Section I. General Information

Background

Minnesota State Colleges and Universities (Minnesota State) is the fourth-largest system of higher education in the United States. It is comprised of 37 two-year and four-year state colleges and universities with 54 campuses located in 47 Minnesota communities. The System serves approximately 350,000 students each year. Minnesota State Colleges and Universities is an independent state entity that is governed by a 15-member Board of Trustees. For more information about the colleges and universities of Minnesota State, please view its website at http://www.minnstate.edu/

Minnesota State has completed extensive research and developed a plan to provide a unified communications platform for its constituent campuses that will integrate with its Office 365 tenant. Minnesota State evaluated the opportunities and challenges with the platform and created a model that can support this tenant at the scale required for multiple campuses in the same shared system.

Nature of RFP

Minnesota State is requesting proposals for master contract(s) to migrate campuses to its shared platform for unified communications. As a result of this RFP, campuses that wish to migrate will be able to select a vendor on the master contract to engage with to complete one or both phases of migration.

Phase 1 is an assessment of the current environment at the campus and their readiness to migrate to the system’s unified communications tenant. Vendors would conduct inventory on the campus, assess costs, and provide a comprehensive report to the campus with suggested action. The plan would outline change management procedures, emergency services, cost modeling and recommendations so that the campus could determine the risks, benefits and costs with moving to the system’s unified communications platform within the O365 systemwide tenant.

Phase 2 is the actual migration of the current phone system on the campus to the unified communications tenant with the system. Vendors would assist the campus and system office with the move and making the unified communications plan operational.

Campuses are not required to join the system’s unified communications tenant. Campuses that want to explore this option will be able to contract with successful vendor(s) for phase 1. If campuses determine it will be beneficial to move to the system’s unified communications tenant, they can contract with the successful vendor(s) for phase 2. Minnesota State wishes to have these master contract options open for its campuses to have an easy and seamless transition to its unified communications tenant over the next several years.

Selection Process

The selection process includes an evaluation of all qualified proposals. Minnesota State will select the Vendor(s) whose proposal(s), and follow up interviews if requested, demonstrate in Minnesota State’s sole opinion, the clear capability to best fulfill the purposes of this RFP cost-effectively. Minnesota State reserves the right to accept or reject proposals, in whole or in part, and to negotiate separately as necessary to serve the best interests of Minnesota State.

This RFP shall not obligate Minnesota State to award Master Contract(s) or complete the proposed project, and it reserves the right to cancel this RFP if it is in its best interest.

This information may be used in the enforcement of federal and state tax laws. If you are an independent contractor, Minn. Stat. §256.998 requires the state to report your name, address and social security number to the New Hire Reporting Center of the Minnesota Department of Human Services unless your contract is for less than two months in duration with gross earnings of less than $250.00 per month. This information may be used by state or local child support enforcement authorities in the enforcement of state and federal child support laws.

All previous communications between the parties, whether oral or written, with reference to the subject matter of this contract, are void and superseded. The resulting contract may be amended at a future date in writing by mutual agreement of the parties.

Sample Contract

Vendors should be aware of Minnesota State’s standard contract terms and conditions in preparing the response. A sample Minnesota State Services Contract is attached as Exhibit G for Vendor reference. Much of the language reflected in the contract is required by statute. If Vendors take exception to any of the terms, conditions or language in the contract, the Vendor must indicate those exceptions in the response to the RFP; certain exceptions may result in a proposal being disqualified from further review and evaluation. Only those exceptions indicated in the Vendor’s response to the RFP will be available for discussion or negotiation.

Deviations and Exceptions

Deviations from and exceptions to terms, conditions, specifications or the manner of this RFP shall be described fully on the Vendor’s letterhead stationery, signed and attached to the proposal submittal page(s) where relevant. In the absence of such statement the Vendor shall be deemed to have accepted
all such terms, conditions, specifications and the manner of the RFP. A Vendor's failure to raise an issue related to the terms, conditions, specifications or manner of this RFP prior to the proposal submission deadline in the manner described shall constitute a full and final waiver of that Vendor's right to raise the issue later in any action or proceeding relating to this RFP.

- mark clearly all trade secret materials in its response at the time the response is submitted;

This indemnification survives Minnesota State’s award of a contract. Minnesota State will not consider the prices submitted by the Responder to be proprietary or trade secret materials.

