NOTES: This is a single source posting notification; there are no solicitation documents: Minnesota State Community and Technical College Division of Academic and Student Affairs intends to enter into 36-month software as a service agreement with Class Technologies. Class Technologies converts the Zoom experience into a specialized educational tool containing critical classroom management, instructional, and administrative capabilities for instructors. Features include Teaching and Learning Tools, Student Engagement Functionality, Attendance and ID verification, Proctored Exams, and Classroom Management. For this reason, this renewal has been deemed a single source due to its unique features and a comprehensive suite of attributes. If anyone has any concerns regarding this single source opportunity you must contact marsha.weber@minnesota.edu before 09/14/2022 AT 2:00 p.m. Central Time. Note: All correspondence must include reference number.
