The Respondent will submit a company profile. Factors favorable to a Respondent will be stability of the Respondent’s business and greater length of experience that would contribute to the Respondent’s performance on this project. The Respondent will attach summary resumes of all team members, stating the years of each with the company, as well as qualifications and special expertise, including specific experience with projects similar to the one that is the subject of this RFP. Highlight individual experience if performed under a previous firm. Factors favorable to a Respondent are the
assignment of experienced and highly qualified team members with substantial expertise on similar projects.

Provide a brief statement of the Team’s past or present working relationships. Explain how each separate design sub-consultant will be utilized (e.g. major role during portions of the design, not participating during construction, etc.). Matrix or chart is suggested. For each Team personnel member, provide:

Provide a lump sum fee for all basic and supplemental services. Also, list for each of the phases of the project work, the team members by name providing services, their estimated hours and hourly rate. Reimbursement for travel and subsistence expenses actually and necessarily incurred by the Respondent in performance of this contract shall be included within the Respondent’s lump sum fee. The rates listed on the RFP may be used by the Owner to add or deduct services to modify the RFP response or subsequent contract on a per hour or per service basis.

The evaluation for cost of services (excluding reimbursables) will award points according to the lowest fee proposal. The lowest fee proposal will receive the maximum points. Points will be awarded to each of the other proposals by dividing the lowest proposal by each of the other proposal costs. The answer will always be less than 1. Take the answer of the division and multiply by the maximum points. The answer will be the number of points (rounded to the nearest whole number) assigned to the total cost for this Respondent.
Unique Qualifications – 5 points
Describe any unique services or qualifications that may benefit the Owner in the execution of the proposed project.

Preferences – 6 points (extra)
In accordance with M.S. 16C.16, the basis of award is that eligible certified targeted group (T.G.), economically disadvantaged (E.D.), and Veteran Owned small businesses will receive a six percent (6%) preference.