**Conflict of Interest**

The Vendor must provide a list of all entities with which it has relationships that create, or appear to create, a conflict of interest with the work that it is contemplated in this Request for Proposal. The list should indicate the names of the entity, the relationship, and a discussion of the conflict.

**Organizational Conflicts of Interest**

The responder warrants that, to the best of its knowledge and belief, and except as otherwise disclosed, there are no relevant facts or circumstances that could give rise to organizational conflicts of interest. An organizational conflict of interest exists when, because of existing or planned activities or because of relationships with other persons, a Vendor is unable or potentially unable to render impartial assistance or advice, or the Vendor’s objectivity in performing the contract work is or might be otherwise impaired, or the Vendor has an unfair competitive advantage. The responder agrees that, if after award, an organizational conflict of interest is discovered, an immediate and full disclosure in writing must be
made to the respective school’s chief financial officer or Minnesota State’s Business Manager that must include a description of the action which the Vendor has taken or proposes to take to avoid or mitigate such conflicts. If an organizational conflict of interest is determined to exist, the school or Minnesota State may, at its discretion, cancel the contract. In the event the responder was aware of an organizational conflict of interest prior to the award of the contract and did not disclose the conflict to the contracting officer, the school or Minnesota State may terminate the contract for default. The provisions of this clause must be included in all subcontracts for work to be performed similar to the service provided by the prime contractor, and the terms “contract,” “contractor,” and “contracting officer” modified appropriately to preserve Minnesota State’s rights.

**Physical and Data Security**

The Vendor is required to recognize that on the performance of the contract the Vendor will become a holder of and have access to private data on individuals and nonpublic data as defined in the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13; and other applicable laws.

In performance of the contract, the Vendor agrees it will comply with all applicable state, federal and local laws and regulations, including but not limited to the laws under Minnesota Statute Chapters 13 relating to confidentiality of information received as a result of the contract. The Vendor agrees that it, its officers, employees and agents will be bound by the above confidentiality laws and that it will establish procedures for safeguarding the information.

The Vendor agrees to notify its officers, employees and agents of the requirements of confidentiality and of the possible penalties imposed by violation of these laws. The Vendor agrees that neither it, nor its officers, employees or agents will disclose or make public any information received by the Vendor on behalf of Minnesota State and Minnesota State.

The Vendor shall recognize Minnesota State’s sole and exclusive right to control the use of this information. The Vendor further agrees it shall make no use of any of the described information, for either internal or external purposes, other than that which is directly related to the performance of the contract.

The Vendor agrees to indemnify and hold harmless the State of Minnesota, Minnesota State from any and all liabilities and claims resulting from the unauthorized disclosure by the Vendor, its officers, employees or agents of any information required to be held confidential under the provisions of the contract. The Vendor must return all source data to the “Authorized Representative” to be identified in the contract.

**Reimbursements**

Reimbursement for travel and subsistence expenses actually and necessarily incurred by the contractor as a result of the contract will be in no greater amount than provided in the current “Commissioner’s Plan” promulgated by the commissioner of Employee Relations. Reimbursements will not be made for travel and subsistence expenses incurred outside Minnesota unless it has received the State’s prior written approval for out of state travel. Minnesota will be considered the home state for determining whether travel is out of state.

2. 1 prior engagement with developing a plan and completing migration to a unified communications tenant
3. Experience with government and/or higher education

General criteria upon which proposals will be evaluated include, but are not limited to, the following:

a. Comprehensiveness of vendor proposal

Proposal Format

Proposals which fail to address any of the submission requirements may be deemed nonresponsive and will not be further considered. Note the responses to questions must be specifically answered within the context of the submitted proposal. The System Office evaluation team will not refer to a designated website, brochure, or other location for the requested information. Responses that utilize references to external materials as an answer will be considered non-responsive.

Information which the responder desires to present that does not fall within any of the requirements of the RFP should be inserted at the appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.

