communicate design and cost ramifications of the schedule’s impact to allow the campus a complete understanding of the design and schedule decisions.
   - Investigate life cycle costs during the design process. Life cycle cost considerations include but are not limited to: energy efficiency; sustainability, climate change impacts of a warmer, wetter Minnesota; and the maintainability of design, materials, and equipment.
   - Meet schedule deadlines, provide accurate cost estimating accommodating market conditions, and design buildings for ease of constructability. Quality control and complete, accurate and fully coordinated Contract Documents are an important element of the selected Design Team's services.
   - All drawings and specifications shall conform to Minnesota State Colleges and Universities Facilities Design Standards and adhere to all applicable building, life safety, and energy codes.
   - The successful vendor shall utilize the Owner's web-based enterprise project management system (EPMS), called e-Builder. This software includes real time Internet
visibility of the Project status, coordination, reporting, and a central location for all Project
information. The functionality of this software may include, but is not limited to the
processing of: Plan Reviews, contracts, Purchase Orders, Change Orders, Invoices,
Applications for Payment, and Requests for Information, Submittals and document
management related to the Project. Minnesota State will provide and manage a log-in
license for the vendor’s designated Project representative(s) at no cost to the vendor.
Minnesota State will provide initial software training to the vendor’s designated Project
representative(s) at no cost to the vendor. Except for licenses and initial training,
Minnesota State assumes no responsibility for any real or potential costs associated with
the use of this software by the vendor.

B. Design: Develop and refine the design to meet Owner’s stated goals and budgeted cost of the
work. The selected design team will have all documents and files from the pre-design for their
use.
- Develop design deliverables by phase as described in the Facilities Design Standards located
  at: [http://www.minnstate.edu/system/finance/facilities/design-construction/resources.html](http://www.minnstate.edu/system/finance/facilities/design-construction/resources.html).
- Participate in Design Technical review at the system office (if required) after Schematic
  Design and prior to proceeding with Design Development.

C. Construction Documents: Prepare drawings and specifications per the Minnesota State Facilities
Design Standards, the Minnesota State Reroofing Design Standards Manual, and the Minnesota
State Exterior Masonry Design Standards Manual as minimums, all as applicable.
- Include Division 0 documents from the Minnesota State Facilities Web site, prevailing wage
  rates for the county where the work is to be performed from the Department of Labor and
  Industry web site, and specification sections using CSI format sections as applicable to the
  specific Project.
- Provide technical specifications for each division and section that applies to the project.
  Include a separate title page with signature block for approval, table of contents, drawing
  schedule, and division 0 documents.
- All drawings and specifications necessary to convey the exact scope of the work and the full
  intent of the design.

D. Bid & Award: Coordinate bid dates and times with the campus personnel where the project is
located. The campus will advertise the project following Minnesota State’s On-Line Bidding
procedures via QuestCDN.
- Prepare project documents, upload to e-Builder. Review document [DIV00.0001 Instructions
  for Division 00 Documents Advertised Bids](http://www.minnstate.edu/system/finance/facilities/design-construction/resources.html)
  on the Minnesota State eManual for detailed instructions on the format needed for bidding.
- Attend Pre-bid meeting and provide meeting notes.
- Prepare addenda for the Owner to post as applicable.
- Provide award recommendations to the Owner.
- Provide a conformed set of documents to the Owner prior to the pre-construction meeting.

E. Construction Administration: Pre-construction, Construction (progress), and Pre-Installation
Meetings.
- Attend and document progress meetings. Verify all required permits are obtained by the
  Contractor. Review and approve submittals, review and approve Contractor’s Applications
for Payment, initiate construction change directives and change orders, coordinate with campus personnel and campus schedules

- Verify construction conformance with the Contract Documents.
- Coordinate sub-consultant inspections and testing, if applicable.

