QUESTIONS:

1. The equipment list provided, do all 64 rooms get all of the equipment that is specified?
   No-The equipment will be determined during the walk through of the rooms.

2. What time on July 27th is the walk through?
   12:00 PM – 4:00 PM
3. Will there be a chance to ask questions after the walk through?
   Yes – questions are welcome at any time during the walk through

4. Do you know if we will get to do a tour of each room, or will it be just of rooms that will
   be similar?
   Each room will be visited on the tour.

5. I am responding to the SCTCC RFP that was posted on the MinnState page and when
   speaking with Sony, there are some replacements for your original ask. The closest
   replacement for the Blu-Ray player BDP-3700, is the BDPS6700, or UBPX700/m. The
   closest replacement for the VPLPHZ12 Laser Lite Projector would be the VPLPHZ50. Can
   you confirm between the two Blu-Ray players as well as confirm the replacement for the
   projector?
   After reviewing the specs, the replacements for both should be fine.

The above ADDENDUM shall be attached to and become part of the bid. Receipt
of this Addendum shall be acknowledged by including it with the bid. Failure to do
so may subject BIDDER to disqualification.
