ejmears@stcloudstate.edu

NOTES: This is a single source posting notification; there are no solicitation documents. St. Cloud State University intends to enter into 36 month software maintenance and support agreement with EAB Global Inc. EAB provides the first level of support for the Navigate Student Success Management System which includes three main components/products; Academic Affairs Forum, Intelligence for Administrators and the Strategic Care for Staff. The integration of the software products into a cohesive set of applications has been designed specifically for St. Cloud State and currently has a 5 year history with this University. For this reason, this need to continue with the same software has justified this single source. If anyone has any concerns regarding this single source opportunity you must contact Ted Mears via e-mail to ejmears@stcloudstate.edu before 12/30/2021 AT 2:00PM Central Time. Note: All correspondence must include reference number.