F. **Project Closeout**: Conduct inspection(s) for Substantial Completion(s), provide Certificate(s) of Substantial Completion, and written punch list(s). Coordinate and document receipt of warranties, operation and maintenance manuals. Provide record documents as required by the contract. Coordinate Project Final Closeout(s) including verify completion of punch list(s) and final Application for Payment submittal and e-Builder-related processes.

**Supplemental Services**

Supplemental services are not included in Basic Services but may be necessary to support the project. The Architect shall provide Supplemental services listed below:

None identified.

**SECTION III. RESPONSE CONTENTS AND EVALUATION**

**Scoring Criteria**

Criteria described below, based upon the point scale, will be used to evaluate Respondents’ proposal. The evaluation may include requests for additional information, and will focus on the specifics of the Respondent’s response to the RFP and approach. The response to the RFP will be evaluated by the following criteria:

**Pass /Fail requirements**

Responder’s proposal must be submitted on time.

Attendance at mandatory information meeting.

**Company profile – 5 points**

The Respondent will submit a company profile. Factors favorable to a Respondent will be stability of the Respondent’s business and greater length of experience that would contribute to the Respondent’s performance on this project. Describe problem-solving successes on a) service and support generally, b) service and support as reflected by quality control, and c) service and support as reflected by use of information technology. Factors favorable to a Respondent are:

- Ability to demonstrate a service and support approach that serves the interests of the Owner on this project.
- A detailed and wide-ranging quality assurance plan for all elements of work the Respondent would perform on this project.
- Sophisticated and state-of-the art information technology in its performance of its project duties.
Project team – 20 points
The Respondent will list the members of its team that will be assigned to the project, their planned responsibilities on this project, and the anticipated percentage of the time of each to be used during specified portions of the project period. The Respondent will attach brief summary resumes of all team members, stating the years of each with the company, as well as qualifications and special expertise, including specific experience with projects similar to the one that is the subject of this RFP. Highlight individual experience if performed under a previous firm. Factors favorable to a Respondent are the assignment of experienced and highly qualified team members with substantial expertise on similar projects.

Provide a brief statement of the Team’s past or present working relationships. Explain how each separate design sub-consultant will be utilized (e.g. major role during portions of the design, not participating during construction, etc.). Matrix or chart is suggested. For each Team personnel member, provide:
- Name and position in firm, include name of firm.
- Home base (if in a multi-office firm).
- Responsibility on this project.
- Years of experience.
- Relevant recent experience (note if experience is with another firm).
- Registration – List Minnesota Registration numbers for all licensed professionals.

Relevant team experience - 20 points
The Respondent will provide a brief summary of experience with projects of similar nature and scope to the project, specifically stating project description, scale and complexity, and geographic location of each. The summary should include the following:
A. Projects at Minnesota State, 2014 to present.
B. The members of your proposed team for the present project that worked on the previous project and in what capacity.
C. Non-Minnesota State projects completed 2014 to present. The Respondent shall provide as to these projects the name of the Owner and the name of an Owner’s contact person with phone number and email address.

The Owner reserves the right to independently confirm the information provided. The Owner reserves the right to refer to its own references at any time during the RFP process.

Project approach - 30 points
Cooling is a critical need, and market conditions are changing for materials and labor. The Respondent should describe its understanding of the project and its approach and methodology. Describe the anticipated difficulties or challenges in providing services to the Owner on this project, how it expects to manage those difficulties or challenges to keep the project within budget and schedule, and what assistance it requires from the Owner for such management. Additionally, the Respondent should describe any special services, product characteristics, or generally other benefit or advantage to the Owner in selecting the Respondent for the project.

Fee - 20 points
Provide a lump sum fee for all basic and supplemental services. Also, list for each of the phases of the project work, the team members by name providing services, their estimated hours and hourly rate. Reimbursement for travel and subsistence expenses actually and necessarily incurred by the Respondent in performance of this contract shall be included within the Respondent’s lump sum fee.
Only plan review fees and prints beyond those identified in the B101-2017 as modified by Minnesota State and the B101 Project Attachment will be reimbursed in addition to the lump sum fee. The rates listed on the RFP may be used by the Owner to add or deduct services to modify the RFP response or subsequent contract on a per hour or per service basis.