To be considered responsive, a proposal must contain the following reference by number and in the order below:

1: Cover Letter (5%)

The cover letter shall contain a brief introduction of the Vendor, corporate structure, major business lines and the proposal. The letter shall be concise and need not repeat any of the detailed information set forth in the proposal; however, any terms or conditions of this RFP to which the Vendor objects and/or does not accept shall be clearly stated in the cover letter along with any alternatives or further explanation. At a minimum, the cover letter page shall be on company letterhead and shall include the name and working address of the firm submitting a proposal, the name, telephone and e-mail address of the primary company representative to be contacted with reference to the proposal and the date of submission.

2: Statement of Work (30%)
Please provide a copy of the vendor’s SOW including approach, resources, timeline and deliverables that would be used to address the project scope. Vendor responses may call out deliverables and/or requirements that are not mentioned within the scope of deliverables that the vendor deems critical to the success of the project.

3: Cost (25%)

Each proposal must contain a completed Exhibit H: Cost Proposal with a fixed bid for each phase described in the Nature of the RFP section based on campus size.

4: Qualifications of the Vendor (20%)

a. Vendor background, including years in business, volume of clients, number of employees, areas of expertise, and a list of relevant services the Vendor provides.
b. Other information the Vendor deems pertinent to demonstrating its qualifications to perform the services being requested.

5: Vendor Interview and Reference Checks (20%)

Location:
Minnesota State
30 7th Street East, Suite 350
St. Paul, MN 55101-7804.

If selected, Minnesota State will do its best to accommodate vendor preference. Failure to accept an invitation to interview may result in a proposal not being considered for further evaluation.

Sales and marketing materials are not to be presented. At least two individuals from the vendor’s organization will be required to be onsite. Conference call/Skype access will be available for participants not onsite. Wireless access will be available, but if your presentation requires access to resources via the Internet, we recommend a backup plan (i.e. flash drive or other mobile media) in the event wireless is not functioning properly with the vendor’s laptop(s). The vendor(s) will also be required to provide either a flash drive or a CD of their presentation. Minnesota State may also reject a proposal if it is proven during the interview that the Vendor cannot meet the Vendor’s RFP response.

b. Three (3) references of clients, including company name, address, telephone number, fax number, primary contact, and type of services the company is performing for these clients. NOTE: The Vendor certifies that it is empowered to use the names of references it provides and agrees that Minnesota State may contact these references.

6: Required Forms

Vendors must complete and include the following forms in the response:

Failure by a contractor to implement an affirmative action plan or make a good faith effort shall result in revocation of its certificate or revocation of the contract (Minnesota Statutes §363A.36, subdivisions 3 and 4).

A contract over $100,000 will not be executed unless the firm or business having more than forty (40) full-time employees, either within or outside the State of Minnesota, has received a certificate of compliance signifying it has an affirmative action plan approved by the Commissioner of Human Rights. The Certificate is valid for four (4) years. For additional information, contact the Department of Human Rights, Freeman Building, 625 Robert Street North, Saint Paul, MN 55155.

The civil remedies of Minnesota Statutes §13.08 apply to the release of the data referred to in this clause by either the CONTRACTOR or Minnesota State.

   Minnesota State solely and exclusively owns and retains all right, title, and interest, whether express or implied in and to its data. For purposes of this section “Minnesota State data” has the meaning of “government data” in Minn. Stat. §13.02, subd. 7. CONTRACTOR has no and acquires no right, title, or interest, whether expressed or implied, in and to Minnesota State data.

   b. **Public Data Requests.**

   In the event the CONTRACTOR receives a request to release the data referred to in this clause, the CONTRACTOR must immediately notify Minnesota State. Minnesota State will give the CONTRACTOR instructions concerning the release of the data to the requesting party before the data is released.

   c. **Not-Public Data.**

   The CONTRACTOR acknowledges that the Contract may allow it to access private data, including but not limited to “educational data” as defined at Minnesota Statutes § 13.32; “not public data” as defined at
Minnesota Statutes § 13.02, subd. 8a; and “nonpublic data” as defined at Minnesota Statutes § 13.02, subd. 9. CONTRACTOR is responsible for maintaining the confidentiality, security, and protection of Minnesota State data related to the Contract.

