NOTES: This is a single source posting notification; there are no solicitation documents.

- Minnesota State intends to enter into five (5) year hosting contract with Quest Construction Data Network.
- Quest Construction Data Network provides web based Construction Document Distribution System and on-line electronic Bidding process.
- Process includes advertisement of construction projects, distribute construction documents, maintaining a Plan Holder’s list, distribution of addenda and a secure system to receive bids electronically.
- No cost to Minnesota State, as all cost are borne by Plan Holders and Bidders.
- RFQ/RFQs can be posted at no cost to Minnesota State.
- Solicitations are posted by 37 colleges and universities and the system office of Minnesota State.

For this reason, this hosting contract has been deemed a single source due to inability to find a vendor that can provide both document distribution and on-line bidding. If anyone has any concerns regarding this single source opportunity, you must contact Jim Morgan via e-mail to before 10/23/19 AT 2:00PM Central Time.