The evaluation for cost of services (excluding reimbursables) will award points according to the lowest fee proposal. The lowest fee proposal will receive the maximum points. Points will be awarded to each of the other proposals by dividing the lowest proposal by each of the other proposal costs. The answer will always be less than 1. Take the answer of the division and multiply by the maximum points. The answer will be the number of points (rounded to the nearest whole number) assigned to the total cost for this Respondent.

**Unique Qualifications – 5 points**
Describe any unique services or qualifications that may benefit the Owner in the execution of the proposed project.

**Preferences – 6 points (extra)**
In accordance with M.S. 16C.16, the basis of award is that eligible certified targeted group (T.G.), economically disadvantaged (E.D.), and Veteran Owned small businesses will receive a six percent (6%) preference. Preferences are not cumulative; the total percentage of preference granted on a contract may not exceed the highest percentage of preference allowed for that contract.

Eligible, verified, small businesses currently listed in the Directory of Certified Targeted Group, Economically Disadvantaged and Veteran-Owned Vendors will be eligible for the preference. This directory is located at [http://www.mmd.admin.state.mn.us/mn02001.htm](http://www.mmd.admin.state.mn.us/mn02001.htm). Attach a copy of your firm’s letter indicating certification by the Office of Equity in Procurement, if applicable.

Responders interested in becoming a certified vendor or to verify their T.G. eligibility and certification or E.D. certification, should refer to the state of Minnesota, Department of Administration, Office of Equity in Procurement Division website at [https://mn.gov/admin/business/vendor-info/oep/sbcp/](https://mn.gov/admin/business/vendor-info/oep/sbcp/), or call the division’s help line at (651) 296-2402.
SECTION IV. ADDITIONAL RFP RESPONSE & CONTRACT

Requirements

Rights Reserved
Notwithstanding anything to the contrary, the Minnesota State Colleges and Universities, or Minnesota State University Moorhead reserves the right to:

1. Cancel the Request for Qualifications at any time with no cost or penalty to the State.
2. Reject any and all responses received in response to this RFP;
3. Disqualify any Responder whose submittal fails to conform to the requirements of the RFP;
4. Duplicate all materials submitted for purposes of RFP evaluation, and duplicate all public information in response to data requests regarding the RFP;
5. Select for contract or for negotiations a Proposal other than that with the lowest cost or the highest evaluation score;
6. Negotiate as to any aspect of the Proposal with the selected Responder;
7. Extend the contract, not to exceed a total contract term of five (5) years;
8. Change any provisions in this RFQ by posting Addenda on Minnesota State website; and
9. Waive any non-material deviations from the requirements and procedures of this RFP and waive informalities contained in the RFP.

All costs incurred in responding to this RFP will be borne by the Responder. This RFP does not obligate the Owner to award a contract or complete the project, and the Owner reserves the right to cancel the solicitation if it is considered to be in its best interest.

Insurance Requirements
By submission of a proposal, Responder certifies that it is in compliance with all insurance requirements specified in Article 2.5 of the AIA Document B101-2017 (ST.30) example contract, posted with this RFP. The selected vendor will be required to maintain and furnish satisfactory evidence of insurance for the duration of the contract. A sample insurance certificate (CC.20) can be found on Minnesota State - eManual Version 2.0 for Vendors.

Notice to Vendors and Contractors
As a condition of this contract, CONTRACTOR is required by Minn. Stat. §270C.65 to provide a social security number, a federal tax identification number or Minnesota tax identification number. This information may be used in the enforcement of federal and state tax laws. These numbers will be available to federal and state tax authorities and state personnel involved in approving the contract and the payment of state obligations. Supplying these numbers could result in action to require CONTRACTOR to file state tax returns and pay delinquent state tax liabilities. This contract will not be approved unless these numbers are provided.