The CONTRACTOR further acknowledges that for the purposes of this Contract it will be designated as a “school official” with “legitimate educational interests” in Minnesota State’s data, as those terms have been defined under the Family Educational Rights and Privacy Act (FERPA) and its implementing regulations, and the CONTRACTOR agrees to abide by the limitations and requirements imposed by 34 CFR 99.33(a) on school officials. The CONTRACTOR will use Minnesota State data only for the purpose of fulfilling its duties under this Contract, and will not monitor or share such data with or disclose it to any third party except as provided for in this Contract, required by law, or authorized in writing by Minnesota State. CONTRACTOR will not access Minnesota State user accounts except to respond to service or technical problems or at Minnesota State’s specific request. By way of illustration and not of limitation, CONTRACTOR will not use Minnesota State data for CONTRACTOR’s own benefit and, in particular, will not engage in “data mining” of Minnesota State data or communications, whether through automated or human means, except as necessary to fulfill its duties under the Contract, or as specifically and expressly provided for in this Contract, as required by law, or authorized in writing by Minnesota State.

The CONTRACTOR agrees that no Minnesota State data shall be transmitted, exchanged or otherwise provided to other parties except as specifically agreed to in writing by Minnesota State contract administrator or delegate. CONTRACTOR must ensure that any contractors, subcontractors, agents and others to whom it provides Minnesota State data, agree in writing to be bound by the same restrictions and conditions under this Contract that apply to CONTRACTOR with respect to such data.

d. Security Incidents.

If CONTRACTOR becomes aware of a privacy or security incident regarding any Minnesota State data, CONTRACTOR will immediately report the event to Minnesota State and MINNESOTA STATE’s Chief Information Security Officer. The decision to notify and the actual notifications to Minnesota State’s data subjects affected by the security or privacy incident is the responsibility of Minnesota State. Notwithstanding anything to the contrary in this Contract, the CONTRACTOR shall indemnify, hold harmless and defend Minnesota State and its officers, and employees for and against any claims, damages, costs and expenses related to any privacy or security incident involving any Minnesota State data. CONTRACTOR shall reasonably mitigate any harmful effects resulting from any privacy or security incident involving any Minnesota State data.

For purposes of this sub-section, "security incident" means the successful unauthorized access, use, disclosure, modification or destruction of data or interference with system operations in an information system. For purposes of this sub-section, "privacy incident" means violation of the Minnesota Government Data Practices Act (Minnesota Statutes chapter 13) and/or federal privacy requirements in federal laws, rules and regulations. This includes, but is not limited to, improper or unauthorized use or disclosure of not public data, improper or unauthorized access to or alteration of public data, and incidents in which the confidentiality of the data maintained by CONTRACTOR has been breached. For purposes of this section, “not public data” has the meaning in Minnesota Statutes section 13.02, subdivision 8a.

e. Security Program.

CONTRACTOR must make all commercially reasonable efforts to protect and secure Minnesota State data related to this Contract. CONTRACTOR will establish and maintain an Information Security Program (“Program”) that includes an information security policy applicable to any and all cloud computing or hosting services (“Policy”). CONTRACTOR’s Program and Policy must align with appropriate industry security frameworks and standards such as National Institute of Standards and Technology (“NIST”) 800-53 Special

CONTRACTOR will make its Policy available to Minnesota State on a confidential, need-to-know basis, along with other related information reasonably requested by Minnesota State regarding CONTRACTOR’s security practices and policies. Unless inconsistent with applicable laws, CONTRACTOR and Minnesota State must treat the Policy and related information on security practices and policies that are specific to the State as confidential information and as not public data pursuant to Minnesota Statutes §13.37.

f. End of Agreement Data Handling.

All Minnesota State data shall be remitted, in a mutually agreeable format and media, to Minnesota State by the CONTRACTOR upon request or upon completion, termination or cancellation of this Contract. The foregoing sentence does not apply if Minnesota State’s Chief Information Security Officer or delegate authorizes in writing the CONTRACTOR to sanitize and/or destroy the data and the CONTRACTOR certifies in writing the sanitization and/or destruction of the data. Ninety (90) days following any remittance of Minnesota State data to Minnesota State, CONTRACTOR shall, unless otherwise instructed by Minnesota State in writing, sanitize and/or destroy any remaining data and certify in writing that the sanitization and/or destruction of the data has occurred. Any such remittance, sanitization or destruction will be at the CONTRACTOR’s sole cost and expense.

12. INTELLECTUAL PROPERTY. The CONTRACTOR represents and warrants that any materials, plans, specifications, documents, software or intellectual property of any kind produced or used under this contract (MATERIALS) do not and will not infringe upon any intellectual property rights of another, including, but not limited to, patents, copyrights, trade secrets, trade names, and service marks and names. The CONTRACTOR shall indemnify and defend, to the extent permitted by the Attorney General, Minnesota State at the CONTRACTOR’S expense from any action or claim brought against Minnesota State to the extent that it is based on a claim that all or part of the MATERIALS infringe upon the intellectual property rights of another. The CONTRACTOR shall be responsible for payment of any and all such claims, demands, obligations, liabilities, costs and damages, including, but not limited to, reasonable attorney fees arising out of this contract, amendments and supplements thereto, which are attributable to such claims or actions.

If such a claim or action arises, or in the CONTRACTOR’S or Minnesota State’s opinion is likely to arise, the CONTRACTOR shall, at Minnesota State’s discretion, either procure for Minnesota State the right or license to continue using the MATERIALS at issue or modify the allegedly infringing MATERIALS. This remedy shall be in addition to and shall not be exclusive to other remedies provided by law.

13. JURISDICTION AND VENUE. This contract, and amendments and supplements thereto, shall be governed by the laws of the State of Minnesota. Venue for all legal proceedings arising out of this contract, or breach thereof, shall be in the state or federal court with competent jurisdiction in Ramsey County, Minnesota.

Minnesota Statute §363A.36 requires CONTRACTOR to have an affirmative action plan for the employment of minority persons, women, and qualified disabled individuals approved by the Minnesota Commissioner of Human Rights (hereinafter COMMISSIONER) as indicated by a certificate of compliance. The law addresses suspension or revocation of a certificate of compliance and contract consequences in that event. A contract awarded without a certificate of compliance may be voided.

the following: employment, upgrading, demotion or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

4. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Commissioner of the Minnesota Department of Human Rights. Such notices must state the CONTRACTOR'S obligation under the law to take affirmative action to employ and advance in employment qualified disabled employees and applicants for employment, and the rights of applicants and employees.

5. The CONTRACTOR must notify each labor union or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the CONTRACTOR is bound by the terms of Minnesota Statute §363A.36 of the Minnesota Human Rights Act and is committed to take affirmative action to employ and advance in employment physically and mentally disabled persons.

iii. Consequences. The consequences for the CONTRACTOR'S failure to implement its affirmative action plan or make a good faith effort to do so include, but are not limited to, suspension or revocation of a certificate of compliance by the COMMISSIONER, refusal by the COMMISSIONER to approve subsequent plans, and termination of all or part of this contract by the COMMISSIONER or Minnesota State.

iv. Certification. The CONTRACTOR hereby certifies it is in compliance with the requirements of Minnesota Statutes §363A.36 and Minnesota R. 5000.3400-5000.3600 and is aware of the consequences for noncompliance.

20. EQUAL PAY CERTIFICATION REQUIREMENTS FOR CONTRACTS IN EXCESS OF $500,000.00 AND THE CONTRACTOR HAS MORE THAN 40 FULL-TIME EMPLOYEES IN MINNESOTA OR ITS PRIMARY PLACE OF BUSINESS.

Minnesota State intends to carry out its responsibility for requiring equal pay by its CONTRACTORS.

If the amount of this contract is in excess of $500,000.00 and the CONTRACTOR has 40 or more full-time employees in Minnesota or a state where the business has its primary place of business on a single day during the prior 12 months, the CONTRACTOR must comply with the requirements of Minnesota Statutes §363A.44 prior to contract execution. CONTRACTOR must obtain an Equal Pay Certificate from the Minnesota Department of Human Rights (MDHR) or claim an exemption prior to CONTRACT execution. CONTRACTOR is exempt if it has not employed more than 40 full-time employees on any single working day in one state during the previous 12 months. A certificate is valid for four years.
i. Consequences. The consequences for the CONTRACTOR’S failure to secure and comply with Minnesota Statutes §363A.44 or make a good faith effort to do so, include but are but are not limited to, suspension or revocation of a certificate of Compliance by the COMMISSIONER, and termination of all or part of this contract by the COMMISSIONER or Minnesota State.