If you are an independent contractor, Minn. Stat. §256.998 requires the state to report your name, address and social security number to the New Hire Reporting Center of the Minnesota Department of Human Services unless your contract is for less than two months in duration with gross earnings of less than $250.00 per month. This information may be used by state or local child support enforcement authorities in the enforcement of state and federal child support laws.
Attachment 1: Affidavit of Non-Collusion
All respondents shall complete Attachment A and submit with their response to this request for qualifications.

Attachment 2: Workforce Certification
For all contracts estimated to be in excess of $100,000, Responders are required to complete the State of Minnesota – Workforce Certificate Information page and return it with the response. As required by Minn. R. 5000.3600, “It is hereby agreed between the parties that Minn. Stat. §363A.36 and Minn. R.5000.3400 - 5000.3600 are incorporated into any contract between these parties based upon this specification or any modification of it”. A copy of Minn. Stat. § 363.36 and Minn. R.5000.3400 - 5000.3600 are available on the website http://www.admin.state.mn.us/recs.

Attachment 3: Equal Pay Certification [Required for RFPs anticipated to be in excess of $500,000]
If the Response to this solicitation could be in excess of $500,000, the Responder must obtain an Equal Pay Certificate from the Minnesota Department of Human Rights (MDHR) or claim an exemption prior to contract execution. A responder is exempt if it has not employed more than 40 full-time employees on any single working day in one state during the previous 12 months. Please contact MDHR with questions at: 651-539-1095 (metro), 1-800-657-3704 (toll free), 711 or 1-800-627-3529 (MN Relay) or at compliance.MDHR@state.mn.us.

Attachment 4: Preference Form
In accordance with M.S. 16C.16, the basis of award is that eligible certified targeted group (T.G.) vendor and certified economically disadvantaged (E.D.) vendor will receive a six percent (6%) preference. Preference will only be allowed if the vendor is certified prior to the scheduled submittal date.

Attachment 5: Veteran/Service Disabled Veteran-Owned Preference Form
In accordance with Minnesota Statute §16C.16, subd. 6a, veteran-owned businesses with their principal place of business in Minnesota and verified as eligible by the United States Department of Veterans Affairs’ Center for Veteran Enterprises (CVE Verified) (prior to the solicitation opening date and time) will receive a preference in the evaluation of its proposal (consistent with RFP Section IV., Selection Criteria). Eligible veteran-owned small businesses include CVE verified, certified small businesses that are majority-owned and operated by veterans (pursuant to Minnesota Statute §16C.16, subd. 6a). Information regarding CVE verification may be found at http://www.vip.vetbiz.gov.

Only eligible, CVE verified, veteran-owned small businesses that provide the required documentation per the form, will be given the preference.

State Audit
The books, records, documents and accounting practices and procedures of the vendor relevant to the contract(s) must be available for audit purposes to Minnesota State and the Legislative Auditor’s Office for six (6) years after the termination/expiration of the contract.

Minnesota Government Data Practices Act
The requirements of Minnesota Statutes § 13.05, subd. 11 apply to the contract. The vendor must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by Minnesota State, its schools and the System Office in accordance with the contract and as it applies to all data created, gathered, generated or acquired in accordance with the contract. All materials submitted in response to this RFP will become property of the State of Minnesota.
and will become public record after the evaluation process is completed. Pursuant to the statute, completion of the evaluation process occurs when Minnesota State has completed negotiating the contract with the selected vendor. If the vendor submits information in response to this RFP that it believes to be trade secret materials as defined by the Minnesota Government Data Practices Act, the vendor must:

- mark clearly all trade secret materials in its response at the time the response is submitted;
- include a statement with its response justifying the trade secret designation for each item;
- defend any action seeking release of the materials it believes to be trade secret, and indemnify and hold harmless the State of Minnesota, Minnesota State, its agents and employees, from any judgments or damages awarded against the State or Minnesota State in favor of the party requesting the materials, and any and all costs connected with that defense. This indemnification survives Minnesota State award of a contract. In submitting a response to this RFP, the responder agrees this indemnification survives as long as the trade secret materials are in possession of Minnesota State.

Minnesota State will not consider the prices submitted by the Responder to be proprietary or trade secret materials.

Conflict of Interest
The CONSULTANT must provide a list of all entities with which it has relationships that create, or appear to create, a conflict of interest with the work that it is contemplated in this Request for Proposal. The list should indicate the names of the entity, the relationship, and a discussion of the conflict.

Organizational Conflicts of Interest
The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances that could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, a vendor is unable or potentially unable to render impartial assistance or advice, or the vendor’s objectivity in performing the contract work is or might be otherwise impaired, or the vendor has an unfair competitive advantage. The responder agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be made to the respective school's chief financial officer or the System Office’s Business Manager that must include a description of the action which the vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the school or System Office may, at its discretion, cancel the contract. In the event the responder was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the contracting officer, the school or System Office may terminate the contract for default. The provisions of this clause must be included in all subcontracts for work to be performed similar to the service provided by the prime contractor, and the terms “contract,” “contractor,” and “contracting officer” modified appropriately to preserve the rights of Minnesota State.

Physical and Data Security
The vendor is required to recognize that on the performance of the contract the vendor will become a holder of and have access to private data on individuals and nonpublic data as defined in the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13; and other applicable laws.
In performance of the contract, the vendor agrees it will comply with all applicable state, federal and local laws and regulations, including but not limited to the laws under Minnesota Statute Chapters 13 relating to confidentiality of information received as a result of the contract. The vendor agrees that it, its officers, employees and agents will be bound by the above confidentiality laws and that it will establish procedures for safeguarding the information.

The vendor agrees to notify its officers, employees and agents of the requirements of confidentiality and of the possible penalties imposed by violation of these laws. The vendor agrees that neither it, nor its officers, employees or agents will disclose or make public any information received by the vendor on behalf of Minnesota State and Minnesota State University Moorhead.

The vendor shall recognize the sole and exclusive right of Minnesota State to control the use of this information. The vendor further agrees it shall make no use of any of the described information, for either internal or external purposes, other than that which is directly related to the performance of the contract.

The vendor agrees to indemnify and hold harmless the State of Minnesota, Minnesota State and Minnesota State University Moorhead from any and all liabilities and claims resulting from the unauthorized disclosure by the vendor, its officers, employees or agents of any information required to be held confidential under the provisions of the contract. The vendor must return all source data to the “Authorized Representative” to be identified in the contract.
SECTION IV. RFP RESPONSE

Submission

By submitting a response to the RFP for this project, your firm commits to the schedule and to dedicating the required staff for the duration of the project.

Format

The format shall be a maximum of 20 pages, not counting the cover, cover letter, signature page, index, section divider tab sheets, and required Attachments.

Responding

Sealed proposals must be received at the following address no later than 2:00 p.m. CT on Thursday, May 13, 2021:

- Name: Brenda Norris
- Title: Executive Director of Facilities Management
- Mailing Address: 1104 7th Avenue South, Moorhead, MN 56563
- Physical Address: 709 17th Street South, Moorhead, MN 56563

The responder shall submit one [1] hard copy of its RFP response and one [1] electronic copy in PDF format. Proposals are to be sealed in mailing envelopes or packages with the responder’s name and address clearly written on the outside. The proposal must be signed in blue or black ink by a representative of the vendor.

Proposals received after this date and time will be returned to the responder unopened.

Proposals made in pencil will be rejected. Alterations in cost figures used to determine the lowest priced proposal will be rejected unless initialed in ink by the person responsible for or authorized to make decisions as to price quoted. The use of “white out” is considered an alteration.

The electronic copies can also be emailed to Brenda.norris@mnstate.edu in addition to the submittals required above.
Thank you!
